**What Is Varsity Generation?**

*“Varsity Generation”* is a positive way of describing a stage of life where experience and skill are prized and respected. The term implies being part of a team that always has your back. You rely on your team as much as they rely on you. Participation is encouraged in order to help each other continue mastering the art of living a fulfilling life. Varsity Generation sees aging as a natural progression of life, and positively acknowledges and affirms a persons earned spot on the team.

As we roll out this new concept, you will see this logo on our program promotions and start hearing the staff refer to Varsity Generation activities.

South Austin Senior Activity Center and all of the Austin Parks and Recreation Department Senior Centers will continue to offer a variety of quality programs and we hope you will try new experiences with our “team” along the way!
You must pre-register for all classes & activities.

**Special Events are in RED**
The Austin Parks and Recreation Department (PARD) has modified its program offerings to provide the safest possible environment for participants, staff, and the community. Using recommendations and best practices sourced from the Centers for Disease Control (CDC), Austin Public Health (APH), and State guidelines for reopening, the following guidelines have been created for all PARD facilities and programs, including contract instructor and volunteer led programs.

Please note, guidelines are subject to change at any time based on local health conditions and guidance as provided by local health authorities. Any changes to PARD guidelines will be communicated appropriately. Furthermore, program schedules, hours of operation, facility capacity limits, and facility availability may be changed or cancelled at any time based on the business need of the City of Austin/PARD or public health safety concerns.

RISK FOR EXPOSURE
While PARD will take necessary precautions and follow approved guidelines in accordance with the CDC and State/Local health authorities, this cannot fully eliminate the inherent risks of exposure to COVID-19 that are associated with being around other individuals who are outside one’s household. The virus that causes COVID-19 can infect people of all ages. While the risk of serious illness or loss of life is greatest in those 65 years of age or older with pre-existing health conditions, persons in every age group can become infected with COVID-19 and some may become seriously ill or even die. By participating in PARD programs, or programs and activities happening within/on PARD property, you understand this risk and agree to follow all safety and wellness guidelines as outlined by the Department.

GENERAL GUIDELINES
- If you are symptomatic, don’t feel well, have been around someone who tested positive for COVID-19 in the last 14 days, please stay home.

Upon entry to a PARD facility or a program, temperature will be taken using a non-contact temporal thermometer. Should one’s temperature exceed 100 degrees Fahrenheit, entry will be denied.
- Additionally, anyone entering PARD facility must answer general COVID-19 Health Questions each day to satisfy admission into a program or facility. If the answer to any of these questions is "yes", entry will be denied.
