1	Great idea for parts of AMP as more people visit and enjoy the cemetery! Keep up the good work.	3/31/2022 8:46 AM
2	It's a great idea for the cemetery, for people, and wildlife. I like the idea of an attractive prairie area for contemplation.	3/25/2022 9:43 PM
3	I am all for the project. 100% support.	3/18/2022 6:04 PM
4	Is that all? Thanks for finally maintaining and updating the toilets. What is the health status of the fairy ring that I caught the staff using as an oil change area and source of fire wood in '93-'94? Why is it not included for naturalization? Why not areas where the 'sound wall' trees will be planted?	3/17/2022 10:12 AM
5	Great idea.....	3/17/2022 9:28 AM
6	I am encouraged that the areas that have been laid fallow and cannot be used for burial all these years will be utilized by nature. It is a lovely, peaceful, and beautiful use of this scared space.	3/16/2022 2:12 PM
7	I am in favor of the Prairie Project	3/15/2022 3:48 PM
8	There is a large open field at the cemetery that it would be wonderful to have this prairie project include so it could be larger and include substantial paths. I'd love to walk or run through paths in a large prairie.	3/14/2022 10:33 AM
9	Need to be sure there isn't an issue in the future when that space is needed for burials and people then saying they don't want to see the natural area destroyed. i don't know where the swail is that was mentioned, nor the columbarium (sp?). Are dogs allowed? Doggie waste stations? How much extra trash clean-up will be necessary if it is a successful walking area?	3/13/2022 7:17 PM
10	Please include the open field within the prairie project	3/13/2022 11:38 AM
11	I don't want Austin PARD to turn the cemetery into a community park. People already use it for running which I find disrespectful. Austin doesn't have the budget dollars to fix the cemetery bathrooms. How can you afford to turn it into a neighborhood hiking trail?	3/12/2022 7:43 AM
12	I have 10 family members at AMP and visit frequently. Do not agree with the idea of having educational meetings and use for hike and bike trail. This is a very sacred place and should be treated as such. Funds need to be spent on repairing fallen headstones and maintaining trees and grass around existing burial spaces to beautify the grounds instead of creating a new space which I feel would ultimately disrupt the tranquility of the cemetery.	3/11/2022 5:44 PM
13	I do not think conducted tours are a good idea unless they are strictly controlled and monitored. This is a cemetery not a theme park!	3/11/2022 4:27 PM
14	Repairing the monuments that have fallen over would improve the aesthetics of the cemetery much more than planting wild flowers. Basics first.. fluff later.	3/11/2022 3:00 PM
15	Don't like it	3/11/2022 2:53 PM
16	This project is not appropriate for cemetery use.	3/11/2022 2:23 PM
17	I love the idea!	3/11/2022 2:12 PM
