CONSIDER SMOKE-FREE HOUSING

The City of Austin encourages the development of smoke-free rental housing. Smoke-free housing protects the health of residents by decreasing exposure to harmful secondhand smoke. Also, apartment owners and managers reap the benefits of more efficient and less expensive unit turnovers, potentially lower insurance premiums, and reduced risk of fires.

Smoke-free policies are legally permissible and can be a marketing advantage for attracting and retaining residents. More than 80 percent of people living in the Austin area do not use tobacco, and a 2011 survey conducted by the Austin/Travis County Health and Human Services Department found that 77 percent of renters in Travis County would prefer to live in tobacco-free housing.

Find out how you can protect the health of residents, make your property safer, and save money by downloading a copy of "A Manager's Guide to Smoke-Free Housing Policies" at: <http://www.livetobaccofreeaustin.org/owners.php>.

Please answer the following questions.

Is this development intended to have restrictions on smoking? Yes No

If "Yes," what level of restriction is intended?

No smoking anywhere on the property, inside or outside

No smoking Inside residents' units

No smoking in outdoor exclusive use areas such as individual balconies or patios

No smoking in outdoor common areas such as pool, parking lot, green spaces, etc.

No smoking outdoors within a reasonable distance from building entrances (such as 15 – 25 feet) to prevent smoke from entering another resident's open windows or doors.

3. **Project Type (Please check any that apply.)** This project is considered:

- Traditional Rental Housing** (serving low-income households, and resident services may or may not be provided)
- Transitional Housing** (case management services provided and residency limited to a certain length of time, usually no more than 24 months)
- Permanent Supportive Housing** (Considered long-term rental housing for very low-income families and individuals who are among the hardest to serve and who are most vulnerable to homelessness. This type of housing provides case management services to residents as needed).

If you checked Permanent Supportive Housing, please complete the information below.

A. Numbers of proposed PSH Units:

120 Total Number of Units in project
12 Total Number of Permanent Supportive Housing (PSH) Units Proposed

B. Check the population or sub-population(s) proposed to be served and indicate the number of units dedicated to that population or sub-population.

1. _____ Persons needing "**Housing First**," a Permanent Supportive Housing model typically designed for individuals or families who have complex service needs, who are often turned away from other affordable housing settings, and/or who are least likely to be able to proactively seek and obtain housing on their own. Housing First approaches also include rapid re-housing which provides quick access to permanent housing through interim rental assistance and supportive services on a time-limited basis.

NUMBER OF UNITS _____

Individuals or families headed by individuals that are:

2. _____ **Chronically homeless** as established in the HEARTH Act (Homeless Emergency and Rapid Transition to Housing Act of 2009) found at 24 CFR Part 577.

NUMBER OF UNITS _____

4. _____ Unaccompanied youth or families with children **defined as homeless under other federal statutes** who:

- a. have experienced a long-term period without living independently in permanent housing;

- b. have experienced persistent instability as measured by frequent moves over such period; and
- c. can be expected to continue in such status for an extended period of time because of chronic disabilities, chronic physical health or mental health conditions, substance addiction, histories of domestic violence or childhood abuse, the presence of a child or youth with a disability, or multiple barriers to employment.

NUMBER OF UNITS _____

5. _____ A single adult or household led by an adult **'aging out' of state custody of the foster care or juvenile probation system**, where the head of household is homeless or at-risk of homelessness.

NUMBER OF UNITS _____

6. X Any other population **not defined above** but who would otherwise be eligible for or need permanent supportive housing services.

NUMBER OF UNITS 12 UNITS FOR FAMILIES MEETING THE HEARTH ACT DEFINITION OF HOMELESSNESS INCLUDING #4 ABOVE.

NOTE: APPLICANTS CHECKING B.1, B.2, B.3, or B.4 ABOVE MUST COLLECT AND REPORT INFORMATION INTO THE HOMELESS MANAGEMENT INFORMATION SERVICE (HMIS)

4. Project Description. Provide a brief project description that addresses items "A" through "L" below.

Foundation Communities is applying for funding in the amount of **\$1,150,000** from the City of Austin for the new construction of Cardinal Point –120 units of rental housing for families located in the coveted, high opportunity Four Points area in Northwest Austin. This is the second funding request to the City for this project and brings the City’s funding contribution on Cardinal Point to a total of \$3,025,000 or \$25k per unit. This is equal to City funding provided on all past projects. Since our initial funding application, Cardinal Point has been awarded a highly competitive award of 9% LIHTC’s. We have gone out to bid on the tax credit equity and permanent debt and will be choosing a partner soon. This second funding request from the City will provide the third layer in our funding stack and allow us to continue to fundraise for the remaining layer.

We are super excited about the location of Cardinal Point along Four Points Drive in close proximity to an abundance of retail, employment, recreational amenities and excellent schools. Cardinal Point will bring an affordable housing option to the Four Points area where there are many service jobs, but very high rental rates. In addition, we are thrilled to enable families exceptional access to the excellent schools and family-friendly vibe of the neighborhood that will contribute to strong and stable families.

We look forward to partnering with the City to replicate the successes of FC’s most recent developments – Capital Studios and Homestead Oaks– to build beautiful housing that inspires families and neighborhoods.

a. Describe the tenant population, income levels, and services, if any, to be provided to or made available to residents.

The target population of Cardinal Point is families with children. Most of these families will consist of working parents with children. 10% of the property (12 units) will be reserved for families transitioning from homelessness into a stable housing and financial environment as part of FC’s Children’s HOME Initiative program. Cardinal Point will have 12 units (10% of the property) that are accessible to persons with Mobility Impairments using Section 504 and Fair Housing Accessibility as guidelines. The property will also have 3 units (2% of the property) that are accessible for persons with hearing and/or visual disabilities.

Of the 120 units, 10% will be for residents with approximate incomes less than 30% of the Area’s Median Family Income (AMFI) which will serve families in the Children’s HOME Initiative Program, 50% will be for residents with approximate incomes of less than 50% of the AMFI, and 40% will be for residents with approximate incomes of less than 60% of the AMFI.

FC started the Children’s HOME Initiative (CHI) in 2003 in response to the growing rates of poverty and homelessness in Austin among families with children. The CHI program creates opportunities for all members of the family by improving financial stability and engaging children in developmental activities and promoting their emotional well-being. The 18 months of intensive case management is designed accomplish maximum economic and housing stability. FC has 103 CHI apartments, housing 140 adults and 270 children. Homestead Oaks, our new property in Southwest Austin opening this winter, will have 13 additional CHI apartments to meet the ever-increasing demand (we receive 250 inquiries each month).

An average CHI family is a single mother with two young children; she makes \$12,000-\$18,000 per year in a service or retail job. Many families do not have access to affordable child care, adequate health care coverage, and higher education when they enter the program. For a majority of CHI families, the program is transformational with extremely high rates of success.

One of the most critical facets of the CHI program is the ability for families to transition-in-place. When the 18 month transitional program is completed, families can stay at the property and pay rent according to their newly established employment income. This allows families to maintain ties to the community and prevents school transiency for the children. For this reason, FC’s CHI program is viewed more as Permanent Supportive Housing than Transitional Housing although it includes the main components of both. FC currently has 103 CHI units spread out over 6 properties. Cardinal Point would add 12 more units to the program.

The menu of services that we plan to make available to residents at Cardinal Point include:

- Afterschool Program – Foundation Communities will offer both an afterschool and summer school program in the on-site Community Learning Center for children living at Cardinal Point.
- Adult Classes including English as a Second Language, Money Management, Homebuyer Education and Computer Training will be offered on-site in the Community Learning Center.
- Off-Site services to be provided by Foundation Communities include: Financial Education, Financial Coaching, Matched Savings Accounts, College Savings and Financial Assistance, Free Tax Preparation and Enrollment in Health Insurance.

The Children’s HOME Initiative program typically offers the following menu of services:

- Computer training
- Intensive Case Management
- Individualized Family Support
- Crisis Management
- Financial Literacy
- Debt Management
- Children’s Advocacy
- Educational Support
- Career Awareness & Enrichment
- Long-term Goal Development
- Resource Brokering

Please see Section 15(a) for a more detailed explanation of services available to residents living at Cardinal Point.

b. Include the type of structure (multi-family or single-family), number and size of units in square feet.

Cardinal Point will be a 120-unit multifamily rental community for families. The property will also contain a leasing office, clothes care center, supportive service staff offices, community learning center with classrooms and a computer lab.

The unit mix for the property is as follows:

Unit Type	# of Units	Square Footage
1 bedroom/1 bath	54	787 sq. ft.
2 bedroom/2 bath	42	1,015 sq. ft.
2 bedroom/2 bath	6	1,053 sq. ft.
3 bedroom/2 bath	18	1,300 sq. ft.

TOTAL Rentable Square Feet	114,846 sq. ft.
TOTAL Common Area Square Feet	13,251 sq. ft.
TOTAL Square Feet	128,451 sq. ft.

c. Indicate whether the property is occupied at the time this application is being submitted.

Cardinal Point is new construction and therefore is not occupied.

d. Indicate whether the project meets the requirements of the City's Vertical Mixed-Use (VMU) Ordinance, or is in a Planned-Unit Development (PUD) or Transit Oriented Development (TOD), or is located less than .25 miles from a transit stop (not just a transit route).

