- 6. Additional Parking

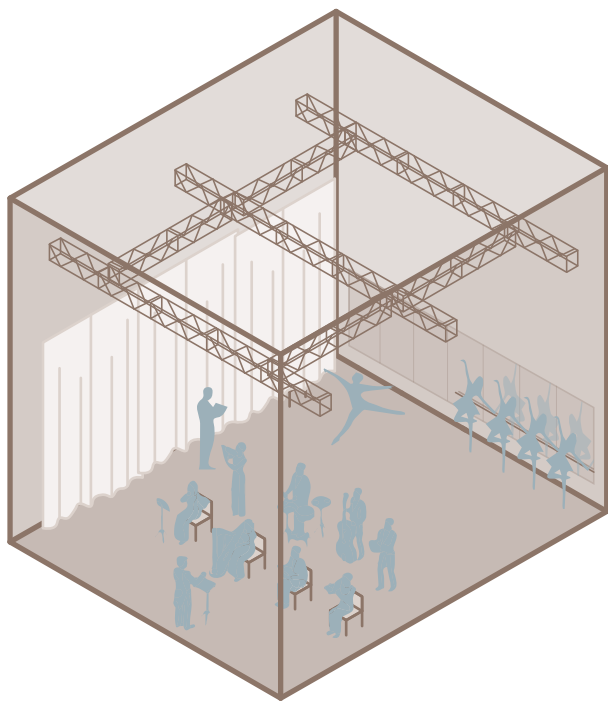

Theater

- 1. Performance & Community Events
- 2. Flexibility - Stage, Seating, Acoustics
- 3. Control Booth/Full Sound Board

