1	Though parking is sometimes unavailable.	11/2/2015 11:18 AM
2	I drive and use the convenient and free parking area on Robert E Lee Dr to access Barton Springs Pool.	10/30/2015 1:39 PM
3	when in car its terrible to go to zilker, has taken me 30 minutes to leave	10/30/2015 10:40 AM
4	Needs better bus access	10/30/2015 8:06 AM
5	It is but I'd like to see a better/cleaner parking area	10/30/2015 7:58 AM
6	I would also like to take public transportation to get there but it takes too long from our house.	10/30/2015 7:31 AM
7	except during the ACL festival and Trail of Lights madness	10/29/2015 9:31 PM
8	Only accessible when special events that bring large amounts of cars aren't happening.	10/29/2015 8:38 PM
9	The parking is awful, too crowded. The PUBLIC PARK is closed to the public on numerous occasions for private special events that you can only attend if you are willing and able to spend at least \$100 dollars. I am referring to ACL and the trail of lights which used to be a free event to the public. These parks are made for the public not just the people who can afford to access them!	10/29/2015 7:34 PM
10	I can't find a place to park my car	10/29/2015 3:59 PM
11	I'm saying no because of the ridiculous maze that they set up to route traffic into the pool parking area on weekends, so that cars don't enter the main part of the park to get to the pool. It's hard to drop off my mother who visits the pool almost daily.	10/29/2015 3:27 PM
12	Parking is limited and expensive. The city park/PUBLIC SPACE is often closed to host big private events!	10/29/2015 2:33 PM
13	The park is accessible by car...parking is another issue	10/29/2015 9:28 AM
14	Sometimes in the summer the lack of parking makes the decision to visit the park hard.	10/28/2015 3:32 PM
15	not when the city decides to close the parking lots on Robert E Lee..	10/28/2015 10:06 AM
16	Yes on weekdays. Weekends it is really crowded to get there by car w long parking lines. Fees no big deal but lines & traffic are bad.	10/27/2015 8:48 PM

Zilker Park Improvement Projects at Barton Springs

17	Parking is terrible	10/27/2015 4:57 PM
18	The pedestrian connection between 5th street and the mopac bridge needs to be made safer with better lighting and policing.	10/27/2015 12:35 PM
19	parking issues, ease of getting into the parking areas as well	10/27/2015 12:35 PM
20	Usually unless it's blocked for months at a time due to ACL or Trail of Corporate Sponsors. Parking has become hellish.	10/27/2015 10:46 AM
21	Too many bus changes.	10/27/2015 8:56 AM
22	When the park is occupied by external events such as ACL, it is a burden to use the public park.	10/26/2015 11:07 PM
23	Weekend parking fee collection is completely mismanaged! Creeping forward in a single-file line for half an hour is unacceptable. There is no reason not to have multiple fee collection stations.	10/26/2015 3:22 PM
24	It is accessible, but we often don't go because traffic is such a mess. That said, I would never advocate for adding parking to Zilker. It is what it is.	10/26/2015 10:10 AM
25	Yes unless it is during ACL which shuts us out of the park for much longer than is advertised. It is ALWAYS 1-2 weeks longer than what C3/LiveNation advertises.	10/25/2015 12:48 PM
26	Every time I go there I always have to get off my bike because it's all confusing and not bike able. Steps, cars and festivals make enjoyment of the park frustrating and confusing.	10/24/2015 3:12 PM
27	Except when you allow our park to be sold for use by C3 and other commercial interests for weeks at a time. Shame on you!	10/24/2015 12:44 PM
28	Usually yes, but inability to find car parking during peak times has prevented me from visiting the springs.	10/19/2015 11:34 PM
29	Need convenient mass teansportation option from milwood neighborhood area to zilker park	10/19/2015 9:25 PM
30	There is not convenient bus routes therelittle longer. Come and get my hair all overwhere is	10/17/2015 3:28 PM
31	not enough parking....	10/15/2015 9:21 PM
32	Depending on the event parking can be an issue	10/14/2015 10:14 AM
33	I mainly go to Zilker to access Barton Springs pool for morning swims - the South entrance has made the pool accessible to me despite the insufferable/increasing issues there are with the over planning on park events. I would resent the weekend charging for the park during the summer but the south entrance saves me from dealing with that.	10/13/2015 6:03 PM
34	Car to shuttle pickup for ACL	10/13/2015 2:41 PM
35	Lack of parking	10/13/2015 2:31 PM
36	Better bicycle and pedestrian connectivity needed over Barton Springs. Better bicycle and pedestrian connectivity needed along Robert E. Lee.	10/13/2015 2:07 PM
37	Sometimes yes, sometimes no, for both car and bicycle... - Parking for car, which I have to use to take my dogs there, for trail/Zilker is sometimes full, with parking becoming more and more scarce. - Bicycle racks not always safe; depending on area and time of day, I will not leave my bike locked up, which means I won't ride my bike, as vandalism is an unfortunate reality (have had a very expensive, tough lock almost cut through, right in the middle of a very busy event...!). - Due to increased events that monopolize the park areas on the south shore of the river, it's often impossible to park to access Zilker, even if I'm not going to the event/s (in Butler or Aud Shores or around pool area).	10/12/2015 7:02 PM
38	I'm disabled.	10/12/2015 3:36 PM
39	Electric wheelchair!	10/11/2015 11:53 PM
40	would love better access with (or more knowledge of) public transportation	10/11/2015 9:02 PM
41	Would ride the bus and walk during events, but shuttles confuse regular routes.	10/11/2015 2:07 AM
42	Sometimes. I usually don't go to any public events or many private events because parking is limited and Austin does not have bus service in my area.	10/10/2015 2:58 PM
43	There is no good public transportation to get there. Once there, parking is very limited.	10/10/2015 11:06 AM
44	I have to use a walker. there are no smooth paths to get to where I want/need to go	10/10/2015 2:07 AM
45	I don't have my own kayak and they are very expensive to rent	10/9/2015 10:42 PM

Zilker Park Improvement Projects at Barton Springs

48	Parking on the weekends is challenging and there are not great walking paths from the upper parking lots to the pool or playground.	10/9/2015 2:02 PM
49	Sort of but there is often a real lack of parking and congestion makes it feel dangerous.	10/9/2015 11:50 AM
50	On bicycle, always easy access; by car, even on the weekdays this summer, all car lots at both entrances were pretty full. Sometimes spent 20 minutes looking for parking, and willing to WALK from lots/spaces further away.	10/9/2015 9:02 AM
51	Austin needs better mass transit route down Lamar, such as a metro line to reduce auto traffic and make the commute to Zilker better not only for residents, but tourists too. When driving a car there, parking is limited and paying isn't a good option since it just deters people from wanting to go on the weekends. I'm think there should be high rise free public parking and a metro line with two stops services the Zilker area	10/9/2015 12:34 AM
52	There isn't enough parking at Zilker Park	10/8/2015 7:08 PM
53	getting anywhere in Austin is nearly impossible unless it's very early morning or very late evening. this makes anything outside of walking distance inaccessible.	10/8/2015 5:46 PM
54	No parking close to where I need to go. Ever.	10/8/2015 2:49 PM
55	Since Zilker is a popular park and has limited parking spaces (and charges a fee for parking), going by car can be frustrating.	10/8/2015 2:19 PM
56	No. Most of the time, Zilker is accessible via auto. At times, however, parking is simply not possible. =	10/8/2015 1:35 PM
57	I always find parking, even if I have to walk.	10/8/2015 12:30 PM
58	It is very hard to find a parking spot on the weekends.	10/8/2015 12:08 PM
59	can't always find parking	10/8/2015 9:22 AM
60	Sometimes. Parking can be limited but there are no good public transportation options from my neighborhood. I have many times attempted to get to Barton Springs and could not.	10/8/2015 9:07 AM
61	Parking should be free year round.	10/8/2015 6:29 AM
62	too much traffic!	10/7/2015 10:44 PM
63	Parking is limited. I would prefer more convenient public transportation.	10/7/2015 10:32 PM

65	If I come during the week it's fine	10/7/2015 6:34 PM
66	Finding parking often requires long walks.	10/7/2015 6:26 PM
67	It is accessible but it can get hard during the trail of lights or big events. Traffic gets horrible.	10/7/2015 5:19 PM
68	sometimes no parking	10/7/2015 5:10 PM
69	When there are large events then it is tough to get in and out of course with there only being two available flows of traffic.	10/7/2015 4:10 PM
70	err...sometimes. It can be really tough to get in and out of the parking lots.	10/7/2015 4:09 PM
71	I avoid it on the weekends if I'm in my car. Much easier by bike but I would be there more frequently if the weekend traffic were not so heavy.	10/7/2015 4:08 PM
72	By car only.	10/7/2015 3:54 PM
73	Not during trail of lights or other large events that block off the park to the public	10/7/2015 3:51 PM
74	If I walk, yes it is. However parking/traffic congestion is a nightmare even when driving by Zilker on Barton Springs	10/7/2015 3:12 PM
75	Robert E Lee needs to be widened and have a dedicated bike lane that is easy to access and is separate from the side walk.	10/7/2015 3:09 PM
76	Bus lines are not particularly convenient from Hyde Park, car2go parking isn't the easiest.	10/7/2015 3:08 PM
77	Don't like to pay for parking. It is a large inhibitor. Sometimes we just want to go for a short time or the weather is iffy and if we pay then we feel like we have to stay.	10/7/2015 2:54 PM
78	limited parking	10/7/2015 2:51 PM
79	It is sometimes accessible, which isn't an option. It's kind of annoying how much the park is closed for private events.	10/7/2015 2:51 PM
80	It	10/7/2015 2:41 PM

Zilker Park Improvement Projects at Barton Springs

81	I have only taken my car to Zilker Park once. Before that, I had no idea there was parking there! Walking is nice if you are somewhere within a feasible distance. For public events, I generally take Uber/Lyft because of the Barton Springs crowds and lack of accessibility.	10/7/2015 2:40 PM
82	My husband and I feel like it is ridiculous to have to pay to park to ride the train with our daughter. We can not stay there all day but our daughter loves the train! So this means we have to pay to park to be there less than an hour a day. It's crazy to have to pay to park for our local playground and train.	10/7/2015 2:35 PM
83	Parking	10/7/2015 2:33 PM
84	More difficult to find parking each time I go.	10/7/2015 2:29 PM
85	It's not at all easy to get there on my skateboard.	10/7/2015 2:20 PM
86	Very little parking	10/7/2015 2:13 PM
87	Wish there were better parking options for large events but have had good luck with bus service.	10/7/2015 2:10 PM
88	I LOVE cycling to Zilker with my 2 kids in tow. But sometimes the weather is too hot for the kiddos so we drive instead.	10/7/2015 2:02 PM
89	No parking	10/7/2015 2:02 PM
90	Parking is a huge issue and public transportation is often difficult to obtain, especially with children. For trail of lights I LOVE the paid parking in advance option. I would even pay for regular visits to the park for easy in/out access.	10/7/2015 1:56 PM
91	It is sometimes very difficult to find parking	10/7/2015 1:54 PM
92	kind of: it's just capmetro's bus stops are not very accessible... i know how to locate metrorapid bus stops and use 803 independently	10/7/2015 1:44 PM

100	parking is often full	10/7/2015 1:01 PM
101	Parking is limited	10/7/2015 12:59 PM
102	Car - not always. Walking - of course	10/7/2015 12:58 PM
103	It would be wonderful to have more park and ride options to Zilker.	10/7/2015 12:41 PM
104	When we use the MetroRail, it is not reasonably accessible	10/7/2015 12:40 PM
105	This depends on if there are events or not.	10/7/2015 12:40 PM
106	There is never any parking. Entrances are often blocked off.	10/7/2015 12:35 PM
107	crowded... hard to find parking	10/7/2015 12:25 PM
108	Xcept I have had to be stern to event staff to let me pass to park on Thursday afternoons	10/7/2015 12:24 PM
109	Bluebonnet and other surrounding streets are not exactly safe for bicyclists.	10/7/2015 12:24 PM
110	Traffic on Mopac is unbearable.	10/7/2015 12:24 PM
111	Would appreciate more public transportation options to the park from my zip code area.	10/7/2015 12:16 PM
112	Parking fee is ridiculous.	10/7/2015 12:15 PM
113	more bike lanes, cars and trucks drive too fast and care too little.	10/7/2015 12:14 PM
114	typically, parking is not available	10/7/2015 12:11 PM
115	However we often come with a stroller and there are definitely areas that aren't stroller/ADA accessible.	10/7/2015 12:10 PM
116	Zilker is not really an option due to lack of parking. Plus, traffic on Barton Springs Rd....OY!	10/7/2015 12:07 PM
117	It's not always easy to find parking, especially during an event such as the kite festival or blues on the green.	10/7/2015 12:05 PM

Zilker Park Improvement Projects at Barton Springs

118	Parking is generally bad	10/7/2015 12:04 PM
119	It depends on what massive gathering is being put on that makes it impossible for normal enjoyment.	10/7/2015 12:02 PM
120	It is hard to find parking. It is terrible that the city is now charging us to park in a public area. Parks should be free to park your car.	10/7/2015 12:01 PM
121	It's most challenging by bike. Need a dedicated bikeway. It's too hard to doge pedestrians on the hike and bike trail.	10/7/2015 11:57 AM
122	Not always. My son attended a birthday party there and I had to drop him off on Barton Springs Rd because the lot was full. He had no idea where he was going.	10/7/2015 11:54 AM
123	not enough parking	10/7/2015 11:47 AM
124	I mostly ride the bus and would go to the pool more often if there were better bus service.	10/7/2015 11:47 AM
125	Not on weekends	10/7/2015 11:47 AM
126	Inadequate parking	10/7/2015 11:45 AM
127	I would call it mixed. Parking is more an issue than access.	10/7/2015 11:41 AM
128	Sometimes there is too much traffic to get in.	10/7/2015 11:41 AM
129	Sometimes the parking lot is full and I can't find a spot.	10/7/2015 11:40 AM
130	More automobile parking would be good. Also off-site parking with bus shuttle rides.	10/7/2015 11:38 AM
131	Though crossing the bridge at the Robert E Lee intersection sucks! Bike lane ends so I hop on the sidewalk which is not great because it is too narrow to accommodate bike and pedestrians. At least paint a green lane with sharrows on the road to make motorists more aware and patient!	10/7/2015 11:38 AM
132	Parking is rough. Riding the bus takes a long time and one transfer.	10/7/2015 11:37 AM
133	No parking, that's why I don't visit, this is a WASTE of money IMHO, I wish the streets were better instead of enhancing a park that a minority of COA citizens actually use.	10/7/2015 11:37 AM
134	There is never enough nearby and/or affordable parking available in order to enjoy Zilker Park, even during non-special event times.	10/7/2015 11:33 AM
135	mainly go for trail, so parking under bridge or at hs is okay	10/7/2015 11:31 AM
136	But, parking is a problem on the South entrance if you don't arrive by 9 am in the summer.	10/7/2015 11:30 AM
137	The park is so often shut down that it's hard to know whether I'll be able to attain parking anywhere nearby (or even go to the park).	10/7/2015 11:28 AM
138	I know that parking and area traffic is a nightmare on summers and weekends. I don't go anymore for that reason.	10/7/2015 11:27 AM
139	Please stop charging for parking on weekends. I pay enough "taxes" already.	10/7/2015 11:24 AM
140	Need more bike lanes, sidewalks and cross walks.	10/6/2015 10:09 PM
141	Not enough frequent buses on #30 line.	10/6/2015 3:26 PM
142	except traffic is a major barrier.	9/24/2015 6:33 PM
143	Most of the time, but often it is very difficult to find parking.	9/24/2015 2:36 PM
144	I live right up the hill	9/23/2015 2:38 PM
145	I wish there was a more direct bus link to my neighborhood	9/23/2015 1:30 PM
146	More parking needed.	9/23/2015 12:58 PM
147	Could use better bike facilities on Barton Springs West of Robert E Lee.	9/23/2015 12:29 PM
148	But not really on weekends.	9/23/2015 11:27 AM
149	Sometimes if you go early parking is available but on weekends I hate to pay for parking also it's very crowded	9/22/2015 10:10 PM
150	Yes, by bike and foot. No, by car. Too much traffic, more accessibility, and limited parking. HOWEVER, I absolutely do not advocate for additional parking.	9/22/2015 6:53 PM
151	B-Cycle station near Austin High would be helpful.	9/18/2015 10:24 AM
152	It would be nice to take the bus, but the multiple transfers and over an hour of travel time make the option not viable.	9/15/2015 4:05 PM
153	I don't go on the weekends since I figure I won't find parking or will get stuck in traffic for an event.	9/15/2015 12:41 PM

Zilker Park Improvement Projects at Barton Springs

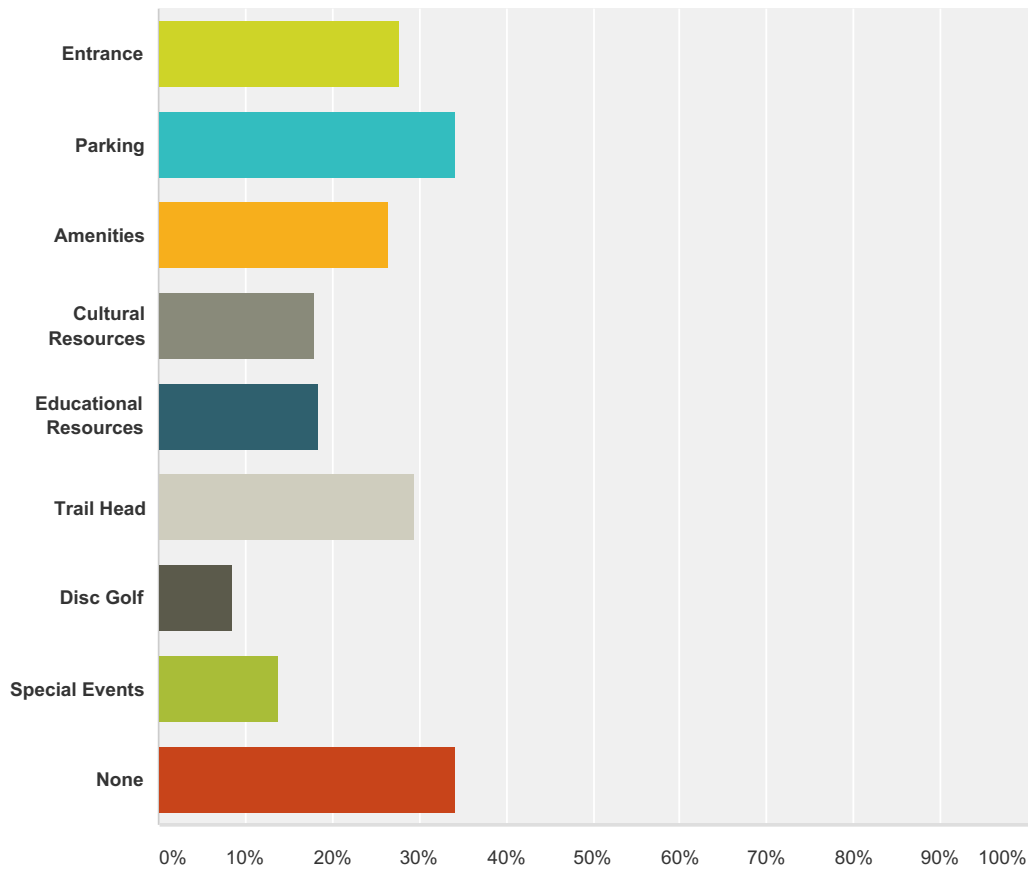

154	Barton Springs needs a better way to manage auto and pedestrian cross traffic	9/14/2015 7:56 PM
155	When using an automobile traffic and parking are issues. I think that's how it has to be though ... I think we need to keep parking and driving lanes at a premium to encourage other methods (biking, bus, foot)	9/14/2015 11:53 AM
156	ZP should be designated a green park on accessed by foot, bike electric vehicles	9/11/2015 4:37 PM
157	Generally yes although insufficient parking is a problem on weekends	9/11/2015 4:15 PM
158	Walking over to Wallingford/etc. is hard -- trails don't go any place. And the craziness that is the apartments taking over near the ped crossing and ruining the route through the park to Whole Foods I still don't understand. Does the City hate pedestrians?	9/11/2015 9:50 AM
159	There needs to be a crosswalk that allows you to safely cross from the tail end of nature center drive to andrew zilker road. DANGEROUS!	9/11/2015 8:28 AM
160	I find it difficult to bike safely to the playground accessing zilker from Barton Springs.	9/11/2015 6:09 AM
161	Except for traffic and parking	9/11/2015 6:02 AM
162	the south parking area for the pool is the most logical safe place to access the pool on a bike but is often closed forcing you to use barton springs road where the speed limit is 35mph. why is the speed limit so high through the city's top park??? also, during the summer the south pool gate should be open to relieve the parking congestion at the main gate.	9/11/2015 4:35 AM
163	There is a dearth of parking and the traffic clogging Barton Springs Road has become terrible.	9/10/2015 7:51 PM
164	It is very hard to walk from one side of Zilker Park to the other side. If there was another pedestrian crosswalk towards the entrance to mopac it would fee safer to cross the road to go to the Zilker Botanical Gardens, the back entrance to the Austin Nature and Science Center, and access the Rollingwood Neighborhood.	9/10/2015 1:39 PM
165	Parking is a major issue. As is the lack of communication regarding road direction changes on the weekends and during events. Both of these issues make it much harder to go to Zilker Park.	9/10/2015 8:51 AM
166	only because I swim early in the A.M when it is warm--April/May into October.	9/9/2015 10:39 PM
167	I prefer using public transportation	9/9/2015 4:37 PM
168	Parking fills up on weekends.	9/9/2015 3:58 PM
169	It is some days, but on weekends the route required for cars is ridiculous, and there isn't enough parking.	9/9/2015 12:16 PM
170	Most of the time	9/9/2015 11:07 AM
171	Of course there is the crowded parking situation on weekends but not sure what to do about it e cent time your visit to avoid the crowd.	9/9/2015 8:19 AM
172	but very difficult to find ada parking	9/8/2015 4:54 PM
173	When I'm exiting on bike I usually bike up the entrance in the opposite flow of traffic because there is no better way to get back to barton springs road. The road is wide enough and I think enough bikers use it in this way that a two way bike lane could be added on the south side of the street.	9/8/2015 3:25 PM
174	The traffic flow could be better. Also, please add designated scooter/motorcycle parking.	9/7/2015 6:33 PM
175	The new routing to enter the park from mopac needs improvements. Road very bumpy and tree limbs hang to low or out to the road causing damage to my vehicles.	9/7/2015 2:56 PM
176	Only during the weekdays, though.	9/7/2015 12:27 PM
177	Sometime the time. Heavy traffic and lack of parking are often problems, road closures to a lesser degree.	9/7/2015 3:55 AM
178	Needs more designated motorcycle parking though	9/6/2015 3:47 PM
179	If I go on a low-attendance day it is. Any other time it is not accessible if you drive yourself. Not enough parking.	9/6/2015 3:07 PM
180	There needs to be more parking or at least a stair type system of parking away from the pool and play ground. Hills aren't extremely friendly for children or the elderly.	9/6/2015 1:50 PM
181	Parking is difficult at times	9/6/2015 9:56 AM
182	The bus stops need improvements	9/6/2015 9:04 AM
183	Many times parts of park is closed due to construction/ repairs... The detours and alternate routes are not clear.	9/5/2015 11:20 PM
184	Parking is expensive and a huge hassle.	9/5/2015 9:22 PM

Zilker Park Improvement Projects at Barton Springs

185	frequently parking is closed and has special event signage. When I inquire later, no special event was going on so the signage was wrong.	9/5/2015 5:40 PM
186	I often park far away on the weekends and walk in. Parking is either expensive or full depending on what is going on that weekend. Parking not a problem during the weekdays.	9/5/2015 5:08 PM
187	Parking can be an issue.	9/5/2015 4:49 PM
188	I never go on weekends anymore. It's way too congested.	9/5/2015 4:04 PM
189	Parking, when available, difficult. Park/parking often seemingly closed for various events.	9/5/2015 3:41 PM
190	Parking can be difficult during the summer for the pool	9/5/2015 3:39 PM
191	Can't find parking	9/5/2015 3:32 PM
192	I prefer riding my scooter to avoid having to try and park my car.	9/5/2015 3:30 PM
193	the parking is very limited and hard to find anyplace that is close to the park	9/5/2015 3:29 PM
194	Often difficult to find parking. No trains in south Austin, and no bus service to Buda	9/5/2015 1:30 PM
195	Due to Austin's increasing traffic in this area, it took me two hours to get from the east side to the park.	9/5/2015 1:18 PM
196	TRAFFIC !!!!	9/5/2015 12:37 PM
197	But it could be improved	9/5/2015 12:10 PM
198	Parking is generally nonexistent because of the overcrowding and poor layout of current parking. Have been to the area and left several times after parking became too big of an obstacle in the past year.	9/5/2015 11:29 AM
199	More handicap accessible parking or drop off spots.	9/5/2015 11:14 AM

1	Generally safe, but recall previous crime activity and remain cautious.	10/30/2015 9:35 AM
2	Usually, but I swim at 5 a.m. and sometimes there are questionable folks around. I have never been bothered by them, though.	10/30/2015 7:32 AM
3	sometimes I feel safe when I visit Barton Springs	10/29/2015 9:57 PM
4	Although there seems to be more homeless camping along the greenbelt than in past years so I do not necessarily feel safe when walking unaccompanied on the trail in the early morning or evening. I certainly wouldn't let my teenage girls go there alone	10/29/2015 9:34 PM
5	Not enough security personel	10/29/2015 8:27 AM
6	Always!	10/28/2015 3:36 PM
7	I only visit during the day time unless its during ACL. I	10/28/2015 11:31 AM
8	on several occasions we have been harassed by aggressive dogs off leash below the pool in the creek area.	10/27/2015 1:56 PM
9	I do but I tend to be very aware of drunk or shuffling homeless near the trail or parking. I have never had a problem but have encounter severely drunk men in the morning. Generally this would be north of Barton Springs Pool.	10/27/2015 1:42 PM
10	Traffic and parking is bad	10/27/2015 11:22 AM
11	the transients, drug users	10/27/2015 10:47 AM
12	yes, but many transients, mentally ill, high on who knows what, hanging out at the rock island and the spillway	10/27/2015 10:14 AM
13	Austin in general is not safe and the park is definitely not safe.	10/27/2015 9:32 AM
14	Traffic on Barton Springs is atrocious if approaching by bike. Pedestrian travel from Barton springs to Zilker Park could be improved.	10/27/2015 8:32 AM
15	I wouldn't stay past dark. It is a well know area for vagrants....they have a Facebook page.	10/27/2015 7:34 AM

Zilker Park Improvement Projects at Barton Springs

16	I've seen a lot of litter around some of the old spring sites (now salamander conservation areas) and while I'm not nervous around the homeless camps, I wouldn't like it if my niece were jogging around some of these areas. I think these folks could be relocated to the homeless shelter. Also - you should target the ones leaving trash because if they don't care about their spot then I don't care about them	10/26/2015 10:52 AM
17	Yes, except my friend's bike was stolen (even though locked to a fence) during ACL.	10/18/2015 3:26 PM
18	Not as much at night. Please consider better lighting towards the south end of the pool and splash exhibit parking lot.	10/14/2015 10:32 AM
19	I am always cautious,	10/14/2015 8:13 AM
20	There are frequently homeless people "camped" out around various facilities.	10/13/2015 2:47 PM
21	during the day only	10/13/2015 2:10 PM
22	I usually feel safe, but if I'm accessing on trail after dark, due to the lights (that were added a few years ago with the intention of making it "safer") shining directly into my eyes (and, therefore, throwing off my ability to see), it feels unsafe - both for stepping in a hole/on a stick, and for not being able to see who is right in front of me. And if I don't have my dogs with me, this is even scarier. The lights need to be hooded from directly shining into eyes of trail users. Once in the park and eyes have adjusted, I feel safe.	10/12/2015 7:10 PM
23	I don't feel safe anywhere in Austin in or near downtown	10/10/2015 2:07 AM
24	South side below dam is safe, continued use of alcohol, smoking, drug use and and homeless food dropoff draws sketchy crowds.	10/9/2015 12:20 PM
25	But trails, especially through greenbelt, should have more active patrol by park police.	10/9/2015 8:06 AM
26	Poison ivy needs to be eradicated there	10/9/2015 12:39 AM
27	I don't feel safe almost anywhere in Austin any more.	10/8/2015 5:48 PM
28	Many dogs off leash, even in the playground. My children and I were once cornered up against a fence by an off leash dog. Another time an off leash dog kept knocking over my child at the river.	10/8/2015 10:46 AM
29	I take walks around 9 pm and there are often questionable individuals around the barton springs spillway that make me feel unsafe. Typically this is drunk men.	10/8/2015 5:12 AM
30	Lighting	10/7/2015 6:04 PM

32	I only usually go during the day, and I've been going for over 40 years, so it feels familiar.	10/7/2015 3:45 PM
33	the bathrooms dont feel safe. need more light and in more public place.	10/7/2015 3:11 PM
34	Hobos & Panhandlers	10/7/2015 3:10 PM
35	What's to explain I'm worried about getting robbed or raped or killed	10/7/2015 2:57 PM
36	There are numerous homeless people on the Robert E Lee side of Barton Springs that drink excessively and use drugs.	10/7/2015 2:56 PM
37	I swim at BSP very early in the morning. It is not that I don't feel safe, but I wish there were more light in the parking lot. It does NOT feel safe when the north entrance is closed because of an event and we have to use the south entrance in the dark.	10/7/2015 2:46 PM
38	Homeless at night time	10/7/2015 2:36 PM
39	I've never seen any security there but I feel safe in Austin in general, and Zilker is full of nice people.	10/7/2015 2:11 PM
40	Not as safe as I did in the 50's	10/7/2015 1:53 PM
41	um.. i use apple maps for walking directions and blindsquare because otherwise i don't know what street i'm on usually as a comment to next question: i have no clue what the cultural amenities listed below are - i don't have an image in my mind about them	10/7/2015 1:50 PM

46	<p>I no longer take my child to that park because he can run over to the other side, through the playscape, and since I have to go way around it takes me too long to get to him. Since there are so many people, (I have also noted unattached adults there eyeing the children) I am not comfortable that he be out of my sight even for a few minutes. Also the dog situation is ridiculous. Several times I've had uncomfortable situations because people do not watch their dogs.</p>	10/7/2015 1:12 PM

48	During evening hours, near the train underpass and over by the pool entrance things feel a bit "sketchy"	10/7/2015 12:52 PM
49	People are very friendly , and most are local family oriented	10/7/2015 12:28 PM
50	I have been walking, alone, after dark, leaving the free concert along the river toward Barton Springs, and it was a little scary as no one else was around - except some homeless.	10/7/2015 12:26 PM
51	There are quite a few transient persons that congregate on the south side. It is very hard to regulate them and when it seems like there is a presence to do so it is more on the catch and release methodology. Most often it feels like the dog people carry the interest of folks instead of the transients or maybe ticketing dogs is the way to have the presence.	10/7/2015 12:05 PM
52	I go only during daylight hours, with my dog and/or another person. Walking on greenbelt and trails does NOT feel safe because I know criminals camp out in the wooded areas.	10/7/2015 12:01 PM

54	due to police presence	10/7/2015 11:52 AM
55	Traffic on Barton Springs Rd is scary even though there is a bike lane - a buffer or physical separation plus some treatment at the Robert E Lee intersection/bridge would go a long way.	10/7/2015 11:42 AM
56	not always . i will not spend much time at the spillway alone. when i am with my husband or another person i feel much safer. just right there in the creek by the spillway	10/7/2015 11:42 AM
57	Sometimes cars speed through parking lot with many kids around.	10/7/2015 11:42 AM
58	Not in early morning hours or dusk. Homeless sleeping in the area and congregating.	10/7/2015 11:29 AM
59	Some of the people on the trail are creepy. Other areas are not well-lit.	10/7/2015 11:25 AM
60	There are many transients in some areas of the park. Some are young men that can be threatening and involved in illegal behavior.	10/6/2015 10:14 PM
61	I don't like leaving my car far away from the pool area (afraid of break-ins). I don't like that so many dogs are off leash without police enforcement, especially pit bulls. Have seen dog fights and people fights with all the people drinking by the creek downstream from Barton Springs.	10/6/2015 8:30 PM

68	Traffic into barton springs is dangerous	9/15/2015 12:43 PM
69	I feel safe in some areas, but not others. The area on the south side of the park both east and west of the Barton Springs Pool fenced area can be dangerous. Homeless people frequent the parking lot and area near the restrooms near Wright Field, there are vehicle break-ins, and the restrooms themselves are unsafe due to drug use and use of the facilities by transients. This area in particular needs more police and park ranger presence. The spillway area below Barton Springs Pool can also be dangerous, as evidenced by the recent hypodermic needles found there.	9/15/2015 10:16 AM
70	Time of day. Suspicious people I may encounter, in the park grounds and parking lots.	9/14/2015 11:34 AM

84	Any where the vagrants hang out seem less safe. I have had vagrants act/speak belligerently (seems alcohol or drug related). I know it's an issue for the police also. Seems we need to better enforce no sleeping in the park (dense tree areas).	9/7/2015 7:15 AM
85	There are a lot of homeless in the area, some are harmless, but others have severe mental issues which can lead to conflicts with the public. More should be done to make sure people are not living in the park or hanging out there all night.	9/5/2015 11:27 PM
86	The exit onto mopac access road has very dangerous level of traffic.	9/5/2015 7:52 PM

89	Generally speaking I feel fairly safe there. But, there are a lot of questionable characters that hang around by the spillway. I have left more than once when visiting w/ my kids because of lewd/obnoxious behavior and drug and alcohol abuse. And I have heard reports of theft there too.	9/5/2015 4:12 PM
90	I feel the walking trails could use more lights for the evening/dusk. Walking back to my car (under mopac) after Blues on the Green was VERY dark.	9/5/2015 3:45 PM
91	But its creepy to see all the vagrants & drunks on the "free" side of the deep end	9/5/2015 2:50 PM

1	Signs are needed at the entrance when the pool is closed. Many times I have gone to swim, paid my weekend entrance fee, and then discovered the pool is closed.	11/2/2015 9:23 AM
2	Get rid of mice	11/1/2015 7:47 AM
3	Don't move the entrance to the bathhouse, that would be a waste of the rotunda and its magnificent architecture. Use the rotunda for historic exhibits. Don't move the Splash Exhibit. It needs to remain at that location so that the children can make a connection to the pool. Upgrade this exhibit if needed for fire exits, etc. This exhibit already has plenty of information on the importance of reducing development upstream to improve water quality, there is no need to move it for that. Moving this exhibit to the maintenance barn location will cause a disconnect to the pool. Move the trail from west to east to outside the root zones of the trees, especially when the trail goes through the tree court. Place a small bump to separate the trail from the cars. Don't plant bald or Montezuma cypresses in the pool for the Eliza project or any other project. Preserve the heritage trees at the PEcan grove and soil aerate them to help them grow roots. Soil aerate the soil before planting new trees. Design that area to protect the trees with a deck or protected root zones with ballards and mulch.	10/30/2015 6:44 PM
4	Restore the bathhouse and improve the facilities for visitors and the other stakeholders. Enhance educational resources, showers, restrooms, and spaces for the aquatics department. Allow for additional entrances beyond the current single entrance. Start with the Master Plan guidance to reopen the rotunda entrance, upgrade the gallery, create a Visitor's Center, and update dressing areas/restroom spaces. From there, the renovation of the bathhouse should include improvements identified in the public input process with due respect for the architectural beauty, historic importance, environmental values, and educational opportunities at this place. Create an improved, enhanced, and expanded Splash Exhibit located in a new setting that is better suited to engage the public in the Barton Springs experience.	10/30/2015 4:05 PM
5	Renovate bath house and bathroom facilities at the pool. Change the entrance in an aesthetically sensitive way, to make it flow/function better. Keep the historical look, and expand the exhibit that focuses on the history, ecology and environmental importance of Barton Springs Pool. Need to maintain water quality and environmental integrity.	10/30/2015 3:38 PM