Cardinal Point is located in the "Four Points Centre PUD," comprised of approximately 333 acres located generally at the southeast intersection of F.M. 620 and F.M. 2222. The site is located along Cap Metro route 122 with the stop approximately a 1/2 mile away from the site. We are in correspondence with Cap Metro about the possibility to include a stop closer to the site.

e. Indicate whether the project will preserve existing affordable rental units.

Cardinal Point is new construction and therefore will be adding 120 new units to Austin's affordable housing stock.

f. If there are existing structures, provide documentation from the taxing authority or another third-party source indicating the year the structure was built.

Cardinal Point is new construction, therefore this section is not applicable.

g. Indicate the number of units reserved for Housing Choice Voucher holders (Section 8).

Section 8 vouchers will be accepted at Cardinal Point. At this time, there are no units reserved for Section 8 voucher holders.

h. Indicate the number of units that are or will be made accessible and adaptable for persons with mobility, sight or hearing disabilities.

At a minimum, 10% of the total units (12) will be designed for persons with Mobility Impairments using Section 504 and Fair Housing Accessibility as guidelines. In addition, at a minimum, 2% of total units (3) will be made accessible for persons with hearing and visual impairments.

i. Demonstrate the Project's compatibility with current Neighborhood Plan (if applicable).

Cardinal Point is not located in an area with a current Neighborhood Plan.

j. Summarize the key financials of the project, clearly indicating the total project cost, the amount and intended use of AHFC funds being requested, and the amount(s) and provider(s) of other funding and the stage of those funding commitments.

The total cost to construct the 120-unit Cardinal Point is \$25,425,866. The sources of funds for this project include:

City of Austin, in the amount of \$1,875,000 authorized at the August 6, 2015 City Council meeting, and \$1,150,000 in RHDA funds requested under the current application. The initial award of funds was used to cover a portion of the acquisition cost of the land, the current request will be used for hard and/or soft costs. We request these funds from the City to be in the form of a deferred forgivable loan with a loan term of at least 40 years.

TDHCA Low Income Housing Tax Credits (LIHTC), in the amount of approximately \$15,898,410 (\$1,500,000 annual allocation). The 9% tax credits will be used for construction costs. An award of tax credits was made by TDHCA on July 31, 2015. We are currently reviewing equity and debt proposals. An equity and debt provider will be selected mid-to-late October.

Permanent Loan in the amount of \$4,126,239. We have not finalized a lender, but will forward a commitment letter upon final decision. Foundation Communities has excellent relationships with several lenders that allow for competitive rates and pricing. We currently have private mortgages with Bank of America, Wells Fargo, BBVA Compass, HUD 221(d)(4) and Greater Texas Federal Credit Union. While we have great relationships with these and many other conventional lenders, we have a fiduciary duty to bid out our finance opportunities, and we have always found this to end up with the best rate and terms.

Deferred Developer Fee in the amount of \$1,081,724, which can be paid back by property cash flow within 15 years (as required by tax credit investor.)

Owner Equity in the amount of \$794,493. Foundation Communities will commit \$794,493 of its own funding to Cardinal Point as a placeholder for private fundraising that will be pursued during the development project.

Please attach the following to the description of the above items:

- k. A map (8 ½" x 11") indicating the property location and the distance to the nearest Capital Metro Transit Stop to which residents will have access.

Please see **ATTACHMENT 5** for a map of the property location and distance nearest Capital Metro Transit Stop.

- l. A flood plain map generated by www.ATXFloodPro.com with the property parcel identified and the legend displayed showing the various types of FEMA Flood Plain zones.

Please see **ATTACHMENT 5** for a flood plain map generated by ATX Flood Pro. Cardinal Point is located in Zone X.

- 5. Site Control and Demonstration of Value.** Include evidence of site control such as a warranty deed or a current earnest money contract, and provide a real estate appraisal or current tax documentation that substantiates the value of the property.

Please see **ATTACHMENT 6: Warranty deed** and **ATTACHMENT 7: Current tax documentation**

- 6. Zoning.** Include a letter from the City of Austin's Planning and Development Review Department (PDRD) verifying that the current zoning of the site for the proposed project is compatible with the anticipated use, or include documentation verifying that a request to change current zoning has been submitted to PDRD. Should the project be approved for funding, the appropriate zoning must be in place prior to execution of loan documents.

The site for Cardinal Point is located in the "Four Points' Centre PUD," comprised of approximately 333 acres. The PUD ordinance allows for land uses permitted under GR, GO, and MU, districts, and is regulated by the Four Points Centre Conceptual Land Use Plan. The MU zoning and land use plan allows for multifamily development at the proposed density. Please see **ATTACHMENT 8: Zoning Verification Letter** from Wendy Rhoades confirming the zoning for the proposed use.

- 7. S.M.A.R.T. Housing™.** Include a copy of the letter that indicates the project has been reviewed and meets S.M.A.R.T. Housing™ requirements.

Please see **ATTACHMENT 9: S.M.A.R.T. Housing certification** from Javier V. Delgado indicating the project meets S.M.A.R.T. Housing requirements.

- 8. Development Team and Capacity.** Identify below the persons or entities anticipated to be involved in the project, such as lenders, attorneys, accountants, architects, engineers, general contractor, sub-contractors, property managers and consultants. Also, indicate if any person or entity involved is certified by the City of Austin as a minority or women-owned business enterprise (**MBE/WBE**), or if any of the entities are also **non-profit** organizations.

Please also provide narrative information about the skills you or your development team members have in the following areas:

- a. project management,
- b. market analysis,
- c. site selection and control,
- d. planning and construction,
- e. design, architecture and engineering,
- f. legal and accounting,
- g. federal funding rules and
- h. other funding source rules (e.g. Low Income Housing Tax Credits).

Foundation Communities has 20 years of experience contracting for and overseeing the construction and rehabilitation of affordable housing. As the owner and manager of 15 affordable housing properties (2,117 units) in Austin and 3 affordable housing properties (691 units) in North Texas, Foundation Communities has built a strong development team and has worked together on many projects. Four of our existing communities were new construction projects financed with tax credits with six additional communities (573 units) currently in design and construction. Fourteen of our communities were purchased as existing properties and greatly improved with renovations, green spaces and playscapes, learning centers, landscaping, signage, lighting and green building features (solar panels and rain water harvesting). Five properties are single room occupancy permanent supportive housing, two properties are duplexes and the remaining 11 properties are multifamily properties.

Housing Development Team - Our Housing Development Team consists of the following FC staff (Please see **ATTACHMENT 10** for resumes):

Walter Moreau is FC's Executive Director. During his 20-year career, Moreau has secured subsidy financing of more than \$100 million to create more than 2,400 units of service-enriched, nonprofit-owned affordable housing. Moreau was recognized as a 2007 James A. Johnson Community Fellow by the Fannie Mae Foundation. He was also awarded the 2005 Social Entrepreneur of the Year Award and the 2004 Texas Houser

Award. He holds a Master's degree from UT's LBJ School of Public Affairs. He has been with Foundation Communities for 20 years.

Sunshine Mathon, Design and Development Director, oversees the programming, design and construction management of all development projects. He has a focus on green building and sustainability issues, such as energy and water conservation, use of recycled content materials and indoor environmental quality. Sunshine was the project manager for Capital Studios (just completed construction), Homestead Apartments (in construction) and the recently completed Arbor Terrace and M Station. Sunshine coordinates the RFQ and bid process for architect, engineer and general contractor and is the direct link between the third party design and construction professionals and FC's Development team. FC has had the privilege of working with a number of quality general contractors and invites those firms to bid on all projects developed by Foundation Communities (in addition, to other firms that might be interested.)

Vicki McDonald, Asset Manager, oversees the income and assets of the FC portfolio. She has over 30 years of experience in owning and managing multifamily, office and retail developments. For 25 years, she owned and operated Vista Properties, a real estate firm specializing in the management, leasing and brokerage of income producing assets. Vicki is the link between the development team and property management as well as filling in on project management as the pipeline demands.

Jennifer Hicks, Director of Housing Finance, pursues new development opportunities and identifies and packages subsidy and conventional financing for multi-family housing. Packaging includes running project proformas, applying for the funding, bidding out equity/mortgages, coordinating closings, and ensuring compliance with construction-related funding provisions. Jennifer also coordinates due diligence reports such as the Phase I ESA, appraisal, market studies, property condition reports, and surveys. Over the past 10 years, Jennifer has secured grants and loans from public and private sources totaling \$180 million for the acquisition and rehabilitation of ten communities and two learning centers.

John Guttman, Real Estate Project Manager, underwrites all new development proposals and manages initial site analysis and due diligence. John also assists the Director of Housing Finance with all phases of each capital funding stack including preparation of funding applications (including LIHTC applications), solicitation of mortgage and equity financing and coordination of financing closings. John has extensive experience in financial modeling and site investigation.

Aubrie Christensen, Development Project Manager, assists the Design and Development Director with the programming, design and construction management of development projects. Aubrie joined Foundation Communities in summer 2014 in order to add development capacity. Aubrie is a graduate of the University of Texas School of Architecture and has a passion and interest in sustainability.

Please see **ATTACHMENT 10** for a Development Resume for Foundation Communities, Inc.

