Community Conversation on Identity for Teens:

All teens are invited to share about themselves and their identities: what thoughts, questions, and emotions come up as we explore who we are and how we express ourselves? Conversations will be followed by an identity collage activity.
Pre-registration requested.

Hike and/or Garden Day:

Join us for an intermediate level 1.5 hour hike with uneven, rocky trail and some incline. Please dress comfortably for the weather and bring a water bottle. Afterward, we'll meet 2 miles down the road at the ESB-MACC Healing Garden where we grow herbs, fruits and vegetables. Volunteers work hands-on maintaining the garden then move in-doors for a garden activity. Pre-registration required by Wed, April 24th.

Cine de Oro: Join us for a screening of a film from the golden age of Mexican cinema. Lunch will be served.

Women's Self-Defense Class (18+): In a hands-on environment we will practice using mixed martial arts techniques from Karate, Jiu Jitsu, and more. You will gain a basic understanding of how to defend yourself using your body and tools like a baton, pepper spray, and a tactical flashlight. Pre-registration required.

Cooking Demo - Summer Picnic & Potluck (15+): Learn how to make delicious and nutritious summer snacks, perfect for your summer picnic or potluck, using products found at your local grocery store. Tastings are included!

Community Exhibit: La Mujer - The Diosa Energy Within: We invite all Austin area visual artists (professional or novice) to submit a clear photo(s) of your 2D art work for the ESB-MACC's Holistic Wellness Program Community Exhibit by Fri, May 10. The art work may be a maximum of up to 24"x24" inches.

Small Business Financial Workshop: Business owners will learn the three most important financial documents: balance sheets, profit and loss statements, and cash flow reports. At the end of the workshop you will be able to prepare or work with a professional to prepare these documents. Facilitated by Business Community Lenders of Texas. Pre-registration requested.

Film Screening "Road to Leadville 100: Si Se Puede": Leadville 100 is one of the most difficult ultra-marathons in the world due to its high elevation and tough terrain. This film is about Daniel Flores' journey going for the seemingly impossible, and being able to push through and make it happen!