9	In the mornings, it would be great to get the people that don't use the pool to park elsewhere (runners, cross fit classes, etc). As Austin grows, more people are using Barton Springs. In the mornings, especially Thursdays, many of the parking spots close to the entrance are filled with people not using the pool. I think a sign encouraging people to park elsewhere if not using the pool would be a start.	10/30/2015 1:53 PM
10	Restore the bathhouse and improve the facilities for visitors and the other stakeholders to promote water quality and environmental values and improve visitor experience by including enhanced educational resources, restrooms, spaces for the aquatics department, and allowing for additional entrances beyond the current single entrance. Using the Master Plan as a starting point (with its guidance to reopen the rotunda entrance, upgrade the gallery, create a Visitor's Center, and update dressing areas/restroom spaces), the renovation of the bathhouse should include improvements identified in the public input process with due respect for the architectural beauty, historic importance, environmental values, and educational opportunities at this place. For example, plan improvements should include additional pool entrances and an improved, enhanced, and expanded Splash Exhibit located in new setting that is better suited to engage the public in the Barton Springs experience.	10/30/2015 1:41 PM
11	Improved entrance to the pool	10/30/2015 1:29 PM
12	An improved pool entrance is needed. Reopen the original bathhouse entrances. Keep the current entry open as an automated gate. Add an entry from the back or the rotunda. A new interpretative center should be added with Splash and classrooms that is located at the maintenance shed location. The Splash site is too cramped, and the new Splash and education components should be connected and located together up the hill. The women's dressing area in the bathhouse should be upgraded and restored by removing the storage and office space to a new location on the south wall where the family restroom and storage are currently located. Also, by using the men's and women's entrances for pool admissions, the water quality will be protected by promoting toilet usage for pool pee-ers. The public restrooms in the bathhouse should be retained in their current location, but with automated admission gates positioned in the entrance hallways to allow public access to the public restrooms.	10/30/2015 12:54 PM
13	An improved "entrance" amenity is needed at the bathhouse by reopening the original bathhouse entrances, preferably including a (automated) entry gate from the back or the rotunda and at the current east side location. There are numerous operational and safety reasons for reopening the original bathhouse reasons. From an operations standpoint, the waiting times for the current single entrance is unacceptable, running up to an hour during summer months as the line wraps all the way past the original rotunda entrance. From a safety perspective, potential flood events can be handled better by having additional rotunda entrances that can be reversed in the event of flood conditions. Any concerns that safety would be impaired by having a ticket entrance at the rotunda are misplaced since a new staff and lifeguard office can be built that is located facing the pool (e.g., on south-facing wall where the family restrooms are currently located on the women's side) to maintain the same direct visual connection and response by lifeguard staff, so a single ticket attendant at the rotunda will not impair pool safety, especially since that single employee is not the pool manager or lifeguard, but is instead an entry level employee. Any concerns about increased operational costs are also misplaced since a single entry-level admission gate employee can be used at the rotunda, just as one employee is used now. To avoid hiring additional employees, automated entry gates can be provided at the bathhouse entrances and current east-side entrance to more efficiently admit people with passes or other payment options. In addition, overall functionality for the pool is enhanced by adding the rotunda entrances – they are near the locker-rooms, near the bathrooms, and folks will be more likely to use them if they walk past them. Currently, many visitors to the pool don't even know that we have locker-rooms and restrooms. In addition, there is improved ADA access functionality from the rotunda entrance(s) since the rotunda is closer to the north side ADA path. Finally, whatever "functionality" there is from the current entrance can be maintained by keeping the current entrance as an automated gate entrance. While some view the current entrance as being aesthetically pleasing, aesthetic considerations favor both locations. In addition to the improved architectural aesthetics of the rotunda, the first view of the pool from the rotunda entrance(s) showcases the undeveloped, natural part of the Springs and salamander area, providing proper emphasis to the natural environmental beauty of the Springs. Finally, the "aesthetic pleasures" from the current entrance can be retained by keeping the current entrance as an automated gate entrance. In addition to the foregoing consideration, there are numerous other advantages to creating entrances through the rotunda. First and foremost, the 2012 bond package passed by Austin's voters was for bathhouse renovations. Additional advantages from routing users through the rotunda include (1) more efficient admission processing through multiple entrances, (2) more intuitive entry approach which exploits the architectural configuration of the bathhouse design, (3) more direct connection of the entrance experience to any educational opportunities present at the rotunda area or along the entrance routes, (4) better usage of the restroom facilities (and less pool pee in the Springs), (5) improved life-safety performance by providing multiple exit paths, (6) leveraged fundraising opportunities to enhance Sheffield/Splash facilities/location(s) in connection with renovation project, and (7) more fitting initial impression from the rotunda entrance(s) which emphasize the natural beauty of this environmental treasure with the view of the last undeveloped part of the pool area, namely the creek bluffs and salamander area across from the rotunda area. All of these advantages can be achieved without sacrificing the functional and aesthetic benefits of the current entrance location if retained as an automated gate entrance.	10/30/2015 12:39 PM

15	An improved "entrance" amenity is needed at the bathhouse by reopening the original bathhouse entrances, preferably including a (automated) entry gate from the back or the rotunda and at the current east side location. A new visitor's center or interpretative center should be added, either in the bathhouse where the classrooms are located or preferably up the hill near the playscape where the maintenance shed is located. An improved, enhanced, and expanded Splash Exhibit should be located in new setting that is better suited to engage the public in the Barton Springs. The current site is too cramped, and to make sure the Splash and education components are connected, they should both be located up the hill near the playscape where the maintenance shed is located. The dressing area restrooms in the bathhouse should be upgraded and restored, including removing the storage and office space from the women's dressing area and routing pool admissions past the men's and women's dressing rooms to promote usage of toilets, not Springs, for urination. The public restrooms in the bathhouse should be retained in their current location, but with automated admission gates positioned in the entrance hallways to allow public access to the public restrooms. In short, the bathhouse should be restored and improved to enhance the visitor experience by including enhanced educational resources (to promote water quality and environmental values), upgrading restrooms (to reduce pool pee-ing), adding storage spaces (for the pool cleaning requirements), and allowing for additional entrances beyond the current single entrance.	10/30/2015 11:56 AM

25	Restoration & improvements to the bathhouse is long overdue (see master plan). It's so sad to see the Sunken Garden in it's current state--attention to that area is long overdue.	10/30/2015 4:16 AM
26	Restore the bathhouse and improve the facilities for visitors and the other stakeholders to promote water quality and environmental values and improve visitor experience by including enhanced educational resources, restrooms, spaces for the aquatics department, and allowing for additional entrances beyond the current single entrance. Using the Master Plan as a starting point (with its guidance to reopen the rotunda entrance, upgrade the gallery, create a Visitor's Center, and update dressing areas/restroom spaces), the renovation of the bathhouse should include improvements identified in the public input process with due respect for the architectural beauty, historic importance, environmental values, and educational opportunities at this place. 27	More restrooms	10/29/2015 11:27 PM
28	Bathrooms closer to the playground for children, non-smoking signs and enforcement	10/29/2015 10:25 PM
29	The pool entrance is inefficient with long lines and not enough ticket takers. The bathhouse is not used efficiently since the original entrances were closed off. The condition of the bathhouse is deteriorating and needs to be upgraded. The men's bathroom looks pretty good, but the women's bathroom is cramped and closed in because of the ticket office and storage areas. The Sheffield center and splash exhibit do not receive enough attention with the current configuration and should be housed in a better, more prominent setting for engagement with the children's playscape area and the park visiting public. The floodplain constraints discussed at the open house will require that splash and Sheffield be moved, and this will be a good opportunity to expand the pool storage and cleaning needs within one of the former basket rooms, while the other basket room and central rotunda can be used for an improved gallery and visitors center. In other words, the bathhouse should be restored and the facilities should be improved for visitors and the other stakeholders to promote water quality and environmental values by including enhanced educational resources, restrooms, spaces for the aquatics department, and allowing for additional entrances beyond the current single entrance. Using the Master Plan as a starting point (with its guidance to reopen the rotunda entrance, upgrade the gallery, create a Visitor's Center, and update dressing areas/restroom spaces), the renovation of the bathhouse should be should include improvements, such as additional pool entrances and an improved, enhanced, and expanded Splash Exhibit located in new setting that is better suited to engage the public in the Barton Springs experience.	10/29/2015 10:23 PM

36	We need to improve the bathhouse ...it would improve the visitor experience. The bathhouse is embarrassing...this is the "crown jewel of Austin"??? It needs to return to its original configuration and grandeur...it would be so neat to see it restored much like Deep Eddy was. Every tourist guide book ever written suggests that Barton Springs is one of the " 5 best things to do in Austin". The citizens of Austin should be embarrassed when tourists see that run down mess. It could really be a historic showplace and educational center for the springs. We need a visitor center and that Splash Exhibit needs a complete redo ...surely we can make a first class Splash exhibit...all the high tech companies in Austin couldn't design a first class exhibit for the "crown jewel of Austin" Barton Springs is the most important asset in the park department's inventory...It need to start getting more attention.	10/29/2015 4:38 PM
37	I like that the park has a natural feel that is not overburdened with signs and landscaping. I would just recommend locating water fountains in the shade; during the summer the metal is too hot to touch in the fountain on the south side of Barton Springs Pool. The water is hot too.	10/29/2015 4:24 PM

Zilker Park Improvement Projects at Barton Springs

46	Our communities need safe and recognized accessibility to 'doggy springs', a thoughtful renovation of concrete hazards, regular algae removal in conjunction with the regular maintenance of Barton Springs, a footbridge to cross from side to side, trash service to reduce litter, and for the love of our city's youth and inner kid spirit, turn the water outflows into into awesome water slides so we can all do what we've always dreamed of. In some ways, the current hazards and non-existent maintenance (not cleaning the algae) exposes low income populations to higher risks than wealthier park goers who can enjoy the safety and organization of the paid park. Those who often use this area to refresh and provide their families much needed opportunities to enjoy the waters of Barton Springs deserve safe and recognized access.	10/28/2015 2:48 PM
47	More trash cans so that MAYBE the lazy slobs that go there might actually throw away their trash if they don't have to walk too far	10/28/2015 10:10 AM

50	TBD by design team	10/28/2015 8:43 AM
51	An additional lane added to the loop drive in Zilker park - Impossible to make one simple loop through the park in less than an hour on Sat and Sun. An additional lane wouldn't be overly imposing and you could have one parallel parking lane, one queue lane, and one bypass lane. This way you would at least always have one lane moving while other wait behind a car leaving their parking spot. Obviously the 'bypass lane' would still move slowly - it's a park - (Maybe add road humps to mitigate speed through the loop?) Water fountains within main Zilker are about 50/50	10/27/2015 11:01 PM
52	More Drinking fountains	10/27/2015 8:50 PM
53	posted map (people ask me direction alot)	10/27/2015 8:34 PM
54	Better concession stand. Coffee. Almost anything really. Bottle filler instead of water fountain.	10/27/2015 4:15 PM
55	No, please just leave it alone	10/27/2015 3:35 PM
56	More bike parking, better education on aquifer protection, healthier food choices	10/27/2015 2:43 PM
57	More drinking fountains	10/27/2015 2:38 PM
58	More tree shaded areas where benches or picnic tables can rest. Build a parking garage and convert paved lots to park land.	10/27/2015 2:26 PM
59	More drinking fountains throughout area	10/27/2015 1:56 PM
60	Restrooms are good to have. Near the lake on the south side would be even better.	10/27/2015 1:42 PM
61	More bike racks	10/27/2015 12:39 PM
62	more benches, more shade. it's hot during the summer	10/27/2015 12:36 PM
63	Restrooms on the north side; Recycling receptacles	10/27/2015 12:21 PM
64	More drinking fountains, more parking	10/27/2015 12:16 PM
65	updates to outhouses	10/27/2015 12:14 PM
66	Just invest in those that exist today.	10/27/2015 12:07 PM
67	I'd like more green spaces and less parking lot. Making the park more accessible by transit, walking, and cycling, while reducing accessibility via car would help a lot with congestion problems (particularly doing music events) and further beautify the park.	10/27/2015 11:33 AM
68	Occasional free festivals to attract others to the park.	10/27/2015 11:24 AM
69	Bathrooms and more shady areas would be great additions.	10/27/2015 11:22 AM
70	More water fountains are needed.	10/27/2015 10:47 AM
71	more water fountains (that work)	10/27/2015 10:47 AM
72	More picnic tables & benches would be nice around moon tower. This would be very useful during the xmas events since all the food vendors are here.	10/27/2015 10:05 AM

Zilker Park Improvement Projects at Barton Springs

73	Bathrooms! It is SO disappointing that after the last major renovations for Barton Springs no bathroom was added to the back entrance. My mother uses a walker or wheelchair and could never come in the front entrance but would have to go really far to get to a restroom. The restrooms located near in the park nearest the back gate have no privacy and feel really scary to use. I grew up in Austin and have often felt vulnerable going in as a woman alone because there is nothing to prevent predators from stepping in and immediately seeing women using the facilities.	10/27/2015 9:55 AM
74	It would be nice to see more benches, trashcans, picnic tables and drinking fountains.	10/27/2015 9:43 AM
75	Access to existing amenities is very limited. Either ramp up access or amenities.	10/27/2015 9:32 AM
76	Bathroom closer to playscape! Too far for older people or handicapped. Some sort of field enhancement for kids near play scape, like soccer, tetherball, volleyball, bike slalom, something healthy and unique. Better tie into public transport or off-site parking for folks coming from 360. So few parks in Austin, need to cater to them also.	10/27/2015 8:59 AM
77	Strategically located more picnic tables and water fountains.	10/27/2015 8:58 AM
78	I would LOVE IT if there were a changing booth on the south side of Barton Springs. More bike racks on the north side. Later down the road, it would be nice to have a pedestrian bridge over Barton Springs road.	10/27/2015 8:32 AM
79	Sculptures; small satellite playscapes	10/27/2015 6:41 AM
80	This is the crown jewel of Austin. The facility should reflect this. We need more maintenance of the park in terms of cleaning up trash, clean restroom facilities; and most importantly the best possible water quality at Barton Springs!	10/26/2015 11:10 PM
81	When the water fountains need to be replaced, it would be nice if they were updated with the type that make it easy to refill water bottles.	10/26/2015 3:25 PM
82	A merry-go-round would be nice. Refurbishing the fish ponds above the Barton Springs parking lot would be nice, too.	10/26/2015 3:22 PM
83	Recycling, and not just a couple of blue cans that people will just throw their trash in. Shade structures over picnic tables on the south side of the pool, bathrooms on south side.	10/26/2015 3:11 PM
84	More bike racks	10/26/2015 2:45 PM
85	More access to lady bird lake. More trail overlooks. Better management of pedestrian, bike, and auto interaction. A quality visitor center.	10/26/2015 2:19 PM
86	Safer stairs or routes from above the Rock Garden to Barton Springs Pool.	10/26/2015 1:59 PM
87	More water fountains throughout	10/26/2015 10:55 AM
88	I would like to see more restoration of riparian habitat and the establishment / protection of large native trees. I don't see enough recruitment of young pecan or oak trees in the park for example	10/26/2015 10:52 AM
89	More botanical gardens	10/26/2015 10:33 AM
90	I live in the Barton Hills neighborhood and would like a walking/biking path to the south side of Zilker Park that doesn't require me to go all the way to Barton Springs Rd. For example, could you create a path across the western dam of the Pool? I'd like more beautifying/horticultural development of the rock island portion of the Great Lawn to provide more usable areas of the park during the hottest part of the year for picnicking. I'd also like a fenced dog park in the south area of Zilker Park, possibly in the polo fields area.	10/26/2015 9:51 AM
91	Just plain old trash cans at the east end of the park (both north and south)	10/25/2015 12:53 PM
92	More bike friendly neighborhoods so we can get to the park riding our bikes. There is too much traffic on Barton Springs Road to ride the bike safely specially on the weekends. It is not bike friendly any more.	10/24/2015 8:16 PM
93	Splash pad	10/24/2015 3:37 PM
94	More of all the above are needed.	10/24/2015 12:45 PM
95	More picnic pavilions	10/24/2015 10:45 AM
96	More picnic areas. More native landscaping. Trail connecting Barton Creek Greenbelt to Butler Trail. Less festivals. Trail of lights should evolve to less commercialism. It's too gaudy.	10/24/2015 10:01 AM
97	Get ACL OUT OF THE PARK!	10/24/2015 9:59 AM
98	Benches, trash cans, drinking fountains	10/24/2015 8:53 AM
99	Even more shade trees	10/24/2015 8:22 AM
100	More picnic tables, drinking fountains, recycling containers, and benches.	10/24/2015 8:15 AM
101	Modernize and clean up	10/24/2015 7:22 AM

Zilker Park Improvement Projects at Barton Springs

102	A food truck or two in high-traffic areas; would love to be able to grab a couple of tacos or coffee or cold drink without leaving the park and giving up parking place. Perhaps a deal could be struck with some of the local (MUST BE LOCAL) food trucks to operate one near the pool and one near the parking area closest to The Rock, in exchange for \$1 or so per sale given to the park. Look at how other cities structure deals to allow selected vendors to operate in parks with a light footprint. Sometimes you can't find parking during peak seasonal weekend times; maybe work a deal with CapMetro during those heavy use periods to offer reduced fares on routes that include Zilker & Barton Springs, but that would need to be well promoted.	10/23/2015 12:29 PM
103	More trails and signage.	10/23/2015 9:37 AM
104	Lights for the volleyball courts.	10/20/2015 2:31 PM
105	more trees	10/20/2015 2:15 PM
106	Better access for foot and bike traffic. The trail system is disconnected and interior sidewalks between immenities of the park are old or dont exist. Restroom need to be provided for Disc Gold and the Picnic area. I would love to see there be a connection to both sides of the creek, currently the South Side is cut off from the main park area. There was a bridge planned several years ago and it never happend, this would help with pedestrian and bike traffic.	10/20/2015 12:59 PM
107	More restrooms.	10/19/2015 11:36 PM
108	Parking..	10/19/2015 10:35 PM
109	More picnic tables and benches. Trash can that are emptied more frequentlt.	10/19/2015 9:28 PM
110	A nice restroom near hike bike trail. More benches, and tables	10/19/2015 9:14 PM
111	Better food vendors with more nutritional options.	10/19/2015 5:10 PM
112	recycling bins	10/19/2015 2:16 PM
113	Restore Bathhouse by returning main entrance to rotunda, upgrading gallery, creating Visitor's Center, and updating dressing areas/restroom spaces per the Master Plan guidance. In addition, there should be an improved, enhanced, and expanded Splash Exhibit located in new setting that is better suited to engage the public in the Barton Springs experience.	10/19/2015 10:20 AM
114	I would gladly pay to park offsite and ride a shuttle to the park.	10/19/2015 8:59 AM
115	More of all of those. Also tissue dispensers.	10/18/2015 3:26 PM
116	More/better drinking fountains would be great. Also, a water bottle filling station would be great with all of the walkers and cyclists who visit the park.	10/16/2015 7:39 PM
117	Parking, Sitting Areas	10/15/2015 9:23 PM
118	more parking	10/14/2015 5:54 PM
119	More electric car charging stations in all the various lots.	10/14/2015 3:36 PM
120	More recycling bins	10/14/2015 2:57 PM
121	More drinking fountains. Bike parking...is there any?	10/14/2015 10:43 AM
122	Please considewr adding and improving the public restrooms around the all of the fields and play ground, the pool and splash bathrooms are long hike.	10/14/2015 10:32 AM
123	Recycling and composting bins Restrooms and baby changing areas	10/14/2015 10:16 AM
124	Dog Park!	10/14/2015 8:13 AM
125	more recycle bins, trash emptied more frequently, poop bag stations	10/14/2015 7:49 AM
126	public bmx/skatepark,pump track	10/14/2015 6:10 AM
127	Drinking fountains but no commercial or "destination" amenities like the previously considered carousel; Zilkwer is too crowded and overused.	10/13/2015 5:43 PM
128	just a note ... I answer no because I mainly use the pool. I swim seven days a week. mostly by passing different areas of the park while driving or riding my bike it looks a bit like there cold be more places for folks to sit and hang out - so maybe more picnic tables	10/13/2015 5:41 PM
129	More picnic tables	10/13/2015 2:49 PM
130	Splash pad for younger kids	10/13/2015 2:17 PM
131	Some of the benches have no shade so they are useless	10/13/2015 2:13 PM

Zilker Park Improvement Projects at Barton Springs

132	Splash pad, dog park, signs to Barton Springs, wayfinding, maps	10/13/2015 2:10 PM
133	bathrooms	10/13/2015 2:10 PM
134	More drinking fountains	10/13/2015 2:09 PM
135	signage, safe sidewalks/stairs	10/13/2015 2:06 PM
136	Please install more water fountains along the hike and bike path. :)	10/13/2015 1:36 PM
137	more restrooms and water fountains	10/12/2015 9:04 PM
138	More restrooms and water fountains	10/12/2015 8:40 PM
139	Educational info on the history and sanctity of the Springs and of the open public land, Zilker Park and contiguous open green space, that has been and remains the jewel of Austin.	10/12/2015 7:10 PM
140	Larger/better facilities for cast at Hillside Theater	10/12/2015 5:21 PM
141	Additional restrooms for running the trail around Town Lake. Some have been added which certainly helps.	10/12/2015 3:03 PM
142	Restroom facilities near rock island	10/12/2015 10:03 AM
143	Soap in bathrooms	10/12/2015 8:31 AM
144	excercise stations	10/12/2015 8:21 AM
145	ADA amenities	10/11/2015 11:59 PM
146	Restrooms	10/11/2015 11:10 PM
147	Bottle filling stations would be awesome.	10/11/2015 9:30 PM
148	it would be wonderful to have more restrooms.	10/11/2015 9:03 PM
149	more dog bag/trash stations	10/11/2015 11:57 AM
150	Playground paired with pool is good...should have more playgrounds paired with other ammenities in other sections. Bring back other ammenities like archery.	10/11/2015 2:11 AM
151	More public restrooms throughout the park & water stations.	10/10/2015 11:44 PM
152	Public restrooms.	10/10/2015 9:22 PM
153	More lighting.	10/10/2015 7:40 PM
154	bathrooms to use when established bathrooms are closed or malfunctioning. Bathrooms are often closed for events.	10/10/2015 5:10 PM
155	parking or bus service. It would be great if we could park at a mall and ride in. More picnic tables. There are lots of scout troops who would build these, but the city is difficult to work with.	10/10/2015 3:00 PM
156	More of all of the above, especially trash cans and picnic tables.	10/10/2015 11:08 AM
157	More parking!	10/10/2015 10:53 AM
158	rest rooms	10/10/2015 10:07 AM
159	needs to be more handicap accessible	10/10/2015 2:07 AM
160	Yes, strategically placed trash and recycling bins to promote the reduction in litter. Also, shaded benches/picnic tables to encourage family outings.	10/9/2015 10:47 PM
161	More picnic tables	10/9/2015 10:43 PM
162	restroom closer to the playground	10/9/2015 8:45 PM
163	The Zilker Park need more shadeing area like a cover people head like when it rainy outside or it too hot so people feel good	10/9/2015 8:35 PM
164	Less event use, more public use.	10/9/2015 8:12 PM
165	It would be nice to have big shade canopies, perhaps an art feature that provides shade to sit under with, or without seating. some kind of giant umbrella located around the grounds for people to lay a blanket and sit under.	10/9/2015 5:50 PM
166	More picnic tables for volunteer events and shade	10/9/2015 2:00 PM
167	Clean bathrooms, designated walking paths, signage stating no idling allowed, more trees.	10/9/2015 12:20 PM
168	I think more benches could be nice.	10/9/2015 11:51 AM

Zilker Park Improvement Projects at Barton Springs

169	tree protection from disc golf, trees are getting damaged	10/9/2015 11:39 AM
170	seating and shaded picnic tables near volleyball courts	10/9/2015 9:38 AM
171	I may be satisfied with all of them. Are the drinking fountains with decent water? Are there enough trashcans for all the trash? Can someone clean off the picnic tables more often to detour the bees? Can someone clean off benches more often to detour the bees?	10/9/2015 9:05 AM
172	Cleaner bathroom facilities	10/9/2015 9:05 AM
173	More restroom facilities, and a serious upgrade/renovation to existing	10/9/2015 8:06 AM
174	Need more shaded sitting areas and bike racks	10/9/2015 7:24 AM
175	More of all of the above.	10/9/2015 2:03 AM
176	Parking and mass transit needed. Even though I'm there every week, I have no idea what the Splash exhibit or sunshine camp are so better marketing and signage for those are needed.	10/9/2015 12:39 AM
177	Recycling	10/8/2015 10:24 PM
178	Expand zephyr around park and pool. Cooler water temp on fountains. More attractions (research tivoli park in Denmark) Bikeshare station on south side pool entrance Better maintenance of the no mow zone in Robert e lee. I understand flood control but it looks horrible and feels dangerous	10/8/2015 8:18 PM
179	Bike lane	10/8/2015 7:56 PM
180	More toilets (and not portables!) more drinking fountains along the trails and within the park.	10/8/2015 5:08 PM
181	picnic tables and trash cans should be placed all around the entire park	10/8/2015 4:49 PM
182	all of the above or signage letting you know where things are. Also, bathrooms are needed	10/8/2015 4:26 PM
183	More benches. Possibly a shuttle from parking areas. If you are elderly or handicapped, it's just too hard to get where you need to go.	10/8/2015 2:50 PM
184	rock climbing structures	10/8/2015 2:30 PM
185	Better trail maintenance	10/8/2015 2:20 PM
186	Generally need more amenities and update/replacement of old amenities.	10/8/2015 2:19 PM
187	The water fountains are always broken.	10/8/2015 2:08 PM
188	Drinking fountains	10/8/2015 1:38 PM
189	More shade covers	10/8/2015 12:38 PM
190	decent public restrooms on both sides	10/8/2015 12:16 PM
191	Stationary building bathrooms as opposed to the port-o-potties	10/8/2015 11:55 AM
192	More playground equipment. Look at the Maggie Daley Park in Chicago for some great inspiration!!	10/8/2015 10:46 AM
193	More restroom facilities, pet drinking fountains	10/8/2015 10:23 AM
194	recycling and composting alternatives to trash cans.	10/8/2015 9:55 AM
195	Bathrooms	10/8/2015 9:52 AM
196	Better parking and signage, drink fountains need to be updated/cleaned - water tastes metallic from the drinking fountains so I don't use them	10/8/2015 9:48 AM
197	An interactive kinetic art installation!	10/8/2015 8:27 AM
198	We need to invest in trash cans that are raccoon proof. It is not good for them to grow dependent upon park trash.	10/8/2015 6:36 AM
199	Recycling and compost should be added. There are too many bees by the sno cone stand in the summer making it hard to sit at the tables. There should be more cleaning of those tables during the day to remove sticky residue and trash should be taken out more often.	10/8/2015 6:33 AM
200	Parking, Picnic Areas and Drinking fountains	10/8/2015 6:30 AM
201	I often run on the trail and would love to have a place to do sit-ups and stretch. Ideally, behind Barton Springs Pool.	10/8/2015 5:12 AM
202	Needs more shaded areas with flowers and other wildlife.	10/7/2015 11:41 PM

Zilker Park Improvement Projects at Barton Springs

203	I spent time in new Orleans' City Park and their amenities are amazing. Would love to see some Austin versions of them.	10/7/2015 11:04 PM
204	better parking new BSP or better bus service to the pool	10/7/2015 10:45 PM
205	bathrooms on the south side of Barton Springs.	10/7/2015 10:17 PM
206	Could use a few more swings. A splash pad for kids would be nice.	10/7/2015 10:04 PM
207	Trash and recycle bins overflow on busy days.	10/7/2015 10:03 PM
208	Traffic Control in & out of park. Covered pavilions.	10/7/2015 9:42 PM
209	More trash receptacles, benches, water fountains	10/7/2015 9:29 PM
210	More benches and water fountains	10/7/2015 9:21 PM
211	Working water fountains.	10/7/2015 9:16 PM
212	updated playground equipment	10/7/2015 8:44 PM
213	Recycling	10/7/2015 8:33 PM
214	more benches and play areas for small children	10/7/2015 7:24 PM
215	B-cycle commuting from offsite lots	10/7/2015 6:54 PM
216	Drinking fountains needed, more seating areas	10/7/2015 6:43 PM
217	Park can't handle volume of visitors	10/7/2015 6:27 PM
218	More benches and drinking fountains.	10/7/2015 6:05 PM
219	More people down there	10/7/2015 6:04 PM
220	tags identifying trees and lakeside plants - also signs that indicate what increases algae and what algae does to the lake.	10/7/2015 5:45 PM
221	More water fountains on hike and bike trail.	10/7/2015 5:33 PM
222	Not sure what is available	10/7/2015 5:30 PM
223	Bathrooms are disgusting, stalls are too small, very hard to get out of stalls. empty room by the exhibit just looks sad	10/7/2015 5:12 PM
224	an actual info desk for the whole park including the ANSC and ZBG and SPLASH	10/7/2015 5:10 PM
225	A splash pad for children and more covered areas around the playscapes.	10/7/2015 5:04 PM
226	not sure, but not sure was not one of the available answers	10/7/2015 4:59 PM
227	Don't use up all the parking for ACL when ACL isn't running!	10/7/2015 4:54 PM
228	Shaded areas or trees	10/7/2015 4:54 PM
229	More and better maintained public restrooms. More frequently emptied trash bins. Xeriscaping in some areas to counter the sere appearance and lack of oxygenation of the area.	10/7/2015 4:38 PM
230	More water fountains and handicapped parking.	10/7/2015 4:34 PM
231	A swimsuit spinner in the bath house to fry suits a bit. Much better bathrooms, space is too small!	10/7/2015 4:11 PM
232	More shaded areas.	10/7/2015 4:10 PM
233	More water fountains, especially those that can easily fill a water bottle.	10/7/2015 4:09 PM
234	Maybe a shade over the sand pit.	10/7/2015 4:06 PM
235	Sometimes parkland should be left alone.	10/7/2015 3:52 PM
236	Water fountains and parking	10/7/2015 3:41 PM
237	More offleash dog areas.	10/7/2015 3:24 PM
238	It would be nice if the amount of traffic driving through Zilker could be reduced. Alternatively, i footbridge going over barton springs road would be nice.	10/7/2015 3:16 PM
239	Shaded areas, shaded playground	10/7/2015 3:16 PM
240	More food options would be nice, especially on the north side where rock island is.	10/7/2015 3:14 PM

Zilker Park Improvement Projects at Barton Springs

241	drinking fountain and safe bathroom on robert e lee side of barton springs	10/7/2015 3:11 PM
242	Trail lighting	10/7/2015 3:10 PM
243	Better sewage treatment for the effluent flowing into Barton Creek	10/7/2015 3:08 PM
244	Better quality public restrooms	10/7/2015 3:04 PM
245	More/better recycling. More water fountains. More benches	10/7/2015 3:03 PM
246	Better water fountains.	10/7/2015 3:03 PM
247	Bathrooms	10/7/2015 2:56 PM
248	More trails and more markers	10/7/2015 2:56 PM
249	Rugby goal posts	10/7/2015 2:55 PM
250	More bathrooms for the park area.	10/7/2015 2:52 PM
251	shade. better traffic flow.	10/7/2015 2:46 PM
252	More bathrooms and drinking fountains	10/7/2015 2:41 PM
253	Save money for locals to park for free, it's absurd!	10/7/2015 2:37 PM
254	Fenced off leash small dog area	10/7/2015 2:36 PM
255	more cold water fountains, more benches, picnic tables, grills, parking, and trash cans. expand the park by trimming overgrown areas.	10/7/2015 2:32 PM
256	more water fountains would be great	10/7/2015 2:26 PM
257	More cold water drinking fountains	10/7/2015 2:25 PM
258	restrooms	10/7/2015 2:24 PM
259	More Benches, parking, drinking fountains.	10/7/2015 2:22 PM
260	Skatepark, more/better water fountains	10/7/2015 2:22 PM
261	It should be preserved for the use of Austin citizens and not blocked off for large events that tend to destroy grass and keep it inaccessible to Austin residents for a longer period of time than just that of the event.	10/7/2015 2:17 PM
262	PLEASE put fans over the picnic tables -- the bees are a terrible problem! Our children do not want to come there as a result.	10/7/2015 2:11 PM
263	Nicer employees at the snack stand! And better signage on the trails, its so easy to get turned around and lost on the trails.	10/7/2015 2:07 PM
264	Very over priced, dirty concessions area. Feels very run down and basic	10/7/2015 2:06 PM
265	Better access to restrooms	10/7/2015 2:04 PM
266	Concession stands that cater to adults i.e. beer garden	10/7/2015 1:59 PM
267	More bathrooms near the playground. More than once I've run to the bathroom with my kids--it's a bit of a hike with young ones in tow--to find it is closed for an hour or more for cleaning. If the pool is closed (Thursdays), that means I have to hike over to the hexagonal bathroom just past the big fenced in area where the maintenance stuff is. There is no signage to tell me a bathroom is there--I only found out from the guy cleaning the pool bathrooms the other day, and it's a hike from the pool if you have kids needing to pee. That said, those bathrooms are super-clean, which I did indeed appreciate!	10/7/2015 1:56 PM
268	More water fountains, upkeep of playground needs improvement, too much littering by people on trails near Barton Springs pool.	10/7/2015 1:55 PM
269	This city has grown so much.....everything we had here needs more added to it now	10/7/2015 1:53 PM
270	a TACTILE map in a number of places? a guide? i've been to zilker park, i've run there. but i have no clue where a drinking fountain, or a trash can, or a bus stop or anything else would be. or how to find barton springs pool. so i prefer running there with a friend who knows where we are and where we're going	10/7/2015 1:50 PM
271	There could be more of all amenities, considering the number of users of this park.	10/7/2015 1:49 PM
272	Mountain bike Skills area	10/7/2015 1:48 PM
273	Considering the number of people that use the park, there are not enough tables, fountains, trash cans or benches.	10/7/2015 1:45 PM

Zilker Park Improvement Projects at Barton Springs

274	not sure, but in general newer, nicer facilities all around	10/7/2015 1:43 PM
275	Better parking areas or some type of traffic flow system. Its ridiculous how difficult it is to get in and out on busy days AND contend with Barton Springs Rd. traffic.	10/7/2015 1:42 PM
276	Poison Ivy Reduction below pool area. Park Ranger Presence below pool area.	10/7/2015 1:41 PM
277	I know that I have seen the landscaping improvements that have occurred to the part of Zilker that contains the large playing fields, those improvements appear to get trashed & replanted each year after ACL.. It would be great to see some of those improvements occur at other parts of Zilker that won't be in the assumed cycle of overuse and repair that ACL seemingly creates.	10/7/2015 1:39 PM
278	Too many people	10/7/2015 1:38 PM
279	more tables, more trash cans	10/7/2015 1:34 PM
280	seating	10/7/2015 1:33 PM
281	covered or shaded picnic tables near the playground that do not need to be rented out	10/7/2015 1:32 PM
282	more water fountains & bathrooms	10/7/2015 1:31 PM
283	For as much use as Zilker Park gets, it is severely outdated. It needs a refresh.	10/7/2015 1:30 PM
284	More benches and picnic tables especially inside the pool area.	10/7/2015 1:28 PM
285	Dog waste bins, improved drinking fountains, rehabbed sand volleyball courts,etc.	10/7/2015 1:25 PM
286	more space to play is needed for children. playgrounds are always over crowded. more picnic tables, benches, restrooms, and drinking fountains are needed. it's impossible to find a place to sit, drink, and use the bathroom.	10/7/2015 1:21 PM
287	Better restrooms outside of BS Pool. Water fountains in Zilker	10/7/2015 1:15 PM
288	water bottle filling stations	10/7/2015 1:14 PM
289	more restrooms	10/7/2015 1:12 PM
290	additional water fountains, additional trash cans during special events.	10/7/2015 1:10 PM
291	Improve ticket queue at zephyr. Add water crossing outside of fenced Springs area. Increase staffing at Springs rear gate. Major overhaul of parking. Improve concession stand. Limit park closing to 1-2 weeks at ACL and Trail of Lights.	10/7/2015 1:05 PM
292	Water bottle fill stations located strategically around the park would be very helpful and conducive the healthy atmosphere of the park.	10/7/2015 1:03 PM
293	Need more drinking fountains for runners.	10/7/2015 1:03 PM
294	Benches, picnic tables and drinking fountains	10/7/2015 1:03 PM
295	Better food options	10/7/2015 1:00 PM
296	More of everything listed above	10/7/2015 12:59 PM
297	Real bathrooms instead of port-a-potties!	10/7/2015 12:59 PM
298	Additional water fountains would be great - and regular maintenance to ensure water fountains are working. A restroom facility adjacent to the green would be helpful.	10/7/2015 12:59 PM
299	regular treatment for fire ants	10/7/2015 12:56 PM
300	Dog pick up bags & trash receptacles, water fountains that come out at more than a dribble, a few permanent benches at the water release/ dog swim area. I've honestly never heard of the splash or sunshine camps before.	10/7/2015 12:52 PM
301	Nothing extra is actually needed, but better toilets would be nice. Also more picnic tables and drinkable water would be nice.	10/7/2015 12:50 PM
302	Better Bathrooms	10/7/2015 12:48 PM
303	updated signage for amenities and general upkeep of the current amenities in the Barton Springs Pool area.	10/7/2015 12:45 PM
304	Zilker park should be open to the general public and the tax paying citizens of Austin 365 days a year. It is a shame that much of the park is closed for 1/4 of the year for event such as ACL and the trail of lights.	10/7/2015 12:45 PM
305	Bee-proof trashcans near the Zephyr snack bar.	10/7/2015 12:45 PM
306	Make the banks of Barking Springs off-leash, not just the creek	10/7/2015 12:44 PM
307	water bottle filling stations would be very helpful	10/7/2015 12:42 PM