Please also provide narrative information about the skills you or your development team members have in the following areas:

- a. **project management:** Sunshine Mathon was the Project Manager of M Station, Arbor Terrace, and Capital Studios. He is currently overseeing the construction of Homestead Oaks, Lakeline Station, and Bluebonnet Studios. Sunshine coordinates the RFQ and bid process for architect, engineer and general contractor. He also acts as the direct link between the third party design and construction professionals and FC's development team. Jennifer Hicks has packaged the financing for all developments by Foundation Communities the last 10 years. The packaging includes running project proformas, applying for the funding, bidding out equity/mortgages, coordinating closings, and ensuring compliance with construction-related funding provisions. Jennifer also coordinates due diligence reports such as the Phase I ESA, appraisal, market studies, property condition reports, and surveys.
- b. **market analysis:** Foundation Communities typically engages a third party firm to conduct market studies for each of our proposed projects. The market study is ordered in the contract feasibility period. Jennifer Hicks receives bids and engages each project's market analyst.
- c. **site selection and control:** Walter Moreau has 20 years of site selection experience. Sites are selected based on a variety of factors including current funding priorities, availability of low-cost land, preservation of affordable housing opportunities and availability of sites in close proximity to existing FC properties. Vicki McDonald is a licensed real estate broker and is involved in all real estate contract negotiations. In addition, FC contracts with a private, third party land broker to locate sites. Jennifer Hicks and John Guttman work with the title company to ensure all requirements are met on the buyer side and oversees the closing on behalf of Foundation Communities.

- d. **planning and construction:** Sunshine Mathon has structured the professional development team and overseen the planning and construction for FC's last three projects. Foundation Communities contracts with third-party General Contractors. FC has had the privilege of working with a number of quality general contractors and invites those firms to bid on all projects developed by Foundation Communities (in addition, to other firms who might be interested.)
- e. **design, architecture and engineering:** Sunshine Mathon also oversees the hiring of the design and engineering team. Typically, Sunshine issues an RFQ to an invited list of bidders (open to all interested parties.) The list is narrowed down based on responses and then the FC development team including Walter, Vicki, Jennifer, John, Aubrie and Sunshine meet the finalists and make a selection based on presentations.
- f. **legal and accounting:** Rick Hightower has been the general counsel for Foundation Communities for the past 15+ years and handles most real estate transactions. Foundation Communities has historically worked with Kutak Rock as a tax credit counsel on LIHTC projects. All accounting is performed in-house by an accounting team led by Ann Clift, CFO. Tax returns, audits and cost certifications for tax credit properties are contracted out to Novogradac and Company, LLC.
- g. **federal funding rules:** Foundation Communities has extensive experience working with programs funded by HUD and their associated federal regulations including: Federal Labor Standards, Davis Bacon Reporting, Section 3, Affirmative Marketing, Environmental Clearances, Public Notices and Procurement Standards. Please see **ATTACHMENT 10** for the Foundation Communities Development Resume.
- h. **other funding source rules (e.g. Low Income Housing Tax Credits):** Please see the FC Development Resume as **ATTACHMENT 10** for a list of properties and the funding sources in place at each property. Also, please see Question 11 for more detailed information on Financing Experience.

9. **Development Schedule.** Complete the grid below. You may re-order the steps according to the appropriate sequence for your project and to add in any other significant steps integral to your project's development. If the multiple properties are involved, provide a development schedule for each property.

10. **Accessible and Adaptable Units.** Indicate the number of units proposed to be **accessible and adaptable** for persons with mobility, sight and hearing disabilities as required by RHDA Program Guidelines.

- _____ Units adaptable for persons with mobility disabilities
- 12 Units accessible for persons with mobility disabilities
- _____ Units adaptable for persons with sight and hearing disabilities
- 3 Units accessible for persons with sight and hearing disabilities

- 11. Developer Capacity.** Provide narrative information on recent, similar, and successful experience in affordable housing development. Include experience using multiple fund sources, managing affordable rental developments, and previous working history with the Austin Housing Finance Corporation.

Recent Development Experience: Cardinal Point will draw upon the recently completed new construction of M Station Apartments and Capital Studios; as well as Homestead Oaks, Bluebonnet Studios, Live Oak Trails, and Lakeline Station currently in development. Please see **ATTACHMENT 10** for a description of these projects in the FC Development Resume.

Foundation Communities, Inc. has experience utilizing all funding tools available for the development of affordable multifamily housing. We have an excellent track record of securing funding in competitive allocations of the 9% LIHTC. We also have solid relationships with multiple lenders. Three most recently completed projects utilize the following five layers of funding: 9% LIHTCs, City of Austin RHDA funding, FHLB AHP program, construction/permanent loan and private fundraising.

LIHTCs and BONDS

Foundation Communities has applied for and been awarded 9% LIHTCs for 10 developments. Two of these awards were forward commitments by the Texas Department of Housing Board of Directors giving testament to Foundation Communities track record of high-quality developments with compelling missions. FC's development team is well-versed in the LIHTC program and application process. All applications are completed in-house by staff. Staff also closely follows the drafting of the Qualified Allocation Plan and is aware of changes to threshold and scoring items that impact a high-scoring application. FC has a staff team that has over 10 years of tax credit compliance with a record of no significant findings. FC also has relationships with multiple tax credit investors including Enterprise Community Investment, Bank of America, and Raymond James.

Foundation Communities built and financed the Southwest Trails Apartments utilizing 4% LIHTC and private activity bonds. Bonds were issued by Austin Housing Finance Corporation.

City of Austin RHDA

The City of Austin has been a major contributor on every project completed by Foundation Communities in the past 10 years. The FC Development team follows the release of the City's application rules and NOFA and has a solid working relationship with City of Austin NHCD/AHFC staff.

FHLB AHP Program

Foundation Communities has applied for and received 11 awards through the FHLB Affordable Housing Program and received the highest funding amount awarded for our M Station property of \$1,500,000.

Private Mortgages

Foundation Communities has excellent relationships with several lenders that allow for competitive rates and pricing. We currently have private mortgages with Compass BBBVA, Bank of America, Wells Fargo and Greater Texas Federal Credit Union.

Private Fundraising

Foundation Communities employs a diverse fundraising strategy. In 2014, private fundraising totaled over \$8,000,000 (not including capital funding from City of Austin). Foundation and corporate grants range from \$3,000 to hundreds of thousands of dollars, and fund both capital projects and FC's wide range of programs (education, supportive housing, etc.).

Property Management Experience: Foundation Communities performs all leasing, maintenance, accounting, compliance and other property management functions for its 15 Austin properties. Foundation Communities earns property management and asset management fees that help support the overall nonprofit mission. The success of Foundation Communities' property management is demonstrated through its high occupancy (usually averaging more than 95 percent), low turnover (under 32 percent), ability to keep all properties performing within their operating budgets, completion of capital repairs of over \$535/unit, and a relatively high percentage of move outs going to homeownership (20 percent).

A majority of Foundation Communities' 18 properties feature a federal source of funding. Specifically, Foundation Communities' staff has experience with the compliance and reporting requirements of the Low Income Housing Tax Credit program, HOME program, and HUD Continuum of Care Funding Programs.

Please find attached **ATTACHMENT 10** for a list of the properties managed by Foundation Communities and the funding programs in place at the specific property. Cardinal Point will be staffed with a property manager,

assistant property manager, leasing agent, lead maintenance and assistant maintenance. The property will also have a full-time learning center coordinator. All family housing properties are overseen by Desiree Golden, Property Supervisor, who is overseen by Sandra Lumley, Property Director. Sandra has been with Foundation Communities for 20 years and has extensive knowledge of all funding programs and required compliance.

Please find attached the Good Neighbor Checklist and required documentation as **ATTACHMENT 11**.

15. Description of Supportive Services. If supportive services are NOT to be provided, please stop here. For all other projects, if supportive services are to be provided to residents, provide a description of the services that includes the following information:

a. **A description of the supportive services to be provided to residents and/or clients.**

Foundation Communities will provide free, supportive service programs that will educate, support and improve financial standing for residents of Cardinal Point. Supportive Service programs to be offered ON-SITE at Cardinal Point include:

Afterschool Program - We plan to hold an after-school program in the on-site community learning center available to all children living on the property. Foundation Communities’ afterschool programs offer academic assistance, enrichment activities, fitness activities, nutrition lessons and provide support services and educational opportunities for parents as well. Our PATHS (Planning Ahead Toward Health and School Success) program helps low-income children address low reading scores and obesity/inactivity/poor nutrition, setting them on a path to lifelong self-sufficiency and success. FC maintains a strong relationship with nearby schools with teachers and after-school staff working together to help each child succeed.

Our afterschool programs currently serve over 900 students each year. We estimate that Cardinal Point, a completely new from the ground up property with a brand new Learning Center, will serve 85 students the first year alone.

Summer-Youth Program – We plan to make available a summer-youth program to all children at Cardinal Point and will be held in the on-site community learning center. The goal of the Summer Youth Program is to provide a structured, supervised environment where youth can gain exposure to a variety of summer learning and enrichment activities, develop important social skills, and work toward a brighter future. In addition, the program will:

- provide free access to rewarding, hands-on educational, cultural, artistic, and recreational activities for youth ages 5-14.
- retain educational gains made during the school year.
- provide a structured, supervised time with caring adults who model and reward positive behavior and interaction.
- supply free, nutritious lunches and snacks five days per week.

