

# Oertli Neighborhood Park

Community Meeting  
March 17, 2021

## Zoom Meeting Chat

01:05:23 Mary Vo: Are there materials in Vietnamese? I can think of some residents in our neighborhood who might be interested but they have limited English proficiency.

01:05:54 PARD Justin Schneider: Thanks, Mary. We would like to make sure this is accessible in Vietnamese. We are in the process of getting a translation.

01:06:50 Tuan Tran: My main concern was in regards to the prohibits of sport courts. Is it not possible to do a tennis court or even the smaller options like badminton or pickleball?

01:07:55 David Lessenberry: Another home run by our city council!

01:08:42 Alex Polimeni: Apartments are separate from the housing community - R@TR is the housing community. We have had some break-ins, etc that it would be nice if we considered privacy/security

01:09:10 PARD Justin Schneider: Tuan, one of the questions on the survey asks if people are interested in going through the amendment process regarding that ordinance.

01:10:20 Brandon Strong: The field as it is probably makes the creature issue worse. We see all sorts of things out there already.

01:10:31 PARD D'Anne Williams: Actually added activity is shown to reduce instances of crime because there are more eyes on the area.

01:11:02 Tuan Tran: Thanks for sharing that Justin. I didn't see the question itself within <https://PollEv.com/austinparks512>

01:11:22 Austin Kent: Without a parking lot probably makes the park used less by those outside the neighborhood which is nice. Less busy for us.

01:11:32 David Lessenberry: Did you say it would be mowed twice per year?

01:11:57 Mark Tway: The road currently has no street lights.

01:12:28 Marco Pineda: @tuan i believe voting is over now

01:12:41 Brandon Strong: It's a great visual barrier between the neighborhood and the apartment complex. So the density they provide is helpful.

01:13:03 Cristir Purple: everyone will park up and down pearl retreat and it'll make traffic a nightmare there

01:13:08 Alex Polimeni: @Austin - or more people parking on the street, more car damage potentially, etc

01:13:17 Alex Polimeni: Exactly, Cristie

01:13:18 Cristir Purple: what about speed bumps on pearl retreat

01:13:33 Mary Vo: ^Cristie, that would be under Transportation, not PARD.

01:13:38 Alex Polimeni: Traffic Light on both ends of Pearl Retreat

01:13:49 Austin Kent: You can't walk through the wall of trees now, it will cut the area in half if at least some of them aren't removed.

01:14:36 David Lessenberry: What is the nearest dog park to this park?

01:14:44 David Lessenberry: off leash?

01:14:46 Marco Pineda: @david walnut creek

01:14:52 Alex Polimeni: Stony Creek MUD, but its always struggling

01:15:08 Cory Strickland: Northtown MUD north of Howard when it used to be open

01:15:11 PARD D'Anne Williams: Walnut Creek Metropolitan Park is a large off leash area and trail

01:16:18 Cristir Purple: have you seen barton springs??? lol

01:17:07 David Lessenberry: That makes sense

01:17:18 David Lessenberry: gardens take a lot of work to maintain.

01:18:47 Alex Polimeni: Will you be working with DOT to address traffic concerns?

01:19:07 Raishad Maharaj: Will there be access from Bradbury In

01:22:02 Kate Molina-Gallo: I want to thank you for hosting this session! I appreciate y'all taking the time to consider our input for the neighborhood park.

01:22:03 Alex Polimeni: The community is really excited about this thanks so much!

01:22:04 Marco Pineda: Thank ya'll!

01:22:16 Brandon Strong: Thanks for all the info.

01:22:16 Cristir Purple: thanks guys!!

01:22:22 Mary Vo: Thank you so much! (We want trees!)

01:22:42 Victor Vo: Thank you for the presentation