Zilker Park Improvement Projects at Barton Springs

308	safe pedestrian crossing - maybe a pedi bridge?	10/7/2015 12:42 PM
309	splash pad	10/7/2015 12:40 PM
310	workout area, bike repair station	10/7/2015 12:39 PM
311	Better bathrooms, more trash/recycle bins,	10/7/2015 12:36 PM
312	More bathrooms	10/7/2015 12:35 PM
313	Dog drinking facets	10/7/2015 12:28 PM
314	parking, although I don't know where you'd put it.	10/7/2015 12:26 PM
315	I like it as it is.	10/7/2015 12:26 PM
316	What about amenities in NORTHEAST Austin... why are we left out continually !	10/7/2015 12:26 PM
317	Lights near parking lot and throughout grounds. Hard to see ground at night esp. During events..fall hazard.	10/7/2015 12:25 PM
318	I am not sure for the above 2 questions. I haven't been there enough.	10/7/2015 12:24 PM
319	Restrooms	10/7/2015 12:22 PM
320	Handball 1 wall and 3 wall courts	10/7/2015 12:20 PM
321	Bathrooms	10/7/2015 12:18 PM
322	A splash pad would be nice.	10/7/2015 12:16 PM
323	To be honest, Zilker Park is kind of embarrassing. Other than the Barton Springs portion, it's just a bunch of dusty fields (or so it seems). If the metro rail went to Zilker Park, my family would enjoy it a lot more...we don't bother to go much due to parking/traffic. AND, the park needs more "oasis" points...nice picnic tables/game spaces under shady trees; a natural kids playscape area (berms, boulders, sunflower houses, etc...like the Wildflower Center's kids area). One of the best parks I've ever been to is Look Park in Northampton, Mass. Beautiful, amazing park. VERY well-designed. Coming back from Look Park to Zilker Park is like visiting Freeport Beach after having been in the Caribbean. Ugh. Lastly, the area near Barton Springs is poorly maintained. The pool is beautiful. Love the bathhouse. Hillside Theater is good. But the snack shack / picnic tables are uninviting...dusty & dirty & do not show signs of being well-maintained. We can do better.	10/7/2015 12:15 PM
324	Permanent restrooms on the soccer field side.	10/7/2015 12:15 PM
325	more water fountains, and benches to sit and enjoy. More restrooms needed	10/7/2015 12:14 PM
326	Restrooms	10/7/2015 12:11 PM
327	Additional trash cans	10/7/2015 12:11 PM
328	I got to Zilker often, but not nearly enough. A big part of the problem is the crowds. I don't like paying for parking and the available parking is often limited or hard to get out of. For example, Strafford Dr. is so hard to get out of!	10/7/2015 12:09 PM
329	Food trucks or some sort of food availability.	10/7/2015 12:08 PM
330	Austin Metro rail stop please!	10/7/2015 12:06 PM
331	better bathrooms and more shaded areas	10/7/2015 12:06 PM
332	The south side parking lots that are not concrete need to be repaired. Big pot holes.	10/7/2015 12:05 PM
333	Benches and trail signage	10/7/2015 12:05 PM
334	More accessible by bicycle. From here, car is really the only way to get there, or hike on the Barton creek trails.	10/7/2015 12:03 PM
335	More of all of the above	10/7/2015 12:02 PM
336	I often see overfilled trash cans at the Zilker trail head and think more are needed, or empty more frequently. Drinking fountains often do not work, especially lower level for dogs.	10/7/2015 12:01 PM
337	Bath house & lockers at the east entrance to the pool.	10/7/2015 12:01 PM
338	parking longer train rides Make a new trail that would be used for new and more exciting train ride. A train ride over to the garden center as well as a get off and reboard at the garden center	10/7/2015 12:00 PM
339	It would be helpful to have more benches, fountains, picnic tables, and trash cans available.	10/7/2015 11:58 AM
340	Improvements to bath house -- changing area and rest-room on South side.	10/7/2015 11:58 AM
341	WaterFountains	10/7/2015 11:58 AM

Zilker Park Improvement Projects at Barton Springs

342	Restrooms	10/7/2015 11:56 AM
343	I used the green belt trails and zilker park separately for years before I realized the trailhead was at zilker. More signs to this would be helpful.	10/7/2015 11:55 AM
344	Bicycle parking	10/7/2015 11:53 AM
345	Restrooms on the trail.	10/7/2015 11:52 AM
346	The parks dept needs more trash cans near the entrance to the park and were dog bags are located.	10/7/2015 11:52 AM
347	Better picnic tables	10/7/2015 11:52 AM
348	More trashcans/recycling bins	10/7/2015 11:49 AM
349	A rest stop on the trails would be wonderful.	10/7/2015 11:48 AM
350	Lockers	10/7/2015 11:48 AM
351	More playground amenities for toddlers, and kids.	10/7/2015 11:47 AM
352	More benches, more recycling cans (near parking)	10/7/2015 11:46 AM
353	Buses or rail from northwest Austin that go to Zilker without transfers.	10/7/2015 11:46 AM
354	better restrooms	10/7/2015 11:45 AM
355	Nicer changing rooms at Barton Springs Pool	10/7/2015 11:43 AM
356	Permanent bathrooms	10/7/2015 11:43 AM
357	Better signage or more: trash cans, drinking fountains.	10/7/2015 11:42 AM
358	More water fountains	10/7/2015 11:42 AM
359	Comfort stops.	10/7/2015 11:40 AM
360	more bathrooms	10/7/2015 11:39 AM
361	As use increases so should amenities.	10/7/2015 11:38 AM
362	trashcans, and water fountains	10/7/2015 11:38 AM
363	More picnic tables and water fountains.	10/7/2015 11:38 AM
364	More clean, accessible bathrooms.	10/7/2015 11:38 AM
365	more areas to picnic- rest/relax in permanent seating	10/7/2015 11:38 AM
366	Water fountains.	10/7/2015 11:37 AM
367	bathrooms	10/7/2015 11:36 AM
368	More disability parking, free, with signage.	10/7/2015 11:36 AM
369	Better bike lanes/paths than what is currently available.	10/7/2015 11:36 AM
370	More picnic tables and more park benches and water fountains are needed. Also more recycling cans as opposed to just trash cans are needed in all City of Austin parks and on all City of Austin streets.	10/7/2015 11:35 AM
371	recycle trash cans, Solar powered lights on trails and great lawn	10/7/2015 11:34 AM
372	The snack bar is awful. This should be changed to a Tacodeli or similar popular local business.	10/7/2015 11:34 AM
373	more parking, clearly marked. better traffic lights in the vicinity.	10/7/2015 11:33 AM
374	Water fountains often barely have pressure enough to fill water bottles	10/7/2015 11:33 AM
375	drinks and food	10/7/2015 11:33 AM
376	Secure bike storage	10/7/2015 11:32 AM
377	There is a bee problem with trash cans... as in many parks. I think the city could be innovative with protecting the bees and keeping them out of trash cans. My son actually had a bee go in his mouth once.	10/7/2015 11:32 AM
378	Drinking fountains, trash cans, benches, picnic tables	10/7/2015 11:32 AM
379	PARKING	10/7/2015 11:29 AM
380	More seating areas would be nice for either eating or just lounging. Not necessary, but nice.	10/7/2015 11:29 AM

Zilker Park Improvement Projects at Barton Springs

381	Patrols	10/7/2015 11:29 AM
382	Drinking fountains, preferably that taste better (filtered?)	10/7/2015 11:28 AM
383	More picnic tables.	10/7/2015 11:28 AM
384	Accessible paths to canoe rental and accessible area on train.	10/7/2015 11:27 AM
385	Better bathrooms	10/7/2015 11:27 AM
386	More Trees!!!!	10/7/2015 11:27 AM
387	More picnic tables and benches. The drinking fountains do not always work well, especially the doggie bowl fountains. Please fix and maintain them.	10/7/2015 11:26 AM
388	More restrooms.	10/7/2015 11:25 AM
389	Some areas need fountains, benches, trash cans & tables	10/7/2015 11:25 AM
390	The rest rooms are in sore need of improvement.	10/7/2015 9:36 AM
391	Public Restrooms	10/6/2015 11:04 PM
392	Need exercise equipment course. Also need more water fountains with fountains for dogs.	10/6/2015 10:14 PM
393	There should be one recycling bin for every trash can. Trash cans are regularly overflowing with bottles and cans. And trash cans that keep bees out are needed. An outdoor shower for hike and bike trail runners somewhere near the playground. A chin-up bar also.	10/6/2015 8:30 PM
394	Zilker Park needs a parking garage or large lot with a shuttle that goes within the park including the Nature Center, the Garden Center and Umlauf. Traffic is a real problem. Crosswalks to the Garden Center are needed.	10/6/2015 5:22 PM
395	dog-friendly off-leash areas...	10/6/2015 4:47 PM
396	Additional amenities would be nice and I'm sure well received - not sure what they are - but I think there is room to improve	10/6/2015 3:44 PM
397	More drinking fountains. Reopen the outhouse at Spyglass Dr. DO NOT BUILD ANY NEW FACILITIES and especially DO NOT Renovate the bathhouse.	10/6/2015 3:28 PM
398	World class play area for multiple ages	10/6/2015 3:26 PM
399	Need to keep pace with the growth of Austin and the increased use of Zilker Park	10/6/2015 3:07 PM
400	bathrooms on the Robert E. Lee side of the park	10/6/2015 3:06 PM
401	maintenance of the existing amenities is needed. And improved trash collection / recycling options	10/5/2015 8:37 PM
402	Shade	10/4/2015 12:06 AM
403	Water bottle refilling stations with filtered water, composting and recycling bins	10/2/2015 2:43 PM
404	A new and improved Splash! exhibit relocated at Eliza Springs, Zilker Maintenance Shed, or other areas close to Barton Creek/Springs	9/28/2015 4:27 PM
405	Areas of shaded structure for gathering.	9/28/2015 2:31 PM
406	Not that I can think of	9/24/2015 6:35 PM
407	Trash cans are often overflowing after a weekend. Animals get into the trash and spread it all over the park. Trash cans need to be bigger, have animal proof lids and be emptied more often. It defeats the purpose of having trashcans if the trash is going to end up all over the park anyway, due to overflow.	9/24/2015 2:37 PM
408	More benches and bathrooms	9/24/2015 8:16 AM
409	More water fountains for the hot months.	9/23/2015 3:12 PM
410	more working dog water fountains	9/23/2015 2:46 PM
411	Austin needs more tennis courts, public bike polo arena, handicapped accessible trails, skateboarding facilities.	9/23/2015 1:56 PM
412	Bathroom facilities building	9/23/2015 1:51 PM
413	A second, "lower" Barton Springs pool should be created immediately down stream.	9/23/2015 1:20 PM
414	public recycling and compost	9/23/2015 1:07 PM
415	Restrooms near the Zephyr turn-around/generally north side of Barton Springs Rd.	9/23/2015 1:00 PM

Zilker Park Improvement Projects at Barton Springs

416	More shade cover over the playground; more benches and tables next to the playground; a safer crosswalk from playground side to Hillside Theater side of park. A better way to handle traffic on the weekends and a place to park for free on the weekends.	9/23/2015 11:29 AM
417	i think the dog area down stream from barton springs could be greatly improved. the rocky cement is very dangerous for young children. i think that large limestone steps going down to the water similar to auditorium shores would be perfect. also a stairway on the south side on the fence line would make access much safer. the muddy hillside does not work well.	9/23/2015 11:26 AM
418	Changing area on RE Lee side of the pool.	9/23/2015 11:01 AM
419	More tables/ benches	9/23/2015 11:00 AM
420	More of all of the above!	9/23/2015 10:18 AM
421	Pathways restrooms	9/23/2015 10:02 AM
422	Dog waste stations and MORE RECYCLING AND TRASHCANS	9/22/2015 10:11 PM
423	Moped or motorcycle parking	9/22/2015 10:08 PM
424	More dog poo stations with bags.	9/22/2015 8:15 PM
425	More trash cans.	9/22/2015 6:54 PM
426	Don't fix what isn't broken.	9/22/2015 5:31 PM
427	doggie bags	9/22/2015 5:30 PM
428	More trash/recycling cans, or empty existing more frequently.	9/22/2015 5:28 PM
429	More seating	9/22/2015 3:27 PM
430	Recycling Containers	9/21/2015 3:40 PM
431	I grew up in Austin, and we had to step through a shower before getting in the pool. We need this at Barton Springs since runners/bikers swim in their sweaty clothes and even their shoes! Disgusting.	9/21/2015 2:54 PM
432	Need safe accessible route to Govalle Park and Givens park from Ortega neighborhood	9/20/2015 7:07 PM
433	More of and better versions of everything listed in the previous question. BS pool parking needs to be repainted to be able to see spaces in the dark. Permanent restrooms are desperately needed!	9/20/2015 6:04 PM
434	More recycling cans	9/20/2015 1:41 AM
435	Recycling Containers that are obvious and well-labeled.	9/18/2015 10:25 AM
436	Recycling and Organics diversion is not available	9/18/2015 10:24 AM
437	More recycling	9/18/2015 10:16 AM
438	more seating, preferably in the shade, with upkeep of those amenities, please.	9/18/2015 8:51 AM
439	I think it would benefit a lot from adding a splash pad.	9/16/2015 5:06 PM
440	Sidewalks and pedestrian and vehicle circulation	9/16/2015 1:27 PM
441	Gender neutral bathrooms	9/16/2015 12:30 PM
442	restrooms	9/15/2015 7:43 PM
443	A separate bike path to increase safety of those walking around Town Lake	9/15/2015 4:16 PM
444	More Fountains	9/15/2015 3:58 PM
445	functioning, cooled water fountains. cops on patrol.	9/15/2015 3:22 PM
446	Shade canopies	9/15/2015 3:08 PM
447	History plaques for example the old 1900 stone bridge in the woods	9/15/2015 2:12 PM
448	containers for recycling next to trash	9/15/2015 2:09 PM
449	More water fountains would be beneficial.	9/15/2015 2:07 PM
450	safer traffic flow	9/15/2015 12:43 PM
451	Parks should not be focused on services unless they support the amenities already provided (ex. food trucks or towel/float vendors for the springs)	9/14/2015 7:58 PM

Zilker Park Improvement Projects at Barton Springs

452	education for natural resources (springs, salamanders, pollution, water quality, etc)	9/14/2015 3:43 PM
453	Drinking fountains, bathrooms, picnic tables in high use areas. Additional signs (esp. at disc golf course) "tread lightly", stay on the trail,take your trash out with you ...	9/14/2015 11:34 AM
454	As per drinking fountains, it would be nice to have the filtered water stations like they do at the airport. Better changing rooms; the bathrooms out in front are so old and usually pretty gross; add some restrooms and changing rooms at back entrance; (the ones across from Umlauf are not convenient) Now that the grass has all been redone what is the plan to keep weeds out? No pesticides can be used so there needs to be a plan just like cleaning the pool for the weeds to get hand pulled I know it is minor but what happened to the clock that you could see from the pool?	9/14/2015 11:33 AM
455	Need more clearly marked recycling cans next to every trash can.	9/14/2015 11:17 AM
456	Really just updated amenities	9/12/2015 10:17 AM
457	Better bath house at Barton Springs. That thing is terrible.	9/12/2015 7:21 AM
458	Dog. Loop bags	9/11/2015 11:59 PM
459	More water fountains, a little more parking	9/11/2015 11:44 PM
460	Need more amenities - too many large family groups monopolizing the picnic areas-	9/11/2015 7:40 PM
461	More cleaner bathrooms on the South side, bridge over creek on the west side of the pool, guided eco tours to all the springs including upper when flowing. More trees for Pecan Grove rain gardens for parking lot runoff .	9/11/2015 4:44 PM
462	You need a little kiosk or trailer selling sun tan lotion, goggles etc.	9/11/2015 3:34 PM
463	Improved sitting/eating areas.	9/11/2015 2:14 PM
464	more water fountains	9/11/2015 10:18 AM
465	SHADE. The lack of shade islands on the path that is nearest the water is an issue. Also - the slow and quiet demise of dog-friendly zones in town is a problem.	9/11/2015 9:53 AM
466	Better public bathroom facilities	9/11/2015 8:32 AM
467	Recycling and compost, please.	9/11/2015 8:30 AM
468	More water fountains	9/11/2015 8:10 AM
469	just some more and update existing	9/11/2015 7:02 AM
470	more year round, all business hour pool access from the south gate	9/11/2015 4:36 AM
471	It would be nice to have cleaner, nicer restrooms.	9/10/2015 7:52 PM
472	Better restrooms; updated/modern restrooms that are open year round and not closed when its freezing.	9/10/2015 4:26 PM
473	a pedestrian bridge over Barton Springs Rd so that people can move safely from the pool to the soccer fields without stopping all of the traffic on the road.	9/10/2015 3:34 PM
474	recycling and compost	9/10/2015 1:39 PM
475	recycling bins, more and improved public restrooms, educational signage including tree identification	9/10/2015 10:23 AM
476	New and improved Splash Exhibit and Education Center at Eliza Springs or Zilker Maintenance Area	9/10/2015 9:35 AM
477	The area needs more water fountains and much better communications for parking.	9/10/2015 8:52 AM
478	More cleaning in women's dressing room showers	9/9/2015 10:42 PM
479	More restrooms and water fountains especially in front of the pool area/ splash exhibit.	9/9/2015 7:44 PM
480	It is time to revive the merry-go-round idea! Weekend parking is a trauma. Please have at least two payment lanes.	9/9/2015 5:08 PM
481	It would be great to have things available to purchase for the pool (towel, sunscreen, water bottle,)	9/9/2015 4:44 PM
482	More Bathrooms and more waterfountains	9/9/2015 4:27 PM
483	Options for food purchase at Barton Springs Pool.	9/9/2015 4:00 PM
484	more picnic tables a drinking fountain near the playscape more recycling bins	9/9/2015 3:44 PM
485	The concrete picnic tables need to be restored and compatible furnishing need to be installed. There is also lots of erosion at the Pecan Grove picnic area.	9/9/2015 3:37 PM
486	bathrooms	9/9/2015 3:29 PM

Zilker Park Improvement Projects at Barton Springs

487	Recycling cans are needed Bathrooms need to be closer to playground A way to cross barton springs pool by foot and bike, on the doggie swim side, is needed to make the playground more accessible to young families in Zilker/Barton Hills area who want to walk with strollers or ride on bikes to the park. I have no idea where the hillside theater is or what the splash exhibit and sunshine camp are.	9/9/2015 3:21 PM
488	Nothing additional needed, just more of the existing. This is a public place and all need equal access to seating, water, picnic seating, etc.	9/9/2015 1:07 PM
489	There aren't any drinking fountains on the south side of Barton Springs Pool any more.	9/9/2015 12:18 PM
490	Modernize the amenities, keep it clean, better restrooms	9/9/2015 11:18 AM
491	better playscape,	9/9/2015 11:09 AM
492	The Splash Exhibit should be relocated, expanded and upgraded to provide an improved education/experience for park users, preferably at or near the Eliza Springs area or possibly Zilker Maintenance Shed area	9/9/2015 10:28 AM
493	More recycling, compost & trash bins. Plus need more picnic tables away from bees. Newer drinking fountains & benches would be great.	9/9/2015 8:33 AM
494	Fix the water fountain at Barton Springs pool behind the diving board. It would be great to have water fountains around the park for filling up water bottles	9/9/2015 8:22 AM
495	trash cans are often full and attracting bees	9/9/2015 5:15 AM
496	More parking for events at the Botanical Gardens, improve the parking lot on Stratford.	9/8/2015 11:47 PM
497	more of all of the above...	9/8/2015 10:34 PM
498	A clock, please, and a drinking fountain south side. Even better: A latrine at the south gate!	9/8/2015 8:24 PM
499	There should be a bus route to and from the pool daily and often.	9/8/2015 5:32 PM
500	need more benches, water fountains and parking for people with disabilities. PARTICULARly 2 ADA parking spaces were lost in front of the Hillside theater to put an ADA port-a-potty for the July summer play, but these spaces are needed then and the rest of the year. There is too much entitlement given to the Zilker theater folks (citizens). The 2 front rows of the ADA seating at the theater were supposed to be for people with disabilities but they are given to donors. Please, don't put a restroom for the theater the trenching will impact the trees. The bathhouse restroom is sufficient	9/8/2015 5:02 PM
501	Need water fountains at the disc golf course. More trash cans on the course would also be nice.	9/8/2015 4:27 PM
502	more benches & tables, better quality water fountains	9/8/2015 3:48 PM
503	More recycling bins, more picnic tables in better condition, water stations designed for water bottle refill.	9/8/2015 3:34 PM
504	Recycling bins, restroom on the south side of the pool	9/8/2015 3:27 PM
505	recycling	9/8/2015 3:22 PM
506	Bocce Courts	9/8/2015 9:53 AM
507	A clock, a temperature gauge, more water fountains, rest room on south side.	9/8/2015 9:21 AM
508	Prizes	9/7/2015 7:18 PM
509	Additional shade structures and improve changing facilities for the pool.	9/7/2015 6:35 PM
510	More benches and picnic tables located throughout the park.	9/7/2015 6:34 PM
511	A Pedestrian Bridge/Tunnel to cross Barton Springs Road. It's insane that we close the street for certain events.	9/7/2015 3:59 PM
512	Restroom near the playground. With little ones the walk all the way to the pool or pass the gate is too far for little ones to hold it.	9/7/2015 2:59 PM
513	More parking for cars	9/7/2015 2:14 PM
514	Recycling and compost	9/7/2015 12:32 PM
515	Additional trashcans, picnic tables and a/some drinking fountains outside the pool area on the Robert E. Lee Road side of the park.	9/7/2015 7:15 AM
516	Barton Spring Pool spill way lighting.	9/7/2015 3:57 AM
517	Increase seating areas in shade	9/6/2015 11:40 PM
518	Mountain bike trails. Fishing access. Food trucks. Rock wall. Zip line.	9/6/2015 10:51 PM

Zilker Park Improvement Projects at Barton Springs

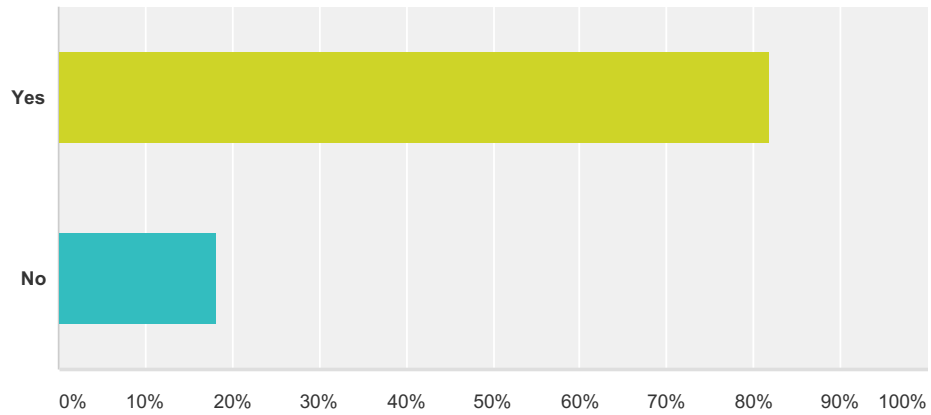

519	More/better bathrooms. The bathrooms are so tiny and often without soap and toilet paper.	9/6/2015 4:08 PM
520	A cover or awning over the swings at the children's playground. The swings are often very hot to the touch.	9/6/2015 4:02 PM
521	Keep it as close to natural as possible! Don't commercialize this special place!	9/6/2015 3:10 PM
522	strategically placed fountains for people AND pets.	9/6/2015 3:09 PM
523	Shady places to sit for a break.	9/6/2015 2:42 PM
524	More shaded places for parents when their children are playing on the playground.	9/6/2015 1:52 PM
525	Trash recepticals are overflowing	9/6/2015 11:49 AM
526	Recycling bins, permanent bathrooms.	9/6/2015 11:33 AM
527	More parking	9/6/2015 10:31 AM
528	More restrooms, more water fountains and more playscapes	9/6/2015 9:58 AM
529	Recycling	9/6/2015 9:13 AM
530	More bike racks	9/6/2015 9:06 AM
531	A slide for Barton Springs. Maybe one that is constructed into the hillside? This could allow more people to enjoy the springs without the pressure of using the diving board.	9/6/2015 9:04 AM
532	Shaded spaces	9/6/2015 8:54 AM
533	More restrooms	9/6/2015 8:33 AM
534	More trash cans and water fountains	9/6/2015 2:11 AM
535	More/better grills.	9/6/2015 12:32 AM
536	more trees, and some man made covered rest areas.	9/5/2015 11:27 PM
537	parking	9/5/2015 11:22 PM
538	More shaded areas at Barton Spring Pool. It would be helpful for families with young children.	9/5/2015 7:53 PM
539	A stage area by the rock where they used to do Shakespeare in the park. Traffic lights at the exit. Credit card option for parking payment	9/5/2015 7:52 PM
540	Covered picnic area	9/5/2015 7:18 PM
541	More trash cans. Recycle bins. More frequent trash pickup on weekends and holidays. Graffiti abatement, prevention, and prosecution.	9/5/2015 7:13 PM
542	SLOW down signs ALL along Barton Springs Road	9/5/2015 6:29 PM
543	Bathrooms	9/5/2015 6:13 PM
544	additional drinking fountains and benches	9/5/2015 5:41 PM
545	Bathrooms instead of porta potties; signage for rules / best practices for off-leash dogs	9/5/2015 5:17 PM
546	There could be more shaded picnic tables. They often are full during the busy times around The pool.	9/5/2015 5:10 PM
547	Bike Racks	9/5/2015 4:50 PM
548	An actual restroom near the soccer fields would be fantastic! More trash cans everywhere especially along the green belt and spillway. More dog poop bag dispensers.	9/5/2015 4:12 PM
549	Additional restrooms.	9/5/2015 3:51 PM
550	Water fountains (esp along the trail) and benches, as well as picnic tables. Lots of schools bring their students on field trips/after field trips and there never seems to be enough room.	9/5/2015 3:45 PM
551	Improvement to restrooms at Barton Springs or additional smaller data lite bathrooms on far ends.	9/5/2015 3:45 PM
552	More trees, sad so many old pecan trees have died	9/5/2015 3:38 PM
553	Recycle cans	9/5/2015 3:33 PM
554	better drinking fountains	9/5/2015 3:30 PM
555	Upgrade and add (alot of items are just plain old worn out!!!)	9/5/2015 2:50 PM

Zilker Park Improvement Projects at Barton Springs

556	More water fountains.	9/5/2015 2:46 PM
557	Baseball and batting cages!! More locatings of Sand Volleyball and places to eat food.. open a city run restaurant! !!	9/5/2015 2:44 PM
558	More covered picnic areas	9/5/2015 2:34 PM
559	Clean up the park and modernize the facilities (picnic tables, benches, etc.)	9/5/2015 2:16 PM
560	Shady benches	9/5/2015 2:11 PM
561	Public toliets	9/5/2015 1:35 PM
562	More drinking fountains.	9/5/2015 1:31 PM
563	water	9/5/2015 1:26 PM
564	More shade structures, especially over the playscape	9/5/2015 1:07 PM
565	There hasn't been a working water fountain at Barton Springs pool lately	9/5/2015 12:43 PM
566	Some times its packed and nowhere to sit	9/5/2015 12:10 PM
567	It's so easy to get lost in Zilker park!	9/5/2015 11:49 AM
568	More bathrooms in various locations	9/5/2015 11:43 AM
569	Lockers	9/5/2015 11:33 AM
570	Parking and signage would be amazing. Also the congestion caused on Barton springs road from people waiting to get into the park and park their car has become a huge obstacle too. Would be nice to see that addressed.	9/5/2015 11:31 AM
571	Valet parking	9/5/2015 11:16 AM
572	Better maintain the trails	9/5/2015 10:59 AM
573	As this was required, I sided on yes over no. I am thinking more along the lines of preservation and general infrastructure. Maintaining things, but not seriously impacting the cost.	9/5/2015 10:39 AM
574	Water fountains that work. Restrooms that aren't in the same condition as a truck stop restroom.	9/5/2015 10:25 AM
575	Add more drinking fountains and benches.	9/5/2015 10:17 AM

#	If no, please explain	Date
1	I run through the park from west of Mo-Pac and would like pathways that keep me off the Zilker Park roads in order to safely run.	10/30/2015 9:38 AM
2	If parking were to expand out towards MoPac, it would be helpful to have some walking trails leading down to Barton Springs Pool entrance.	10/30/2015 3:39 AM
3	need more.	10/29/2015 9:41 PM
4	Build a bridge and connecting trail near the pool's spill-way or upper dam to better connect the north entrance of the pool to the south entrance .	10/29/2015 7:02 PM
5	The Greenbelt trail needs to be connected to the Hike n Bike Trail.	10/29/2015 8:36 AM
6	Need more trails on the other side of pool	10/29/2015 8:28 AM
7	can get crowded at times	10/28/2015 11:32 AM
8	Safer bike trails are needed	10/27/2015 2:46 PM
9	They are always crowded	10/27/2015 11:24 AM
10	There's land available to increase the number of trails, why not? It'd be great if trails would connect with all of the surrounding neighborhoods.	10/27/2015 11:12 AM
11	I don't know why the decision was made to gate off path connecting the south side of Barton Springs to the trailhead on the north side. For people approaching the trailhead from the south side, it doesn't make sense.	10/27/2015 8:36 AM
12	Please map these and provide improved signage! I know so many folks who have been lost and its not easy to locate them out on these trails.	10/27/2015 7:36 AM
13	We need to have the pathways and trails refurbished and maintained. For example, the trail from the upper parking lots to the Springs is dangerous.	10/26/2015 11:11 PM
14	The road system dominates the landscape. It now prioritizes cars. A network of pedestrian loops would be better.	10/26/2015 6:04 PM
15	There should more bike and pedestrian all through the park	10/26/2015 2:21 PM
16	seems pretty limited and some trails are not well kept	10/26/2015 10:26 AM

Zilker Park Improvement Projects at Barton Springs

17	I am not 100% sure what you mean by trails. I use the hike and bike trail around the lake and the Greenbelt trails very often, but I don't think of Zilker as having trails so much as walking paths. So I find it difficult to answer these questions.	10/26/2015 9:54 AM
18	Increased public attendance calls for more trails.	10/24/2015 12:47 PM
19	There should be a trail connecting Barton Creek Greenbelt to the Butler Trail. Also, the bridge over Barton Creek above the upper dam should be rebuilt.	10/24/2015 10:05 AM
20	Crowded at a Times, not in good condition	10/24/2015 7:23 AM
21	There is rooms for more trails and they need to be shaded.	10/23/2015 9:38 AM
22	As explained earlier, the North and South banks need to be connected to allow movement within thw park limits, there is currently only one bridge and it is downstream of Barton Springs Bridge.	10/20/2015 1:04 PM
23	Need separate trail for bicyclists.	10/19/2015 9:29 PM
24	always need more trails!	10/19/2015 8:59 AM
25	more into the undeveloped areas	10/15/2015 9:38 AM
26	I use the Greenbelt Trails.	10/13/2015 5:44 PM
27	There should be a trail along Robert E. Lee connecting Barton Springs Road to the back entrance to Barton Springs pool.	10/13/2015 2:10 PM
28	I'm only aware of one, are there more?	10/13/2015 2:06 PM
29	Too many people - so it's not that more trails are needed at Zilker, but rather we need more trails in areas NOT in Zilker to accommodate a growing population that demands/appreciates/uses trail space.	10/12/2015 7:22 PM
30	We need another pedresitan bridge for crossing between sides of Barton Springs!	10/12/2015 9:06 AM
31	Not all ammenities have good trails connecting them. Getting from parking to theater and back after dark is dicy.	10/11/2015 2:19 AM
32	The trails feel disjointed. It would be nice if you could walk a well marked path between the lake and Barton Spring pool. Also, some areas of trail around the lake are too narrow.	10/10/2015 11:46 PM
33	I think there needs to be more trails from the parking lots to the Rock Garden	10/9/2015 2:03 PM
34	Southside needs bridge to greenbelt trailhead.	10/9/2015 12:22 PM
35	I think you might have greater use of the park if there were more trails but then again I don't know if the park can handle the increase in traffic.	10/9/2015 11:52 AM
36	build trails while protecting trees, build above grade when in the critical root zone of trees, don't allow heavy vehicular or human traffic on root zones, no cyclo cross races or large events on the 1/2 CRZ	10/9/2015 11:42 AM
37	excellent	10/9/2015 9:05 AM
38	Too crowded on weekends so that would be nice if more options	10/9/2015 12:41 AM
39	More trails would just be a bonus.	10/8/2015 12:41 PM
40	Trails could be a little better, expanded, better signage, etc.	10/8/2015 6:56 AM
41	Access between the great lawn & south facilities without going through traffic. Overhead walkway or under roadway.	10/7/2015 9:45 PM
42	Would like more	10/7/2015 9:29 PM
43	More people more trails	10/7/2015 6:05 PM
44	Existing trails are to narrow and heavily used. Some new trails would lessen the amount of traffic..	10/7/2015 5:38 PM
45	They are just not clearly marked, an info desk would help guide as well	10/7/2015 5:12 PM
46	Way to cross over to other side of lake without entering Barton Springs Pool area or walking far down trail	10/7/2015 4:42 PM
47	It would be fun to have more trails on the pool side that meandered thru the park	10/7/2015 4:07 PM
48	I would love to see more	10/7/2015 3:05 PM
49	Improve accessibility of trail from Zilker to Lady Bird Lake Hike & Bike Trail.	10/7/2015 2:43 PM
50	taking dogs for a walk with other runners and bikers can be stressful	10/7/2015 2:25 PM
51	Not enough room for the joggers, bikers, and walkers	10/7/2015 2:24 PM

Zilker Park Improvement Projects at Barton Springs

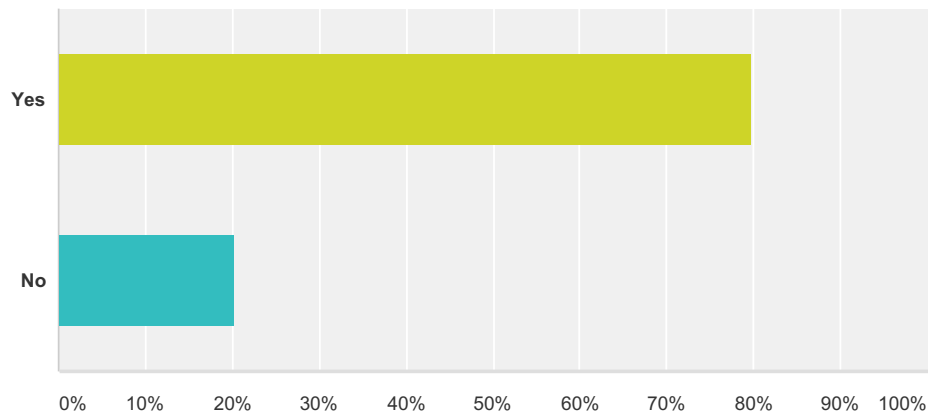

52	very crowded..need to educate people to use other parts of trail towards the east	10/7/2015 2:08 PM
53	Too many people and dogs	10/7/2015 2:07 PM
54	Hard to find trail that crosses over barton springs	10/7/2015 1:56 PM
55	The	10/7/2015 1:50 PM
56	It would be nice if there were more trails, considering the number of users.	10/7/2015 1:50 PM
57	Should be separate sections for those not running/exercising or some other type of trail.	10/7/2015 1:43 PM
58	Only a few and the ones that are there are too heavily congested when its nice out.	10/7/2015 1:23 PM
59	the trails are over-crowded and over-used. new trails are needed to accommodate the population growth.	10/7/2015 1:22 PM
60	I just know of the one trail around the lake. If there are more, maybe more signage is needed.	10/7/2015 1:20 PM
61	new or extended trails would be amazing.	10/7/2015 1:11 PM
62	-Need more trails that connect to town lake trails	10/7/2015 1:04 PM
63	But because they are so popular, they could be widened, lighted, and laned	10/7/2015 12:53 PM
64	A trail connecting the hike and bike trail through Zilker park near Stratford Drive. A pedestrian overpass over Barton Springs Rd.	10/7/2015 12:48 PM
65	They are always too crowded.	10/7/2015 12:42 PM
66	the hike and bike trail gets too cluttered. would be nice if there was a different route for cyclist vs runners	10/7/2015 12:41 PM
67	Near the Robert E. Lee side would be nice	10/7/2015 12:29 PM
68	could be more	10/7/2015 12:18 PM
69	more bike friendly trails	10/7/2015 12:15 PM
70	Trail capacity often seems very high. Would also like to see better connectivity between town lake hike & bike trail and the greenbelt trail.	10/7/2015 12:13 PM
71	Not sure where all the trails are so I've had limited experience with them.	10/7/2015 12:06 PM
72	For me the trails are fine but the more physically fit might want more challenging trails	10/7/2015 12:00 PM
73	I recently began exploring the portion of the part South of Barton Springs Road. At times, I thought I was truly lost in the woods, when checking out the disc golf signs. Clearly marked walking paths and some signage could really help this area be useful to folks other than dedicated disc golfers and vagrants.	10/7/2015 11:58 AM
74	Can always use more trails	10/7/2015 11:49 AM
75	would like designated trails through some of the areas that are typically accessed by car only	10/7/2015 11:39 AM
76	When I walk down to the pool from the neighborhood and the back gate is locked, the route to go around to the front gate feels precarious, crossing the Barton Springs pedestrian bridge. It would be nice to have a safer way to get there, or better yet - leave the back gate open.	10/7/2015 11:38 AM
77	Need paved trail for bikes and wheelchairs along Barton Creek instead of the dirt paths	10/7/2015 11:36 AM
78	But there could always be more :)	10/7/2015 11:36 AM
79	too crowded on the Hike and Bike trail. And dangerous for walkers as too many bikes on trail.	10/7/2015 11:32 AM
80	They are heavily trafficked by pedestrians. If I were to strictly follow common trail courtesy, which states that bikes should stop for pedestrians, I would never be on my bike. I'd like it if there were some bike exclusive trails.	10/7/2015 11:28 AM
81	Please maintain the trails that exist and don't open any more up.	10/6/2015 3:29 PM
82	Bike trails needed	10/6/2015 3:27 PM
83	We will always need more trails - bike trails especially	9/23/2015 12:29 PM
84	There could always be more trails.	9/23/2015 11:29 AM
85	More nontraditional trails. Cross country/trail running and mountain/cyclocross trails.	9/22/2015 6:56 PM
86	Don't fix what isn't broken.	9/22/2015 5:32 PM
87	The old trails and ponds near the Hillside Theater could be renovated to provide recreation.	9/22/2015 8:07 AM