Adult Classes - Foundation Communities believes it is important to offer “at your door” education opportunities to adults. We offer classes for adults on the following topics:

- English as a Second Language
- Money Management (offered in English and Spanish)
- Homebuyer Education
- Computer training

Children’s HOME Initiative – 10% of the units (12 units) at Cardinal Point will be available for families participating in FC’s Children’s HOME Initiative (CHI) program. The CHI program provides low-cost transitional housing for up to 18 months to families who are considered Extremely Low Income (at or below 30% of the area’s MFI). By engaging in case management services, families are able to outline their path toward permanent affordable housing and work to achieve an independent and healthy lifestyle.

The following services will be provided for residents participating in the CHI program at Cardinal Point:

- Computer training
- Intensive Case Management
- Individualized Family Support
- Crisis Management
- Financial Literacy
- Debt Management
- Children’s Advocacy
- Educational Support
- Career Awareness & Enrichment
- Long-term Goal Development
- Resource Brokering

Supportive Service programs provided by Foundation Communities, but located OFF-SITE include:

Financial Education - A ten-hour personal finance course, offered in English and Spanish, will help Cardinal Point residents evaluate their financial status and set financial goals. The course includes a one-on-one credit counseling session and follow-up.

Financial Coaching - Families of Cardinal Point will have the opportunity to meet individually with a trained volunteer. The volunteer works with the resident on a variety of personal finance issues which may include a credit report review, creating a credit repair plan or a debt reduction plan, establishing a household budget, exploring ways to reduce expenses, or setting financial goals. Financial Coaching sessions may be a single one hour session up to eight hours of individual sessions, depending on the situation.

Savings - Individual Development Accounts will be offered to families of Cardinal Point to help them save money for buying a first home, funding post-secondary education or opening or expanding a small business. Account holders earn matching funds (\$1-\$3 for each dollar saved) in special savings accounts. All participants commit to making regular monthly deposits and completing personal finance courses. Assistance is also given to families in establishing a Safety Net Savings Account, to give families and emergency fund and to avoid the trap of payday loans.

Microenterprise - Community Tax Centers provide services to self-employed and small business owners with five employees or fewer (including the owner), helping them to file their taxes and educating them about tax and liability implications and best practices.

College Savings & Financial Assistance - Families may open a Texas 529 College Savings Plan and receive up to \$100 in incentives for their contributions. Trained staff are available at the Community Tax Centers and financial aid events to help students complete the Free Application for Federal Student Aid (FAFSA) to obtain grants and loans for college. Offering FAFSA preparation as part of the tax preparation

process has helped debunk the myth held by many low-income students and their parents: Post-secondary education is out of reach because of the cost. We now conduct scholarship workshops and have one-to-one scholarship mentoring.

Tax preparation – Families at Cardinal Point will be able to get their taxes prepared for free. Launched in 2005, the Community Tax Centers prepare over 18,000 tax returns annually. Filing a tax return through a paid preparer may cost our clients anywhere from \$300 - \$600 –money that could be better spent catching up on past-due bills and putting aside for emergencies. Our IRS-trained and certified volunteers ensure that clients who are eligible for credits such as the Earned Income Tax Credit (EITC) and the Child Tax Credit (CTC) receive those benefits. The refunds for the tax returns we prepare put more than \$30 million back into the Austin/Central Texas economy.

b. The number and types of residents/clients expected to be served annually.

Cardinal Point will house 120 families at any given time. The service needs of the property will vary according to the resident profile. We are reserving 10% of the units for FC's Children's HOME Initiative – a transitional supportive housing program that offers participants a menu of more intensive supportive services. With an average turnover of 20% and average family size of 2.5, we expect to serve approximately 375 adults and children a year with some degree of services.

c. Describe the developer's experience and qualifications in providing the services to be offered.

Foundation Communities, as the primary supportive service provider at Cardinal Point, has 20 years of experience in the provision of supportive services to its residents. At all of our properties, we enable our residents to increase their personal development, education, safety, and health at one convenient location in their neighborhood. Through strategic partnerships, last year FC gave 800 children of working parents a safe place to go when school's out right where they live and helped 85% of students maintain or improve grades. Talented volunteers help us increase adults' earning potential through classes in English as a Second Language, GED preparation, and computer skills, as well as employment counseling and social service referrals. Throughout our learning centers, our newest program area, Health Initiatives, brings healthier living to entire families in the form of nutrition and cooking, active play, and exercise. Each year, we also empower more than 500 families to become smart consumers through economic education and at least 50% of them to reduce debt. More than 300 families have earned a 2-to-1 match in special savings accounts to purchase a home, attended college, or started a business. We also provide free income tax preparation for 32,000+ low-income workers and retirees with the help of 900 IRS-certified volunteers. We are one of the first organizations in Austin to provide assistance with insurance sign-up under the Affordable Care Act.

The Children's HOME Initiative Program (CHI) is the only program of its kind in Austin. In 2003, Foundation Communities launched CHI to address the overwhelming need in the community for quality affordable housing for families with incomes of 30% of the Median Family Income. Grants from NeighborWorks America, a national funder, enabled us to pay down mortgages at three of our apartment complexes and permanently set aside apartments to create this program; 10% or more of every new family property we open will be targeted for CHI. Of a dozen national housing organizations that were granted similar funding, FC was the first to get the program up and running and has the longest and most successful track record. We have developed a successful model for helping families with extremely low incomes achieve self-sufficiency by providing stable housing and intensive case management. Since 2003, CHI has supported close to 300 families and more than 600 children in regaining housing and economic stability.

d. If services are not provided by the developer of the project, include a description of the organization(s) providing the services and a memorandum of understanding or some other type of agreement that indicates the relationship between the developer and service provider.

All supportive services at Cardinal Point will be provided by Foundation Communities, Inc. We do, however partner with more than fifty nonprofits and community groups to provide varying services to our families. Some significant partnerships include: Breakthrough Austin, Caritas of Austin, Safe Place, Life Works, Travis County CPS, Communities for Recovery, WeViva and Project Transition.

e. Provide resumes of key personnel who will be actively involved in the delivery of services. Resumes should include information about certifications, licenses, years of experience, and education.

Supportive Service Staff (Please see **ATTACHMENT 12** for staff resumes):

Julian Huerta – Deputy Director - provides leadership for all Foundation Communities’ resident and community services. Julian develops and directs education, financial stability and supportive housing programs that serve more than 20,000 working poor families and homeless adults annually. He brings over 20 years’ experience in program development, nonprofit administration and fundraising.

Mario Cortez, Director of Supportive Housing. Mario has 15 years of experience working with homeless and low-income populations, and holds a Masters in Social Work. Prior to joining Foundation Communities, he spent 3 years developing the Keep Austin Housed AmeriCorps project. He Co-Chairs the Social Services Case Management Network & the Housing Stability Committee of the Basic Needs Coalition, sits on the Executive Committee of the Basic Needs Coalition, and leads planning for Stand Up and Be Counted. Mario oversees all supportive housing programs.

Marisela Montoya, Director of Education for Foundation Communities, graduated from the University of Texas with a degree in Psychology. For 17 years, she has worked overseeing and implementing programs for youth and adults, including 8 years with Austin ISD as a program director and program specialist (Community Education; At Risk Youth Programs; afterschool, teen, and adult education programs). She has been with Foundation Communities for 10 years, first as Lead Learning Center Coordinator, and now as Director of Education. She holds a certificate in Nonprofit Leadership and Management from Austin Community College and Texas Association of Nonprofit Organizations.

Erika Leos - Adult Education Coordinator, is responsible for teaching the ten-hour financial education course (in both English and Spanish) available to residents of Foundation Communities and a required component of participants in the Individual Development Account (IDA) Matched Savings Program. Leos also oversees the English as a Second Language program offered on Foundation Communities’ properties. Leos earned a Bachelor’s of Business Administration from the University of Texas at Austin in 2002.

Karen Serna – Director of Asset Building - is responsible for all aspects of FC’s Asset Building Programs including new program development. She was the past Director of FC’s IDA savings program. Her experience includes five years of experience teaching ESL and a long involvement with immigrant issues. She has a BA in Education.

All Foundation Communities’ Learning Center Coordinators are highly qualified, with degrees in education, social work, or a related field. Some have Masters Degrees, and all are bilingual. They undergo rigorous staff training on a regular basis, and are involved in both implementing and evaluating PATHS at their property’s Learning Center, including coordinating with local schools and designing homework assistance for individual students. Learning Center Coordinators’ bios are available upon request.

Case Managers in the CHI program work with families to address the underlying issues that contribute to their poverty. Case managers meet weekly with families to address factors contributing to financial each family’s financial situation. We also have a Housing Placement Specialist and Parent/Child Advocate. All CHI case managers and the Parent/Child Advocate have degrees in social work or other related fields, and have a wealth of experience in the community and in assisting impoverished clients.

f. Demonstrate financial capacity to provide support services and/or operate a supportive services program by providing the following information:

1. Sources of Funds: Identify sources and amounts of funds that will be or are expected to be utilized to provide supportive services.

