

Lot 1

Space/	ID Number
4/Dario Nanes	9/131
5/123	10/134
5/109	11/121
7/136	12/125
8/112	13/120

Lot 2

Space/	10#
1/111	9/101
2/108	10/138
3/122	11/135
4/127	12/118
5/140	13/116
5/107	14/117
7/126	15/104*
8/137	

*Space 104 contains only artifacts, no remains

Child & Infant Spaces Space/Position/D#	
16/1/128	19/1/113
16/2/128	19/2/133
17/1/119	20/1/106
17/2/115	20/2/110
18/1/130	21/1/139
16/2/124	21/2/132

Monument Dimensions

The following dimensions reflect the two dimensional footprint of the monument on the ground (length and width). The recommended overall height of these monuments is a maximum of 24". The overall height of any monument design selected shall not exceed 42"

- A monument set over three spaces (42" North to South) to commemorate three adults or juveniles can be a maximum of 40" North to South and 12" East to West (40"x12").
- A monument set over a single space (14" North to South) to commemorate one adult or juvenile can be a maximum of 12" North to South and 6" East to West (12"x6")
- A monument set over a single space (14" North to South) to commemorate two children or infants can be a maximum of 12" North to South and 6" East to West (12"x6") Note: two 12"x6" monuments may be set over a child/infant space to individually commemorate one child or infant per monument *See Infant/Child space diagram*
- A monument set over two child/infant spaces (28" North to South) to commemorate four children or infants can be a maximum of 24" North to South and 12" East to West.