Zilker Park Improvement Projects at Barton Springs

88	More sidewalks along Barton Springs Road	9/16/2015 1:28 PM
89	More trails would be nice. Also something for the cyclists could help	9/15/2015 4:17 PM
90	Better walking paths between different areas of the park. I guess this isn't the same as trails but you shouldn't need to drive to get to different areas within the park safely.	9/14/2015 10:52 AM
91	Just one way to access the Greenbelt. There could be so much more there.	9/12/2015 7:22 AM
92	A connection from S side to the Violet Crown Trailhead,	9/11/2015 4:47 PM
93	Depends on the day -- And I still need to commute through this area even when deep pockets like C3 and their progeny buy out MY PUBLIC SPACE. When I lived in an RV on Barton Springs, APD refused to allow me to return home in my vehicle at times because they were OK'd to block it off to only event traffic.	9/11/2015 9:55 AM
94	Need to expand. Golf course on Lake Austin Blvd would be perfect place for University museums and more park/trail space.	9/11/2015 8:37 AM
95	need more pathways with amenities	9/11/2015 7:07 AM
96	Need connection to Lady Bird Lake/Hike & Bike Trail	9/10/2015 9:36 AM
97	It's a metro park and should have more trails and connectivity.	9/9/2015 3:52 PM
98	there is a portion of the trail that forces you to run along barton springs road.	9/9/2015 3:31 PM
99	I don't have an opinion on this question. I use the greenbelt.	9/9/2015 12:19 PM
100	poorly marked	9/9/2015 11:19 AM
101	There could be an improved link from the Barton Creek Trail to Lady Bird Lake.	9/9/2015 10:29 AM
102	it would be great if there were more	9/8/2015 10:34 PM
103	Trails need to be more accessible to and from adjacent neighborhoods.	9/8/2015 5:35 PM
104	please don't add too many trails because these are 12 ft. wide and concrete. We want the park to remain natural and not be covered with concrete. Stay away from the creek, have a buffer of at least 50 ft. to protect the creek. Limit creek crossings.	9/8/2015 5:07 PM
105	...but a creek crossing just upstream of Barton Springs would be great.	9/8/2015 4:48 PM
106	It would be nice if there were more paths through the grassy area that fronts Barton Springs Road.	9/8/2015 3:23 PM
107	The trails aren't well marked. Most people end up going to the Greenbelt or the Town-Lake Trail instead of staying in Zilker and walking its trails.	9/8/2015 1:44 PM
108	I only know the one trail along Lady Bird Lake.	9/7/2015 11:33 PM
109	Connectivity and signage could be better.	9/7/2015 6:35 PM
110	There is poor trail access from most parking areas.	9/6/2015 10:53 PM
111	The city population is growing. More trails are needed.	9/6/2015 4:09 PM
112	Having more trails is never a bad thing.	9/6/2015 11:11 AM
113	They should be lengthened where possible	9/6/2015 9:08 AM
114	Some bike specific trails would be great! It's not fun for both pedestrians and bike riders to avoid each other.	9/6/2015 12:35 AM
115	always room for more trails if they can be had!	9/5/2015 11:27 PM
116	Need more trails and maps	9/5/2015 11:24 PM
117	they should be a clearly marked, safe loop trail around the whole park, there should be a clear connection from the Robert e Lee parking that votes west of Barton Springs pool to the greenbelt trailhead, everything should have better signs, and there should be an easy to find trail map online the covers all of zilker.	9/5/2015 11:03 PM
118	Make something different like more nature trails!!	9/5/2015 2:44 PM
119	Trails are too dusty from lack of rain or too crowded. Use to stop by every weekday to run or jog. Now I avoid going as much as possible as it's no longer enjoyable.	9/5/2015 11:35 AM
120	Would love to see more.	9/5/2015 11:28 AM

1	More trail work in certain places to prevent people from causing more impact or erosion	11/2/2015 11:21 AM
2	Overgrown in places, washed out in places,	11/2/2015 9:24 AM
3	move trails out of the root zone of trees, especially heritage trees. Build them above grade with 2 inches of sand (technique used by the Connectivity group) to avoid excavating the roots. Don't spend a huge amount of money to build an aerial bridge, look for alternatives so that other improvements can be made. Trails are not the only priority and all the money shouldn't be spent just on building trails and bridges.	10/30/2015 6:47 PM
4	Could use some better lighting	10/30/2015 12:46 PM
5	Too much garbage from people and dogs.	10/30/2015 11:57 AM
6	Just discovered trails by Zilker Clubhouse. Need to be cleared for safer passage and better signage.	10/30/2015 9:38 AM
7	Not even close. Trails are unkempt, overused, destroyed by weather/bikes etc. Need to learn how to weather proof trails, as much as that can be done, but it can. Signage needs to be improved. Trails get wider and wider.	10/30/2015 8:31 AM
8	PARD has done a horrible job maintaining the park and the trails. It requires an external organization to maintain the trail but with PARD poorly overseeing and managing the trail.	10/29/2015 9:41 PM
9	my only complaint is the amount of poison ivy	10/29/2015 9:35 PM
10	They have paved many parts of the trail that used to be gravel. If you are a long distance runner as I am you rely on gravel to get you through your runs. Not hot ass cement with no tree coverage.	10/29/2015 7:40 PM
11	Too much encroachment of Poison ivy	10/29/2015 3:43 PM
12	too much garbage and trash and dog poop	10/29/2015 8:36 AM
13	Could be mulched	10/29/2015 8:28 AM
14	The trails are fine, but the growth right up to the trails could be addressed better.	10/28/2015 3:37 PM
15	The locations that allow runoff onto the trail from sprinklers etc should be responsible for cleaning up their mess. For example, the Hyatt and the new barton springs condos.	10/28/2015 8:54 AM

Zilker Park Improvement Projects at Barton Springs

16	they are not maintained at all	10/28/2015 8:43 AM
17	I am speaking of the north side of the road. Invasive vegetation everywhere, including but not limited to exotics. Diminished views as a result. Creekside near canoe rental is a mess.	10/27/2015 4:17 PM
18	Trails are frequently washed out and rutted	10/27/2015 2:46 PM
19	I'm actually pretty impressed with how they're holding up, considering the amount of traffic they get and the crazy storms we've been having. Kudos.	10/27/2015 11:34 AM
20	The trail is maintained well, but gets rutted out in spots pretty quickly.	10/27/2015 11:12 AM
21	Again, careful of homeless camps. They are out there and consider it their property.	10/27/2015 7:36 AM
22	Trail from Springs to Town Lake is sketchy.	10/27/2015 6:44 AM
23	Why is there always a mud n the trail behind the new condos on the trail on the south side of the bridge near robt E Lee? Near bridge.	10/27/2015 6:43 AM
24	We need to have the pathways and trails refurbished and maintained. For example, the trail from the upper parking lots to the Springs is dangerous.	10/26/2015 11:11 PM
25	Why is trail maintenance and repair not a/ the top priority?	10/26/2015 6:04 PM
26	Dog poop in and out of bags litter the trails	10/26/2015 5:46 PM
27	The trail from the front of bath house to GB trailhead should be crushed granite. There should be a real trail along train tracks from BS road to bath house entrance. The new trail along back side of pool is below grade and pool a foot of water after heavy rains.	10/26/2015 3:13 PM
28	I think too many people are walking off of the trails and into sensitive areas. Especially dogs, which I see leaving feces off of the trail often. I think leaving things like poison ivy in place (off of the trail) will help dissuade people from leaving the trail. I would also really like to see some enforcement on trails when people don't pick up after their dogs. Please have officers write tickets and fine people who do this because the rest of us have to pay to clean up after those people already.	10/26/2015 10:55 AM
29	Allowing parking on the grounds of the park is very damaging - it kills the grass and creates dirt/dust. Trash and debris has also been a noticeable problem.	10/26/2015 10:26 AM
30	They need more upkeep.	10/24/2015 12:47 PM
31	The only significant maintenance is done by volunteers, and it's been like that for at least 25 years. It's gotten worse since John Cook retired. Council should provide PARD with 5 FTEs for trail maintenance.	10/24/2015 10:05 AM
32	overgrown vegetation along trail that are invasive,specifically muscadine grape vine	10/23/2015 3:02 PM
33	They are so-so; in places good, other places worn out.	10/23/2015 9:38 AM
34	The trail disappears in the park and takes you through the playground area and puts you out on the road or Parking lot, there is a great trail on the south side but you cannot get to the park from it, we need to add at least one bridge if not two, this will allow better flow through and within the park.	10/20/2015 1:04 PM
35	Trash!	10/19/2015 11:37 PM
36	Since John Cooke retired trash has been piling up.	10/19/2015 10:36 PM
37	Dog poop is an issue, need more signs or bag stations to deter people from leaving their dog's poop everywhere.	10/19/2015 2:17 PM
38	Too much trash and dog waste	10/19/2015 10:22 AM
39	I'm not certain. I haven't been there as often as I'd like..., because the park is always so crowded or some special event is occurring... plus... not enough parking	10/15/2015 9:24 PM
40	Protection of park trees was abysmal over the past year or so. Cyclo Cross is a case-in-point. PARD neglected to properly inform the City's Urban Forester and PARD Urban Forestry Program of the inherent impacts the event would have on our protected trees. Wonderful efforts have taken place to protect those trees in retrospect, but this should never be the case for such an iconic regional park. Not to mention that the very people (PARD Forestry) who worked to restore root and tree damage were the very same people who warned PARD of potential damage to our public trees. My satisfaction in Zilker's maintenance doesn't start with money. It's a matter of proactive and appropriate leadership such that another cyclo cross fiasco doesn't occur again.	10/14/2015 10:52 AM
41	They are being maintained well considering the parks are under staffed and under funded for a city of this size. The lack of funding and staff shows when unexpected problems occur and staff city crews struggle to respond quickly.	10/14/2015 10:38 AM

Zilker Park Improvement Projects at Barton Springs

42	I wish the trails were better marked so they were easier to follow on the greenbelt - i.e. which directions will lead to various entrance/access points, how far you've traveled based on where you've started, etc. Changes like that would make me want to use them more.	10/13/2015 6:06 PM
43	the quality is decent - my main complaint is how often I see trash left on and around the paths. don't know how much more the staff of the parks department can do about this. but maybe more signage as folks enter the trails related to keeping our parks clean would help. and maybe the folks who are willing to leave trash would not care ...?	10/13/2015 5:47 PM
44	Erosion, not continuous	10/13/2015 2:50 PM
45	Pruning is needed. Vegetation grows into the walking pads. Pedestrian/bicycle shared pads are sometimes dangerous.	10/13/2015 2:15 PM
46	over hangs of trees or shrubs	10/13/2015 2:12 PM
47	the trails are fine, but would like to see some drinking fountains out on the trails	10/13/2015 2:10 PM
48	clear brush and rocky walkways	10/13/2015 2:06 PM
49	- Erosion (along lower portion of Barton Creek and along river bank)- problems with increased use (more people using trails), runoff (from more, and denser, development), etc, and not enough investment in maintaining/protecting the river/creek banks is a big problem. Probably a problem of the city not prioritizing these issues. - Allowing development right on the trail - with all the noise and smell that comes with increased density/use... why on earth the city would allow "Zilker on the Park Apartments" to put noisy machinery on the ground floor, with no sound insulation/buffer to what was once a peaceful part of the trail (a highly used part of the trail, actually) is beyond me...! - On a good note, when there are weather-related trail issues (wash-outs, for ex), staff does a good job fixing those areas. *So, problems with quality of trail/quality of experience of trails come from decision making and prioritization, rather than from working staff that actually maintain the trails.	10/12/2015 7:22 PM
50	Lack of trail at theater	10/11/2015 2:19 AM
51	the only problem is the bathrooms. they are often closed for maintenance or for events.	10/10/2015 5:11 PM
52	They need increased maintenance based on the increased use from new development surrounding the park (i.e., condos, townhomes, etc.)	10/9/2015 10:48 PM
53	The trails under Barton Springs road to the pool aren't wide enough and are not very well maintained	10/9/2015 2:03 PM
54	Serious erosion issues on both sides of the creek below dam.	10/9/2015 12:22 PM
55	cyclo cross races are allowed on trails, gators are driving the trails often, this shouldn't be allowed	10/9/2015 11:42 AM
56	excellent	10/9/2015 9:05 AM
57	Trash is always left on the trails	10/9/2015 7:54 AM
58	There are just too many people and the trails are very compacted.	10/8/2015 9:35 PM
59	Often they are overgrown; not always maintained regularly.	10/8/2015 2:20 PM
60	Dust is probably the biggest issue	10/8/2015 2:20 PM
61	Make sure to keep the area free of poison ivy and other poisonous plants	10/8/2015 9:49 AM
62	More poison ivy removal	10/8/2015 6:34 AM
63	The area around the spillway is often pretty trashed and smelly.	10/8/2015 5:14 AM
64	they are heavily used and often rutted	10/7/2015 10:46 PM
65	Please don't put cement on the trails like they have in some places around town lake - it's ugly and harder on the joints.	10/7/2015 10:06 PM
66	The litter takes away from the beauty on the trails	10/7/2015 10:04 PM
67	Need to clear of brush better.	10/7/2015 9:45 PM
68	More people more trash	10/7/2015 6:05 PM
69	Some parts of the trail require additional crushed stone. Also get rid of the poison ivy close to the trail..	10/7/2015 5:38 PM
70	However PARD does not have the staffing to maintain any of their facilities	10/7/2015 5:12 PM
71	Better lighting in some of the darker areas.	10/7/2015 5:05 PM
72	Lot's of standing water after it rains. Should put edging on trails instead of fixing every time is rains too.	10/7/2015 4:55 PM
73	Some of the "bike trails" are for the hardest, bravest, and maybe most foolish cyclists	10/7/2015 3:09 PM

74	We have gone down what we thought were trails but were not and missed the actual trail.	10/7/2015 3:05 PM
75	The trails could have better signage.	10/7/2015 3:05 PM
76	Some trails have too many rocks and other obstacles.	10/7/2015 2:43 PM
77	Overgrown with poison ivy.	10/7/2015 2:37 PM
78	lots of erosion	10/7/2015 2:33 PM
79	Better directional signs. Especially ones that point to destinations i.e. the pool, the nature center, etc.	10/7/2015 2:08 PM
80	Too rocky and dusty, don't feel safe for solo woman	10/7/2015 2:07 PM
81	The trees are in danger of falling and have hurt runners. They need to be checked more frequently and trimmed or cut down. Also, parking for the boardwalk is hard to find.	10/7/2015 2:00 PM
82	It's terrible how people just leave their garbage along the trail and by the lake/River.	10/7/2015 1:56 PM
83	well.. they are maintained i guess? since when i've ran there i've never hurt myself running and falling to anything	10/7/2015 1:51 PM
84	The trails are crowded and need constant upkeep and more trash cans.	10/7/2015 1:46 PM
85	mmm	10/7/2015 1:37 PM
86	Many bottlenecks require additional clearing	10/7/2015 1:26 PM
87	usually there's a lot of litter and overgrowth.	10/7/2015 1:22 PM
88	Once you get off the Hike and Bike Trail it is obvious that the care declines, it becomes uneven and washed away.	10/7/2015 1:00 PM
89	the area going from hike and bike trail to zilker park is not clearly marked.	10/7/2015 12:48 PM
90	dank smells	10/7/2015 12:40 PM
91	LOTS of dog waste. People don't clean up after their pets.	10/7/2015 12:37 PM
92	But there are NOT enough bathrooms.	10/7/2015 12:36 PM
93	Good minus the light situation at night	10/7/2015 12:29 PM
94	I'd like to see more attention paid to erosion after rain, big events like ACL, and dog waste being disposed of.	10/7/2015 12:21 PM
95	Transients camp in the woods along the creek and leave litter. It needs to be patrolled to either prevent or make sure trash is removed	10/7/2015 12:21 PM
96	I don't think there is ever enough trail maintenance. I feel strongly that PARD is underfunded so I don't see this as a failing on your part more of a failing on our part.	10/7/2015 12:08 PM
97	could be better	10/7/2015 12:07 PM
98	More frequent repairs	10/7/2015 12:05 PM
99	Tons of invasive growth is chocking out the natural habitat, and illegal campers are littering the backwoods with trash and unsightly campsites.	10/7/2015 12:04 PM
100	Some of the water fountains don't work and that's tough because I run the grass and trail and when it's hot, or even if it's going to freeze, they turn off the water during the day when people are still running before the temp drops.	10/7/2015 11:59 AM
101	See above- this concern is primarily about the "trails" in/around the South side of the park, near the disc golf area.	10/7/2015 11:58 AM
102	Weeds everywhere. Trash not being picked up enough. Trees not being trimmed. Things look pretty bad. More maintenance is needed...	10/7/2015 11:53 AM
103	More wayfinding and signage!	10/7/2015 11:42 AM
104	Too much erosion	10/7/2015 11:36 AM
105	Too much dog poop	10/7/2015 11:35 AM
106	The trail from Barton Springs is very narrow and poorly maintained. It is also very dirty with trash.	10/7/2015 11:35 AM
107	Needs more hot chicks	10/7/2015 11:33 AM
108	So much dog poop on the trails!!!	10/7/2015 11:31 AM

Zilker Park Improvement Projects at Barton Springs

109	The major (COMMERCIAL) events RUIN the lawn/grass/vegetation. STOP THE MADNESS. This is a public park for public use 365 days per year. The property owners in Austin PAY to USE the parklands by paying PROPERTY TAXES to the City of Austin. We should not RENT OUT the parks for commercial use. SEND THEM TO CIRCUIT OF THE AMERICAS OR DECKER LAKE FAIRGROUNDS.	10/7/2015 11:28 AM
110	Too many non native plants, too much dog poop	10/6/2015 5:22 PM
111	not enough trash cans	10/6/2015 4:24 PM
112	Always room for improvement. they are very crowded, and the dead trees seem to have been an issue lately. I like the planted areas that are adopted by certain groups.	10/6/2015 3:45 PM
113	Too much dog waste and trash.	9/28/2015 4:27 PM
114	Flood damage is repaired slowly, yet never eliminated just patches done.	9/23/2015 1:58 PM
115	Better now that trees have finally been put onto the bluffs.	9/23/2015 1:01 PM
116	Many of these trails are very rocky and dangerous for bikes.	9/23/2015 12:30 PM
117	Trails are pretty good. Irrigation makes for muddy trails and wasted water in some areas.	9/23/2015 11:03 AM
118	Too much dog poop	9/22/2015 5:59 PM
119	Don't fix what isn't broken.	9/22/2015 5:32 PM
120	The old trails and ponds near the Hillside Theater could be renovated to provide recreation.	9/22/2015 8:07 AM
121	improved grading and better lighting	9/21/2015 3:41 PM
122	The section between the pool and the stairs to the canoe rental gets washed out. Many rocks and roots stick up and trip runners	9/20/2015 6:04 PM
123	It would take an increase in Parks budget to enable better maintenance.	9/20/2015 1:43 AM
124	There should be more educational signage that shows the ecological value of the trail systems and the resources that are along the trail.	9/16/2015 12:31 PM
125	poison ivy	9/15/2015 7:44 PM
126	poison ivy needs more frequent trimming. trails need to be engineered to drain better after rain.	9/15/2015 3:22 PM
127	Some erosion of the trails due the heavy spring rains have not been repaired or maintained.	9/15/2015 2:13 PM
128	Some paving would be nice.	9/15/2015 2:07 PM
129	I used to go running on LBL trails but it has become too crowded.	9/15/2015 12:45 PM
130	The Barton Creek greenbelt headed out of Zilker is way too rocky. The trail leading to Lady Bird Lake has been washed away and needs maintenance	9/15/2015 11:18 AM
131	The banks of Barton Creek upstream and downstream of Barton Springs Pool are becoming badly eroded due to overuse. In particular, the area upstream (west) of Barton Springs Pool is badly eroded on both banks due to people crossing Barton Creek over the small dam there. This is a dangerous crossing when the creek is flowing. A pedestrian footbridge should be installed downstream of the pool to connect the trails on the north and south sides.	9/15/2015 10:19 AM
132	I prefer the trails to have minimal or no maintenance to remain as natural as possible	9/14/2015 3:44 PM
133	vandalism along Barton Creek, upstream of the pool	9/14/2015 10:31 AM
134	Too many special events which close the park to the tax paying citizens of Austin	9/11/2015 7:41 PM
135	Severe erosion along both banks of creek below dam.	9/11/2015 4:47 PM
136	Maybe "over maintained" because the more maintained the trails become [ie. smoother] the more people use them	9/11/2015 3:35 PM
137	trail next to the train tracks too bumpy and not lots of light.	9/11/2015 10:24 AM
138	The events destroy the grass -- over and over.	9/11/2015 9:55 AM
139	Poison Ivy needs to be better maintained.	9/11/2015 8:35 AM
140	They are allowed to erode for long periods of time.	9/11/2015 8:33 AM
141	The section by the railroad tracks connecting to the lake is always washed out and rutted	9/11/2015 8:12 AM

Zilker Park Improvement Projects at Barton Springs

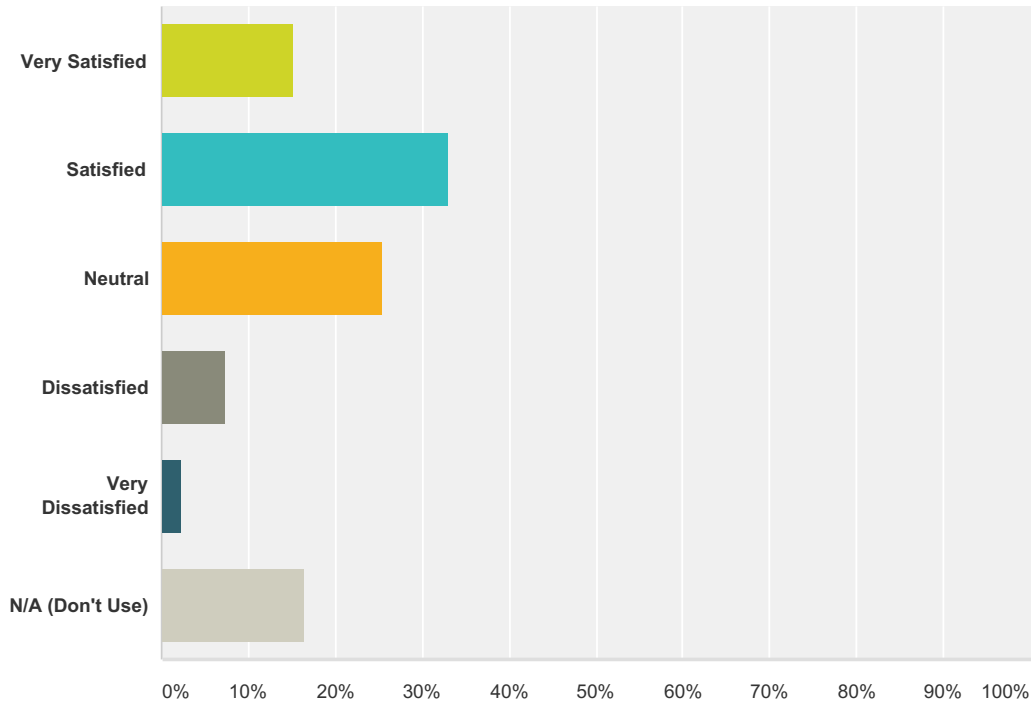

142	there are always behind mowing, and repairing things. If there is a freeze faucets are turned off, then never turned back on. Burn ban causes grills to be locked, then never unlocked. not enough recycling and cut back the green growth	9/11/2015 7:07 AM
143	The path from the parking through the rock garden is pretty treacherous.	9/10/2015 7:53 PM
144	directional signage needed, lots of dog poop left in certain sections	9/10/2015 1:51 PM
145	Lots of poison ivy growth.	9/10/2015 1:39 PM
146	The trails are good but there needs to be some sort of disincentive for people to leave bags of dog poop on the trail	9/10/2015 10:24 AM
147	Too much dog poop and trash.	9/10/2015 9:36 AM
148	Lots of dogs on the trails... whose owners do not clean up after them.	9/9/2015 5:09 PM
149	too much dog feces on trails	9/9/2015 4:28 PM
150	The park is over-run. Attention is needed to circulation, signage, parking. It is very deteriorated.	9/9/2015 3:52 PM
151	Again, I don't have an opinion.	9/9/2015 12:19 PM
152	ruts, holes, trash	9/9/2015 11:19 AM
153	Too much human waste and dog poop.	9/9/2015 10:29 AM
154	Trails need to kept graded and cleared of overgrowth to insure safety of bikers, runners, and walkers. More enforcement of dog on leashes, and picking up the poop.	9/8/2015 5:35 PM
155	too many people use the trails to go to the creek and leave tons of trash behind. Also dog poop. Enforcement is needed when the creek has water. In addition, too many bicyclists stray from the trail and have made their own multiple trails in the greenbelt. They have mountain biking competitions and use these illegal trails often. these trails damage the environment and impact tree roots. There is a general lack of concern for the environment when it comes to trails and mountain biking, especially at the Barton creek greenbelt due to the Zilker trail entrance being so convenient.	9/8/2015 5:07 PM
156	The park seems to be maintained for large private events and parking for those events with the lone exception of the Barton Springs Pool.	9/8/2015 1:44 PM
157	There is fucking poison Ivy everywhere	9/7/2015 7:18 PM
158	Clean trails, weeds need to be trimmed	9/7/2015 4:51 PM
159	I feel it's fine that many of the trails are low maintenance.	9/7/2015 7:16 AM
160	At times grown in.	9/7/2015 3:57 AM
161	Not sure if this qualifies as trails, but: The state of the disc golf course is displeasing. Trying to make a "green" and hazards just does not make sense. Not mowing the grass and creating pools for water to collect and breed mosquitoes is a terrible idea. That water was almost black. Yuk!	9/6/2015 4:43 PM
162	The amount of litter is upsetting but that's no different than anywhere else in Texas.	9/6/2015 3:11 PM
163	Worn out grass, dusty.	9/6/2015 2:42 PM
164	Trash, erosion is a problem.	9/6/2015 11:33 AM
165	Need more water fountains and facilities along the way	9/6/2015 9:58 AM
166	Not enough erosion control	9/6/2015 9:08 AM
167	need better signage, and maps online	9/5/2015 11:03 PM
168	Lights for night running would be nice.	9/5/2015 7:54 PM
169	The connection between the Butler trail and the playground/pool area is narrow and the ground is uneven by the train tracks. It's very hard to navigate when busy or with a stroller.	9/5/2015 5:12 PM
170	The dog poop can at times be out of hand. More trash cans and bag dispensers might help. Erosion is bad in a few places.	9/5/2015 4:15 PM
171	The trail that runs along the railroad, south of Barton Springs, tends to be washed out and rough. The trails down to the water, north of the pool dam need to be improved as well.	9/5/2015 2:18 PM
172	I would look to the Butler Hike and Bike trail as a great example of maintaining trails.	9/5/2015 11:44 AM
173	See above.	9/5/2015 11:35 AM

1	More stuff for adults like pull up bars	11/1/2015 7:50 AM
2	don't use large stone boulders. staff says that these built core msucles but they are also very dangerous if children fall on them. They could get head trauma. Don't use natural logs because they decay. Think of safety first. Desogn playground for children of all ages. keep the old fire truck.	10/30/2015 6:50 PM

7	I love Zilker the WAY IT IS!	10/28/2015 4:30 PM
8	I like the play features well enough, but some things were added in the past, and then mysteriously never worked, like a water feature with buttons that was put in years ago. The landscaping needs help. The train area looks amateurish. Plants were stuck in the ground seemingly at random. Trees seem to not be growing much, to replace the mature trees the city arborist unfortunately elected to take out at one time.	10/27/2015 4:23 PM

80	No strong opinion.	9/14/2015 10:53 AM
81	A combination of all three could work, maybe C for one age group and A&B together for a different age group. Check out the rope/climbing playground in Seattle! http://redtri.com/seattle/artists-at-play-playground/ My 8&10 yr old cousins had a ball, and often kids at that age can be 'over' playgrounds.	9/13/2015 12:39 PM
82	I don't care, don't use the playground.	9/12/2015 7:23 AM
83	leave it like it is and let kids play using their imagination	9/11/2015 11:46 PM
84	Faux natural? That must be something TUR (the Daly-group park people made money from in Chicago)?! Do we really even consider this?	9/11/2015 9:56 AM
85	sculptural art	9/11/2015 8:42 AM
86	No additional playground is needed. Save \$ to spend on transit	9/11/2015 6:25 AM
87	+ a big Barton Springs sculpture to play on (the Nessie by The Thinkery is cool) and this could connect people to the importance of the springs	9/10/2015 1:53 PM
88	less entrances to the park playground so it is safer for young children. The more entrances the more ways a child can leave the play yard unattended.	9/10/2015 1:39 PM
89	N/A Don't Use	9/9/2015 1:09 PM
90	I think all three should be included.	9/9/2015 12:21 PM
91	Splash pad - and a covering to create more shade - at playscape would be awesome. It's not useable - too hot - for much of the day during the summer.	9/8/2015 5:37 PM
92	the playground needs SHADE since the 3 heritage trees were removed in 2009	9/8/2015 5:08 PM
93	all of the above have a place in a playscape	9/8/2015 4:30 PM
94	Also more shade for baby swings by the bigger swings.	9/7/2015 3:03 PM
95	Something more age appropriate for older children.	9/6/2015 10:55 PM
96	A combination of all 3 would be nice. My children always enjoy the play structure at Zilker because it is a little different than all the others around town. The slide is a little higher; they love the fire truck; and the xylophones are a big hit. The train was very beloved when my children were younger.	9/6/2015 4:12 PM
97	Protect the springs - don't build more unneeded novelty items.	9/6/2015 3:12 PM
98	a splash pad would be great, part of the existing park could work for this	9/6/2015 10:01 AM
99	Dont use it	9/5/2015 10:23 PM
100	why do you require an answer when I've said I do not use this	9/5/2015 7:16 PM

7	The pool The wonderful open air vintage women's bath house and solar showers there please keep these	10/31/2015 8:06 AM
8	the trees and the water, the environment. Don't like the concession and the commercial part of it, or the trash. I like the Splash exhibit where it is and the current entrance. Don't move the Splash exhibit or the entrance to the rotunda. Don't give preferential treatment to the BSP Conservancy. The pool belongs to all. FBSP was pretending to run the last open house at the botanical gardens, but PARD is leading this effort. The conservancy has not raised the money yet and even if they do, PARD is guiding this project.	10/30/2015 6:55 PM

13	love the location. love the botanical gardens, the pool, the spillway, rock island, the kite festival, and space for Ultimate.	10/30/2015 2:29 PM
14	One suggestion - restructuring the sides of the pool so that there is flood protection. It would be expensive, but I would like additional funds spent toward protecting the pool as opposed to more parking, play ground equipment, etc.	10/30/2015 2:14 PM
15	I love the bathhouse just as it is. It feels like standing in a Roman ruin. I like the plantings, open shower and stalls, the feel of the walls and grassy areas. Like the wild experience of walking from back of pool around trails to the front.	10/30/2015 2:03 PM

17	Barton Springs Pool and the historic bathhouse are the centerpiece of the Park. Given the growth of the City, the influx of newcomers, and the fragility of the Springs, education on environmental values relating to water quality, conservation, etc., should be a key component of any renovation of the bathhouse and the surrounding area. In addition, upgrades to bathrooms, changing rooms and other staff space should be considered. In addition to bathhouse renovations, expanded educational facilities for families, children, camps and school groups should be a key component of any park upgrades. Given the many constraints to expanding the size of the current bathhouse, it would be worthwhile to consider expanding and upgrading the Splash! exhibit and education classrooms to a more fitting and engaging presence in Park, possibly including a location next to Eliza Springs, near the Playscape area, or at the current location of the Zilker Park Maintenance Shed area.	10/30/2015 1:43 PM

Given the growth of the City, the influx of newcomers, and the fragility of the Springs, education on environmental values relating to water quality, conservation, etc., should be a key component of any renovation of the bathhouse and the surrounding area. While the historic bathhouse is quite attractive, it should be rehabilitated to improve access through multiple entrances, to upgrade to bathrooms, and repurpose the enclosed space to provide changing rooms, storage, and other staff space for the Aquatics Department. In addition to bathhouse renovations, an interpretative center should be provided at the Zilker Maintenance Shed area with expanded educational facilities for families, children, camps and school groups, addressing not only Barton Springs Pool, but also the broader historical, cultural and environmental issues relating to Zilker Park as a whole. Given the many constraints to expanding the size of the current bathhouse, it would be worthwhile to consider including an expanded and upgraded Splash! exhibit and education classrooms in a new interpretative center located in a more fitting and engaging presence in Park, possibly including a location near the Playscape area or at the current location of the Zilker Park Maintenance Shed area.	10/30/2015 12:56 PM

26	Barton Springs!!! I swim there whenever I can!	10/30/2015 10:04 AM
27	Barton Springs Pool is a gem!	10/30/2015 9:55 AM
28	Natural	10/30/2015 9:43 AM
29	Quiet, beautiful, trees, multiple uses, trails	10/30/2015 9:41 AM
30	I like that it attracts people from all over Austin. I like the dog park, the boat rentals nearby, the train, even the snack bar. I like the diving board at BS.	10/30/2015 9:24 AM
31	The pool, the diving board, the playground, ZZ, Woode Wood, the lawn and rock island, the greenbelt access, and being able to swim downstream of the dam.	10/30/2015 9:16 AM
32	natural setting in the middle of urban environment	10/30/2015 8:45 AM
33	it s big	10/30/2015 8:43 AM
34	love the pool. It badly needs new composition on the south side where water pools on the sidewalk. It's gross and dangerous.	10/30/2015 8:42 AM
35	Accessibility to trails and the pool.	10/30/2015 8:37 AM
36	Love the pool.	10/30/2015 8:35 AM
37	Barton springs pool. Shakespeare in the park.	10/30/2015 8:28 AM
38	pool	10/30/2015 8:22 AM
39	The pool	10/30/2015 8:14 AM
40	I go pretty much everyday its open so I like it..but mainly the pool and a place to layout.	10/30/2015 8:11 AM

Zilker Park Improvement Projects at Barton Springs

42	I love the trails, Barton springs, and the open field. I like that there aren't too many "assigned" uses for spaces; there aren't painted lines for soccer, for example. I also love the location and think it's wonderful that Austin has a great big green park so close to downtown. It's important to preserve parkland as the city grows.	10/30/2015 8:00 AM
43	The pool and Barking Springs.	10/30/2015 7:46 AM
44	The pool is the best! We'd use the greenbelt trail more often if it really was on-leash dogs only. Off leash dogs cause problems with our dogs on leash. The trees are important for shade for the picnic areas.	10/30/2015 7:41 AM
45	Natural surroundings	10/30/2015 6:05 AM
46	The springs and the historic bathhouse are critical features of our beautiful park. Preservation of water quality, environmental education for visitors and bathhouse restoration & improvements top my list. The sunken gardens should also be restored!	10/30/2015 4:34 AM
47	Fresh, almost pristine, water. Ducks and geese to feed, before dogs scared them. Fresher air: wish road did not bisect it.	10/30/2015 4:28 AM
48	Barton Springs Pool and the historic bathhouse are the centerpiece of the Park. Given the growth of the City, the influx of newcomers, and the fragility of the Springs, education on environmental values relating to water quality, conservation, etc., should be a key component of any renovation of the bathhouse and surrounding area. In addition, upgrades to bathrooms, changing rooms, and other staff space should be considered. In addition to bathhouse renovations, expanded educational facilities for families, children, camps and school groups should be a key component of any park upgrades. Given the many constraints to expanding the size of the current bathhouse, it would be worthwhile to consider expanding and upgrading the Splash! exhibit and education classrooms to a more fitting and engaging presence in the Park, possibly including a location next to Eliza Springs, near the Playscape area, or at the current location of the Zilker Park Maintenance Shed area.	10/30/2015 3:49 AM
49	Untouched central location. multi accesseable existing ways to access a natural scared place to escape the crazy people.)	10/30/2015 2:35 AM
50	Space, trails, spring time	10/29/2015 11:35 PM
51	Easy access to Lady Bird Lake and hike and bike trail. A jewel of the city!!!	10/29/2015 11:34 PM
52	What I don't like is the inefficient pool entrance and deteriorated bathhouse conditions and cramped women's dressing area and the sad the outdated splash exhibit. The Barton Springs Pool and the historic bathhouse should be rehabilitated and upgraded since are the centerpiece of the Park. Given the growth of the City, the influx of newcomers, and the fragility of the Springs, education on environmental values relating to water quality, conservation, etc., should be a key component of any renovation of the bathhouse and the surrounding area. In addition, additional entrances should be provided by reopening the original bathhouse entrances and including one or more additional entrances, either through the back of the rotunda or on the eastern side where the current entrance is located. In addition, there should be upgrades to bathrooms, changing rooms and and increase in the staff and storage space. In addition to bathhouse renovations, expanded educational facilities for families, children, camps and school groups should be a key component of any park upgrades, Though they should be located up at the Zilker maintenance shed area instead of in the bathhouse. Given the many constraints to expanding the size of the current bathhouse, it would be worthwhile to consider expanding and upgrading the Splash! exhibit and education classrooms to a more fitting and engaging presence in Park near the Playscape area or at the current location of the Zilker Park Maintenance Shed area.	10/29/2015 10:32 PM
53	It is totally natural.	10/29/2015 10:31 PM
54	I love that it feels very OUT of the city. I love the springs, the variety of people, and the energy of the space. The train is wonderful. I'd like to see better public bathrooms, more public info about the history of the park/springs. My whole family LOVES the statue of the philosophers!	10/29/2015 10:30 PM
55	I like to run	10/29/2015 10:01 PM
56	Zilker park, town lake trail and the pool are the most treasured outdoor areas of Austin. Maintaining them is the responsibility of PARD, doing within the 50+ million dollar annual budget is the responsibility of PARD. Maintaining and improving the facilities while insuring they are easily accessible (including keeping the pricing low) to all Austinites should be a goal of PARD. Asking the public to bear the burden of PARD's poor management is unreasonable.	10/29/2015 9:49 PM
57	barton springs, barton springs, barton springs and town lake trail	10/29/2015 9:38 PM