Uses of Funds:		
Direct Expenses	Amount	Notes
1 full-time Service Coordinator	\$40,000	One FTE salary
Youth Program Assistants	\$41,600	Four PTE salary
1 part-time CHI Case Manager	\$30,000	One PTE salary (30 hours)
Taxes and Benefits	\$18,160	20% of salary

TOTAL	\$143,660	

Sources of Funds:

The funding for the supportive services to be provided at Cardinal Point will be raised from private foundations, corporations and individuals. This is the same method used to fund the supportive service programs in place at our existing family properties. We have a donor base that is dedicated to the support of our service programs. Past funders we will tap include:

- Michael and Susan Dell Foundation – Children’s HOME Initiative and financial programs
- Lowe Foundation – Children’s HOME Initiative
- Rachael and Ben Vaughan Foundation – Children’s HOME Initiative
- Tomberg Foundation – Children’s HOME Initiative
- Texas State Affordable Housing Corporation - Children’s HOME Initiative
- Amerigroup Foundation
- JP Morgan Chase Foundation – Financial Programs
- Individual Donors dedicated to this part of our mission

2. **Budget:** Include a supportive services budget which reflects current and anticipated funding and expenses associated with the provision of services for three (3) years.

Please see **ATTACHMENT 13** for a detailed supportive services budget for Cardinal Point.

EVALUATION CRITERIA:

Applications for proposed projects will be reviewed and scored on a competitive basis per the evaluation criteria below. Applications must receive a minimum score of **150** points out of a maximum score of **240** points. PLEASE NOTE: A score above the minimum score does not guarantee funding.

CORE VALUES POINTS

(Affordable Housing Core Values: Deeper levels of affordability, long-term affordability, and geographic dispersion of affordable units throughout the City.)

Score

1. AFFORDABLE UNITS (maximum 25 points)

 25

If development has a mix of 30%, 40%, and/or 50% MFI units, add the results for the percentage of units in each income category up to the maximum of 25 points. If the percentage of units at a given MFI level is not a multiple of 10, round up to the next closest multiple of 10 to get the score for that particular MFI level

<u>% MFI</u>	% of Affordable Units in Project (only count units reserved for 50% MFI and below)					
	10% of units	20% of units	30% of units	40% of units	50% of units	60% of units
50%	3	5	10	15	20	25
40%	5	10	15	20	25	
30%	10	15	20	25		

Score

2. AFFORDABILITY PERIOD (25 points)

 25

25 points: Affordability period is:

 99 years;

OR

 X 40 years, and project is applying for Low Income Housing Tax Credits. Note: AHFC funding is contingent upon the award of Low Income Housing Tax Credits.

Score

3. GEOGRAPHIC DISPERSION (maximum 25 points) **25**

Project is located in an area identified according to the Kirwan Institute's Comprehensive Opportunity Map of Austin as having greater opportunity for low-income households.

- 25 points:** Very High priority area
- 20 points:** High priority area
- 15 points:** Moderate priority area
- 10 points:** Low priority area
- 5 points:** Very Low priority area

Please see ATTACHMENT 14 for documentation.

INITIATIVES AND PRIORITIES POINTS

(Permanent Supportive Housing, Sustainability, Priority Locations, Accessible and Integrated, and Preservation of Affordable Housing)

Score

4. PERMANENT SUPPORTIVE HOUSING (PSH) (maximum 25 points) **15**

25 points: "Housing First" model.

15 points: Project will reserve units for PSH for the following populations:

- Chronically Homeless as established in the HEARTH Act (24 CFR Part 577)
- Have been in an institution for over 90 days
- Unaccompanied youth or families with children defined as homeless under other federal statutes
- Youth "aging out" of state custody or the foster care or the juvenile probation system

10 points: Project will reserve units for PSH for populations other than those listed above.

Score

5. SINGLE-FAMILY RENTAL HOUSING, INCLUDING SECONDARY UNITS ("GREEN ALLEY INITIATIVE") (20 points) **N/A**

20 points: Project consists of either new construction or rehabilitation of one or more single-family rental units, secondary units, or units compatible with the City's "Green Alley Initiative."

Score

6. ACCESSIBILITY AND HOUSING FOR PERSONS WITH DISABILITIES (maximum 20 points) **0**

10 points: In multi-family developments, (i.e. 5 or more units) or for single-family rental housing (i.e., 1 to 4 units), 50% or more of the total number of units will be made accessible per the Uniform Federal Accessibility Standards (UFAS).

10 points: Units to be designated for persons with disabilities as defined in the Fair Housing Act: for Multi-family developments, (i.e. 5 or more units), at least 25% of all units; for single-family rental housing (i.e., 1 to 4 units) 1 or more units.

Score

7. PRIORITY LOCATION (10 points) 10

10 points: Project is:

- located in a Vertical Mixed-Use (VMU) Corridor; or
- a Planned-Unit Development (PUD); or
- located within a Transit-Oriented Development (TOD) area, or
- is located 0.25 miles (1,320 feet) or less from a transit stop.

Score

8. PRESERVATION OF AFFORDABLE UNITS (10 points) 0

10 points: Project is the rehabilitation and preservation of existing affordable housing units, or new units are being constructed to replace existing affordable units at the same location on a one-to-one replacement basis or a greater than one-to-one replacement basis.

Score

9. TRANSITIONAL HOUSING (10 points) 0

10 points: Project will be developed and operated exclusively as transitional housing.

UNDERWRITING POINTS

(EXPERIENCE, CAPACITY, DEVELOPMENT FEASIBILITY, OPERATIONAL FEASIBILITY, COMPATIBILITY WITH OTHER PROGRAM REQUIREMENTS)

Score

10. DEVELOPER EXPERIENCE AND QUALIFICATIONS (maximum 15 points) 15

- 15 points:** Developer has recent, similar, and successful completion of a development similar in size and scope with income-restricted units.
- 10 points:** Developer has recent, similar, and successful completion of a development **smaller** in size and scope with income-restricted units.
- 8 points:** Consultant directly involved who has successfully completed a development similar in size and scope with income-restricted units.
- 5 points:** Developer has recent, similar, and successful completion of a development similar in size and scope **without** income-restricted units

Score

11. SOURCES & USES OF FUNDS (maximum 10 points) 5

10 points: All sources and uses of funds are clearly indicated and sufficient evidence of funding availability and/or commitments are included.

5 points: All sources and uses of fund are clearly indicated, but evidence of funding availability or commitments are incomplete.

Score

12. DEBT COVERAGE RATIO (maximum 10 points)

Dear Sir or Madam:

This is in response to your request of July 6, 2004, regarding your organization's tax-exempt status.

In May 1990 we issued a determination letter that recognized your organization as exempt from federal income tax. Our records indicate that your organization is currently exempt under section 501(c)(3) of the Internal Revenue Code.

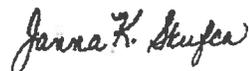

Our records indicate that your organization is also classified as a public charity under section 509(a)(2) of the Internal Revenue Code.

Based on the information supplied, we recognized the subordinates named on the list your organization submitted as exempt from federal income tax under section 501(c)(3) of the Code.

Our records indicate that contributions to your organization are deductible under section 170 of the Code, and that you are qualified to receive tax deductible bequests, devises, transfers or gifts under section 2055, 2106 or 2522 of the Internal Revenue Code.

If you have any questions, please call us at the telephone number shown in the heading of this letter.

Sincerely,

Addendum Applies:

No

Dear Applicant:

This modifies our letter of the above date in which we stated that you would be treated as an organization that is not a private foundation until the expiration of your advance ruling period.

Your exempt status under section 501(a) of the Internal Revenue Code as an organization described in section 501(c)(3) is still in effect. Based on the information you submitted, we have determined that you are not a private foundation within the meaning of section 509(a) of the Code because you are an organization of the type described in section 509(a)(2).

Grantors and contributors may rely on this determination unless the Internal Revenue Service publishes notice to the contrary. However, if you lose your section 509(a)(2) status, a grantor or contributor may not rely on this determination if he or she was in part responsible for, or was aware of, the act or failure to act, or the substantial or material change on the part of the organization that resulted in your loss of such status, or if he or she acquired knowledge that the Internal Revenue Service had given notice that you would no longer be classified as a section 509(a)(2) organization.

If we have indicated in the heading of this letter that an addendum applies, the addendum enclosed is an integral part of this letter.

Because this letter could help resolve any questions about your private foundation status, please keep it in your permanent records.

If you have any questions, please contact the person whose name and telephone number are shown above.

Sincerely yours,

Bobby E. Scott

Re: Zoning Verification for Property located at 11011-1/2 Four Points Drive, consisting of 8.556-acres, known as Lot 6, Block B, THE REPLAT OF LOTS, 4, 5, AND 6 BLOCK B AND LOT 1, BLOCK C, FOUR POINTS CENTRE P.U.D., a subdivision in Travis County, Texas

Dear Ms. Hicks:

This letter is to confirm that the Property located at 11011-1/2 Four Points Drive, as described above is zoned planned unit development (PUD) district. The PUD was previously amended by Ordinance No. 20111208-096 approved by City Council on December 8, 2011, to allow for uses permitted by GR, GO, and MU zoning districts on Lots 4, 5 and 6 of Block A, Lots 2, 4, 5, and 6 of Block B, and Lot 1 of Block C (City File No. C814-95-0002.10). An administrative (the 11th) amendment to the PUD was also approved by Staff on August 24, 2012 (City File No. C814-95-0002.11).

Under the PUD zoning district applicable to this property, multi-family residential development is permitted by the mixed use (MU) combining district. The property's land development regulations (height, setback, impervious cover, etc.) is governed by the Four Points Centre Conceptual Land Use Plan. No zoning change or conditional use permit is required for the development of multi-family residences on the site or for use of the site for multi-family residences, provided the applicable zoning and land development regulations, and building codes are addressed.

