Dear DAC Customer:

This letter is to serve as official notification from the City of Austin, as per TCEQ requirements, to parents and other customers of the Dougherty Arts Center (DAC) about the presence of an old landfill under and adjacent to the DAC. There has been no change in the conditions of the Dougherty Arts Center building or the landfill; we are simply providing information so that you can make informed decisions.

The landfill lies under the majority of the building and extends under the lawn to the east of the building. The landfill has been thoroughly investigated for the safety of everyone involved. The City's Investigation and Evaluation Team included staff from the Health and Human Services Department, Watershed Protection and Development Review Department as well as outside environmental experts. The investigation has not identified an exposure risk to users of the DAC but we want parents and other customers to be aware of the situation and to know that the assessment is ongoing.

The City discovered this previously unknown landfill during the initial construction of Butler Park in April of 2006 and took immediate action by cordoning off the contaminated area and starting its investigation. Health risks from old landfills such as this would primarily be from direct contact with the buried materials or from landfill gases such as methane or carbon monoxide.

The results of the investigation indicated:

The landfill materials appear to be over 75 years old and relatively benign. The only identifiable materials are glass bottles, ceramic pieces and pieces of metal.

The materials are covered by a layer of soil that ranges from 8 inches to 6 feet in depth.

No methane gas nor carbon monoxide have been found in seven years of monitoring.

Based on initial testing, the primary contaminant of concern is the elevated lead levels within the buried materials. These elevated lead levels have not been identified in the surface soil where they would pose a health risk. We have contained the contaminated areas.

Per EPA and TCEQ directives, the City of Austin will continue to monitor the situation with the use of methane, natural gas, and carbon monoxide detectors both in the building and at bore holes drilled through the foundation to check gas levels below the building. The playground area and the gas monitors are checked by daily inspections and by quarterly visits from the Parks and Recreation Safety Officer who has also contributed to the safety measures taken.

We will remain vigilant in our efforts to manage this issue. We believe that the DAC and its surrounding parkland are safe but we want to be sure all interested parties are aware of the situation. If you have any questions, please do not hesitate to call:

Laura Esparza, Division Manager, History, Arts and Nature Division, 512-974-4001.

Mary Ann Vaca-Lambert, Supervisor, Dougherty Arts Center School, 512-974-4038

Sincerely,

REFUND

CANCELLATION / REFUNDS

Program attendance is the responsibility of the participant. Failure to attend a class does not entitle a participant to a transfer, make-up, prorated or refund. Substitutions, including family members, are not permitted. Registration fees are refundable in full only if the Arts School has cancelled the class. Registrations cancelled at least 7 days prior to the first day of class may be issued a refund, minus a \$35 non-refundable deposit. If the receipt amount is \$35 or less, the refund will be half of the class fee. **No refunds are issued for registrations that are cancelled without 7 days advanced notice of the first class day.** Refunds are issued to the charging credit card, by check from the City of Austin (please allow 4 - 6 weeks for processing) or you may apply the credit to your account, which may be used by any immediate family member for any program offered in the Austin Parks and Recreation Department for up to one year of the date placed on the account. Please note that refunds under \$10 will only be made to the charging credit card or to credit your account. We are sorry that we are unable to process refund checks under \$10 at this time. There is a \$25 cash fee on all returned checks.

Transfers

A transfer requires a cancellation and re-registration into another class. All procedures listed for cancellations apply to transfers. Failure to attend a class does not entitle a participant to a transfer, make-up, prorated or refund. **If a participant transfers into another class that has already started, the fee will not be prorated.** Substitutions, including family members, are not permitted. If the Dougherty Arts School cancels a class due to low enrollment and you wish to transfer to another class you will not have to pay the \$35 non-refundable deposit.

Minimum Enrollment

Each class needs a minimum number of students to enroll before the class can "make." **If the minimum enrollment has not been met 2 business days before the class begins, the class will be cancelled.** All students who enrolled in the class will be notified by telephone or email, and may transfer to a different class or be issued a refund (see refund procedure). We encourage all students to enroll as soon as registration begins. Class receipts confirming processed registrations will be sent along with a copy of the Dougherty refund policy. Please check your phone and email messages, including your SPAM folder, in case a class is cancelled after the payment receipt has been sent.

Waiting Lists

One way to deliver quality service is by limiting the class size to provide a good student / teacher ratio. If a class has reached the maximum limit, names are placed on a waiting list and students are notified in order placed on the waiting list as openings become available.