Zilker Park Improvement Projects at Barton Springs

61	The western portion of the park closest to the MoPac bridge needs to not remain a year-round dirt parking lot for special events. That section of the park has a lot of potential but it's constantly torn up. What I do like about the park is Barton Springs (of course!), the easy access to the hike and bike trail and greenbelt, the big open lawns, the large rock features and the volleyball courts.	10/29/2015 7:50 PM
62	The old trees	10/29/2015 7:42 PM
63	Barton Springs and Rock Island	10/29/2015 7:35 PM
64	Barton Springs Pool and the historic bathhouse are the centerpiece of the Park. 66	I like the potential of Zilker Park and the tremendous potential of the bathhouse...its historic potential, educational potential, potential to be a social center, environmental center. its potential to enhance the user experience. It needs work to live up to its potential.	10/29/2015 4:56 PM
67	The birds, water (esp. Barton Springs), kayak/canoe rentals, open space near the moontower, Christmas tree, Rock Island, protected endangered species habitat, pecan trees, squirrels, trails allowing safe & scenic transit via bike, rock picnic area	10/29/2015 4:38 PM
68	Natural beauty and grassy areas.	10/29/2015 4:25 PM
69	I like the educational purpose of the Splash! exhibit. It adds to appreciation of Barton Springs and its connection to the larger landscape.	10/29/2015 3:49 PM
70	the way it is now	10/29/2015 3:37 PM
71	I am most interested in the natural features: springs, lake, grounds (trees, etc.) and trails.	10/29/2015 3:00 PM
72	Love the Rock Island, and seeing the sun rise behind the city from the soccer fields. I am at the pool every morning (later in the winter) to swim in the healing waters. Barton Springs is my religion.	10/29/2015 11:11 AM
73	Barton Springs Pool and the great lawn	10/29/2015 9:35 AM
74	What I don't like is the long lines waiting to get into the pool at the current entrance. I also don't like the fact that the Splash exhibit has reduced visibility due to the routing of entrance traffic to the east side entrance. What I do like is Barton Springs Pool and the historic bathhouse which are the centerpiece of the Park. Given the growth of the City, the influx of newcomers, and the fragility of the Springs, education on environmental values relating to water quality, conservation, etc., should be a key component of any renovation of the bathhouse and the surrounding area. Zilker Park Improvement Projects at Barton Springs

80	I like how large, open and able to support a variety of people, not just families	10/28/2015 11:34 AM
81	I like the parking on Robert E Lee and I like the trail to the great lawn, but the creek should be LEASH FREE!!	10/28/2015 10:18 AM
82	The improvements at Barton Springs are great but need to be continued. The new lawn areas are also great. Keep it going, overtime the park can truly become great.	10/28/2015 9:58 AM
83	Feel of a central park in downtown. Although it needs to be renovated.	10/28/2015 9:48 AM
84	Access to trails, natural preservation, shade trees	10/28/2015 8:57 AM
85	Barton Springs Pool and its grounds is the jewel of the city, and its integrity should be maintained by allocating the necessary resources needed for upkeep, rather than continually entertaining dedicating seemingly-lacking Parks Dept funds to numerous fanciful new projects that are arguably superfluous.	10/28/2015 2:00 AM
86	Space, grass	10/28/2015 12:50 AM
87	I have always loved the pool, Zilker Hilltop Theater and especially all the trees.	10/27/2015 11:17 PM
88	The open expansiveness of the park as well as the great variation of natural features and spaces. A great gathering space and 'soul of the City'	10/27/2015 11:07 PM
89	It's pretty perfect the way it is.	10/27/2015 10:54 PM
90	Pool, rock outcrops, trails, ZG	10/27/2015 10:18 PM
91	Barton Springs & connection TO GB & ladybird trails. Area to hang out on grass.	10/27/2015 8:57 PM
92	Love how it is natural and wild looking (not overly manicured and made-up)	10/27/2015 8:41 PM
93	Do Not like turning park into a parking lot! Get cars off grass!! Buffer park from traffic. Do not close park to public!!	10/27/2015 8:37 PM
94	Barton Springs as it is. No new fancy bathhouse. Just focus on protecting the springs and keeping the park beautiful and natural for all to enjoy.Keep bathhouse as is.	10/27/2015 8:15 PM
95	Central location, pool	10/27/2015 5:54 PM
96	Barton Springs is the best thing about Austin.	10/27/2015 5:53 PM
97	Variety, accessibility for the whole Austin area	10/27/2015 5:26 PM
98	Pool, trees places to picnic	10/27/2015 5:01 PM
99	I like the big old trees. I like that it has a sizeable playground. I like the train running through. I would like to like hanging out above the pool even if I wasn't going to swim, but I have no reason to visit the concession. I forgot to mention, I think the Eliza Springs could be much prettier, less chain-link fence.	10/27/2015 4:27 PM
100	Please leave Zilker Park alone it is fine the way it is.	10/27/2015 3:37 PM
101	Barton Springs Pool, Trees	10/27/2015 2:49 PM
102	Barton Springs Pool - however, have serious concerns about the lack of support pool staff have to keep the shallow end clean so that families and children can enjoy the pool. Actually, think it is a DISGRACE to allow the shallow end to get so algae covered-precluding enjoyment for families with small children. Shame on you City of Austin for allowing this to happen- regardless of the salamander & what the Biologist would suggest - lowering and cleaning the shallow at least 2x/month would enhance the quality of the pool for all while protecting the salamander at the same time!!!!!! I have been swimming at B. Springs for over 30 years and find it deplorable to witness the degradation of the pool in favor of "saving" the salamander...we know that just is not true.	10/27/2015 2:45 PM
103	accessibility to the entire community	10/27/2015 2:41 PM
104	ACL	10/27/2015 2:35 PM
105	Interesting features: exposed stone, big old trees, open grassy areas, barton springs.	10/27/2015 2:31 PM
106	Undisturbed urban space. Dog friendly. Barton Springs.	10/27/2015 2:19 PM
107	Love the layout	10/27/2015 2:19 PM
108	The mix of natural and built environments. The history of certain elements, the emphasis on environmental features and education about them. Lastly, the culturally significant areas of the park such as Hillside Theater.	10/27/2015 2:06 PM
109	I really like the natural setting - Hope it stays that way.	10/27/2015 1:49 PM
110	Having a natural oasis in the middle of town.	10/27/2015 1:45 PM
111	The openness and lack of structure.	10/27/2015 1:44 PM

Zilker Park Improvement Projects at Barton Springs

112	I like Barton Springs and the community feeling you get going to Zilker. It's big, but it's a community gathering place.	10/27/2015 1:19 PM
113	Always room to find a place to yourself. Immense cultural history.	10/27/2015 1:00 PM
114	Trails, the amount of trees, the Hillside theatre, Eliza Springs, safety, and Barton Springs.	10/27/2015 12:55 PM
115	Barton Springs Pool has no equal; it's a gem. I also love the beauty of the trails mixed with lake and city views.	10/27/2015 12:47 PM
116	Barton Springs!	10/27/2015 12:45 PM
117	The openness of the park which supports the original and natural beauty and uniqueness of this gem.	10/27/2015 12:41 PM
118	barton springs, the soccer and volleyball fields, and the hike and bike trail	10/27/2015 12:39 PM
119	the grassy areas to let the dogs run around in	10/27/2015 12:37 PM
120	Barton Springs Pool	10/27/2015 12:27 PM
121	Barton Springs pool; Concerts; Hillside theater; Hike & Bike trail; Volleyball courts;	10/27/2015 12:25 PM
122	The Zephyr and playground for my daughter. The connection to barton springs, the greenbelt and the hike and bike trail. The view of downtown is great too.	10/27/2015 12:20 PM
123	I like that historical features are retained, such as old masonry and plaques. I think the pool is the crown jewel. I think it's important to maintain access to the creek downstream of the pool for dogs & others who can't get inside the pool. I love the huge picnic area. The train is awesome & takes me back to my childhood.	10/27/2015 12:20 PM
124	It is accessible. It offers a little for everyone, a true treasure of the entire city. The view of downtown from the hillside east of rock island. Sand courts.	10/27/2015 12:11 PM
125	the ability to walk in nature, not commercialized fancy trails... swim in natural pool... off leash dog areas...	10/27/2015 12:08 PM
126	I don't have any. Zilker Park (or the surrounding area) has too many events held there now to use. Parking is difficult to find more often than not. The only time my family goes there now is for Santa's Village, if that. I personally haven't been in over 6 years.	10/27/2015 12:08 PM
127	I love the springs, the hillside theater, and the hiking trails. The playscape was wonderful when my daughter was younger. I dislike large parts of the park being inaccessible for long periods for private festivals.	10/27/2015 12:01 PM
128	The natural beauty, the lawn by the pool for relaxing, the trails.	10/27/2015 11:37 AM
129	It's a beautiful park and its big. The trails are wonderful and the pool and playgrounds are great. Special events are amazing at this park. It's just such a wonderful park	10/27/2015 11:29 AM
130	Proximity to other trails and parks downtown.	10/27/2015 11:28 AM
131	I love the Springs and trail connection to the Greenbelt	10/27/2015 11:14 AM
132	I think it's a great park in general with so much to do in a small area - swimming, walking/running trails, playgrounds, etc. Improvements could and should be made however.	10/27/2015 10:50 AM
133	large open space	10/27/2015 10:49 AM
134	I love everything about Zilker. I am a third generation Austinite and I have been going there all my life. It is beautiful and never disappoints. We enjoy the trails and the park and the pool. If it is changed keep the Austin in it and add please do not take away. This is the problem with change, you seek to improve but only destroy the essence that makes great places in Austin extinct. I don't want to see that happen.	10/27/2015 10:18 AM
135	The biggest event and best thing that happens in zilker is the xmas lights. however its use in other evens such as the kite festival and others are also very fun.	10/27/2015 10:17 AM
136	Barton Springs, spillway, off leash dog area, festivals, trees, shade	10/27/2015 10:16 AM
137	large park setting	10/27/2015 10:05 AM
138	natural pool. Trails	10/27/2015 10:03 AM
139	Barton Springs and it's affordable cost, free night swim, the trail (definitely needs more water fountains!), the rugged, natural beauty, the size.	10/27/2015 9:59 AM
140	Off leash dog park and open space.	10/27/2015 9:47 AM
141	The picnic areas	10/27/2015 9:34 AM
142	beautiful place to run, swim, read, picnic, be outside, in an urban setting	10/27/2015 9:28 AM
143	I think the bathhouse is perfectly fine the way it is and does not need an overhaul.	10/27/2015 9:18 AM

Zilker Park Improvement Projects at Barton Springs

144	So many things to do in one area.	10/27/2015 9:18 AM
145	It is central, park in middle of trails.	10/27/2015 9:03 AM
146	Close to town; the trees and the green space.	10/27/2015 9:03 AM
147	Large open space. Dislike overrunning of park by soccer players through the weekend	10/27/2015 8:57 AM
148	the springs; the creek, the trails	10/27/2015 8:50 AM
149	the barton springspool is a world class treasure and there's nothing wrong with the women's bathroom. it's not dark and dank,it is still functioning well and charming in its own way. we certainly do not need to spend a huge amount of tax dollars to renovate it.	10/27/2015 8:41 AM
150	The pool is great. The theater is good too but needs bathrooms backstage for performers.	10/27/2015 8:12 AM
151	Barton Springs, fields, trails	10/27/2015 7:54 AM
152	Green open space.	10/27/2015 7:41 AM
153	Lots of grass is better than the dust	10/27/2015 7:26 AM
154	Neighborhood park. I strongly oppose closing the park for a month for ACL. I also oppose turning the park into an amusement park by adding ferris wheels, carousels, etc.	10/27/2015 7:10 AM
155	I like that there is a park, but would like it to be more curated for humans. More shade, benches, drinking fountains	10/27/2015 6:49 AM
156	Space; nature	10/27/2015 6:45 AM
157	Love the open space and natural setting	10/26/2015 11:14 PM
158	Open spaces	10/26/2015 9:20 PM
159	N/A	10/26/2015 6:59 PM
160	Different amenities	10/26/2015 6:21 PM
161	The springs. The naturalistic undesigned landscape. The minimalist 1930's + 1970's recreational facilities.	10/26/2015 6:07 PM
162	Barton Springs is wonderful	10/26/2015 5:48 PM
163	I love the springs, the rock island, the Splash! Exhibit, trees, trails, open space, and connectivity. I do not like when the park is closed for special events like ACL; when traffic is reversed for shows at the hillside theater, or when then park is closed for spraying chemicals on the grass (but people are still playing volleyball on the sand courts and breathing in the chemicals) - I would prefer chemicals that could wash into the river not be used on the grass.	10/26/2015 3:33 PM
164	Barton Springs pool is most important. The great green lawn playing fields are next.	10/26/2015 3:23 PM
165	The pool and its new landscaping, the GB trailhead, the lawn south of pool with heritage pecan, spillway (although it needs some serious TLC too)	10/26/2015 3:19 PM
166	1. I highly appreciate that it is not overdeveloped with many natural, rustic spaces and open spaces. 2. Open access without fees. 3. I really don't like the 'industrial' use of the park for storage of city equipment, waste, and as general storage. Key parts of the park have become dedicated to this and better use could be made of these spaces. 4. What, a survey only soliciting positive feedback? That devalues the survey and the process.	10/26/2015 2:53 PM
167	It's central location. The great lawn. Live music events. The fact that it services a wide range of uses.	10/26/2015 2:29 PM
168	I like the green space of the Great Lawn and Polo Fields, Barton Springs Pool's feeling of being somewhere else instead being very close to downtown Austin, and the trails being part of a larger trail system.	10/26/2015 2:04 PM
169	Barton Springs pool Great lawn picnic areas	10/26/2015 12:11 PM
170	I love that we have such a large open space within the city limits. I don't mind that a large part of it is a field, but I would like to see trail areas restored and trees better protected. I would also like to see all riparian areas return to a more natural state	10/26/2015 11:00 AM
171	Disc golf course and the pool	10/26/2015 10:56 AM
172	Barton Springs, free space to gather and do what you please (unprogrammed space)	10/26/2015 10:38 AM
173	historical elements and openness	10/26/2015 10:26 AM
174	All	10/26/2015 10:23 AM
175	The natural landscape AND the historic resources (bathhouse, springs, etc). Please gussy them up but project them!	10/26/2015 10:13 AM

Zilker Park Improvement Projects at Barton Springs

176	First, I love that we have a large park in the middle of the city. My favorite parts of Zilker are BS Pool and the Creek outside the main pool area. I used the park many times when my kids were younger but much less so now. I like the rock island part of the Great Lawn. I do wish the park were more developed overall, along the lines of Grant Park in Chicago or Herman Park in Houston.	10/26/2015 10:08 AM
177	Variety of types of spaces	10/25/2015 2:43 PM
178	I love the Great Lawn. I am there 7 days a week with my husband, dog and friends. I love Rock Island, Peace Grove, the Volleyball Courts, the nature trail behind Barton's Springs, Polo Tables area and most especially the Botanical Gardens.	10/25/2015 1:03 PM
179	The natural pool. The fabulous heritage trees. The art deco bath house.	10/25/2015 9:41 AM
180	The natural park is the best feature; it is endangered by overuse for festivals and proposals to clutter it up with "improvements" such as signage, play equipment and other "amenities"	10/25/2015 9:28 AM
181	I like that is a green space in the city, is a small piece of nature in the middle of the city. Green spaces are healthy and keep us happy. I love the pool, the nature, the peace. It is a sacred space and I'm sad that it is so crowded during the summer and weekends.	10/24/2015 8:21 PM
182	Trails and playground	10/24/2015 3:41 PM
183	I like the play areas (I have two kids under 4), plus the lakeside areas. The lawn is a great place for festivals.	10/24/2015 1:40 PM
184	Zilker is beautiful, and has wonderful access to the botanical gardens, as well as great views of downtown. Barton Springs is the jewel in Zilker's crown. Stop renting out our park !	10/24/2015 12:52 PM
185	I love the pool, the historical trees and the open spaces.	10/24/2015 10:49 AM
186	largeness, grass, trees, the pool, Splash!, the cottage, history, the round "pool" (the name escapes me) that what built 60 - 70 (?) years ago, philosophers statue, art deco bathhouse, Bev Sheffield Center, and....Goldfish Ponds Shoudl be Restored!	10/24/2015 10:10 AM
187	The great lawn area	10/24/2015 10:03 AM
188	Natural surroundings, functional man-made features that are not over-engineered Don't like the ubiquitous poison ivy. Bring in goats to eat it.	10/24/2015 9:25 AM
189	Hill Country habitat leading to the Colorado River, it's beautiful. I'd have to say the natural scenic beauty of the rocks, cliffs, creek green belt, river frontage.	10/24/2015 9:25 AM
190	The great expansive lawn. The main problem is that it is closed too long and events are destroying the environment. The city needs to have these events somewhere else so that the community can use their public space.	10/24/2015 8:48 AM
191	the openness. I am saddened when a special event forces closure of parts of the park	10/24/2015 8:25 AM
192	Open natural environment with plenty of trees and no manmade features.	10/24/2015 8:21 AM
193	Open space. Green. Trail of lights. Barton Springs. Please move ACL Music Festival. Put more City resources into the maintenance of the park.	10/24/2015 8:14 AM
194	Personally I love the great lawn best. I resent the fact that it is so often closed to the citizens of Austin either for setting up an event or recovering from an event. Give the lark back to the citizens	10/24/2015 7:26 AM
195	former soccer fields, now known as the Great Lawn,and of course Barton Springs Pool	10/23/2015 3:09 PM
196	The play area and train. I like the access to the water for canoeing. Volleyball courts	10/23/2015 2:22 PM
197	The generally natural state of it. The trails, the trees, the pool, the statue outside the pool, being able to watch a play or show outside under the stars when it's not too hot, twirling under the Zilker tree (without a ferris wheel next to it!)	10/23/2015 12:30 PM
198	The trails are most important, and I'd love to see more shady trails in the bleak, empty are near MoPac. The area is not landscaped and maybe used for dog runs?	10/23/2015 9:42 AM
199	Zilker Park Dog Park is a treasure. Zilker Dog park improves the quality of life for the whole city. Very positive impact to have this.	10/20/2015 6:09 PM
200	Big field for dogs, the pool, the trails, and the volleyball courts.	10/20/2015 2:33 PM
201	Lots of green space	10/20/2015 2:17 PM
202	The park is open space that seems to speak to you as you walk through of the great culture of the city. The music is represented in the playground, the importance of the train to Texas and Austin, a great connection to nature with the natural spring fed pool, the Nature Center, and the Disc Golf. The festivals on the Great lawn and the Trail of Lights, all these things say Austin, Austin, Austin.	10/20/2015 1:15 PM

Zilker Park Improvement Projects at Barton Springs

203	Barton Springs, Eliza Spring, Sunken Garden and areas with native species landscape, Splash! Exhibit in the bathhouse.	10/20/2015 8:35 AM
204	Barton Springs is a magical place where I find peace, community & recreation! I love the wide open space of the park. This place is for everyone!	10/20/2015 7:49 AM
205	botanical garden, trails, mature trees	10/20/2015 12:23 AM
206	So much open green space. Barton Springs is a resource my fellow Austinites should cherish.	10/19/2015 11:45 PM
207	The pool, trails, greenspaces.	10/19/2015 10:37 PM
208	I like it all. Except how packed it gets.	10/19/2015 10:34 PM
209	history. protecting endangered species. swimming	10/19/2015 9:53 PM
210	Play scapes	10/19/2015 9:39 PM
211	Beautiful trees and open spaces. Variety of activities appealing to lots of people.	10/19/2015 9:34 PM
212	So spacious. Love the hike bike trail.	10/19/2015 9:18 PM
213	The historic features including the bathhouse, pool, entrance structures, bridges, springs area and other wpa features.	10/19/2015 5:12 PM
214	I love that Zilker is a historic park that is actively used by the city. I would like more people to understand its history, outside of ACL.	10/19/2015 2:40 PM
215	Barton Springs Pool's natural vegetation and species	10/19/2015 2:25 PM
216	Barton Springs Pool and the historic bathhouse are centerpiece of Park. Education function provided by Splash! exhibit and Sheffield Education Center deserve a more fitting and engaging presence in Park, possibly including a location next to Eliza Springs, near the Playscape area, or at the current location of the Zilker Park Maintenance Shed area.	10/19/2015 10:28 AM
217	Zilker Park is Austin's "village green" - where we can all meet for exercise, fun and culture and feel safe. An Amazing cultural resource.	10/19/2015 9:12 AM
218	Natural beauty	10/16/2015 11:23 PM
219	Barton Springs is the crown jewel. I love the open spaces and the trails next to the water	10/16/2015 10:25 PM
220	Trails, proximity to river, integrating cultural features like the ANSC/animal preserve and Barton Spring Pool and Deep Eddy	10/15/2015 9:30 PM
221	Swimming in natural springs Botanical gardens	10/15/2015 6:28 PM
222	BSP, playground, lawn (thank you ACL!), Zephyr, Greenbelt, Disc Golf	10/15/2015 4:16 PM
223	low key	10/15/2015 11:56 AM
224	variety, nature, pool	10/15/2015 9:40 AM
225	The Springs, the open grounds, the spaciousness.	10/15/2015 8:36 AM
226	Pool and new back pool entrance and landscaping,. looks first class!!	10/14/2015 5:57 PM
227	It's in the city center and is a free space	10/14/2015 3:38 PM
228	na	10/14/2015 3:00 PM
229	Great Lawn. Limestone outcrop. Barton Springs. Butler Trail.	10/14/2015 10:55 AM
230	The wide range of activities, access to unique natural spaces, the way the trails connect it to so many other parts of the city and its park space, and the fact that the local government and community recognizes how rare and special this kind of thing is for a metropolitan community to have.	10/14/2015 10:48 AM
231	I love the variety of features...I have family all over the state that visit often and I can take everyone from the 1 year old to grandma and find some activity to enjoy whatever their physical limitations may be.	10/14/2015 10:22 AM
232	open spaces and train are great.	10/14/2015 8:31 AM
233	variety of activities	10/14/2015 7:52 AM
234	the activities throughout the year, the view of the city, Barton Springs pool	10/14/2015 7:47 AM
235	trails,pool	10/14/2015 6:14 AM
236	The rocks near the center of the park, and also the trees surrounding where I could hang an eno or sit under the shade. Also the trail along the river.	10/14/2015 12:03 AM

Zilker Park Improvement Projects at Barton Springs

237	Theater	10/13/2015 11:47 PM
238	Barton Springs Pool is the jewel in the Park Protect at all costs Needs a face lift on the hillside just outside entrance to pool	10/13/2015 7:48 PM
239	I love all the natural features and the historical information surrounding them (Eliza R Springs, etc)	10/13/2015 6:10 PM
240	I like the fact that the park is a park - meaning that it is a bit rough and tumble. related to the pool I was happy with the "fixin" that happened to the pool. the new lights, the new fences, the new south guard house, the new walk ways. what I think needs help : the park in general could be taken care of a bit more. I know the folks that work in the park to keep it clean work pretty hard. maybe they need more help. and the area below barton springs (the spill way), especially during the summer, is often trashed. walking around beer cans, general trash and dog poop is not part of the experience that I would like to have when going for a swim.	10/13/2015 5:58 PM
241	Natural Beauty, The Park when it is not overcrowded	10/13/2015 5:48 PM
242	Greenspace. Trails. Barton Springs	10/13/2015 5:06 PM
243	How big it is. Plenty of parking.	10/13/2015 2:53 PM
244	a woodland setting in the middle of the city.	10/13/2015 2:46 PM
245	I like Barton Spring pool, but wish food and drinks were allowed in. I like the volleyball courts and open areas, but it is too hot in the summer with very little shade. I wish it was easier to navigate, I never know where to park for the volleyball courts vs. the trail that connects to Town Lake vs. Barton Spring pool. Maps on the road that are large and viewable from your car would be extremely helpful.	10/13/2015 2:40 PM
246	The pool, the creek, volleyball courts, free live music events.	10/13/2015 2:23 PM
247	I like the pretty views and to walk around and take pictures	10/13/2015 2:19 PM
248	Openness, natural feel within the city, long trails and different topography between them, a peaceful place.	10/13/2015 2:18 PM
249	the landscape of Zilker Park	10/13/2015 2:16 PM
250	I'm not sure where else to put there, but there are parts of the park where leash laws are in effect but they are NEVER ENFORCED. I see dogs all the time without leashes where they should have them. This is a dangerous nuisance.	10/13/2015 2:16 PM
251	I like the historic fire truck in the playground. I like the telephone pole retaining walls, I wish that the "caretaker cottage" could be re-purposed. I like dog beach/free swim. I wish there could be a way to open Eliza Springs, or re-design to become more of an accessible feature. I like the Zilker Zephyr.	10/13/2015 2:14 PM
252	I like the greenbelt most of all, followed by barton springs.	10/13/2015 2:14 PM
253	It's open and you can do whatever there, sometimes I go there to sit on a blanket and read, sometimes i walk the dog, it's unstructured.	10/13/2015 2:12 PM
254	the trails	10/13/2015 2:11 PM
255	the trees, wide open spaces, barton springs	10/13/2015 2:08 PM
256	Cypress trees along the river.	10/13/2015 1:39 PM
257	great running trails and playgrounds	10/12/2015 9:06 PM
258	Feels timeless, not trying to be new and flashy but still well-maintained	10/12/2015 8:45 PM
259	Natural oasis. Dog-friendly.	10/12/2015 8:33 PM
260	*Public*, passive open green space - Austinites have worked tirelessly to make this a space by the people, for the people; please stop selling it off for private corporations to profit off.! No more mass gatherings that destroy the park and its inhabitants; there are other more appropriate venues for that. - Trails - the Hike & Bike and Greenbelt trails are great (other than bad lighting that blinds people and erosion issues), but need more throughout the city to provide contiguous connections. - Most importantly, Barton Springs.! The city should do more to protect this natural, amazing space/resource.	10/12/2015 7:33 PM
261	Natural setting	10/12/2015 5:27 PM
262	Open & friendly	10/12/2015 3:40 PM
263	Barton Springs pool and crushed granite trails	10/12/2015 3:08 PM
264	Barton Springs Pool. Also, Zilker is a great meeting place for the whole city.	10/12/2015 12:39 PM
265	Barton Springs pool, open space, sense of community, Zephyr train, activities for all ages and abilities	10/12/2015 10:07 AM

Zilker Park Improvement Projects at Barton Springs

266	diversity. So many different amenities in one space.	10/12/2015 9:09 AM
267	BSP, trees	10/12/2015 8:33 AM
268	I love the open spaces where I can play with my dogs, fly kites, etc	10/12/2015 7:59 AM
269	The open space	10/12/2015 12:05 AM
270	Playground, pool, train	10/11/2015 11:12 PM
271	I love the wide open spaces and trails.	10/11/2015 9:34 PM
272	open areas, proximity to downtown, shade	10/11/2015 9:06 PM
273	Barton Springs Pool is a sacred place - let's keep it clean and beautiful.	10/11/2015 8:20 PM
274	walking trails by the lake	10/11/2015 6:37 PM
275	It is a great local park	10/11/2015 2:19 PM
276	large and varied	10/11/2015 11:59 AM
277	Size allows for multiple uses	10/11/2015 2:19 AM
278	It's a beautiful park with wonderful historic attractions. I feel that the spaces could feel more connected such as the botanical garden opening onto the park and the pool being more accessible from the lake trails.	10/10/2015 11:51 PM
279	I like the natural features of Barton Springs Pool and children enjoy the playscape.	10/10/2015 9:49 PM
280	The trail; people / dog watching in the dog park; Barton Springs pool	10/10/2015 9:26 PM
281	Natural areas, walking trails	10/10/2015 9:21 PM
282	Trails	10/10/2015 7:45 PM
283	I like it's openness and resent when it is closed for ACL and TOL and other corporate money making events.	10/10/2015 5:14 PM
284	Natural and welcoming.	10/10/2015 3:01 PM
285	Access to nature down town.	10/10/2015 1:06 PM
286	I love barton springs pool and all the trees. I like that it feels and looks more natural.	10/10/2015 11:37 AM
287	The large trees for shade, the ability to hold large city wide events there. It's free.	10/10/2015 11:10 AM
288	Lots of open space to walk and enjoy the park.	10/10/2015 10:57 AM
289	Greenspace	10/10/2015 10:35 AM
290	swimming in clean springs	10/10/2015 10:09 AM
291	It's pretty. Its proximity to downtown. Its variety (the pool, the theater, the green amount of green space and more)	10/10/2015 12:37 AM
292	The natural spring-fed pool and heritage trees are the natural features that I value the most at Zilker Park. As such they require proper protection and attention.	10/9/2015 10:55 PM
293	Pecan trees, springs, trails, pool, theatre	10/9/2015 10:48 PM
294	great lawn, playground, train, access to canoes	10/9/2015 8:47 PM
295	I love going to Barton Springs and swimming in the water. I like sitting on the shores of the pool. I also enjoy hikes into the greenbelt and the great lawn.	10/9/2015 8:16 PM
296	Trails	10/9/2015 6:51 PM
297	Love the space, the grounds, the different options.	10/9/2015 5:54 PM

299	N/A	10/9/2015 3:32 PM
300	plenty of space to do what you want	10/9/2015 2:50 PM
301	Big enough for festivals.	10/9/2015 2:37 PM
302	The openness and the diversity	10/9/2015 2:06 PM
303	My kids really enjoy the playground and train.	10/9/2015 2:04 PM
304	Pool, Springs, trees, ZBG, Greenbelt, LBL, is right next door, Great Lawn	10/9/2015 12:27 PM

Zilker Park Improvement Projects at Barton Springs

305	I like that it has a variety of things that attract people to it- soccer fields, trails, barton springs, trails to run on, etc...	10/9/2015 11:55 AM
306	View of the city	10/9/2015 11:49 AM
307	trees, BSP water, nature. Don't like too many events and too many people concentrated in one spot. Don't put too many tables, people move them and concentrate them under a tree and that compacts the soil for that tree. Mulch the trees regularly and pout tables that are anchored and distributed to minimize soil compaction in root zones of trees. Add more benches instead of adding tables. Put sings prohibiting disposing of grill ashes on trunks of trees. Don't allow hammocks on small trees that break due to the weight.	10/9/2015 11:47 AM
308	Playground, Train/ Swimming pool	10/9/2015 11:36 AM
309	The Natural Quality of the area - being a part of nature. Barton Springs Pool House's Historical Quality needs to be maintained.	10/9/2015 10:33 AM
310	well maintained turf lawn, volleyball area, natural setting, picnic tables w/ shade, access by bike and alternative transportation methods, barton springs, well maintained trails	10/9/2015 9:52 AM
311	Natural beauty, simple natural use of parkland. Natural spring, trails, good outdoor use of natural existance is what has made this park so popular. Outdoor theatre, water, etc. please don't destroy what only mother nature could have created over time.	10/9/2015 9:21 AM
312	Barton Springs, soccer fields, music instruments in the playgrounds, trains, the eatery used to be good but the cotton candy machine has a smell that has taken over the cups and everything there so no more watermelon juice for me.	10/9/2015 9:13 AM
313	The historic park is a treasure for Austin.	10/9/2015 9:07 AM
314	Pecan Trees, Natural limestone features, Trails, Springs	10/9/2015 8:13 AM
315	Would like less Special Events and have the park open more just for the enjoyment of the green space. Large music festivals might be great for some but not for all.	10/9/2015 7:29 AM
316	Location	10/9/2015 6:46 AM
317	Barton springs pool,the big pecan trees,hillside theatre, Austin tradition and landmark	10/9/2015 2:10 AM
318	Running and biking trails. Barton springs pool, big open fields, nature and science center	10/9/2015 12:49 AM
319	Aesthetic beauty	10/8/2015 11:09 PM
320	Open space	10/8/2015 10:51 PM
321	Natural pool. Significant bath house.	10/8/2015 10:26 PM
322	I don't go much anymore, but I used to take my kids a lot. They grew up! We loved the train and playscape, and just walking around, eating, etc.	10/8/2015 10:15 PM
323	The location, natural beauty, the community events	10/8/2015 10:12 PM
324	We love Barton Springs and the Hillside Theatre, in particular the summer musical but we attend other cultural events as well. Also the hiking trails on the greenbelt, the Zilker train and the playground. Also like renting canoes and kayaks.	10/8/2015 9:44 PM
325	I like that there are a variety of areas which provide entertainment and exercise for a variety of people. It's a nice environment for a range of people to come together.	10/8/2015 8:22 PM
326	Size, natural wonder in the middle of the city	10/8/2015 8:20 PM
327	Natural areas, including trees, springs, creek	10/8/2015 7:59 PM
328	Wide open expanse Zilker Park should not be closed to the public as much as it is. It's ugly and tacky to put up plastic that prevents seeing inside the park.	10/8/2015 7:57 PM
329	Access to recreational water activities; beautiful trees, shaded areas.	10/8/2015 7:22 PM
330	Diversity and openness	10/8/2015 6:13 PM
331	Love the character and family friendly vibe! Wish there was more playspace, especially for younger kids. And more shade and splash pad type spots would be amazing! Love love love the theater and shows but wish there could be some shade and even some misters - way too hot to sit there!	10/8/2015 6:06 PM
332	none	10/8/2015 5:49 PM
333	Open space in the middle of the city with a wide variety of events (including recreational) available there	10/8/2015 5:13 PM

335	The theater and the lawn.	10/8/2015 4:43 PM
336	Barton Creek Pool	10/8/2015 4:28 PM
337	Openness.	10/8/2015 3:09 PM
338	open, trail access to river trails, greenbelt, great lawn, botanical gardens, science center. the pool. the vibe. the salamanders.	10/8/2015 3:08 PM
339	It's beautiful, historic, has the Pool, and is a gathering place for the people of Austin. I love the Summer Musical.	10/8/2015 2:53 PM
340	Location. Parks department needs to advocate for more housing supply next to Zilker.	10/8/2015 2:52 PM
341	less is more- keep zilker simple and build new parks in other areas.	10/8/2015 2:33 PM
342	I enjoy the trails and the springs	10/8/2015 2:30 PM
343	Location	10/8/2015 2:27 PM
344	It is a beautiful part of Austin.	10/8/2015 2:25 PM
345	The park serves diverse community interests.	10/8/2015 2:24 PM
346	The hike and bike trail areas, Barton Springs Pool, Neff Point, pergolas	10/8/2015 2:22 PM
347	The main lawns open area. Lots of trees and shade	10/8/2015 2:13 PM
348	I like that the park is more like a park rather than just a playground which is often called a park. I like that public events and private events can be held in the park.	10/8/2015 2:10 PM
349	kayaking, proximity to city, accessibility to town lake & town lake trails	10/8/2015 1:55 PM
350	Central location, beauty, Barton Springs	10/8/2015 1:43 PM
351	Openess	10/8/2015 1:19 PM
352	I love barton springs!	10/8/2015 12:18 PM
353	It's natural and it's looked relatively the same for as long as I can remember (i.e. not commercialized). It's a place that everyone can come and enjoy regardless of economic limitations.	10/8/2015 11:59 AM
354	The open green	10/8/2015 11:55 AM
355	I love Barton Springs!	10/8/2015 11:29 AM
356	Natural area and woodland. Barton Springs pool!	10/8/2015 11:11 AM
357	It is big and huge and makes feel in touch with nature.	10/8/2015 10:48 AM
358	Usually always clean and close to area restaurants if I want to walk over.	10/8/2015 10:28 AM
359	disc golf course, dog park, pool	10/8/2015 10:18 AM