Sincerely,

Wendy W. Rhoades, Principal Planner

(id #65828)**

TO WHOM IT MAY CONCERN:

Foundation Communities Inc. (development contact: Jennifer Hicks: 512-610-4025; jennifer.hicks@foundcom.org) is planning to develop a **125 unit multi-family** development at 11011 ½ Four Points Drive. The project is not located in a neighborhood planning area.

Since **10%** of the units (13 units) will serve households at or below **30%** Median Family Income (MFI); **50%** of the units (63 units) will serve households at or below **50%** Median Family Income (MFI); **40%** of the units (49 units) will serve households at or below **60%** Median Family Income (MFI); the development will be eligible for **100%** waiver of the fees listed in the S.M.A.R.T. Housing Ordinance adopted by the City Council. The expected fee waivers include, but are not limited to, the following fees:

Capital Recovery Fees	Site Plan Review	Land Status Determination
Building Permit	Misc. Site Plan Fee	Building Plan Review
Concrete Permit	Construction Inspection	Parkland Dedication (<i>by separate ordinance</i>)
Electrical Permit	Subdivision Plan Review	
Mechanical Permit	Misc. Subdivision Fee	
Plumbing Permit	Zoning Verification	

Prior to filing of building permit applications and starting construction, the developer must:

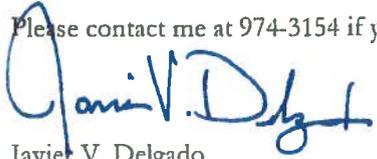

- ◆ Obtain a signed Conditional Approval from the Austin Energy Green Building Program stating that the plans and specifications for the proposed development meet the criteria for a Green Building Rating. (Austin Energy: Kathleen Murray 482-5351 or Heidi Kasper 482-5407).
- ◆ The site plan and building plans are required to meet the accessibility per the S.M.A.R.T. Housing program.

Before a Certificate of Occupancy will be granted, the development must:

- ◆ Pass a final inspection and obtain a signed Final Approval from the Green Building Program. (Separate from any other inspections required by the City of Austin or Austin Energy).

The applicant must demonstrate compliance with the reasonably-priced standard after the completion of the units, or repay the City of Austin in full the fees waived for this S.M.A.R.T. Housing certification.

A Description of the Scope and Nature of Development Experience

FC is a well-respected non-profit developer and long-term owner of 2,117 units of affordable rental housing in Austin. FC has developed a range of housing including scattered site duplexes, multifamily housing with incorporated green space, and mid-rise, higher-density housing for single adults.

About Foundation Communities, Inc.

Foundation Communities' (FC) mission is to create housing where families succeed. We are a nationally-recognized nonprofit organization that empowers low- and moderate- income families to succeed through quality affordable housing and tools to increase their educational and economic standing.

Foundation Communities works in four focus areas:

- * **Opening Doors to Homes** -- We own and manage 2,808 units across 18 properties -- 15 in Austin, and three in the Dallas/Fort Worth area -- providing quality homes for more than 2,500 low income families and individuals.
- * **Helping the Homeless** -- Our 600 permanent supportive housing units allow single adults who have been homeless, are on fixed incomes, or who have chronic health problems and disabilities to reach their maximum level of self-sufficiency. The 111 units in our Children's HOME Initiative program provide reduced rents and case management support to help fragile families move from crisis and instability to long-term self-sustainability.
- * **Learning in a Community** -- Through strategic partnerships, in 2013-14 we will give nearly 800 children of working parents a safe place to go when school's out right where they live, helping 85% of students maintain or improve grades. Talented volunteers help us increase adults' earning potential through classes in English as a Second Language and computer skills, as well as employment counseling and social service referrals.
- * **Saving for the Future** -- Each year, we empower more than 500 families to become smart consumers through economic education and one-on-one financial coaching; at least 50% of them reduce their debt. More than 300 families have earned a 2-to-1 match in special savings accounts to purchase a home, attend college, or start a business. We also provide free income tax preparation for 32,000 low income workers and retirees with the help of more than 900 IRS-certified volunteers; this is vitally important to low-income workers. By utilizing this free service, low-income clients can claim all of the tax credits for which they qualify while avoiding costly commercial tax preparation fees and predatory loans.

Description:

Capital Studios is the first affordable housing in Downtown Austin in over 45 years and the only supportive housing of its kind in or around Downtown. Located at 11th and Trinity, just a block away from the Texas Capitol, Capital Studios is Foundation Communities' first new construction SRO. What was once a surface parking lot is now an attractive five story building with 135 efficiency units housing Austin's lowest income populations.

Austin continues to be one of the hottest rental markets in the nation with Downtown Austin seeing a tremendous amount of revitalization and unprecedented growth. However, there is virtually no affordable housing downtown for low-income Austinites. While Downtown Austin has become more vibrant, the low income service workers who support this vitality have not had a place to live. Capital Studios offers downtown workers, artist, musicians, and veterans the opportunity to live downtown and experience all the services and amenities that the city has to offer.

Capital Studios is a beautiful and modern building filled with a number of amenities for its residents. From the meeting room on the fifth floor you have a striking view of the Capitol dome. Rooftop decks offer stunning views of the Austin's urban landscape. At the heart of Capital Studios is a tranquil two story court yard that provides a green space for residents to gather and engage with one another while being only steps away from the fast pace of Downtown Austin just outside the door. The community also features a workout room, computer lab, TV lounge and community room. Capital Studios also provides a holistic menu of supportive services that help residents stabilize and grow. Capital Studios has a supportive service staff on-site as well as offering a food pantry, regular support group meetings, adult education, financial counseling and health and fitness classes on-site.

Description:

M Station is an innovative family-oriented apartment community that has established the standard for green building and affordable housing in Austin’s new Transit Oriented Districts (TODs). This 150-unit new-construction development consists of four residential buildings and two community buildings spread out on 8.5 acres of prime real estate minutes from downtown and the University of Texas. Unique features of the property include a park-like setting along the Boggy Creek greenbelt featuring open green space and trails and a state-of-the-art child care center open to the neighborhood and offering reduced rates for residents.

M Station is a project of "firsts." M Station is the first affordable housing built in one of Austin’s new TODs, the first large 9% housing tax credit development for families in Austin since 2004, and the highest scoring LEED for HOMES Platinum certified development in the country. With M Station, our hope was to dramatically reduce the primary portions of a resident family’s budget while also achieving an exemplary quality of life: an affordable rent to lower housing costs; a location in the most transit-rich neighborhood in Austin to lower transportation costs; a high-quality, on-site childcare facility to lower child care costs; and a sustainably-designed property to lower utility costs. Ensuring that units at M Station were as healthy and efficient as possible will save our residents much-needed dollars to apply to other areas of their household budgets, contributing to more stable families and neighborhoods.

The development of M Station involved the transformation of a concrete-covered grayfield lot, previously a concrete manufacturing plant’s staging lot that has been lying dormant and unused for decades, into a safe, healthy, supportive urban community in the heart of a high-opportunity neighborhood in Austin. Project amenities at M Station include a community building that will host the property leasing office, property management and supportive service staff offices, a computer learning center, a clothes care center, maintenance shop and office space for supportive service programming. A second community building houses the child-care program and the afterschool program. In addition, the property features children’s playscapes, a sport court, circuitous internal pathways for walking and biking, multiple green spaces for outdoor gatherings, and pedestrian connections to nearby neighborhood resources.

Green Building Certification Experience

As the largest nonprofit affordable housing developer/owner in Austin, Foundation Communities (FC) has been committed to green building principles since 2000. We know that green building makes sense for affordable housing because by reducing our own operations costs, we can keep rents low and fund vital services such as on-site after-school programs and free citywide tax preparation. As owner of 18 real estate properties, FC spends \$2 million per year on water and energy costs. These costs increase about 10% per year, so finding ways to reduce our energy impact is crucial for efficient operations. Committing to green building and energy efficiency also has a significant effect on the budgets of our residents who pay their own bills at our family apartment communities. Lower utility bills can mean more money to pay off debt, invest in education, finance childcare or transportation to work, or save for the future.

Foundation Communities engages a comprehensive green building and green initiatives approach that made it possible for us to offset 9,600 CO2 emissions last year; which is equivalent to removing the emissions of 817 average homes in the United States.

We have invested in the following green capital improvements at our existing multifamily properties:

- Replaced toilets with low-flow flapper-less models
- Installed low-flow fixtures in bathrooms and kitchens
- Replaced incandescent bulbs with compact fluorescent bulbs
- Installed programmable thermostats in all residential units
- Increased attic insulation to R-38 at five of eight properties

- Five properties qualified and participated in Austin Energy Duct Sealing program
- Installation of solar screens to reduce heat gain
- Installed ceiling fans in all applicable spaces in residential units
- All appliances are being replaced by Energy Star units
- All new HVAC units are 14 SEER if applicable
- Basic weatherization and water conservation are checked during make-readies (preparing new units for residents)
- Using only low VOC paints and adhesives for make readies and all new construction projects
- Replacing carpet on the first floor apartments with ceramic tile
- Contracting green cleaning contractors for SRO (single resident occupancy) properties
- Utilize Green pest management contractors at our properties
- With the help of community groups, we have planted additional trees at our properties
- Community gardens at four properties
- High-performance windows
- Sensors and dimmers minimize artificial lighting use during daylight
- Track our utility monthly to follow trends and identify problems proactively

Through investments in renewable energy, energy management and water conservation we work towards reducing our ecological footprint.