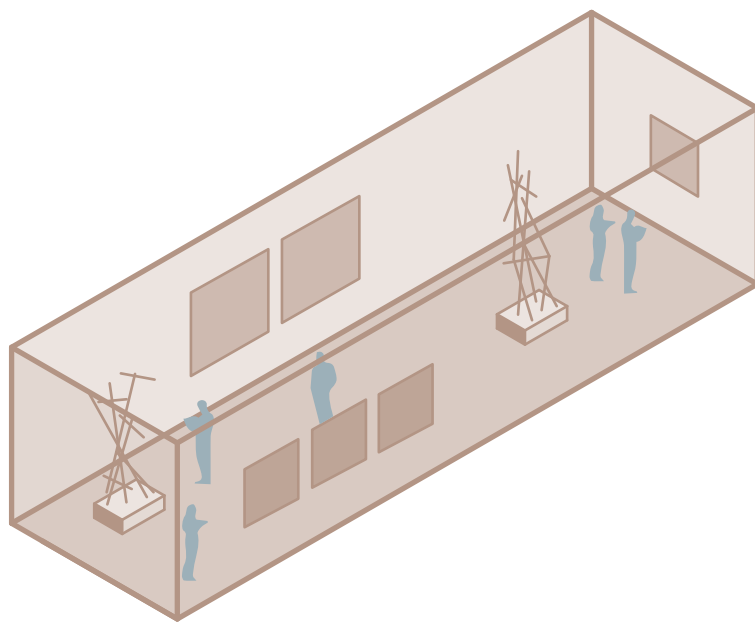

Multi-Purpose Room

- 1. Flexible for Diverse Uses
- 2. Public-Facing Space

Art Gallery

- 1. Dedicated Gallery Space
- 2. Multi-Media Display

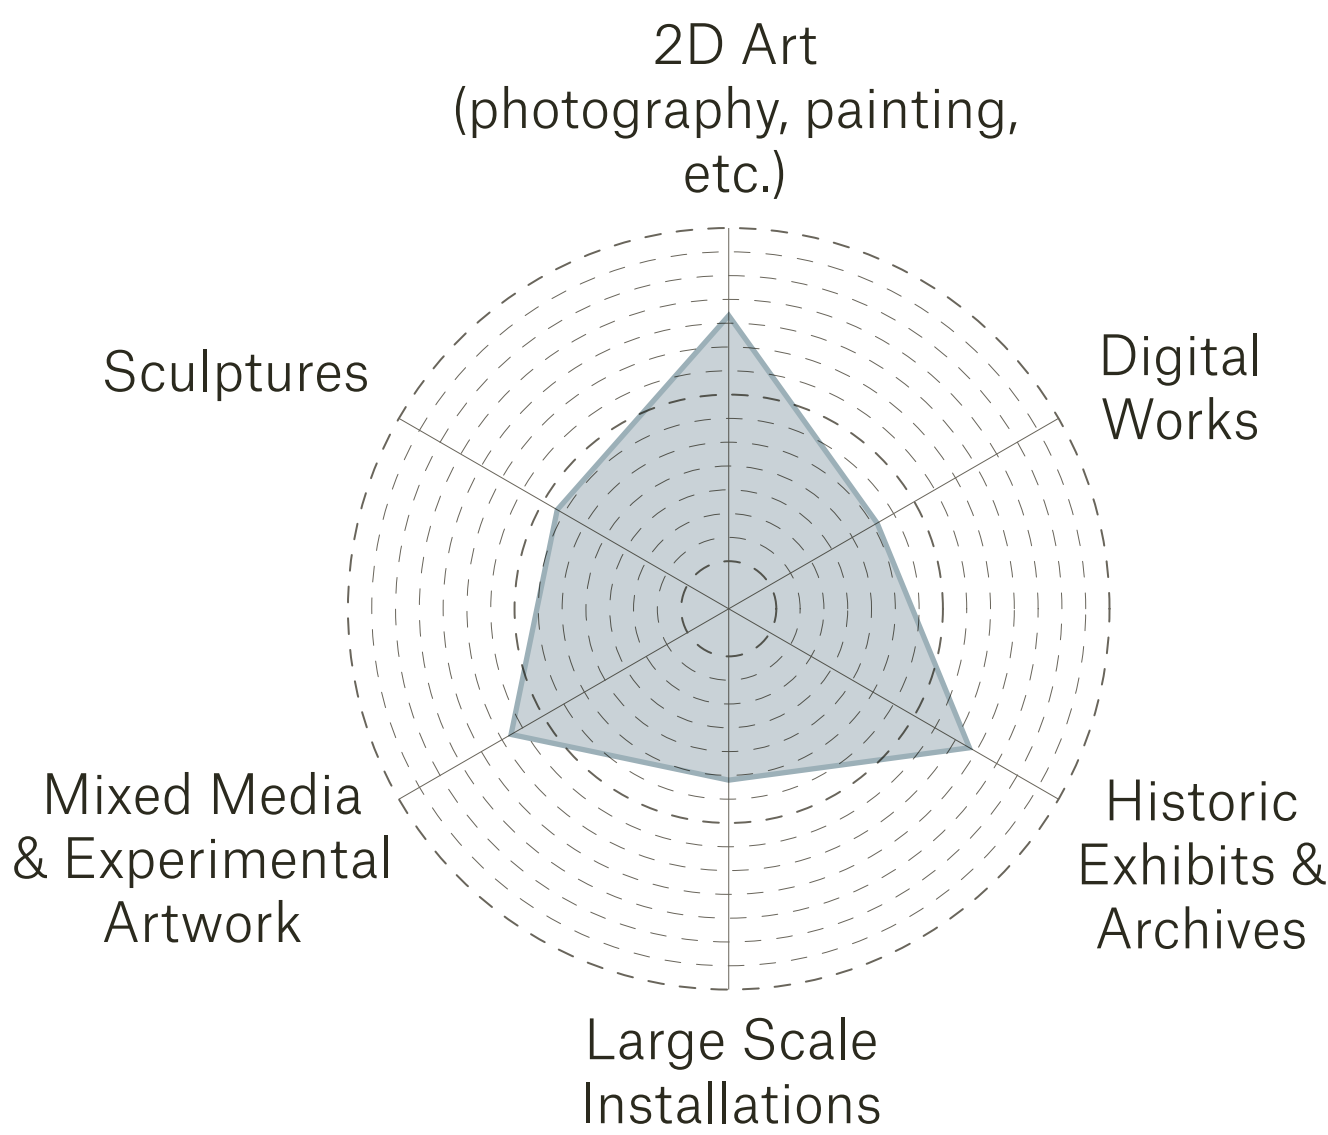

“The building should have a sense of community and home for the Asian American community. A place to do art, collaborate, and share art with the broader community.”

“We are hoping for a space that can be used for professional performances but also gathering and connection with others in the artists’ communities.”

“We need a multi-purpose space that can accommodate many types of media and performance.”

“The art gallery should present art from the community and have broader outreach.”