361	something for everyone	10/8/2015 10:04 AM
362	The great lawn is a fantastic amenity along with Barton Springs. The park feels both connected to the city via the skyline and isolated from it by the water	10/8/2015 9:54 AM
363	Love the space and the dog park areas best	10/8/2015 9:52 AM
364	open space	10/8/2015 9:24 AM
365	open spaces	10/8/2015 9:22 AM
366	I live for Barton Springs ... but only occasionally use other Zilker Park amenities.	10/8/2015 9:13 AM
367	lots of trees and green space, dog friendly	10/8/2015 9:10 AM
368	The natural spaces! Please keep preserving our natural heritage and wildlife habitats at the forefront of your priorities!	10/8/2015 8:33 AM
369	great natural open space	10/8/2015 8:31 AM
370	What's not to like a park in the middle of the city?	10/8/2015 8:18 AM
371	Barton Springs, natural areas, hillside theatre	10/8/2015 8:12 AM
372	The pool and the shade!	10/8/2015 8:09 AM

Zilker Park Improvement Projects at Barton Springs

373	off leash field (when it's not closed for some special event)	10/8/2015 7:54 AM
374	Natural setting, pool. The crowds of people there now is a big reason why I stay away these days, not worth the hassle and pool water quality goes down. Would like to see a ban on regular sunscreen and require the sunscreen that is more environmentally sensitive.	10/8/2015 7:07 AM
375	Barton springs and the greenbelt.	10/8/2015 6:39 AM
376	I really love that the park is free. The Splash exhibit and education programs from the Beverley Sheffield Education Center are great.	10/8/2015 6:37 AM
377	I love the whole park especially the fact it is this big wonderful green space in the middle of the city.	10/8/2015 6:33 AM
378	I love the great lawn (esp when it's accessible).	10/8/2015 5:20 AM
379	I love the natural beauty of Zilker park.	10/8/2015 4:38 AM
380	There is a small shallow pond near the Zach theater. Very peaceful.	10/7/2015 11:43 PM
381	Barton Springs, running trails, canoes,	10/7/2015 11:06 PM
382	Playground, trails, pool both official and downstream, botanical garden, nature center	10/7/2015 10:55 PM
383	it's big	10/7/2015 10:48 PM
384	Pool, trails, fields, event space.	10/7/2015 10:39 PM
385	It is pleasant and is still basically a park. Too much "stuff" takes away from the simple pleasure of a park.	10/7/2015 10:34 PM
386	it is beautiful and right by my house	10/7/2015 10:19 PM
387	Love that it's family friendly. Barton Springs is one of a kind. They wouldn't build it today as it takes too much planning and hard work. Barton Springs is a gem and we need to keep it that way!!	10/7/2015 10:09 PM
388	Nature, community, and happiness	10/7/2015 10:08 PM

413	pool	10/7/2015 6:55 PM
414	Centrally located with beautiful view of city, Barton springs, large fields for play, hiking trails	10/7/2015 6:48 PM
415	The rehab of bathhouse should retain the historical look!!!	10/7/2015 6:42 PM
416	Nice field and pool	10/7/2015 6:31 PM
417	I love Zilker Park's open spaces and relaxed atmosphere. I like the old fashioned feel and the CCC structures. It doesn't need upgrading so much as protecting.	10/7/2015 6:14 PM
418	Trees. Picnic tables. Pool. Theater. Space.	10/7/2015 6:13 PM
419	Trees	10/7/2015 6:08 PM

421	there are so many varied features to interest many interests - particularly like the Japanese garden trail.	10/7/2015 5:50 PM
422	Love the wide open spaces and the pool.	10/7/2015 5:47 PM
423	The train and splash are by far my favorite. Playground is neat, but has a whole area (sound area) that needs to be better utilized. Also, with young kids it's hard to keep up if you have more than one because playground is split	10/7/2015 5:47 PM
424	Natural environment, trees, plant material, trails.	10/7/2015 5:45 PM

431	trails around the lake. boardwalk	10/7/2015 5:14 PM
432	I like the old features built during the WPA era. I like the swimming pool and would like to keep the historic feel of the boathouse. I like the splash exhibit. I like the expansive lawn. I like seeing plays at the Zilker Playhouse.	10/7/2015 5:07 PM
433	I like that it can be family friendly.	10/7/2015 5:07 PM
434	Pool, trails	10/7/2015 4:58 PM
435	I love the open space for various activities.	10/7/2015 4:56 PM
436	Love its open / free to all nature	10/7/2015 4:44 PM
437	The open space, the pool, and the special events.	10/7/2015 4:39 PM
438	Big open grassy space close to downtown + a spring fed pool- what's not to like?	10/7/2015 4:38 PM
439	Scenic views on hike n bike trail	10/7/2015 4:37 PM
440	I have been enjoying the trails and Barton Springs pool for many years.	10/7/2015 4:34 PM
441	Park in the city. easy access	10/7/2015 4:30 PM
442	Hiking trails	10/7/2015 4:22 PM
443	Open soccer field area! Trails, Barton Springs Pool and creek play area for dogs. Canoe and Kayak rentals. Zilker theater, add Sunday gospel service of area churches, opportunity for high school band concerts as fundraisers for their booster clubs etc.	10/7/2015 4:19 PM
444	large areas to play and many diverse opportunities for lplay	10/7/2015 4:11 PM
445	I like the playground and the way it leads into the train station.	10/7/2015 4:10 PM
446	I bring my dog to Zilker several times a week. The giant area where she can run is amazing.	10/7/2015 4:03 PM

Zilker Park Improvement Projects at Barton Springs

448	playscape, train, barton springs - accessible	10/7/2015 3:54 PM
449	The open parkland where people are able to recreate at their own pace. No need for too many "amenities"	10/7/2015 3:54 PM
450	Trees, family friendly most of the time	10/7/2015 3:51 PM
451	play area for kids is awesome, esp the fire truck and great "castle" with bridge over the zephyr track! also lovely barton springs.	10/7/2015 3:50 PM
452	That it is so natural.	10/7/2015 3:47 PM
453	Trails	10/7/2015 3:45 PM
454	Open space, trails	10/7/2015 3:36 PM
455	I like Auditorium shores where the dogs can swim freely.	10/7/2015 3:27 PM
456	Not polished with metal and plastic. It's natural and old and funky.	10/7/2015 3:23 PM
457	N/a.	10/7/2015 3:23 PM
458	The wide open, natural features, trees, grass, water and big rock in the middle.	10/7/2015 3:21 PM
459	I love how it has something to offer for every stage in life. As a child i played in the playscape. In middle school, i would practice soccer on the fields. As high schooler, i went to Barton Springs daily during the summers. As a young adult, i made sure to hit all the festivals. And now as a father, i have returned to the playscape.	10/7/2015 3:20 PM
460	Multiple options for activities	10/7/2015 3:17 PM

466	Nice trail surface - well watered field	10/7/2015 3:14 PM
467	barton springs, shade, and the playing feilds	10/7/2015 3:13 PM
468	Lots of good trails and vantage points of the city	10/7/2015 3:11 PM
469	I love Barton Springs and the areas to play with kids	10/7/2015 3:10 PM
470	-	10/7/2015 3:10 PM
471	it's not all shiny and new and perfect, like some hospital play area. it's old, has character, has flaws, has great personality. it doesn't need a bunch of new stuff, new landscaping, etc.	10/7/2015 3:09 PM
472	proximity to downtown	10/7/2015 3:08 PM
473	The trails, the rocks to climb on. Barton springs. Variety of things to do. Playground though it could be better.	10/7/2015 3:07 PM
474	I love that's in the heart of Austin, connected by water and trails. I love the trees and wide open spaces.	10/7/2015 3:05 PM
475	Pool!! Pool pool pool!! Playground Picnic, shade, open areas Trees Flower garden	10/7/2015 3:02 PM
476	I enjoy the more natural aspect of the park. I love all the pecan trees.	10/7/2015 3:01 PM
477	Its fine as is	10/7/2015 3:00 PM
478	The flat, open grassy areas are perfect for pickup soccer/rugby/football games.	10/7/2015 2:58 PM
479	Green grass	10/7/2015 2:58 PM
480	x	10/7/2015 2:57 PM
481	Love the variety of nature and things to do so close to the city / downtown Austin.	10/7/2015 2:56 PM
482	The pool is awesome. The trails are very good for an urban park.	10/7/2015 2:55 PM
483	The history of the park, Barton Springs, the large play area, the train, some of the events held there.	10/7/2015 2:55 PM
484	I like that there are so many different features and that there is a lot of room for many visitors.	10/7/2015 2:55 PM

486	Barton Springs, Zilker Hillside Theater, Camp Sunshine, Zilker Zephyr, soccer fields	10/7/2015 2:51 PM
487	Open space surrounded by trees and water.	10/7/2015 2:50 PM
488	Openness	10/7/2015 2:50 PM
489	should be accessible to all and used for many purposes.	10/7/2015 2:49 PM
490	That Barton Springs is as natural as it is and that it's typically accessible when I'd like to visit.	10/7/2015 2:49 PM
491	Location, culture, vibe	10/7/2015 2:47 PM
492	The train and playscape	10/7/2015 2:45 PM
493	Open space, picnic space, walking trails and connectivity	10/7/2015 2:45 PM
494	I like the open space and LOVE the view of downtown. If you can find a place in the shade, it's perfect!	10/7/2015 2:43 PM
495	Barton Springs, the vast size, the shaded picnic tables	10/7/2015 2:43 PM
496	Old pecan trees and Barton Springs	10/7/2015 2:39 PM
497	proximity to downtown, picnic areas, clean trails and walking space	10/7/2015 2:37 PM
498	Trees ,swimming spillway with my dog for free ,playground ,riding the train with Rusty (conductor) she is always so happy and friendly to all of us	10/7/2015 2:36 PM
499	Large trees, open areas, shade, rock island, access to pool and creek	10/7/2015 2:33 PM
500	The trails, space to run around	10/7/2015 2:32 PM
501	I like the natural features of the park, the grass and the open park.	10/7/2015 2:32 PM
502	the amount of open space and it's nearness to downtown	10/7/2015 2:30 PM
503	Barton Springs Pool is the primary reason I go to Zilker Park, the hiking trails are secondary reason. I love the big open lawn..	10/7/2015 2:28 PM
504	The park in and of itself	10/7/2015 2:26 PM
505	trails	10/7/2015 2:26 PM
506	Barton, trails, open fields	10/7/2015 2:24 PM
507	Austin Area Garden Center is a jewel in Austin's treasures and should be supported and upkeep better maintained and more accessible to garden club members without additional restrictions and charges.	10/7/2015 2:22 PM
508	Train	10/7/2015 2:19 PM
509	Vast and open but full of fun options like Barton Springs and the Hillside Theater.	10/7/2015 2:13 PM
510	pool, theatre, picnic areas, zephyr, nature center, education center, trails, festivals, etc.	10/7/2015 2:12 PM
511	beauty of trail around Town Lake and closeness of Nature Center	10/7/2015 2:11 PM

514	Huge - has something for everybody, nice open space just for running around, flying kites.	10/7/2015 2:06 PM
515	natural beauty	10/7/2015 2:06 PM
516	Train and the pool. I hate the dry dirty dead grass and dirt and lack of shade	10/7/2015 2:05 PM
517	It's a nice place to go, but I probably don't use it as much as I should.	10/7/2015 2:02 PM
518	The open space, the preservation of nature there.	10/7/2015 2:02 PM
519	Proximity to downtown.	10/7/2015 2:00 PM
520	I love the playground and its proximity to the pool and to the Lady Bird Lake Trail. I regularly park at the playground and walk the 3 mile loop around the lake, coming back at the end to the playground so the kids can play and eat. I love being able to hit up the playground and go wading or swimming without much extra effort. I haven't played on the big fields at Zilker in awhile, but I hope to do that after ACL season is over.	10/7/2015 2:00 PM
521	We enjoy the water features: swimming in the pool and the dog park area, canoes & kayaks.	10/7/2015 1:59 PM

Zilker Park Improvement Projects at Barton Springs

522	I like things just as they are.	10/7/2015 1:59 PM
523	It's a park in this city	10/7/2015 1:56 PM
524	The natural and unspoiled environment is the greatest welcoming aspect of the park. I'd hate to see new parking lots become a focus of development and not see additional beautification to existing fields and parkland.	10/7/2015 1:55 PM
525	nature, walking areas, shade. flowers, plants, scents of nature. proximity to water, sounds of nature. comfortable walking areas also for dos	10/7/2015 1:54 PM
526	Access to the greenbelt and Barton Springs Pool	10/7/2015 1:54 PM
527	open space	10/7/2015 1:53 PM
528	I love the pool and dressing rooms, playground and zephyr, as well as the open spaces and hiking trails.	10/7/2015 1:53 PM
529	Great space and features. The pool, of course, is so unique. Outdoor theater is fantastic compliment to the pool.	10/7/2015 1:52 PM
530	I particularly like the trails and the gardens.	10/7/2015 1:50 PM
531	I love Zilker Park. The trails, Barton Springs, the soccer fields, Trail of Lights. Zilker Park is a unique park that improves the quality of life in Austin.	10/7/2015 1:48 PM
532	The water flowing from the springs into the Austin Water System - SO - add in the recharge zone and the creek drainage zone. All of which adds to: A quiet zone of natural beauty easily accessible from most parts of the city's interior.	10/7/2015 1:47 PM
533	big open spaces to be outside	10/7/2015 1:46 PM
534	Trees, off leash dog area, train	10/7/2015 1:45 PM
535	the openness. the hippy old austin feel	10/7/2015 1:45 PM
536	The great lawn for music and to play with my dogs. And Barton springs - below the pool with my dogs	10/7/2015 1:43 PM
537	Trails	10/7/2015 1:39 PM
538	very nice park	10/7/2015 1:38 PM
539	The openness and activities that can be done at the park	10/7/2015 1:37 PM
540	easy to access, very open	10/7/2015 1:37 PM
541	Wide open green area. the pool. McBeth Rec Center!! The train. Well kept & clean.	10/7/2015 1:36 PM
542	Picnic area, Seating, Pool	10/7/2015 1:35 PM
543	open spaces	10/7/2015 1:35 PM
544	large trees, Barton Springs Pool	10/7/2015 1:32 PM
545	It is a wonderful place for many different kinds of family activities.	10/7/2015 1:31 PM
546	Like the open space near downtown and the running trails and sand volley ball courts	10/7/2015 1:30 PM
547	All the trees, cleanliness, love that you're in the middle of a city but in park. I love all the people around enjoying the park. It's a great place to be!	10/7/2015 1:27 PM
548	i was born and raised in austin. hillside theater is my favorite thing! love the springs and the train.	10/7/2015 1:27 PM
549	people, natural setting, barton springs pool	10/7/2015 1:26 PM
550	Location, wide open green spaces, dog area.	10/7/2015 1:25 PM
551	welcoming	10/7/2015 1:25 PM
552	Survey is too damn long	10/7/2015 1:24 PM
553	Don't change anything! Love it.	10/7/2015 1:23 PM
554	I can see the skyline, dogs allowed, trails, events, it is representative of Austin to me.	10/7/2015 1:22 PM
555	We like the trails, botanical garden, hillside theater, zephyr.	10/7/2015 1:21 PM
556	Everything except a lack of programming and poor maintenance.	10/7/2015 1:21 PM
557	Pool, hike/bike trails, picnic areas are all tops on my list. Please keep Zilker feeling natural and relaxed.	10/7/2015 1:20 PM
558	Overall size, pool, dog friendly	10/7/2015 1:20 PM

559	natural environment, pool, events, trails	10/7/2015 1:20 PM
560	---	10/7/2015 1:18 PM
561	Variety in uses. Events held there. Free admission to many features, discounts for locals.	10/7/2015 1:15 PM
562	abundant trees, natural areas, trails, volleyball courts.	10/7/2015 1:14 PM
563	Awesome to have a huge natural space right in the city.	10/7/2015 1:14 PM
564	shade	10/7/2015 1:13 PM
565	When the great lawn is not closed to due festivals, it's fantastic to run on barefoot.	10/7/2015 1:11 PM
566	pool, town lake trail, area near south pool gate	10/7/2015 1:09 PM
567	..	10/7/2015 1:08 PM
568	Open space, combined with easy access to Barton Springs Pool and great view of downtown. Love that it does not have a bunch of man made crap. Don't ruin that. Upgraded facilities(eg drinking fountains) would be my only ask.	10/7/2015 1:07 PM
569	Expansive park with something for everyone.	10/7/2015 1:07 PM
570	barton springs, kite festival	10/7/2015 1:04 PM
571	When it is being used as a free, public PARK. Getting tired of it being closed for months on end for ACL. Move them to the Circuit. Love Trail of Lights & Kite Festival	10/7/2015 1:03 PM
572	Proximity to downtown and surrounding neighborhoods, access via trails and lack of structures.	10/7/2015 1:03 PM
573	Barton Springs, the hillside theater, the open green space when it's open to the public and used as an off-leash dog park.	10/7/2015 1:03 PM
574	Train and playscape. Pool	10/7/2015 1:03 PM
575	The way that the park is maintained is nice to know everytime you visit it will be a nice experience.	10/7/2015 1:01 PM
576	both a designated play area and plenty of trails/ natural play areas. You are allowed to climb on trees, skip rocks, bring dogs. I like the natural limestone floor of the pool & the diving board. However our family was REALLY turned off when some topless women were swimming near our kids & lifeguards reported they could do nothing to prevent it.	10/7/2015 1:00 PM
577	The train, playground, concessions, pool & museum located close together, & near theater. Very easy for families to use on theater days & other days. Love wide, wide open spaces, and also the natural trees & wild plantings!	10/7/2015 1:00 PM
578	I really like that there is something for the entire family to enjoy. I like that they have kept it very natural.	10/7/2015 12:59 PM

Zilker Park Improvement Projects at Barton Springs

595	That is an all-ages park with features for all. Special events happen there. Barton Springs pool is the epicenter of Austin and represents what is amazing about the city.	10/7/2015 12:48 PM
596	That it is free and open to the public (most of the time!).	10/7/2015 12:48 PM
597	I love the natural feel of the place and it's integration with the greenbelt. It has a less manicured feel than other parks and to me this is an asset.	10/7/2015 12:48 PM
598	The pool and hillsides.	10/7/2015 12:47 PM

610	The natural beauty of the park and springs. Too bad Barton Creek Mall ruined the springs when they knocked the top off of the hill with the most beautiful view of Austin to build a windowless mall and dumped all that silt into the springs - they have never been the same since that hideous mall was built.	10/7/2015 12:31 PM

Zilker Park Improvement Projects at Barton Springs

629	Of the last monies spent at Zilker Park, I like the parking lot moved away from the Creek, bike parking area defined, and the lighting. I love the pool, but the public area was decreased in that project. I use Barking Springs at least 3 times a week and it could use some love (I don't want it groomed - maybe small things like a set of steps, erosion of the bank trail on the south side would be nice). I love Sunken Gardens and would like to see that project move forward.	10/7/2015 12:17 PM

635	our grandchildren think the Zilker Zephyr is the best thing in the world. Next is the playground. The surrounding trees make Zilker a beautiful place.	10/7/2015 12:15 PM
636	Size and character and free access	10/7/2015 12:15 PM
637	Large size (acres), beautiful tress, and diverse uses in different areas. LOVE the wide open fields of the lease-free dog areas, the clustered picnic areas (away from always hungry dogs), ample water fountains (when they work), shaded jogging and walking trails.	10/7/2015 12:14 PM
638	Many different and varied aspects to enjoy the out of doors.	10/7/2015 12:14 PM
639	I like the openness, the view, the dogs running around, the happy people.	10/7/2015 12:12 PM

691	Place to gather with friends and family	10/7/2015 11:46 AM
692	I like the hike and bike trail the most. Sometimes when there is freezing weather overnight, the water fountains are turned off. It is not freezing the next day and on a long run not having access to water when you planned on using drinking fountains can be a problem.	10/7/2015 11:46 AM
693	Historic nature oasis in the middle of the city	10/7/2015 11:45 AM
694	Cool and natural oasis in the middle of town. Access to the springs for pets.	10/7/2015 11:45 AM
695	A central point for friends and family to meet and cool off in the summer.	10/7/2015 11:45 AM
696	We love Barton Springs and how natural the area around it is kept.	10/7/2015 11:45 AM
697	I like Barton Springs the most, and feel it should be protected at all costs. Secondly, I like park areas and feel that commercial events should be limited. Reduce the number you have now, and don't allow any more to be added.	10/7/2015 11:44 AM

760	I absolutely love the Barton Springs pool, Hillside Theater and the boat rentals to go canoeing. Having grown up in the Austin area, Zilker Park has a special place in my heart and it is one I have taken numerous friends and family too. Unfortunately, Barton Springs raised their prices to \$8/per non-resident and that is unacceptable!!! How dare you bleed visitors?!?!? I happen to live 15 minutes away from Austin. 15 minutes to add an extra \$5 on my entrance? Y'all make me sick.	10/7/2015 9:49 AM

778	Barton Springs pool!!!	10/2/2015 10:42 AM
779	Barton Springs Pool with historic bathhouse are important, and the Splash exhibit and Sheffield Education functions are wonderful, but should be updated, expanded, and moved to improved location near playscape area. Barton Springs Master Plan's rehabilitation plan for bathhouse should be implemented to return ticketing entrance to rotunda space, to restore and reopen Women's (and Men's) Dressing Area, and to create new Visitor's Center and Gallery in bathhouse.	9/28/2015 4:32 PM
780	Zilker Park is the equivalent to New York's Central Park. I love the multiple uses the park provides patrons and while I'm excited to see improvements, I do understand the small city "vibe" that some folks will want to maintain. Barton Springs Pool is a gem and I think the Bathhouse needs to be upgraded. I'm also concerned with the lack of space the lifeguards have when off duty. These facilities look like they haven't been renovated since the 90's. The Zilker Zephyr, playground and concessions area feels very cramped. Parking/traffic is also an issue. I would love to see the parking lot closest to Barton Springs entrance expanded into an extension of the park so there's more room for folks to hang out at the playground or eat before or after swimming. The disc golf course renovations are excellent. Very pleased with the amount of space and activity it provides patrons. Encouraging alternative transportation (working with CAMPO and CapMetro) or building a small garage close to the park seems to be the only solution considering capacity and car culture. Is it possible to create permanent, safe parking options under MoPac with an elevated pedestrian bridge?	9/28/2015 2:45 PM

782	I love Barton Springs and the creek. That's the most important prt of the park to me. Otherwise, I prefer my neighborhood parks b/c I don't have to deal with traffic or pay. However, one thing I really don't like about the park is giving it over more and more to private, for-profit events that take over the park for weeks at a time. The park belongs to the citizens of Austin, not to ACL or anywhere else. Zilker is not the right place for these types of festivals. The festivals should go to private concert venues so that we don't lose access to the park that belongs to us. Not to mention the damage these festivals and events cause.	9/24/2015 6:43 PM
783	I love the Splash! Exhibit. It is a site that not only provides free interpretive material to the public but also houses many educational programs throughout the entire year. It's site at the entrance to Barton Springs is critical to maintaining public responsibility for protecting Austin's endangered Barton Spring's Salamander!	9/24/2015 2:43 PM

787	Barton springs and the greenbelt.	9/23/2015 3:13 PM
788	Open space for my dog to run	9/23/2015 2:54 PM
789	It's size and availability of everyone in town to use it's resources. Keep parking minimal and keep providing more public space that is well maintained. This is Austin's Crown Jewel!	9/23/2015 2:48 PM
790	We love the playground and the train. My favorite part is definitely Barton Springs Pool. I would like to see more diverse food and drink options at the snack bar.	9/23/2015 2:13 PM
791	Openness. This is Agustin's crown jewel. It should be viewed that way in all aspects: budget and vision and sort and long term goals. Spillways and tunnels to stop the flooding. This park should have everything, not half of the amenities in Agustin's parks... It should have them all. Tennis courts, bike polo ring, roller skating pathway, handicapped accessible trails. And a great lawn that is not closed for 6 months a year due to for profit companies holding concerts there.	9/23/2015 2:07 PM
792	Nice open lawn Barton springs	9/23/2015 1:52 PM
793	large open space with good places to walk around and connect to trails	9/23/2015 1:33 PM

Zilker Park Improvement Projects at Barton Springs

794	As is happening now at most of Austins older public green spaces, Zilker is being over built with stylized facilities that do not respect the previous sense of place and/or charm. And, often, of dubious style/taste and poor quality materials- the new landscaping around the Barton Springs Pool interest as an example.	9/23/2015 1:26 PM
795	Large playscape, large open fields, creekside trails, shade over trails, train, pool.	9/23/2015 1:03 PM
796	I like how every thing is within walking distance at the park!	9/23/2015 12:44 PM
797	I like how large and open it is.	9/23/2015 12:32 PM
798	large public space that also acts as a refuge for nature	9/23/2015 12:31 PM
799	I love the history of Zilker Park. I absolutely love watching people enjoy the big green lawn with their dogs and families. The playground is nice, although I dislike the connection to the two play areas over the train rails and I do think a more natural area like at Lady Bird Johnson Wildflower Center would be a great improvement.	9/23/2015 11:32 AM
800	open grass fields. and clean spring water.	9/23/2015 11:28 AM
801	I love that it is in the heart of the city, but remains natural and accessible to all. I like that it has trails, the pool, soccer fields, places for kids to play, the train, the Splash education exhibit and that the people care so deeply about the large trees.	9/23/2015 11:20 AM
802	The openness, pool	9/23/2015 11:19 AM
803	Spring water! The Sunken Garden needs restoration ASAP. It's a disgrace.	9/23/2015 11:12 AM

805	Big open green lawn. Train	9/23/2015 10:04 AM
806	The pool mostly. It's wonderful.	9/23/2015 9:14 AM
807	I like that it is a simple, large park that is perfect for almost any activity with enough room for any activity. I've been to many city parks that add too much in the park and barely leave room for activities on a large field of grass. Zilker is unique because it offers something that other city parks don't. Simplicity.	9/23/2015 12:11 AM
808	Great lawn, ability to walk there or play group sports, Barton springs pool, connection to or view of downtown and of lake, family friendly.	9/22/2015 10:13 PM
809	Usually clean, open space, off leash dog area	9/22/2015 10:13 PM

850	accessibility to the Butler Trail and Barton Springs Pool	9/15/2015 2:12 PM
851	Barton Springs Pool is my favorite part of Austin. I also appreciate the trails. It is nice to have a place to go on a long run in Austin.	9/15/2015 2:10 PM
852	I have children so we mostly use Zilker Zephyr, playground and Splash Exhibit I'm a runner so I like the hike and bike trail and greenbelt trail I bring school groups to the park so I value the Splash Exhibit and barton springs for education	9/15/2015 12:49 PM
853	We use the park as our start / finish for long runs and as such the parking, trail and pool/showers are what I use the most.	9/15/2015 11:20 AM
854	Barton Creek and the more natural areas of the park are the best things about it.	9/15/2015 10:24 AM
855	Accessibility for all socioeconomic classes and a preservation of simplicity	9/14/2015 8:02 PM
856	The trees, proximity to Barton Springs and Barton Creek and Ladybird Lake. the large open areas are great for frisbee, dog walking and festivals.	9/14/2015 3:50 PM
857	large trees, native landscapes	9/14/2015 3:46 PM

881	Once upon a time, my car would be one of four or five cars on Saturday morning.	9/11/2015 3:38 PM
882	Large size. Central location. True melting pot location that attracts all types from the Austin population. Natural beauty.	9/11/2015 2:16 PM
883	The natural feel, the springs and pool, the spillway (especially the spillway - my dog loves it), the loads of parking.	9/11/2015 11:58 AM
884	shady, beautiful, meeting place, hillside theater, etc.	9/11/2015 10:35 AM
885	I love swimming in Barton Springs, and being able to get there part of the way by riding my bicycle on the trails. I love the old trees.	9/11/2015 10:00 AM
886	That it is for the CITIENRY and not a tacky-tacky event space like TUR Partners is pushing.	9/11/2015 9:58 AM

895	barton springs pool!	9/11/2015 4:39 AM
896	It is natural. Not to built up with commercialism and signage.	9/10/2015 7:55 PM
897	It is a treasure! Barton Springs Pool is an oasis.	9/10/2015 4:31 PM

Zilker Park Improvement Projects at Barton Springs

898	I like the Splash exhibit, the zillker botanical gardens, and nature center and barton springs pool.	9/10/2015 4:29 PM
899	I LOVE the pool.	9/10/2015 3:36 PM
900	I enjoy the splash exhibit and am glad I wandered in one day. I learned a lot about the springs and park and value the educational components of it and the park.	9/10/2015 3:18 PM
901	I love that this park is open to everyone and the City allows special events to be held in the park. It is a great place for events that can be enjoyed by the citizens of Austin and a way to highlight our City to visitors.	9/10/2015 3:05 PM
902	opportunity to learn about our history & endangered species (how cool is it that we can swim with endangered species?!!!!) Barton Springs Trails Open Space for mixed use	9/10/2015 1:56 PM
903	I really love the Splash Exhibit and the The Sheffield Education Center. The classes there are high quality and informative. The atrium is a great place to sit quietly and enjoy the exhibits that are on display. The classrooms are really kid friendly and have great murals on them.	9/10/2015 1:42 PM
904	The historical features, like the fish ponds, Barton Springs Pool, the old photos in Splash	9/10/2015 12:27 PM
905	open and natural spaces no additional events that close the park to the public	9/10/2015 10:30 AM
906	My favorite spots are the ones that are kept natural- the Greenbelt, the Springs. I love that there is an educational component (the Splash Exhibit) that is free and open to the public- my son enjoys visiting.	9/10/2015 10:29 AM
907	The quiet and great lawn	9/10/2015 9:47 AM
908	Historic bathhouse should have entrance returned to rotunda and improved functionality. Splash exhibit is wonderful, but should be relocated and expanded to more prominent and fitting role for education and visitor experience.	9/10/2015 9:40 AM
909	I really enjoy the Splash exhibit and the pool. It is important for Austin to protect these resources and to continue to plan for how to keep them accessible as the city grows. Families also really enjoy the large playground area.	9/10/2015 8:59 AM
910	The gorgeous water in BARTON Springs	9/9/2015 10:45 PM
911	Barton Springs pool; picnic areas; trails; train; the care that is being taken of the landscape, especially the trees; and broad lawns for playing on.	9/9/2015 8:18 PM
912	I love everything about the park except for the limited/poorly maintained bathrooms and drinking fountains	9/9/2015 7:49 PM
913	Trails, trees, shade, water. Keep Barton Springs Road narrow through the park and over the Springs!	9/9/2015 5:14 PM
914	Barton Springs.	9/9/2015 5:11 PM
915	location, size, variety	9/9/2015 4:45 PM
916	I like the Bathhouse and the pool as well as the greenbelt trail	9/9/2015 4:29 PM
917	It is welcoming and accessible to all.	9/9/2015 4:05 PM
918	I love the history of the park and want to see the historic features preserved and interpreted.	9/9/2015 3:59 PM
919	Lots of old pecan trees New signage and landscaping at entrance train playground eating areas	9/9/2015 3:48 PM
920	I enjoy the trails and barton springs pool.	9/9/2015 3:32 PM
921	Free doggie swim area, Barton springs pool, train, playground, canoe access, great lawn.	9/9/2015 3:27 PM
922	The diversity in an urban setting makes the entire space special. There's literally something for everyone	9/9/2015 1:13 PM
923	Barton Springs, Hillside Theater, Zephyr train, playground	9/9/2015 12:22 PM
924	Ability to sit and enjoy nature, solitude, varied landscape	9/9/2015 11:20 AM
925	open spaces	9/9/2015 11:13 AM
926	Barton Springs Pool, Bathhouse, Barking Springs, Barton Creek Trail	9/9/2015 10:32 AM
927	How open of an area it is, how accessible it is from numerous entry points and the view of downtown	9/9/2015 9:33 AM
928	I like it large open spaces, and its central location making it ideal for festivals, concerts, as well as everyday park use. Barton Springs is the Crown Jewel of Austin. It and Deep Eddy should be treated accordingly.	9/9/2015 9:18 AM
929	Central location wide open spaces Barton springs pool!	9/9/2015 9:15 AM
930	Love the pool & playground area. And the open lawn space. Love the connections to the trails and easy bike access.	9/9/2015 8:37 AM
931	I like the natural feel. I love Barton springs but I alos love the wide open lawn on the north side of Barton springs, room to play and relax.	9/9/2015 8:26 AM

Zilker Park Improvement Projects at Barton Springs

932	I mostly use the hike and bike trail and it is very nice.	9/9/2015 7:48 AM
933	Barton springs, zephyr, hillside theater. Was not aware that sunshine camp was publicly accessible - I thought it was reserved for some special group.	9/9/2015 6:10 AM

937	shade and memories of going as a kid	9/8/2015 10:05 PM
938	Big trees and wildlife, natural spring water pool, very friendly staff, lemonade, alternative parking at south gate	9/8/2015 8:26 PM
939	A green space in the middle of a busy and bustling city.	9/8/2015 8:11 PM
940	The natural environment and the springs. Wish there was. Ore parking!!	9/8/2015 6:40 PM
941	The size, beauty and natural areas.	9/8/2015 5:48 PM
942	Barton Springs Pool, and keeping on course to full fill all the objectives stated in the Master Plan	9/8/2015 5:41 PM
943	It's a bit of nature in the city. Please keep it as natural and uncluttered as possible. I love the water in Barton Springs. My grandson loves the Zilker Zepher.	9/8/2015 5:41 PM
944	the pecan grove has too many picnic tables that invite too many people in one area. This impacted the old pecan trees and combined with lack of supplemental watering caused their decline. Design the new grove by preserving the old trees first, expand the area to spread the picnic tables and people, plant more trees but with proper spacing, include irrigation since an area that has high pedestrian traffic and trees needs to have irrigation fro the trees, use mulch or DG instead of grass but water the old and new trees. Regarding what I like about Zilker: heritage trees (pecans and oaks), open space in some areas, hills with trees, Barton Springs pool, the creek.	9/8/2015 5:18 PM
945	- Night Swim - The park is integrated with the surrounding trails (Greenbelt and Town Lake). - The park hasn't changed much since I was a kid. (The fire engine playground!)	9/8/2015 5:09 PM
946	the pool, trails, disc golf, size, location, trees, the great lawn, the theater	9/8/2015 4:32 PM

948	Great Lawn, Sheffield Education Center, Barton Springs Pool, Greenbelt, Rock Island	9/8/2015 4:00 PM
949	openess and ability to play in open areas with kids and dogs	9/8/2015 3:59 PM
950	It's accessible, attracts a diverse group of people, and has an amazing view of the skyline. I love that Zilker is the location for ACL, Blues on the Green, and other live music events.	9/8/2015 3:38 PM
951	The central location and easy access.	9/8/2015 3:30 PM
952	I like it's natural simplicity.	9/8/2015 3:24 PM
953	The natural feel of the pool, hillside and picnic areas, and the wide-open space of thre great lawn.	9/8/2015 3:22 PM
954	X	9/8/2015 3:16 PM
955	Shady, calm, peaceful, dog friendly, community.	9/8/2015 3:07 PM
956	I think it's great that it offers free public access through our tax dollars. Of course, it seems reasonable for their to be a fee for Barton Springs Pool. I like the fact that people from all walks of life can come together and enjoy public space with their family and friends in a very nice setting.	9/8/2015 1:48 PM
957	Grass	9/8/2015 11:07 AM
958	Diverse areas allowing for kite flying and then having a nice shaded picnic. Perfect venue for occasional large private events, which can help fund public improvements to the park.	9/8/2015 9:58 AM

Zilker Park Improvement Projects at Barton Springs

964	Friendly park environment. Heart and soul of Austin, but would like to see an improvement to the amenities so that it can be comparable to a Central Park experience for Austin. Multiple use activities (i.e. Disc Golf, picnic areas, concessions, etc.) is great. Gives people a reason to enjoy the area. Maintain the local sense of place but upgrade facility features.	9/7/2015 6:40 PM

966	Train for my kids and playscape, green open grass area	9/7/2015 4:54 PM
967	The Playscape hasn't changed since I was a kid. I would HATE to see it replaced with a crappy plastic play ground like every other park. The Springs and Train are staples that make Zilker Zilker.	9/7/2015 4:02 PM
968	The historic train ride and the great tasting burgers.	9/7/2015 3:03 PM

971	Springs and the back entrance	9/7/2015 8:44 AM
972	Large urban park. Water use and viewing. Trails, bike and walking commute route. Features I don't like: Non-public special events that close any portion of the park for more than two days = ACL fest. Vagrants along trail when riding/walking back from events at Auditorium Shores or downtown in dark.	9/7/2015 7:27 AM

983	My kids enjoy the playscape. My family loves canoeing and kayaking, swimming, and hiking. When my kids were younger, they enjoyed the train. We enjoyed the summer hillside theater as recently as 5 years ago, but then the shows got way too crowded.	9/6/2015 4:15 PM
984	The zephyr and the snow cones, the water and the activities	9/6/2015 4:04 PM
985	The pool and park are very special to Austin and especially so as the rest of the city as been completely ruined by development. Please, please help maintain the integrity of Barton Springs and Zilker Park. Without it, Austin will have absolutely nothing to be proud of.	9/6/2015 3:16 PM
986	Nature. Zilker Park shows the world how you can have nature in a city. The best swimming hole around too. And the fact that boy and girls can be topless means no discrimination. Which also shows the world how it can work and that it works well.	9/6/2015 3:15 PM