- All house utility accounts are invested in 100 percent renewable energy (solar or wind)
- Foundation Communities is one of the largest private producers of solar energy in central Texas
- Producing 107,000 kWh annually, our panels generate on average five percent of energy we use and power 10 average single family homes for a year
- Approximately 50% of the energy to heat hot water at Spring Terrace and Skyline Terrace is produced by the sun with solar hot water arrays.
- Water-wise landscaping (at some locations)
- Rainwater harvesting
- Track our water usage monthly to identify problems proactively

We also proactively work to educate our property management and maintenance staff and residents on green practices:

- We conduct trainings for maintenance staff
- Distribute monthly newsletters that include "Green Tips"
- Sustainability Reports are provided and reviewed with property management every year
- Our Saving Green Program, educates residents how to save money through conservation
- We prepare green capital improvement plans on each property annually.

M Station, our greenest development constructed to date and completed in 2011, earned a LEED Platinum rating for its energy efficient and transit oriented features and its score actually qualifies the project as one of the greenest apartment complexes in the United States. The following green features were incorporated into the design and development of M Station:

- Grayfield redevelopment of old concrete manufacturing storage lot.
- Located in richest public transit neighborhood in Austin with nearby access to multiple major bus lines and less than a 1/4-mile from commuter rail stop.
- Produced building mockup section to be sure all trades understand the green and durable construction techniques including window details, flashing, and envelope penetrations.
- Highly efficient elevator reduces energy usage, maintenance costs and hundreds of gallons of hydraulic oil.

- Structural slab utilizes 30% flyash in place of concrete which dramatically reduces energy in production and diverts land-fill bound material.
- Provide dedicated parking spots for Car2Go .
- Developed internal and edge sidewalks and bikeways as promenades that connect to existing neighborhood sidewalks. A pedestrian bridge over Boggy Creek connects M Station to neighborhood to promote exercise and walking.
- Provides ample covered bike racks at key locations throughout the site.
- Fully accessible design throughout facility.
- 100% of planted landscape utilizes native and adapted species. All drought-tolerant.
- All non-turf landscape irrigated using sub-surface drip irrigation.
- All very low flow water fixtures.
- 100% of building roof stormwater runoff collected and re-irrigated onsite.
- 100% of lighting fixtures are Energy Star rated.
- Exterior site lighting connected to timer and light sensors and use full-cutoff fixtures to minimize light pollution.
- Metal reflective roof for durability and radiant barrier.
- Fully sealed to prevent air leakage to exterior.
- Insulated using affordable hybrid insulation strategy (foam + spray fiberglass).
- Insulative glazing with excellent low-E films and shading overhangs.
- Extremely efficient, centralized, inverter-driven variable refrigerant flow HVAC (Mitsubishi CityMulti).
- 88% construction waste reduction/recycling goal.
- Permeable concrete used for all walking and biking paths.
- Low-VOC paints, sealants, and adhesives.
- No added formaldehyde in engineered wood or insulation.
- Bathrooms, dryers and kitchen hoods all vented to exterior.
- Fresh-air intakes balanced to provide ample fresh air without unduly loading HVAC
- Integrated pest management strategy improves long-term durability and eliminates need for pesticides, herbicides.
- MERV 8 filters on HVAC to improve indoor air quality and reduce asthma and allergy triggers.
- Commissioning and testing of all systems to be sure all function properly.
- No smoking allowed within 25 feet of units.

Foundation Communities' green partners include:

Austin Energy Green Building - We have participated in several Austin Energy programs including: GreenChoice® Energy, Austin Energy Green Building Rating System, Commercial rebate programs for solar, insulation, solar screens; in addition, several of our properties have benefited from the free duct-sealing program and the Low Income Weatherization.

Energy Star Partner - Foundation Communities is proud to be an Energy Star® Partner. Through this partnership our building manager can "measure," "rate," or "benchmark" a facility's energy use by using the EPA's National Building Performance Rating System. In addition, we have access to online Energy Star resources that assist us in achieving our "green" initiatives.

Enterprise Green Communities - Foundation Communities has been the recipient of five Green Communities Green Building awards that have helped us push the green building envelope in our projects in the last five years. The Enterprise Foundation has successfully laid the groundwork for green building in affordable housing on a nation-wide scale for the last seven years.

List of Green Certifications:

Spring Terrace (rehab) – Green Communities Certified
Skyline Terrace (rehab) – Green Communities Certified
Capital Studios – LEED-H Platinum Rating, Green Communities Certified and 5-Star Austin Energy Green Building rating.
M Station – LEED-H Platinum Rating, Green Communities Certified and 5-Star Austin Energy Green Building rating
Sierra Vista – Green Communities Certified and 1-Star Austin Energy Green Building rating (S.M.A.R.T. Housing now requires all rehabs to score at least 1-Star Austin Energy Green Building rating)
Arbor Terrace – Green Communities Certified and 4-Star Austin Energy Green Building rating (highest rated MF rehab in Austin)

Community Engagement

Foundation Communities believes the key to a project's true success is the support and engagement of the surrounding neighborhood and stakeholders. The first step in pursuing any new development is to approach the neighborhood and talk to key stakeholders about the project, target population and show examples of our projects. We have had some neighborhood challenges with true "Not In My Backyard Opposition" but have always been able to overcome and ultimately receive the support of the neighborhood. Listed below are the most recent development projects and the neighborhoods engaged and from whom we received votes of support:

Knowledge of Real Estate Financing Methods

Foundation Communities, Inc. has experience utilizing all funding tools available for the development of affordable multifamily housing. We have an excellent track record of securing funding in competitive allocations such as the 9% LIHTC and the Federal Home Loan Bank Affordable Housing Program. We also have solid relationships with multiple lenders.

LIHTCs and BONDS

Foundation Communities has applied for and been awarded 9% LIHTCs for eight developments. Two of these awards were forward commitments by the Texas Department of Housing Board of Directors giving testament to Foundation Communities track record of high-quality developments with compelling missions. FC's development team is well-versed in the LIHTC program and application process. All applications are completed in-house by staff. Staff also closely follows the drafting of the Qualified Allocation Plan and is aware of changes to threshold and scoring items that impact a high-scoring application. FC has a staff team that has over 10 years of tax credit compliance with a record of no significant findings. FC also has relationships with multiple tax credit investors including Enterprise

Community Investment, Bank of America, and Raymond James. Our high-quality projects and healthy organizational financial health has historically allowed for higher-than-average pricing.

City of Austin RHDA

The City of Austin has been a major contributor on every project completed by Foundation Communities in the past 10 years. The FC Development team follows the release of the City's application rules and NOFA and has a solid working relationship with City of Austin NHCD/AHFC staff.

Private Mortgages

Foundation Communities has excellent relationships with several lenders that allow for competitive rates and pricing. We currently have private mortgages with BBVA Compass Bank, Bank of America, Wells Fargo and Greater Texas Federal Credit Union. While we have great relationships with these and many other conventional lenders, we have a fiduciary duty to bid out our finance opportunities, and we've always found this to end up with the best rate and terms.

Private Fundraising

Foundation Communities employs a diverse fundraising strategy. In 2014, private fundraising totaled over \$8,000,000 (not including capital funding from City of Austin). Foundation and corporate grants range from \$3,000 to millions of dollars, and fund both capital projects and FC's wide range of programs (education, supportive housing, etc.). For individual donations, we use the Benevon model, culminating in an annual A Place to Call Home fundraising luncheon. This year's luncheon was attended by over 700 invited guests, and raised more than \$1,250,000. We have applied for and received eight awards through the FHLB Affordable Housing Program and received the highest funding amount awarded for our M Station property of \$1,500,000.

WALTER J. MOREAU

My vocation the last twenty years has been to work with nonprofit organizations to create high quality, service rich, affordable housing for very low income, Texas families. I have successfully secured subsidy financing worth over \$80 million and provided other development services to create over 2,200 units of service enriched housing.

PROFESSIONAL EXPERIENCE:

EXECUTIVE DIRECTOR, Foundation Communities, Austin, Texas 1997-Present

- Lead one of the premiere affordable housing organizations in the region in pursuit of our mission “to create housing where families succeed”.
- Oversee the development, asset management, property management, and resident services of our growing portfolio of 2,100 units with a market value of over \$90 million. Our properties are places of great community pride and help over 2,000 families save over \$1.5 million in rent annually. I guide a staff of 150 and look after a \$15 million annual budget.

