

The background is a textured, brownish surface, possibly a wall or a large tile. In the top left corner, there is a circular mosaic of small, square tiles in shades of pink, blue, and grey. In the top right corner, there is a larger, rectangular tile with a detailed floral and geometric design in blue and white. A horizontal band of decorative tiles runs across the middle, featuring a repeating pattern of scalloped shapes and diamond shapes with floral motifs. At the bottom, there are small yellow flowers and green foliage.