1001	The pool is amazing, and the trails are quite good! I'm surprised in it being such a large pool, only having one diving board and no waterslide.	9/6/2015 12:39 AM
1002	very open, natural feeling, with manicured improvements, as well as many amenities for families. It's a great park. COA has done well with it. And the water at barton springs, is a must!	9/5/2015 11:31 PM
1003	Lots of activity and options. Location is great	9/5/2015 11:26 PM

1007	Lots of things to do	9/5/2015 9:27 PM
1008	We like how big the playground is, but it's seen better days. The train is great and boards quickly, but ticket purchase could be improved. The snack bar is fast, healthier options would be great, and the staff usually isn't particularly nice.	9/5/2015 8:02 PM
1009	the great lawn, barton springs pool	9/5/2015 7:54 PM
1010	Pool	9/5/2015 7:51 PM
1011	I love the pool, big fields and the trail head for the Violet Crown Trail. These are all activities that bring me to the park several times a week. I like that it is left pretty natural. I rely on the shady spots during the summers, so tree planting would be great.	9/5/2015 7:31 PM

1026	The gigantic trees are very important. The train. Rock Island. The trails. I really like feeling like I'm out in nature even though I'm in the heart of the city. Please don't over landscape the park w/ nonnative plants. I also appreciate the history of the park and the educational information at the Splash exhibit. The sunken garden is neat too.	9/5/2015 4:27 PM
1027	We love to visit with the kids and the playground and train are always a must.	9/5/2015 3:53 PM
1028	It's natural and not man made. The trees and shade make it nice and you can get food in one area (please don't bring in food trucks)	9/5/2015 3:49 PM

1055	It use to be a nice area I could go to enjoy or take a peaceful jog after work. Now between the crowds, dusty dry trails that cause breathing problems for me and my spouse, parking headaches, and the bikers that don't pay attention on the trails we've lost almost all interest in Zilker.	9/5/2015 11:37 AM
1056	The water, chiefly Barton Springs but enjoy the soccer fields, rock garden, playscape and hikes. Would prefer events get moved to other locations. Zilker cannot sustain large festivals long term.	9/5/2015 11:30 AM
1057	I do not like how the play equipment at the play ground is split between two sides and my child can easily go from one side to the other using the equipment while I have to run around a fence to catch up with him on the other side.	9/5/2015 11:29 AM
1058	I love the playscape, would love more shade over the musical area and increase playground equipment.	9/5/2015 11:18 AM
1059	Love fire engine at Playground and walkways inside playscape	9/5/2015 11:02 AM

1	It depends, but if the additional features were made available in addition to all current features, and a temporary fee was levied to pay for the installation of the new features, I would support it. In general, though, one of the things that's so great about parks is that they are free.	11/2/2015 6:55 AM
2	Increase parking fees on weekends to encourage walking and biking	11/1/2015 7:52 AM
3	fees are very low, but expedite payment of fees, the ticket handlers are too slow and sometimes they are rude, use automated cards.	10/30/2015 6:55 PM
4	More tree and landscape maintenance. More maintenance all around. More staffing. Staffing and equipment for a new Splash!	10/30/2015 4:11 PM
5	more trees and water fountains	10/30/2015 3:02 PM
6	PARD needs more money in general to keep the quality of life in Austin on the high end.	10/30/2015 2:29 PM
7	I think we should keep it simple and accessible (both traffic and cost). There already is a lack of parking. Barton Springs is a special enough feature. No need for	10/30/2015 2:14 PM
8	It's a park, it should be accessible to everyone. Perhaps pay per use fees, such as events etc.	10/30/2015 1:32 PM
9	under current city funding environment, fees are needed to support park.	10/30/2015 12:56 PM
10	Fees are needed that promote good environmental behavior, such as biking to the park.	10/30/2015 12:42 PM
11	We pay enough	10/30/2015 12:16 PM
12	fees are already too high for Botanical Garden and B S Pool. Seniors should get in free or reduced rate at both. Use the money from ACL Fest etc to pay, do not ask the overtaxed citizens of Austin for more in entry fees!!!	10/30/2015 12:08 PM
13	User fees are needed to supplement deficient parks funding.	10/30/2015 12:04 PM

Zilker Park Improvement Projects at Barton Springs

14	absolutely not...huge families use the park, and this would be an imposition and deterrent to those families...very important to keep fees fixed	10/30/2015 10:04 AM
15	Shouldn't have too high fees - this is Austin's big park and needs to be open to all, but understand the need for funding.	10/30/2015 9:41 AM
16	Keep it accessible to poorer populations	10/30/2015 9:24 AM
17	The park is over used. Most of it used as a parking lot for events. It looks like a dump most of the time. If people are going to use it so much then they need to pay for it. Traffic on Barton Springs is a disaster. The homemade signs for parking looks shabby.	10/30/2015 8:35 AM
18	Sort of yes I don't want any children cut out from access	10/30/2015 8:28 AM
19	Provide better public transit and increase parking fees.	10/30/2015 8:09 AM
20	A dollar or two more for swimming st Barton Springs would be fine for me. It's important to keep some resources free for all citizens, however. Maybe festivals should pay more; especially those that put some heavy wear and tear on the parks.	10/30/2015 8:00 AM
21	I already don't like the parking fee on the weekends. Could a remote area of the park be for designated parking with frequent shuttles to the park? I want Zilker Park to be accessible to all people and already the pool fees are high for large families.	10/30/2015 7:41 AM
22	Leave it as natural ie historic as possible.	10/30/2015 4:28 AM
23	With all of the events, too many for this Greenspace, let PARD pay for improvements and use the funds collected from developers in areas around the park.	10/29/2015 11:34 PM
24	Our park system is woefully under funded by city Council, and therefore additional fees should be used to take care of the crown jewel park.	10/29/2015 10:32 PM
25	I think it's VERY important to keep public spaces accessible to ALL, not just to those who can afford them.	10/29/2015 10:30 PM
26	I think that there needs to be more parking lot at Zilker Park	10/29/2015 10:01 PM
27	the only fees i am aware of are for barton springs and parking...	10/29/2015 9:38 PM
28	taxes are high enough- if we live in Austin we pay enough- increase the cost to tourists - like a hotel tax- they are using our resources...	10/29/2015 9:33 PM
29	But only for non-residents. The park is becoming too much of a tourist attraction which does not allow locals to enjoy one of the most special and important places in Austin.	10/29/2015 7:35 PM
30	funding needs to come from other sources	10/29/2015 4:56 PM
31	Yes, but not fees from the public. The City should be charging C3 and other companies that put on big events in Zilker Park A LOT more for temporarily privatizing a public entity. Other cities, like Chicago, charge about three times more than Austin received from C3 in 2015. Keep it easy for the public to access the park, but seek increased revenue from those making big bucks for using the park. In any case, don't increase parking capacity. It takes away green space and increases impervious cover, which hurts Barton Creek. There's already plenty of parking. If people cannot park, they will be encouraged to carpool, take public transportation, or use other modes of transit. Accommodating the use of single-occupancy vehicles encourages the use of single-occupancy vehicles. We need to get away from that model before CTRMA ruins Zilker forever with a double decker bridge over MoPac. Keep ZP rugged! It should be nature-- not an engineer's version of nature.	10/29/2015 4:38 PM
32	I think every effort should be made to keep Zilker Park accessible to all income levels in the Central Austin community.	10/29/2015 3:49 PM
33	I am in favor of paying for the conservation and preservation of our natural, cultural and recreational treasures.	10/29/2015 3:00 PM
34	I thought the increased fees for non-residents was going towards that. \$8 is a hell of a lot to pay for many people--and are you going to be carding them to see if they're "outsiders"?	10/29/2015 11:11 AM
35	Yes, some user fees could be added to improve maintenance at the park	10/29/2015 8:39 AM
36	Kinda trashy sometimes, no body's cleaning up	10/29/2015 8:30 AM
37	ACL, Soccer, special event fees and our taxes should be more than enough money to make improvements. The city just needs to make it a priority.	10/28/2015 3:40 PM
38	Build parking deck. Add weekend market. Charge vendors and food trucks to drive extra revenue and engagement from park. Help activate and create town mixing center while stimulating entrepreneurship and sustainable leisure.	10/28/2015 2:56 PM
39	Charge for parking everywhere.	10/28/2015 9:58 AM

Zilker Park Improvement Projects at Barton Springs

40	If there is no other way to do it, then yes.	10/28/2015 9:48 AM
41	If additional fees are necessary, for the improved maintenance of the existing grounds in their natural state (i.e. removal of weeds/invasives in particular comes to mind). However, it seems this could be obviated by wisely managing existing resources to focus on nature, vs. 'improvements'	10/28/2015 2:00 AM
42	I do not support additional fees but I would love to see donation boxes.	10/27/2015 11:17 PM
43	I don't see a massive change needed in adding elements, rather simply maintaining the existing ones better. With only additional tax dollars flowing into this town I don't see how that would be difficult, even with increased use, to allocate funds from existing means appropriately. Still, if you added a dedicated parking-queuing-bypass lane - you could meter the parking spaces and make plenty to help repay funds needed to make improvements	10/27/2015 11:07 PM
44	I would consider \$\$ for maintenance. Zilker is a real treasure.	10/27/2015 10:54 PM
45	Yes, for parking fees but not for single person access: hiking & biking.	10/27/2015 10:18 PM
46	Need more dog bags & cans. I'm a dog owner who uses unofficial off leash dog area on north west grassy side of soccer fields. I also like to lay out in grass & read. How do we balance dog areas & poop free sittable grass?	10/27/2015 8:57 PM
47	Event parking deters regular usage. Nice to have shuttle or some way to keep park access for regulars during special events...	10/27/2015 8:41 PM
48	Keep Zilker and Barton Springs as it is. Don't move the entrance please. Thanks	10/27/2015 8:15 PM
49	As long as it's not too much of an increase	10/27/2015 5:54 PM
50	Picnic tables and drinking fountains are not a significant capital improvement - these should simply be added to the bill that C3 has for using the park. Parking and improved maintenance is a greater cost burden that should be shared between the daily users, event promoters (Blues on Green / C3). Maintenance is one of the most important factors for Zilker	10/27/2015 5:53 PM
51	I would like to see additional money put towards more drinking fountains, improved signage, and maintenance.	10/27/2015 5:26 PM
52	I am not interested in parking. I am interested in the grounds and in maintenance. I believe someone with landscape experience at a big city park like Central Park, needs to be brought in to help. We don't know how to do this sort of thing anymore.	10/27/2015 4:27 PM
53	Please leave Zilker Park alone it is fine the way it is.	10/27/2015 3:37 PM
54	IF and only IF, cleaning practices for the pool are enhanced and the shallow is kept clean for our families who are PAYING these fees!!!!!!!!!!!!!!!!!!!!!!	10/27/2015 2:45 PM
55	Additional fees make the park less accessible to lower income households. Council must prioritize park improvements through the general fund.	10/27/2015 2:31 PM
56	We need to pay for nice things. The people using these things should foot the bill.	10/27/2015 2:19 PM
57	Only if parking does not increase, I already feel that fee is as high as it should be. For other fees (entry to Barton Springs for example), I'd be fine with a small increase.	10/27/2015 1:19 PM
58	Depends on the charge, if there is a \$1-2 increase then it is fine. But if the charge is exorbitant, then there won't be a purpose. Also, if they were increase in fees in must be beneficial change.	10/27/2015 12:55 PM
59	Additional parking and improved maintenance	10/27/2015 12:47 PM
60	Additional parking should only elicit additional fees from the drivers who park their cars there. I see no reason why people who don't park cars in Zilker Park should pay fees to subsidize the people who do. In fact, parking fees could be used to fund additional features in Zilker Park.	10/27/2015 12:45 PM
61	our taxes were increased recently for parks. I don't think it's appropriate to also raise fees.	10/27/2015 12:39 PM
62	the city already has too much money coming in	10/27/2015 12:37 PM
63	Need to increase trash pickup on weekends; Need patrols to enforce curfews and prevent graffiti;	10/27/2015 12:25 PM
64	No - I'd rather keep it affordable for all the families of Austin rather than raise fees.	10/27/2015 12:20 PM
65	yes, I support user fees to pay for features for park users as opposed to paying for additional features using general funds	10/27/2015 12:20 PM
66	I think asking users to contribute is very reasonable.	10/27/2015 12:11 PM

Zilker Park Improvement Projects at Barton Springs

67	they dont need to make the park fancier, they need to stop using the polo and fields next to mopac bridge as parking... use shuttles from city garages during weekends and events, stop trying to improve and just take care of what we have...STOP shutting down the park for months at a time for events...	10/27/2015 12:08 PM
68	If you are considering fee increases to pay to make more parking, consider instead charging a parking fee independent of the admission fee. Non-car users subsidize motorists enough already, and the parking lots are the ugliest element of the park as it exists now.	10/27/2015 11:37 AM
69	I understand it takes money and I'm willing to contribute to have improved facilities specifically parking, tables, shade, bathrooms.	10/27/2015 11:29 AM
70	The trail is used a lot, and the maintenance can't quite keep up	10/27/2015 11:14 AM
71	Yes, if it is not raised too much. It would help to put an explanation of why and what it pays for if the fees do go up. People are more willing if they see where their money is going.	10/27/2015 10:18 AM
72	A minor parking fee increase would be acceptable.	10/27/2015 10:17 AM
73	no resident fees should be increased and enforced. Currently their is no proof required to get the no resident discount.	10/27/2015 10:03 AM
74	I think there are already too many charges for parking. I don't feel there's a need for more picnic tables but more water fountains would be great.	10/27/2015 9:59 AM
75	I feel we pay enough in taxes already and additional fees should not be required. I'm sure there are areas in city government where waste, fraud, and abuse could be identified and eliminated to free up additional resources.	10/27/2015 9:47 AM
76	perhaps not a drastic hike, but we the growing population and the amount of visitors increasing, I expect it will take more money to maintain and preserve one this gem of Austin.	10/27/2015 9:28 AM
77	I think parks should have limited fees for Austin residents who pay taxes here. I would be extremely disappointed if the park entrance fee was increased. If anything, the entrance fee could be increased for tourists.	10/27/2015 9:18 AM
78	I'd rather it were free, but I would pay for an improved park.	10/27/2015 9:18 AM
79	Very nominal. Should be linked to parking only, to encourage car pooling, and not hurt low income access	10/27/2015 9:03 AM
80	The theater needs bathroom facilities.	10/27/2015 8:12 AM
81	Come on, I've paid my entire life. Charge the visitors. How many special events are held there? ACL, trail of lights, etc. If you can't cover these costs you need to reevaluate some processes. I know how much revenue these bring our city.	10/27/2015 7:41 AM
82	Drinking fountains	10/27/2015 7:26 AM
83	This question does not make sense. The city should provide the park for the citizens.	10/27/2015 6:49 AM
84	Cannot pay any more taxes -- med school, acc, etc. already raised. Get ACL people to pay, my goodness!	10/27/2015 6:45 AM
85	The parking fees and Barton Springs entrance fees are enough. I would support some entrepreneurial efforts where funds raised would go back to the park and not into the general fund.	10/26/2015 11:14 PM
86	More maintenance needed due to increase useage	10/26/2015 5:48 PM
87	No additional parking!! Get cars off of the polo fields, its a park, not a parking lot! Charge more for parking, and on the south side too, no free parking on weekends, anywhere. The pool entry is too low, it should be \$5, then set up a system to subsidize entry fees for low income Austin residents. Look at Blue Hole, and they sell out daily. Zilker is being loved to death!	10/26/2015 3:19 PM
88	The accessibility of park for handicapped should be free all others should pay accordingly	10/26/2015 2:29 PM
89	There should be more and obvious connections with the other trails in the area, such as the Butler Trail and the Barton Creek Greenbelt. There also should be more venues for larger groups who want to hold events. The pavilion next to Barton Springs, and the picnic areas near the bridge crossing Barton Creek, the Polo Fields, and above the Rock Garden are not enough.	10/26/2015 2:04 PM
90	Tree care Historic structures maintenance and protection	10/26/2015 12:11 PM
91	I would not support fees for the items you list above. I would like to see maximum fines for people leaving dog poop or litter, and perhaps maximum fines for illicit camp sites. This might seem mean spirited but it would pay for the items that concern me the most at the park. Also - perhaps some interdepartmental help could assist you all with riparian habitat restoration and tree plantings - some funding might be able to come from the other departments involved	10/26/2015 11:00 AM
92	Minimal increase (\$1) for upgrades that keep character of park in mind. Additional parking = bad if you have to pave over sections of park.	10/26/2015 10:38 AM

Zilker Park Improvement Projects at Barton Springs

93	Yes, but I wonder how a city growing as rapidly as Austin and with property values soaring so high cannot find a way to allocate more dollars for its green spaces within the existing budget or through more creative negotiation with commercial developers.	10/26/2015 10:08 AM
94	NO NO NO NO NO. Use the money you have, get it back from the departments that are taking it from you or charge C3 a realistic rental for taking Zilker Park and all surrounding areas OFF the market for over a month and a half.	10/25/2015 1:03 PM
95	The overbooked festivals continuing to use the park should be taxed to pay for all maintenance. PS This survey was somewhat manipulative due to limited choices for answers. The rankings are B.S.	10/25/2015 9:28 AM
96	A moderate increase in fees, so all Austin citizens can still afford to use our park.	10/24/2015 12:52 PM
97	parking fees should be increased to incentivize park users arriving via bike, foot, bus	10/24/2015 10:10 AM
98	Zilker gave that land to Austin provided there was to never be a charge to use it. I object to any access fees or parking fees at Zilker.	10/24/2015 10:03 AM
99	drinking fountains would be nice.	10/24/2015 8:25 AM
100	Increase maintenance fees for special events to help pay for maintenance and enhancements to Zilker Park. Do not increase fees for regular park users!	10/24/2015 8:21 AM
101	A small fee for additional parking (\$2-3) would be fine.	10/23/2015 9:42 AM
102	more trees	10/20/2015 2:17 PM
103	Fees if raised need to stay with the park, if the money is not used to fix the park we should not pay it. I currently live outside thw city but still work, shop and play, in Austin, we have been paying for PArking for years and I have not seen any indication of that money being put back into the Parking Lot or the Roads, they are in bad condition but are not fixed. Where does that money go? If you cant explain this to me you should not increase the current fees. I Love Zilker please preserve this Iconic site.	10/20/2015 1:15 PM
104	Only if coupled with increase in entrance fee for Barton Springs Pool. It's kind of ridiculous that it costs more to park than swim in a spring that harbors endangered species and native wildlife.	10/20/2015 8:35 AM
105	Keep costs low so everyone can enjoy the park.	10/20/2015 7:49 AM
106	I picnic on blankets, bring my own water, and if I can't park near the springs, it's probably crowded with out-of-towners anyway.	10/19/2015 11:45 PM
107	Increase resident and non-resident pool entrance fees - weekend only. Manage weekend parking fees.	10/19/2015 10:34 PM
108	You have to pay for nice stuff.	10/19/2015 9:18 PM
109	Some amount of those funds should be earmarked to properly restore and maintain the historic structures.	10/19/2015 5:12 PM
110	Even increasing entry to Barton Springs Pool would be reasonable to me, by a couple dollars if that meant it would be up-kept better and protected	10/19/2015 2:25 PM
111	Additional parking fees are appropriate.	10/19/2015 10:28 AM
112	I would gladly pay for an annual Park Pass if it included offsite parking with shuttle rides to park areas. Alternately, I would pay for a city-wide park pass and pay-as-you-go parking system if offsite Zilker parking with shuttle was available. Just this past summer I abandoned plans to visit the park with my grandson due to the lack of parking. Made a couple laps and gave up. I would gladly ride 15-minutes or more from an offsite lot if a multi-stop hop-on-hop-off shuttle was available. Whatever happened to those 'Dillo buses? Something like that would be great.	10/19/2015 9:12 AM
113	I think it has what I need at this point.	10/16/2015 11:23 PM
114	perhaps, IF outside events are limited. The number of special events occurring at the park is too high - residents don't get to take advantage of the park now... not certain i'd want to pay more for something i don't use... The Quality overall has diminished... especially. It doesn't seem there's as much open space in the open space area.. It seems as though it's been abused by all the usage with special events.	10/15/2015 9:30 PM
115	modest	10/15/2015 9:40 AM
116	Minimal increase.	10/15/2015 8:36 AM
117	I'd prefer a user-fee structure over a raise in taxes.	10/14/2015 10:55 AM
118	The entrie parks department i needs to be given more sopport than it has been recieving for the last 10 to 15 years. Teh City of Austin parks are woafully under funded for the fastes growing city in the United States.	10/14/2015 10:48 AM
119	Especially if those improvements included more restrooms and modern drinking fountains	10/14/2015 10:22 AM

Zilker Park Improvement Projects at Barton Springs

120	parking fees	10/14/2015 7:52 AM
121	Doesnt yhe city make enough off of acl to pay for this! Put a fee on acl tickets to improve zilker	10/14/2015 6:14 AM
122	Only if they were used to bring down the over scheduling of the park (i.e. cyclocross events, etc) and to better maintain the landscape and/or the springs. Not for more picnicking areas or parking.	10/13/2015 6:10 PM
123	I say yes with some qualifications - I am not interested in more parking if it means asphaltting more of the park.	10/13/2015 5:58 PM
124	NO NEW FEES for residents. Zilker and the Springs are already to pricey for many economically challenge to afford and enjoy. Quit trying to make Zilker/Bartons a source of income. Develope other parks to draw people away from Zilker,	10/13/2015 5:48 PM
125	Pay-to-use is fair	10/13/2015 2:53 PM
126	I would support a small increase especially for more parking.	10/13/2015 2:19 PM
127	Everyone should pay to park. Everyday. The fees for the pool should go up as well. Other than that, the park should be paid for by taxpayers.	10/13/2015 2:14 PM
128	i like zilker park. parks aren't free. i'm happy to pay more for more amenities.	10/13/2015 2:14 PM
129	I don't pay any fees because I usually walk in - but drivers should pay to park	10/13/2015 2:12 PM
130	Would pay extra taxes, but don't want fees that limit use by lower-income Austinites	10/12/2015 8:45 PM
131	Only increase in fees for maybe a few drinking fountains and improved maintenance. And no more big events that ruin the park and preclude Austinites' ability to access our public park space (so therefore, no increase in fees for event producers - send them elsewhere). I'm fine with fitness-related events like the few marathons/triathlons/running events that are centered around Auditorium Shores on a few Sat/Sunday mornings. But no more, please.!	10/12/2015 7:33 PM
132	Small increase only. It's a city park and city revenue should maintain it	10/12/2015 5:27 PM
133	Improve Barton Springs pool parking (additional parking) and restrooms/changing rooms	10/12/2015 3:08 PM
134	Any cost increase further reduces access of low and moderate income working Austinites. Prefer other ways to finance park improvements.	10/12/2015 10:07 AM
135	Zilker needs to be free to the public. We need to raise awareness of park opertaion costs to the public. People are unaware how expensive parks are. We need donation based funding, but the park should be free.	10/12/2015 9:09 AM
136	Must be reasonable.	10/12/2015 7:59 AM
137	Accessibility!	10/12/2015 12:05 AM
138	Landscaping to preserve the trees	10/11/2015 8:20 PM
139	additional parking	10/11/2015 11:59 AM
140	Charging users a small fee on lake trail for staffed and cleaned bathrooms is a fair trade	10/11/2015 2:19 AM
141	Charge a higher fee for events held at the park such as Trail of lights and ACL.	10/10/2015 11:51 PM
142	Picnic tables, drinking fountains	10/10/2015 7:45 PM
143	Can't afford it. Austin is very expensive. In fact, I am planning to move to a more affordable area.	10/10/2015 3:01 PM
144	It depends on how much more the fees will be and where they will be added. I hate that zilker charges for parking now regularly. It makes it less accessible for other people. Also, the entrance to pay for parking is such a pain and out of the way. I wouldn't mind paying more to enter Barton Springs pool, to reserve picnic tables or for parking during a special event.	10/10/2015 11:37 AM
145	No more than \$1 - \$2 increase or we will exclude low income people that depend on it.	10/10/2015 10:57 AM
146	The fee should reflect the cost to cover all repairs or added amenities necessary to improve the park and allow it to be there for generations to come.	10/9/2015 10:55 PM
147	I also think you should charge festivals more to use our park and have active fundraisers or go fund projects during these events. Our parks are closed to the public during festivals and many people come from out of town.	10/9/2015 10:48 PM
148	For peak days yes, for non peak days no.	10/9/2015 5:54 PM
149	00111944112015	10/9/2015 5:34 PM
150	ZP is the crown jewel of this city and more money is needed to maintain and enhance its beauty	10/9/2015 12:27 PM

Zilker Park Improvement Projects at Barton Springs

151	I'm not sure. In some ways this makes it less accessible to the greater public but I also know that you need to get the money from somewhere. I feel like I would use the park less if the cost was higher.	10/9/2015 11:55 AM
152	fees are too low, but make entrance faster, like having a prepaid scan card to enter and park. Ticket staff are very slow.	10/9/2015 11:47 AM
153	Maintenance is very important; Keeping things clean and looking nice.	10/9/2015 10:33 AM
154	If for maintenance and improvements to existing natural use but not to improve the park for events. This park should be a show stopper, with all the historical value. We need to be good stewards of inherited and bought parkland.	10/9/2015 9:21 AM
155	Public should expect to pay more for an improved park.	10/9/2015 8:13 AM
156	No way!!!!!!!!!!!!!!!!!!!!!!!!!!!!!! No more expensive man made pier paths please. Just update the Barton springs bathrooms and better mass transit and parking for the residents who live in austin. Perhaps have free amenities for residents And small fees for visiting guests. Really the park should be free for everyone. Think Central Park, NYC! The best city park to be a role model	10/9/2015 12:49 AM
157	If there are still times that are free	10/8/2015 10:51 PM
158	I guess there is nothing we can do about it, but there are too many people in Austin now. I don't want to go anywhere where there will be a lot of people. When I used to go to ZP, there were no fees. That's the way I like it - no fees and no crowds. Sorry, I am not much help.	10/8/2015 10:15 PM
159	I would only support additional fees for parking if there were a better way to get there, like a Metro stop. It's a pretty big distance between the Metro stop at the convention center and Zilker. All the developers making millions off the new condos downtown should contribute to more amenities at the park.	10/8/2015 9:44 PM
160	I would support the increase as long as I knew what the increase was for. The park is a great resource for Austin and should be maintained and improved.	10/8/2015 8:22 PM
161	If added attractions an additional fee is warranted.	10/8/2015 8:20 PM
162	Zilker Park should not be closed to the public as much as it is. It's ugly and tacky to put up plastic that prevents seeing inside the park.	10/8/2015 7:57 PM
163	The City charges plenty of fees and taxes and needs to do more with that money to benefit many and not waste it on projects that benefit few citizens!	10/8/2015 5:13 PM
164	it is the only way to improve the park	10/8/2015 4:53 PM
165	Maybe, would depend on what the increase was and what items were going to be added because of it.	10/8/2015 4:43 PM
166	rock climbing features, rebuilding and landscaping and protecting the sunken gardens for access to the walls and trails outside the fenced pool--this is a tragedy at present in that it is such a mess and so overgrown.	10/8/2015 3:08 PM
167	It's already not very accessible.	10/8/2015 2:53 PM
168	NO MORE PARKING LOTS!!!	10/8/2015 2:52 PM
169	Sure, as long as it's a minor increase	10/8/2015 2:30 PM
170	It's already relatively expensive if paying for parking and/or pool access.	10/8/2015 2:22 PM
171	I prefer to have the people that use the facilities pay for the use rather than only using tax funds. A good combination of both is great.	10/8/2015 2:10 PM
172	could increase price of parking	10/8/2015 1:55 PM
173	Yes, but not a steep increase that could reduce the number of families who could afford to visit Zilker.	10/8/2015 1:43 PM
174	Reasonable increase to maintain the beauty and amenities of the park--groundskeeping maintenance, picnic areas	10/8/2015 1:19 PM
175	But only if there's not commercial signage everywhere, companies are prevented from moving in and monetizing the area, and it remains accessible to all (for example, there are free amenities available as well). It doesn't need to be fancy; it provides a great value as it is and any fee increase should be tied solely to improving the look and feel of the current park (not a major overhaul).	10/8/2015 11:59 AM
176	Maybe a slight increase	10/8/2015 11:29 AM
177	For parking.	10/8/2015 10:48 AM
178	It would be understandable for camping, big pavilions and even parking but it would be hard to justify paying more for picnic tables, drinking fountains, rr's and maintenance because that should come in the cost of maintaining which is already coming out of sales taxes.	10/8/2015 10:28 AM

Zilker Park Improvement Projects at Barton Springs

179	We should all expect costs to go up to replace worn out infrastructure and cover higher costs associated with staffing. Discounts could be offered at certain times to not put off lower income residents.	10/8/2015 10:11 AM
180	Austin in general does not do a good job of explaining all the additional fees and taxes and where the money actually goes. Until that is improved I'd likely not support and increase.	10/8/2015 9:52 AM
181	Why don't you charge C3 Presents a higher fee? We already pay taxes and fees and then the park is rented out for them. I have no problem with them using and paying for the park, but if anyone needs to pay, make the biggest user pay.	10/8/2015 9:22 AM
182	I feel you should charge more for Barton Springs AND limit attendance	10/8/2015 9:13 AM
183	Absolutely not! Austin is already leading the nation in economic segregation. We do not need to alienate the low-income and poverty level residents of this city further.	10/8/2015 8:33 AM
184	add'l parking & improved maintenance	10/8/2015 8:12 AM
185	Acl already takes over the park for an entire month. Raise fees on them to raise the extra revenue.	10/8/2015 6:39 AM
186	All mentioned above	10/8/2015 6:33 AM
187	I live in the neighborhood so typically don't pay fees other than to use Barton Springs. The park is typically more trashed after visiting from non-neighborhood locations so I feel it would be appropriate for those individuals to pay more for maintenance	10/8/2015 5:20 AM
188	maybe in a limited and very deliberate way. not just to raise the prices	10/7/2015 10:55 PM
189	it's basically austin's backyard, it should be free, at least to residents. why not charge \$10 to residents for yearly park pass, but charge non residents more for everything?	10/7/2015 10:48 PM
190	I have never had a problem with the fees.	10/7/2015 9:57 PM
191	I support improvements	10/7/2015 9:22 PM
192	It should be free. It's a park!	10/7/2015 9:19 PM
193	aren't our housing taxes enough?!?	10/7/2015 8:46 PM
194	Support local artists to add playground amenities. As mentioned before, Judd Graham of 220 Designs has some great metal ants that would be fun for the kids and artistically/aesthetically interesting.	10/7/2015 8:41 PM
195	I don't mind paying for the creation of additional parking.	10/7/2015 8:04 PM
196	It within reason.	10/7/2015 8:03 PM
197	Maintenance	10/7/2015 7:36 PM
198	those listed	10/7/2015 7:12 PM
199	Sure	10/7/2015 6:31 PM
200	We already pay substantial taxes to support public parks. Make your budget work. Adding fees hurts low-income and working families the most.	10/7/2015 6:14 PM
201	Is there not ANY budget already in place for this? Do we have to pay more?	10/7/2015 6:13 PM
202	I hope not - those of us on a tight retirement budget need places we can enjoy and Zilker is one of those places.	10/7/2015 5:50 PM
203	If the park is public, it should remain public. Great world class cities have magnificent free city parks. With all the increased property taxes in Austin, I think we can afford to keep Zilker free.	10/7/2015 5:47 PM
204	Playground, new trees	10/7/2015 5:47 PM
205	All depends on what you are going to add	10/7/2015 5:45 PM
206	if money was matched by the city for an increase in swimming access at the neighborhood pools. AND for a North and a South Natatorium for the high schools to use year round.	10/7/2015 5:45 PM
207	Not everyone is rich enough to pay to play high fees.	10/7/2015 5:33 PM
208	Given that it's so crowded in the summer, I'd have no problem with a higher charge for parking in the park (because I'd walk anyway).	10/7/2015 5:32 PM
209	Charge at all of the facilities, people will still come in droves and maybe facilities can be secured and maintained with proper amounts of staffing. ZBG started charging....	10/7/2015 5:15 PM

Zilker Park Improvement Projects at Barton Springs

210	I think there could be more playgrounds (not just the existing one). I think there needs to be some attention to parking--I don't like paying on the weekends, so usually I don't go on the weekends or I park nearby. I think existing bus service to the park is not really very good, but I do like having AustinBCycle available. I don't think the improved amenities is the issue--I think the issue is the park is too crowded most of the time and off limits for use for big events, and parking is usually limited. I actually think there needs to be more signage, more ways to get to the park without driving, and more expansion of parks in other parts of the city (such as Roy G Guerrero) so that Zilker would be less crowded.	10/7/2015 5:07 PM
211	Please add more roads. There are multiple entrances to zilker, but only one gets you to the pool and the rest force you back onto barton springs road - it is very confusing.	10/7/2015 4:58 PM
212	That is what the bond is for.	10/7/2015 4:34 PM
213	It might be good to have a donation box that could be used at the park	10/7/2015 4:10 PM
214	Unless the money was used for maintaining current features, grass, trails, etc.	10/7/2015 3:54 PM
215	I think this is the highlight of our urban city and parks. It should be a free gift to all. Find the funds.	10/7/2015 3:50 PM
216	You make enough from events and taxes...	10/7/2015 3:27 PM
217	Protecting trees, avoiding events that tear up the park, drinking fountains, etc.	10/7/2015 3:23 PM
218	Keep it accessible to all, please!	10/7/2015 3:23 PM
219	There should already be an annual budget for maintenance and improvements.	10/7/2015 3:21 PM
220	Parking is definitely needed and would happily pay a higher fee if more parking was provided	10/7/2015 3:17 PM
221	Improved maintenance and restrooms are most important. I believe that park access should be free, but certain activities/privileges could have a cost increase (i.e. Parking fee, cost of existing/new amenities)	10/7/2015 3:14 PM
222	there should be no charge for walkers or cyclists.	10/7/2015 3:13 PM
223	It should be open and free to all. Perhaps fees for certain areas, but they should be minimal.	10/7/2015 3:11 PM
224	the improvements are necessary. if it ain't broke, don't fix it.	10/7/2015 3:09 PM
225	I would be willing to pay more for new features.	10/7/2015 3:07 PM
226	Keep fees down. Tax high rise dwellers.	10/7/2015 3:02 PM
227	I support higher fees for improved maintenance and erosion control.	10/7/2015 3:01 PM
228	Probably not, unless absolutely no other options.	10/7/2015 2:56 PM
229	At the pool parking can a problem in the morning; more parking would be great, but only if access to the pool from the parking is well-lit and safe. Lighting in the parking areas could be better. It would be great if the city could pay someone (not necessarily lifeguards) to be at the facility from the time it is open. I would support higher pool fees for these things. I swim during the early morning specifically because I don't like crowds and I don't want to struggle to find a parking place at the far dark end of the lot. I would be willing to pay a fee for better lit, more available, and more secure parking.	10/7/2015 2:55 PM
230	The park should be accessible to EVERYONE	10/7/2015 2:51 PM
231	I'd support a fee increase just because the fee seems low. Further improvements aren't needed.	10/7/2015 2:49 PM
232	Should come out of city budget, not user fees.	10/7/2015 2:39 PM
233	but i absolutely do not support a fee on holidays, because families/people with the day off should be able to go to the park.	10/7/2015 2:37 PM
234	Yall need to fire a few people to get money for work done and if yall can't make money with venues then stop having them , now it seems that all your music artists sing about is hell , satan, and sex . Back in the day it was just about sex because the cia promoted it with drugs especially LSD, did you know that Jim Morrison's dad helped to start the war and that bob marly's dad was in charge of chemical weapons all from laurel canyon	10/7/2015 2:36 PM
235	Only if there was a skatepark	10/7/2015 2:24 PM
236	If C3 is to continue to over utilize the park for 3-4 weeks per year, much higher fees need to be imposed. Or better yet, move ACL out of the park completely during one of the best times of the year.	10/7/2015 2:19 PM
237	We don't like paying to have to swim as it is. Appreciate the lifeguards so we pay, but wouldn't come as often if there were fees or if the current cost to swim inside became higher.	10/7/2015 2:13 PM
238	I think you all are doing a great job as is! I love the low cost of pool admission and the zephyr.	10/7/2015 2:12 PM