Development

- Overcoming neighborhood opposition and building **Trails at the Park**, a 200 unit family community adjacent to a 350-acre nature park. This \$15 million community includes a 3,200 square foot Learning Center and a beautiful fourplex design. Primary subsidy financing includes 9% tax credits and various grants.
- Purchased and renovated the **Village Green Apartments**, a 200 unit family property. This property underwent a complete transformation from high criminal activity to a safe, quiet environment. Opened a 2,000 square foot Learning Center. This property was financed with a 501(c)3 bond and a Neighborhood Reinvestment grant totaling \$7 million.
- Led the development and successful packaging of over \$14 million from eleven different grants, loans, bonds and tax credits to create the new **Southwest Trails Apartments**, a 160 unit community serving families at rents under the 50% income limit. This is the only new affordable housing developed in the more affluent Southwest Austin and it includes an 18-acre nature area.
- Developed the **Garden Terrace Residences**, the first Single Room Occupancy (SRO) community in Austin, with 85 units and a \$4.5 million capital budget paid for by public and private grants;

Asset and Property Management

- Created a financially self-reliant organization which owns its office building without a mortgage, and has refinanced our housing portfolio mortgages below 7% with fifteen year payoffs;
- Tripled our property management operation to cover 1,200 units, while capping cumulative rent increases under \$30 in six years and serving primarily families below 50% of median income;
- Significantly reduced deferred maintenance at all properties, while increasing our cash reserve balance from one million to three million dollars;
- Changed the name of the organization, creating new marketing materials, and winning selection as a United Way agency;
- Won the Metlife/Enterprise Foundation Award of Excellence in Asset Management for the Sierra Ridge Apartments;

Resident Services

- Fundraise approximately \$400,000 annually for resident service programs and matched this effort with property cash flow;
- Expanded our Learning Centers from one location to eight, managed by twelve professional full-time staff attended daily by over 600 youth and adults attending pre-school readiness, after-school tutoring, computer training, money management courses, ESL/GED, and classes;

- Created an Individual Development Account program with 400 accounts, as well as extensive financial literacy and homebuyer courses. Launched a new State IDA pilot program and SEED program.

DEVELOPMENT & ASSET MANAGEMENT DIRECTOR, Foundation Communities 1994 – 1996

- Secured grants and loans from four public and private sources (\$8.4 million) for the purchase and repair of four communities (731 units). I creatively structured a 0% mortgage with a desegregation lender to create 24 units serving extremely low-income households at the Peters Colony Apartments - a mixed income, suburban community.
- Served as the asset manager of the portfolio prepared and reviewed agency and property budgets, solved daily operations problems, and assisted with the strategic planning of our resident services.

PRIVATE CONSULTANT 1992 – 1994

- Worked with over fifteen nonprofit and public affordable housing organizations on a variety of client challenges. Raised over \$8.5 million in subsidy funds (tax credits, HOME, CDBG, HOPE 2, SRO, and Shelter Plus Care funds) for the development of 446 units in both urban and rural settings.
- Facilitated the sale and financing of four communities (871 units / \$9.2 million in value) from the Resolution Trust Corporation to nonprofit owners.
- Designed a Neighborhood Energy Conservation Program for Dallas Habitat for Humanity.
- Successfully helped the State troubleshoot three nonprofit funded projects that had stalled.
- Wrote two manuals and one technical report for the US Department of Health and Human Services on financial management issues for grantees of the Ryan White Care Act

PROJECT ASSOCIATE, Center for Housing Resources, Dallas, Texas 1990 – 1992

- Developed the concept of the Hillcrest House SRO (64 units) for homeless residents with AIDS, formed the developer partnership, secured the site, and financially packaged a successful Shelter Plus Care application worth \$2.6 million.
- Assisted a private developer in locating a suitable building to develop the first new SRO in Dallas – the Wales SRO (61 units). Secured a Section 8 SRO Mod Rehab grant (\$2.5 million) and low income housing tax credits worth \$450,000 for the project.
- Managed and doubled the size of the Volunteer Home Repair Program serving 250 volunteer home repair work crews annually.

MANAGEMENT TRAINEE, United Way of America 1989 – 1990

- Created a “blueprint” of housing solutions for the Homeless Services Task Force organized by the Community Council of Greater Dallas. Wrote a guidebook for nonprofit agencies on creating fair fee policies. Raised \$300,000 as a part of the United Way of Greater New Orleans campaign.

GOOD NEIGHBOR POLICY

City of Austin Good Neighbor Checklist

The Neighborhood Housing and Community Development Office (NHCD) offers a Good Neighbor Policy to standardize process and identify expectations for all projects funded through the City of Austin's Rental Housing Development Assistance (RHDA) and Acquisition and Development (A&D) programs. Applicants of these programs are required to prepare and begin implementing a community engagement plan, including neighborhood notification activities. The community engagement plan is required whether the application is for funding for new construction or renovation of an existing building, regardless of whether there is a change in ownership.

A successful community engagement plan leads to open, ongoing two-way communication between developers and neighbors. This requires good-faith efforts and cooperation by developers, City officials and residents. A positive, open dialogue between housing developers and neighbors can prevent misunderstandings, facilitate prompt resolution of any inadvertent misunderstandings, and provide a fair, thoughtful, dependable means of resolving differences.

The following checklist of items is required of all applicants for funding:

(1) Preliminary Research

N/A Review the Neighborhood Plan (if applicable)

(2) Neighborhood Notification

Notify property owners within at least 500 feet of the site and registered neighborhood organizations with boundaries included in the proposed development site, using a written notice, letter or flyer. *(Please see Communication's Plan)*

(3) Pre-Application Engagement

Contact neighborhood organizations to provide current information about the project, including any neighborhood association whose boundaries are included in the proposed development site and Neighborhood Planning Contact Team (if applicable). *(see full City of Austin Good Neighbor Guidelines for more detailed information on what kind of information may be appropriate to share)*

Appoint a Single-Point-of-Contact (SPOC) to serve as the liaison for exchanging information.

(4) Application requirements

- Provide communications plan
- Provide documentation showing the content of the notice, and proof of delivery
- Provide signed copy of this checklist.

I have reviewed and completed all of the above checklist items required by the City of Austin's Good Neighbor Guidelines.

COMMUNICATIONS PLAN FOR NEIGHBORHOOD ENGAGEMENT

Foundation Communities believes the key to a project's true success is the support and engagement of the surrounding neighborhood and stakeholders. Before any other facets of a development are pursued, Foundation Communities approaches the neighborhood and talks to key stakeholders about the project, target population and shows examples of our projects.

The following steps have been taken to communicate with the neighborhood surrounding the proposed development located at 11011 ½ Four Points Drive, Austin, TX 78726

1) Preliminary Research:

- December 2014 – Using the City of Austin's GIS mapping site, MAIN.org and general Internet searches, FC development staff researched the neighborhood organizations that contain or border the proposed site. We also confirmed the site was not located in a current neighborhood plan.

2) Neighborhood Contact: Foundation Communities believes it is important to make personal contact with the priority neighborhood organizations before a letter notification is received by the organizations. We reached out to all organizations listed below to inform them of our project and determine whether the project was within their boundaries.

While key community members expressed support for Cardinal Point, there was an opinionated group of NIMBY community members opposed to the project. Foundation Communities made itself available to neighborhood organizations and engaged with 2222 Coalition of Neighborhood Associations during the tax credit application process. However, during our initial neighborhood engagement none of the surrounding neighborhood associations requested to meet with us.

On April 1st Council Member Sheri Gallo held community forum on affordable housing at the 3M Campus, located near the property. Walter Moreau, Executive Director of Foundation Communities, was a panelist at this community forum. The forum provided community members an opportunity to learn more about Foundation Communities and Cardinal Point.

3) Neighborhood Notification:

- The following neighborhoods were sent a public notification of the proposed Cardinal Point project per the 2015 Qualified Allocation Plan which governs the LIHTC program administered by the Texas Department of Housing and Community Affairs:
 - 2222 Coalition of Neighborhood Associations, Inc.
 - Long Canyon Homeowners Association
 - Long Canyon Phase II and III Homeowners Association, Inc.
 - River Place Homeowners Association
 - Four Points Centre Association
 - Comanche Trail Community Assn.

Please see attached notification letter that was sent to all organizations above and proof of mailing.

- Owners within 500 ft of Site - The proposed site will not need a zoning change. While we respect most aspects of the City's Good Neighbor Policy, it gives us great reserve to have to notify property owners that are within 500 feet of our proposed site. Other market-rate rental and condo developers do not have this same requirement. It is hard enough to garner support for affordable housing. We feel that notifying the property owners within 500 feet is unnecessary and will create negative consequences that can be avoided without the notification.

4) Neighborhood Engagement – At each of our meetings with the neighborhood, Foundation Communities presents information about our organization, plans for design of the building (architect is usually present at meeting) and we talk about who will live at the property and what services will be offered. We usually invite one of our residents to speak when necessary. We also invite neighborhood members to visit our existing portfolio of properties.

- After initial phone contact, meetings will be scheduled with any organization that should request such. If we fall within any organization's formal boundaries, we will make sure that they neighborhood organization is plugged into the development and milestones and progress along the way.
- We will have a web page on our main website – www.foundcom.org - that will contain the most updated information on the project for easy public dissemination.
- We will invite neighborhood members to attend Open House lunches held bi-weekly at one of our properties to learn more about Foundation Communities.

5) Implementation/Ongoing Relations

Foundation Communities, Inc. will implement the following processes to encourage ongoing relations with neighborhood members:

- Neighborhood members will be invited to the Ground Breaking and Ribbon Cutting events that will be held for the property. Neighborhoods will be given recognition for their support.
- We will invite neighborhood members to participate in services programs being offered at our community.
- We will invite and educate neighborhood members on the many ways to volunteer with Foundation Communities.
- We will establish an open-door policy so that neighborhood members will feel comfortable communicating any concerns with either the on-site property management or the single point of contact.