Zilker Park Improvement Projects at Barton Springs

239	Keep overcrowding out	10/7/2015 2:08 PM
240	Money should be raised in a different manner	10/7/2015 2:06 PM
241	Build a mountain bike skills park like Valmont Colorado	10/7/2015 2:00 PM
242	Would pay for improved maintenance.	10/7/2015 1:59 PM
243	Possibly. It would depend upon the percentage of increase of fee and to what extent. Could parking increases pay for additional parking & other uses. Usage fees to pool or zephyr apply to improvements at those elements and other uses. I would hate to see any of the centrally located land of the park be used for new parking. New lots should be provided on the outer limits and potentially have shuttles if necessary to bring overflow visitors/patrons into the park. The park won't be more enjoyable by losing green space for additional surface parking lots. maybe a new parking structure could be created at an existing surface lot that could integrate new elements to the park.	10/7/2015 1:55 PM
244	Because of the high volume of people I think that an entrance fee could be considered appropriate.	10/7/2015 1:54 PM
245	I don't think Zilker needs more silly features; it's feature-packed already. But it does need halfway decent signage. Parking and entry is a total disaster.	10/7/2015 1:52 PM
246	Yes, but only a minimal fee.	10/7/2015 1:48 PM
247	Capitol Metro funds could apply here.	10/7/2015 1:47 PM
248	I'd pay to park if parking was close and affordable or if a shuttle was available	10/7/2015 1:46 PM
249	it costs money to maintain	10/7/2015 1:45 PM
250	It costs money and parks are not funded the way they should, in order to keep up with the demand of the city we should all contribute.....just not an arm and a leg because there are people in Austin who do not make enough money to pay fees.....this is why I ride my bike.	10/7/2015 1:37 PM
251	more picnic tables, benches, drinking fountains, improved & modernized bathrooms and changing areas	10/7/2015 1:32 PM
252	Yes, but the increase should be no more that \$.50 per entrance.	10/7/2015 1:31 PM
253	Yes -- the park is becoming inaccessible and if additional fees are required to make access available to everyone (ex: more parking, improved walking paths from satellite parking areas, etc.) it will be very worth it. In addition, I think it's important to consider ways to maintain this space as a dog friendly park and maybe even add a specific dog park as so many places are outlawing dogs and that just isn't true to the spirit of Austin.	10/7/2015 1:30 PM
254	Honestly I don't know what fee is charged now. Typically I park at my work and hop onto the trail, but if you need the additional funding go for it. I would just hate for the park to be un-affordable for families.	10/7/2015 1:27 PM
255	there shouldn't be additional fees for anything except parking. if more accessible parking with MUCH more space were available, i'd be willing to pay a nominal fee under \$10.00	10/7/2015 1:27 PM
256	I would rather keep things simple and free -we pay enough in property taxes. It's impossible to get into zilker/pool anyways with the overpopulation of austin.	10/7/2015 1:26 PM
257	No need to add anything to Zilker. Leave as is	10/7/2015 1:23 PM
258	Parks, as a public good, should be free to the public. Otherwise we risk excluding the people most in need of park spaces.	10/7/2015 1:21 PM
259	Please, please, please reclaim the old rock wall areas above the theater. That whole area would be perfect for additional semi-shaded picnic table/rest areas. Some could simply be open spaces for a relaxing blanket style picnic.	10/7/2015 1:20 PM
260	I would support parking fees in high traffic areas to help control traffic congestion and pay for park improvements/maintenance.	10/7/2015 1:20 PM
261	Small increases are acceptable. Offer free days or volunteer opportunities to increase access for all people.	10/7/2015 1:15 PM
262	additional fountains.	10/7/2015 1:14 PM
263	But what about the revenue that ACL and Trail of Lights generates??? Millions in revenue due to this park. Let's claim some of it for park improvements.	10/7/2015 1:09 PM
264	...	10/7/2015 1:08 PM
265	I'd be willing to pay a nominal fee to get upgrades...\$2-3 a visit	10/7/2015 1:07 PM

Zilker Park Improvement Projects at Barton Springs

266	property taxes must be falling into a pothole along an east side street. there should be plenty of \$ for any improvements. also, the festivals held there should be generating enough or donating to support these improvements since their existence closes the park every year so they can make money. if you can use and close a public park to make \$\$, you should be giving back to improve it.	10/7/2015 1:07 PM
267	I think an increase in fees would deter people who don't respect or take care of the park from visiting and it would improve the park for existing users.	10/7/2015 1:01 PM
268	I think paid parking into a parking structure, once all available spots are filled would be fine. Some terraces cut into the hillside for the plays like at Norwood park (Cameron at 183)	10/7/2015 1:00 PM
269	Small increase (\$1-2) for drinking fountains, trash cans emptied more often, ant control	10/7/2015 1:00 PM
270	we can't use it for multiple times during the year due to private events so why should we pay fees for things we can't use for days and weeks on end?	10/7/2015 12:59 PM
271	No, one of the best aspects of the park is that it is available to all	10/7/2015 12:55 PM
272	I'd support additional fees to better maintain other parks in Austin.	10/7/2015 12:55 PM
273	I would support them if necessary, but did not know that there were fees in the first place. Perhaps you mean for special events or large groups. Not sure because I never pay to go to Zilker.	10/7/2015 12:54 PM
274	I'm happy to support maintenance and new projects at Zilker by paying fees to use the amenities.	10/7/2015 12:52 PM
275	I'd pay more to have maintenance of the park performed and current features replaces when they wear out. I don't want the park to change too much from its original character by the additional of new, unnatural features.	10/7/2015 12:51 PM
276	This is a great asset to Austin and needs to be maintained and improved.	10/7/2015 12:51 PM
277	I would not mind paying extra taxes for improvements.	10/7/2015 12:50 PM
278	Yes because the folks who most use it are downtown and I'd like to see them pay for the use.	10/7/2015 12:50 PM
279	As population increases, we need to keep up.	10/7/2015 12:49 PM
280	This park needs to be free/affordable so that ALL can enjoy, not just a few	10/7/2015 12:48 PM
281	The low fees help keep the park easily accessible for all Austinites. Increased fees could exclude people who have limited resources and may not be able to access other places to swim, play, and hike.	10/7/2015 12:48 PM
282	It is important to keep this treasure affordable for families.	10/7/2015 12:47 PM
283	As long as event promoters who use Zilker pay their fare share i.e rental for closing the park to the city residents.	10/7/2015 12:45 PM
284	User fees should always be considered a viable option prior to just adding to the property tax rate.	10/7/2015 12:45 PM
285	I would support an increase of fees if the park was cleaner. There is always so much garbage, broken glass, dog waste, etc.	10/7/2015 12:42 PM
286	if built into our city taxes vs one off fees on a case by case basis (figuring out you need cash to park at the last minute is a major hassle)	10/7/2015 12:40 PM
287	Yes since it might help cut down on crowds & parking issues	10/7/2015 12:34 PM
288	The park should be free or at little cost.	10/7/2015 12:31 PM
289	Want decent park in NORTHEAST Austin !!	10/7/2015 12:28 PM
290	of course	10/7/2015 12:27 PM
291	I already don't really understand the parking, so I wouldn't want to pay more to be more confused.	10/7/2015 12:25 PM
292	You have to pay for increased features. I'd like to see both the City of Austin and users pay for this...not just users.	10/7/2015 12:23 PM
293	Yes, but only an increase of the parking fees to promote public transportation.	10/7/2015 12:23 PM
294	Yes, if whatever additional parking could be more environmentally friendly (not impervious) such as "grass-crete" or paver stones, etc. Drinking fountains are important, too. Land aeration of some sort is important if we are going to continue to have such heavy usage (both sides of the road). Use of organic pest controls would be preferable (if not already in use) to protect ground water sources.	10/7/2015 12:22 PM
295	Add handball courts, 3 wall and 1 wall.	10/7/2015 12:22 PM
296	Improved maintenance and cleaning of bathrooms	10/7/2015 12:21 PM

Zilker Park Improvement Projects at Barton Springs

297	Tricky question. This city has a ton of new tax \$ coming in. Where is that being spent? Barton Springs & Zilker Park are the jewels of Austin. I'm for taking a look at the city budget & re-allocating more \$ to Zilker (and to all of our parks....Austin parks are really, really sad overall. We can do better.)	10/7/2015 12:19 PM
298	I would prefer that my taxes pay for a better play ground for our children and general upkeep. Admission prices need to stay low so that everyone in Austin can enjoy our crown jewel, Zilker Park.	10/7/2015 12:19 PM
299	Increase in what fees?	10/7/2015 12:19 PM
300	Honestly I feel this is one of our greatest resources and with the densification Downtown and on S Lamar that this should be better maintained as its usage has just increased. It shouldn't only be maintained because somehow it has more events than it can handle with the densification. I don't feel like as a taxpayer there should be an increased fee. That is something that could be a whole topic in itself.	10/7/2015 12:17 PM
301	I believe this is for the pool and completely understand the need to raise it but why are tax-dollars not paying for this?	10/7/2015 12:16 PM
302	make it reasonable	10/7/2015 12:16 PM
303	I don't mind paying to protect our beautiful springs and park.	10/7/2015 12:16 PM
304	Perhaps a nominal fee to keep the park available to everyone despite their income level, and to support improved maintenance only. We need shuttles/bus/bike access instead of more parking!	10/7/2015 12:14 PM
305	We recently visited Barton Springs. I had a stroller and just wanted to look at the pool to see if it was somewhere where I could bring my baby at a later date to swim. We weren't allowed in to even take a look. This was ridiculous. How are we supposed to know if we can use the pool without being able to see if there's a shallow end and facilities for a baby first? A little flexibility by the attendant would have been appreciated.	10/7/2015 12:14 PM
306	Austin is becoming a very expensive city, and to put an increase at fees at Zilker Park would be a travesty. Austin doesn't have many green spaces- please let us keep this one without making it expensive for people to go. It's also not fair to low income families.	10/7/2015 12:12 PM
307	I understand that everything is becoming more expensive but, Austin is trending toward more costly expensive venues etc so some people will be limited or excluded from the parks. No more than \$5. ustin has a trend of fetting more expensive and limiting	10/7/2015 12:11 PM
308	if nominal fees get us a better park, then what's the problem?	10/7/2015 12:09 PM
309	Increase fees only on weekends or high-use events.	10/7/2015 12:04 PM
310	I would support a small increase in taxes and parking fees to pay for improvements. I would not support an entry fee or use tax because everyone should be encouraged to enjoy Zilker Park.	10/7/2015 12:04 PM
311	as long as locals still pay the same	10/7/2015 12:03 PM
312	fees are fine to support the park	10/7/2015 12:03 PM
313	I'd support a tax increase for improvements but not a fee to be paid upon arriving at the park to use it.	10/7/2015 12:02 PM
314	Zilker Park is even more important as Austin becomes more populated. It needs to be properly maintained.	10/7/2015 12:02 PM
315	I believe strongly this is something that needs to be done for the park.	10/7/2015 12:00 PM
316	ACL should be paying for this!!! They ruin the park for us for MONTHS.	10/7/2015 12:00 PM
317	The sad part is that if you drive to Zilker, you're supporting every time. However, visitors that don't need to park, don't pay anything to support the park outside any tax appropriation.	10/7/2015 11:55 AM
318	Maintain what you have before you go spending more money for items we really do not need..	10/7/2015 11:55 AM
319	free is good. as usual, this survey asks the wrong questions.	10/7/2015 11:53 AM
320	yes, if it was nominal	10/7/2015 11:52 AM
321	If park fees didn't mean an increase in property taxes, yes. If you use it, you should pay for it	10/7/2015 11:51 AM
322	This is a jewel and we should ensure it stays that way.	10/7/2015 11:51 AM
323	More parking would be wonderful	10/7/2015 11:51 AM
324	I feel that what we have now is a gem and the more natural we keep it the better - Build less and simply keep what we have natural and maintained. Paved Parking lots are not for parks - less man made features.	10/7/2015 11:50 AM
325	Especially if there were more places to get food. Maybe a food truck area?	10/7/2015 11:48 AM
326	Should not the bond money go to these improvements?	10/7/2015 11:46 AM

Zilker Park Improvement Projects at Barton Springs

327	NOT PARKING. I would support fees for improved bike facilities, signage, trail improvements, maintenance or park programs.	10/7/2015 11:46 AM
328	I think the city should figure out a way to take care of this with our insane property taxes. They sure are not going to pay for the roads!	10/7/2015 11:45 AM
329	as long as it's under 5 bucks	10/7/2015 11:44 AM
330	no increases now.	10/7/2015 11:42 AM
331	If it was a modest increase in fees yes. But city park properties are supposed to be open and accessible to all residents of the city, not just wealthy ones.	10/7/2015 11:41 AM
332	You can not expect increased services without increases cost. Taxes and fees are what we pay to secure these services.	10/7/2015 11:40 AM
333	More features = more money...period. I dont think it will limit access.	10/7/2015 11:40 AM
334	YES... pay per use, I'm tired of paying for things I do not use, let those that use the facility pay for it. Bet they won't like that, they want me to continue to give them a free ride.	10/7/2015 11:40 AM
335	A modest fee increase would seem warranted in order to maintain and improve this jewel.	10/7/2015 11:39 AM
336	Food truck lot	10/7/2015 11:38 AM
337	Taxed Enough Already	10/7/2015 11:37 AM
338	Taxes are high enough	10/7/2015 11:36 AM
339	I wouldn't mind paying a little more to have upgrades and improvements.	10/7/2015 11:36 AM
340	Parks should be supported thru the general tax fund and open to all to enjoy.	10/7/2015 11:35 AM
341	Take the money from somewhere else, not me. Perhaps the money used for the silly hike & bike trail proposed along mopac...	10/7/2015 11:35 AM
342	food and drink - biergarten	10/7/2015 11:35 AM
343	ABSOLUTELY NOT. If paying for "improved" features means making the people pay to use their park, those features aren't worth it. If some folks want fancier stuff at the park, let them start a campaign. The pool is already too expensive for working class people to use regularly. NO MORE FEES.	10/7/2015 11:34 AM
344	Pay to park parking garage would be ideal. There's just no way to satisfy demand on flat parking lots. If I'm taking my pets, toys, and children, or COURSE I'm going to use my car instead of a bike. Make the park more accessible to underprivileged families who don't own million dollar homes in walking distance.	10/7/2015 11:33 AM
345	only to improve on the park, the low cost is a good draw though so fees should not be raised too much so all can access the park	10/7/2015 11:33 AM
346	Absolutely not. Fundraising can easily AND SHOULD be done through events like ACL and National Trails Day, as well as through private donations.	10/7/2015 11:32 AM
347	Pay for enter	10/7/2015 11:31 AM
348	I would support fees for improved maintenance and landscaping - not for parking, picnic tables or drinking fountains (unhealthy)	10/7/2015 11:30 AM
349	Uh, property taxes should cover this. THEY ARE SKY HIGH!	10/7/2015 11:30 AM
350	More Trees!!!!	10/7/2015 11:30 AM
351	I would prefer a property tax increase to pay for it	10/7/2015 11:30 AM
352	No. I'm not going to pay more fees to maintain the park when commercial for profit events are using up this resource.	10/7/2015 11:29 AM
353	Keep the barton springs south gate open during free swim 9-10pm!	10/7/2015 11:28 AM
354	I think what makes this park so special is that there are no fees- its free to the public to enjoy. I dont think there needs to be more parking, picnic tables or drinking fountains.	10/7/2015 11:28 AM
355	Depends on amenities added.	10/7/2015 11:27 AM
356	Austin Parks and Rec, you are sad. I would love to support this, but Zilker Park is a PUBLIC PARK. Once you add in all these special improvements, you will begin to charge more money in any way you can. Parking, entrance fee, etc.	10/7/2015 9:49 AM
357	We Austinites are getting away with robbery every time we pay \$5 for parking or \$3 for Barton Springs. I would pay so much more if I knew that the money would go back to helping the parking situation or keep the pool beautiful.	10/6/2015 8:39 PM

Zilker Park Improvement Projects at Barton Springs

358	parking fees seem exorbitant, esp. since there are few to no public transportation options. (what about shuttles from clubhouse or some central point?) and what happens to the funds from special events that close the park to general use?	10/6/2015 4:31 PM
359	ACL brings in so much money - I think this and other rentals fees for events would be the funding source for these small additional features. Now - if you were asking for additional funds for something else larger than these small and routine things - then maybe I would support that.	10/6/2015 4:09 PM
360	The park gets plenty of revenue now. It should stop privatizing the park for C3 and it should do a MUCH better job maintaining and planting trees. PLEASE don't mow the lawns so often, so low, with such loud and polluting machinery that is driven recklessly. Keep the pool open 24x7. Open up more parking spaces by limited special interest parking space. Add more public transit and more shade.	10/6/2015 3:33 PM
361	Please keep affordable for Austin families	10/6/2015 3:09 PM
362	If the fees go to the park, yes. But if the money goes into the city's general revenue and spent elsewhere/not on parks, then, no.	10/6/2015 3:09 PM
363	The park is greatly overused. It irks me terribly that the large field south of BS Road is used for event parking for the botanical gardens, theater, and overflow parking. it should be another great lawn, or dedicated frisbee or soccer fields. NOT PARKING.	10/5/2015 8:42 PM
364	City fees (e.g., parking) should be used to improve maintenance and access to park and pool	9/28/2015 4:32 PM
365	Increased fees at Barton Springs for non-residents seems appropriate. Also, charge for parking and create an incentive for folks to use alternative transportation methods.	9/28/2015 2:45 PM
366	Create better options and incentives for accessing the park via public transport, bikes, etc. instead of creating more parking. Park and ride sites, for example. I'm not sure if the park needs the other amenities you have listed here as I mostly use the park for the pool and creek. I do know fees create barriers for lower income families to use the park, and I don't like the idea of increasing the fees for that reason.	9/24/2015 6:43 PM
367	I like the Zilker Park is free to the public. Adding fees for parking and closing the park for so much of the year for events like ACL and Trail of Lights goes totally against what parks are supposed to provide to the citizens of Austin.	9/24/2015 2:43 PM
368	Things cost. If the city refuses to place funds then I do not mind a price increase. But this is a flagship park and should be budgeted accordingly. Private concerts in silkier must stop. Shutting off the great lawn to citizens 6 months a year is no what a public park should be doing.	9/23/2015 2:07 PM
369	I feel that our taxes should cover entry into Zilker, and charging a fee will prevent less fortunate from visiting.	9/23/2015 1:03 PM
370	I would be willing to pay a little extra to park and some of that money to go to improvement projects	9/23/2015 12:44 PM
371	Charging for parking cars is a great idea, and a way to encourage more active and alternative transportation choices.	9/23/2015 12:32 PM
372	Increase fees, yes, but be careful because theoretically my VERY HIGH taxes cover those costs too. Double jeopardy?	9/23/2015 12:31 PM
373	i would support an increase in fees for adults, but not kids or seniors. I would like to see it still an affordable option for families and seniors to be able to use on a daily basis. I would rather see that money raised through hotel taxes or event fees that benefit the things like ACL and other concerts on the lawn. I would also prefer the park be supported more by the businesses and highrise condos that are within a 2 mile radius of the park. I would like to see all pools in Austin stay open the summer of 2016.	9/23/2015 11:20 AM
374	If it helps with park maintenance I am okay with paying 1 or 2 dollars more	9/23/2015 11:19 AM
375	No, the park should be for all of us, regardless of income.	9/23/2015 11:12 AM
376	I actually support a fee increase, but not for the reasons listed above. Just for conservation. I would not like for there to be anything else added to Zilker.	9/23/2015 12:11 AM
377	Parking, more drinking fountains for dogs (that actually work)	9/22/2015 10:13 PM
378	I'm certainly willing to pay extra for a return on the investment in regard to the park.	9/22/2015 7:00 PM
379	I support just about anything that supports Austin's parks.	9/22/2015 6:58 PM
380	charge more for parking, charge for parking on bsp south side, charge more for barton springs, plant more trees and charge festivals more to use the park. no more festivals.	9/22/2015 6:57 PM
381	I would be in favor if it went to help the native habitat. I would be in favor of collecting revenue from those breaking leash laws , litterers and those not picking up dog waste. Would like to see more enforcement	9/22/2015 6:03 PM

Zilker Park Improvement Projects at Barton Springs

382	Don't even think about it. Zilker Park is a right, not a luxury for the wealthy. Austin has already done enough to push out the poor. Shame!	9/22/2015 5:35 PM
383	But only if they reduce days park is closed for private events like acl	9/22/2015 5:31 PM
384	Good parks required fees, simple as that.	9/22/2015 8:09 AM
385	Raise the parking fee and charge it for all park events.	9/21/2015 2:58 PM
386	NO TOO expensive to take family across town Pay too much in taxes with No improvements in Givens park or Govalle Park or Springdale park	9/20/2015 7:15 PM
387	Slight increase in pool entrance fee or weekend entrance fees	9/20/2015 6:17 PM
388	Increase the fees for groups to use. What other fees are there besides pool entrance?	9/20/2015 1:51 AM
389	I believe that protecting Zilker is important to Austin and improved maintenance is part of that. Recycling options are sorely lacking in all parks. Additional options for public transportation should be prioritized over additional parking.	9/18/2015 10:30 AM
390	Upkeep on maintenance, protection of trees and encouragement of new plantings. Providing shade where none is readily available.	9/18/2015 8:53 AM
391	The great appeal to Zilker is having a nice open area close to downtown that is actually free. Most places cost money around there and keeping something like this free is important to families in Austin.	9/16/2015 5:11 PM
392	Corporate and private sponsorships should be solicited	9/16/2015 1:31 PM
393	No this needs to be an increase to the general fund to allow PARD and other partnering departments to maintain low (preferably) no cost access to Zilker Park to allow equal access to some of our best features.	9/16/2015 12:34 PM
394	There are fees now?	9/15/2015 4:19 PM
395	I love Zilker, but if fees were increased I would instead choose to visit other city parks.	9/15/2015 4:08 PM
396	-	9/15/2015 2:12 PM
397	Parks should be free. Isn't that why we pay taxes?	9/15/2015 2:10 PM
398	The park could use additional maintenance, especially on the south side of Barton Creek/Barton Springs Pool between Wright Field and west along Robert E. Lee drive.	9/15/2015 10:24 AM
399	Visitors and tourists are not aware of fees for city parks and the costs are especially inhibiting to the poor	9/14/2015 8:02 PM
400	If you mean that you'll charge an entry fee to park users, then I'm not in favor of that. If you mean an entry fee for specific events, then that might be a reasonable trade off for the heavy wear and tear on the lawns and facilities.	9/14/2015 3:50 PM
401	There needs to be some way to put a downward pressure on the number of people flocking to this park OR making more money to offset their impacts.	9/14/2015 11:59 AM
402	Improved drinking fountains or frequent maintenance on existing ones would be nice.	9/14/2015 11:53 AM
403	Citizens already pay enough for city services	9/14/2015 11:36 AM
404	Fees are already ridiculously low. I don't want to increase the fees so much that it deters people from visiting, but it seems reasonable that the cost of services and infrastructure should be supported by the people using them. Need more rangers to patrol for graffiti and off-leash dogs. Really appreciate the educational programs of Splash and those put on by Park Rangers.	9/14/2015 11:26 AM
405	Additional offsite parking and public shuttle	9/14/2015 11:24 AM
406	A minimal increase though. Cost is already a barrier to many families in Austin. I bring children there that have lived in Austin their whole life and have never been to the Springs because of the cost.	9/14/2015 11:06 AM
407	Even without features, I would support an increase in fees if we were able to get rid of festivals hijacking the public use of the park (like ACL!).	9/14/2015 10:55 AM
408	I think, at paying for parking, you could ask 'would you like to donate to the fund for drinking fountain improvement' could be an option (though I know how annoying that is for staff). Most parks in town we don't pay for parking so increasing it here would make me less likely to visit. A temporary tax increase to cover it that would go away once the improvement is complete could work. Or designate some of the funds raised by ACL and Trail of Lights to it.	9/13/2015 12:46 PM
409	But very minimal to ensure the continued use by a diversity of individuals	9/12/2015 10:20 AM
410	They should use some of that money from ACL to improve things. What's the point of ruining the park every October if you aren't going to use the money to improve things other than the lawn?	9/12/2015 7:25 AM

Zilker Park Improvement Projects at Barton Springs

411	Stop being money-grubbing - leave it like it is. People can be "entertained" by nature. Stop spending our money to make our park like other people's parks - leave it alone.	9/11/2015 11:47 PM
412	For improved maintenance & tree preservation. But NOT for more parking! Need a few bus routes or shuttles on weekends & summer days (heavy use days), so fewer people have to drive all the way to the park.	9/11/2015 10:02 PM
413	I would support fees for improved maintenance and other items, but not sure if I support additional parking.	9/11/2015 8:20 PM
414	Charge per person and not per carload	9/11/2015 7:43 PM
415	Parking fees from the Great Lawn and S side would help defer some of the cost to maintain the park.	9/11/2015 4:51 PM
416	But I personally think that lights are a bad choice because they only give unsavory types an excuse for hanging around at night. The change on the trails where there are lights is really remarkable.	9/11/2015 3:38 PM
417	I do not support any additional amenities to the pool or to the park, especially not those that require pavement. I am also very much opposed to any additional amenities to the south side of the pool area. I believe any fee increases should be to parking fees on the north side of the pool and prefer that the south lot remain free of charge. I support those additional fees only if their proceeds are dedicated to the maintenance of existing trees and to planting new trees in the park and the pool area; paying aquatic biologists to monitor the health of the pool's flora and fauna; and to implementing the procedures suggested by these scientists to support the health of Barton Springs Pool and all the other springs in the park.	9/11/2015 10:00 AM
418	FEES FOR NON CITIZENS like other tourist meccas charge. If the tourists, be they from Round Rock or NYC want to come to MY park (as it is held in a stewardship relationship for the citizens of Austin and I pay tax, it is MINE), they are welcome. But they need to pay their share as GUESTS.	9/11/2015 9:58 AM
419	Wouldn't go if had to pay for parking.	9/11/2015 8:39 AM
420	This is a city park and should be funded by city taxes. The one exception is parking; there should be fees for parking during peak hours.	9/11/2015 8:36 AM
421	I'd pay for more drinking fountains and better trail maintenance	9/11/2015 8:16 AM
422	restrooms, water fountains, better Splash! exhibit and environmental education opportunities	9/11/2015 6:06 AM
423	the park system should be funded with city taxes and not be priced to discourage use by any citizen.	9/11/2015 4:39 AM
424	charge admission to help maintain it daily	9/10/2015 4:29 PM
425	I would support an increase in fees if they went to support educational programs within the park	9/10/2015 3:18 PM
426	Parking is a problem, but it erodes and degrades the field. If Zilker Zephyr or something else could serve as a shuttle between existing parking lots that might help. Would support fee increase to Barton Springs Pool	9/10/2015 10:29 AM
427	Pay to park.	9/10/2015 9:40 AM
428	I feel that the fees collected from pool entry are enough. The parking fees are a bit extreme. Parks are meant to be available to everyone in the city. The higher fees you add make the area less and less accessible to the people who most need exposure to nature. The diversity of citizens able to go to the parks needs to remain high. I heard a parking attendant brag that they had taken in \$23,000 in one day just from parking cars. I do NOT think that our parks should be money makers. It takes away from the purpose of having parks in the city.	9/10/2015 8:59 AM
429	I want the park to be available to everyone, no matter how little money they have. However I would also like to see additional amenities. I would prefer to pay higher taxes to see this happen.	9/9/2015 8:18 PM
430	A small increase in certain fees could dramatically improve the quality and therefore the visitor numbers	9/9/2015 7:49 PM
431	Improved maintenance/features warrant increased fees.	9/9/2015 5:14 PM
432	a small increase	9/9/2015 4:45 PM
433	Charging for parking will encourage people to use public transportation. Or meter parking and have the revenue go to the park.	9/9/2015 3:59 PM
434	We should not be charged to park at Zilker park on the weekends unless a special event is going on.	9/9/2015 3:27 PM
435	Only if PARD uses the additional money to first buy back the collective soul they sold to C3 and then makes the park publicly accessible all the time!	9/9/2015 1:13 PM
436	improved facilities and maintenance	9/9/2015 11:13 AM

Zilker Park Improvement Projects at Barton Springs

437	I support an increase in fees to the pool for day use and a continued savings plan for season passes. Barton Springs should be accessible and affordable to local residents but not at the expense of the quality of the experience. There should always be budget for sufficient lifeguard staffing, maintenance, etc. (At Barton Springs, Deep Eddy, and all pools across Austin.)	9/9/2015 9:18 AM
438	Yes! Zilker is the heart of our city, and we need to keep it healthy and well maintained!	9/9/2015 8:37 AM
439	I am very concerned with the cost of going to the park, weekend parking fees, making it unavailable for lower income austinites and visitors. The park should be available for everyone of all income levels.	9/9/2015 8:26 AM
440	I support paying for nice city parks but if anything there should be "less" parking. More parking just encourages more cars, an no park was ever improved by adding cars.	9/9/2015 7:48 AM
441	Please prioritize ALL the things in this survey. Such a wonderful park and I hated to mark things as less urgent than others when they are all needed. Also please consider reworking the zephyr ticket line management. Selling scheduled-time tickets could greatly reduce the time spent waiting in line with young kids and no shade. Also please consider adding shade to the playground where it is desperately needed. And please consider adding a foot path between sides of the springs without going inside through the fenced pool area which costs money and has limited hours.	9/9/2015 6:10 AM
442	Yes, but I would be worried about making the park too expensive for poorer Austin families to visit.	9/9/2015 5:18 AM
443	The City of Austin does not do much to improve any of it's parks. Somehow there needs to be more money, so a slight increase in fees would be one approach	9/8/2015 10:37 PM
444	I do not think parking is the way to go. Invest in bus, pedestrian and bike friendly methods for people to use the park. Paying for parking should be the norm and all money should go into the additional features.	9/8/2015 5:41 PM
445	Definitely not. Please don't add more parking ... encourage people to bus or bike or walk. Adding more infrastructure isn't needed, the maintenance is fine as is, and the additional costs will only prevent low-income people from using this beloved public park. My one exception to this would be a splash pad at the Pecan Grove picnic area. That area is horrendously hot in the summertime, and a splash pad would make it more useable and more fun. But maybe two splash pads for Zilker - one at the playscape and one at Pecan Grove - could be done with a bond?	9/8/2015 5:41 PM
446	the fees are low for what the park offers but try also to increase the fees you get from ACL. The park shouldn't be closed so long from October to January. Increase fees to commercial users. Don't have another cyclocross event that damages the trees. Reduce the disc golf area to only the south side of the course to protect the heritage trees in the north side. Or at least move 2 baskets in the north side to avoid a large heritage tree by the drainage ditch. Disc golfers throw the discs even when people are in the area and get hit, have some enforcement and hold them accountable. Disc golf damages trees not only by the erosion caused in their root zones but by the repeated hits on the bark that penetrate deeply into the wood.	9/8/2015 5:18 PM
447	If it would be dedicated to maintenance of the disc golf course, I would support a \$1 fee/day to play (like they do at Wilco).	9/8/2015 4:32 PM
448	These amenities should be provided as a public service. Accessibility is so important, and keeping any sort of admission cost down is key to maintaining accessibility.	9/8/2015 3:38 PM
449	I think using alternative transportation should be encouraged and potentially paid for with money from paid parking. Volunteer days to maintain the park could also be a good idea for saving money.	9/8/2015 3:30 PM
450	I'm tempted to say yes, because I'd pay for parking, for instance. But the fact that it's open for free for everyone is perhaps its greatest charm.	9/8/2015 3:22 PM
451	Do variable, demand based pricing for parking while providing improved bicycle access and parking as well as improved signage to public transportation.	9/8/2015 9:58 AM
452	Drinking fountains!!!	9/8/2015 9:23 AM
453	If minimal, say, entrance to Barton Springs increases to \$5 from \$3.	9/8/2015 8:54 AM
454	Minimal fee increases. Heard a rumor parking meters were coming. Would that count?	9/7/2015 6:40 PM
455	I think funding the building of more pathways to cross Barton Springs Road that does not effect traffic is the most important.	9/7/2015 4:02 PM
456	I care about this park. I don't mind paying a couple extra dollars if it means it could be improved or more people could enjoy it	9/7/2015 8:44 AM
457	Build two multi-story parking garages, one near the Christmas tree area (for swimmers/south park users) and one near the MoPac bridge at Town Lake (runners/walkers/bikers/north park users). Parking on the lawn on the south side seems short-sighted and an improper use of lawn. As our town continues to increase in population, Zilker usage and parking will only become more problematic.	9/7/2015 7:27 AM

Zilker Park Improvement Projects at Barton Springs

458	The price at the pool could double and not a single person would complain. You should charge for parking. Use the additional monies to renovate and upgrade the park.	9/6/2015 10:58 PM
459	I would pay for better/more bathrooms and drinking fountains.	9/6/2015 4:15 PM
460	A very small fee of no more than \$2 additional.	9/6/2015 4:04 PM
461	I would pay more to help preserve the park as it is. The thought of more parking lots makes me want to kill myself. Barton Springs is the sole relic of Austin that has not yet been ruined. Don't ruin it! Protect it!	9/6/2015 3:16 PM
462	I shouldn't have to. the parks should be taken care of. But if the city is unable to have a budget which includes parks, then maybe we need a friends-of-Austin-parks org to help raise money for Austin parks like San Antonio does. Raising the rate to get in means the lower economic scale no longer gets to enjoy it. And that's not fair - to anyone.	9/6/2015 3:15 PM
463	Already expensive, especially on weekends in Summer. For New source of revenue: Charge extra for those who wear Wet Suits and Joggers who wear their running gear, as some wear street/running shoes into the pool! Call it a pollution tax! Charge = double the regular entrance fee.	9/6/2015 2:47 PM
464	Everything has a cost and improvement cost. Not all of that money will or can come from the city.	9/6/2015 1:55 PM
465	As long as it's reasonable.	9/6/2015 11:14 AM
466	It's only logical to expect a rise in fees if there are significant improvements made to the park...like a hillside slide into Barton Springs. hint hint. :)	9/6/2015 9:12 AM
467	Yes for nicer bus stops and bike parking. There is already adequate car parking	9/6/2015 9:12 AM
468	As long as the fee is reasonable and the parking lot does not take over half (or more) of the park.	9/6/2015 8:58 AM
469	I wouldn't gripe about a dollar here or there, but the taxes continue to go up in Austin, it is becoming somewhat unaffordable to raise a decent family here. If the parks department needs some extra to keep zilker great, then so be it, I don't think it will have much of an impact on people going there. seems to be very popular.	9/5/2015 11:31 PM
470	Sure	9/5/2015 10:23 PM
471	I wouldn't mind paying more, but it seems with all the growth in Austin there should be enough money/taxes to improve the park without increasing fees. The park is not keeping up with the modern feel of Austin.	9/5/2015 8:02 PM
472	i wouldnt mind paying for upkeep	9/5/2015 7:51 PM
473	Tree planting and landscape maintenance, parking lots, lighting	9/5/2015 7:31 PM
474	Please DO NOT add parking - that's the last thing you should do with precious park space. Public transportation is pathetic, Cap metro has done nothing but DECREASE routes in the area ... it's time the city demand better. Bring back the dillos. Target the zilker area for extentions to train service. Do something to better utilize the parking garage at the Long center - decrease fees if necessary - that garage should be full to capacity at all times	9/5/2015 7:26 PM
475	Parking.	9/5/2015 7:23 PM
476	I have always been proud that Zilker has been free for everyone. The introduction of parking fees, which I assume are necessary, was just lame. Our city should have plenty of money to maintain this particular park especially. If we don't, then it needs to be better managed and it needs to stay free for everyone.	9/5/2015 4:41 PM
477	Parking and traffic flow	9/5/2015 4:38 PM
478	I think we should charge ACL more money for closing down the soccer fields for 2 months if our ridiculously high property taxes won't cover improvements. Those people make piles of money off pimping out our park.	9/5/2015 4:27 PM
479	It depends on how much the increased fee is. A dollar or two would be fine but anything more would make it inaccessible to low-income family members and this park should be available to all.	9/5/2015 3:49 PM
480	Fixed income.	9/5/2015 3:42 PM
481	it must be a reasonable increase and when the renovations are paid for the increase should go away	9/5/2015 3:32 PM
482	The park needs to be accessible to ALL economic levels - not just those with large amounts of discretionary money.	9/5/2015 2:55 PM
483	I don't mind paying for good service and ammenties plus it keeps the rift raft out because they can't spend money to cause trouble.	9/5/2015 2:49 PM
484	More funding for more options is always appreciated.	9/5/2015 2:47 PM
485	We pay taxes for maintenance of parks and it only benefits Austin to keep Zilker affordable, easily accessible, and fun. Don't make it out of reach for families to use regularly.	9/5/2015 2:37 PM

Zilker Park Improvement Projects at Barton Springs

486	Improved maintenance, yes. I don't necessarily want a greater number of tables and other facilities, but i want what is there to be kept up and clean. Many of the tables are worn out and not appealing to use.	9/5/2015 2:22 PM
487	Fees are already too high for a poor family to go to the Springs. Parks cost and the funding should come from the wealth of the City.	9/5/2015 2:14 PM
488	As a resident of the surrounding neighborhood, I would support anything that would alleviate the traffic (both cars and people) in my "neighborhood park and swimming hole."	9/5/2015 1:42 PM
489	Would pay for parking	9/5/2015 1:08 PM
490	Keep it all clean and protect the wonderful natural environment	9/5/2015 11:42 AM
491	nominal if the festivals go away..	9/5/2015 11:30 AM
492	I think accessing Barton springs and turning in and out of the entrance in a vehicle can be difficult during peak use times.	9/5/2015 11:29 AM
493	I really mean no to explain why: you are going to have a difficult time wanting folks to pay more when the city is experiencing unprecedented growth, tax dollars rolling in, C3's kinda shady deal for ACL but still money coming in from it -- and they can't allocate more money for Zilker Park, a park that almost everyone in the city uses??	9/5/2015 10:29 AM
