Q4 How could we improve this park?

Answered: 135 Skipped: 0

#	Responses	Date
1	trash pick up and parking. ticketing for unleashed pets/litering	10/3/2016 10:01 AM
2	Give tickets to the irresponsible dog owners who allow their animals to run free.	10/2/2016 11:01 PM
3	keep the water and park clean	10/2/2016 10:01 AM
4	Less liter	10/2/2016 9:10 AM
5	Keep the crime down. Keep the large groups of people in check. Enforce laws of the park. Police presence would be nice. It doesn't feel safe anymore right now. Would love a playscape for 5-12s. The road it is on is too small, overgrown, potholes, and limited sight distances.	10/1/2016 6:38 AM
6	Make sure creek water is safe to swim in, especially for kids.	9/30/2016 3:19 PM
7	Better signage for hiking trails	9/30/2016 11:30 AM
8	1. Better police visitors engaged in inappropriate activities/discarding trash. 2. Reopen the trails to mountain biking.	9/30/2016 11:21 AM
9	better parking	9/29/2016 5:03 PM
10	Add Playscape. Patr for illegal parking	9/29/2016 9:18 AM
11	People walk along Lakewood where traffic moves very fast. The mix of pedestrians and cars on the small road is dangerous and a matter of time before someone gets hurt. Also, the amount of trash and cigarette butts is disheartening. Fire is always a concern in this community. Lastly, dogs off leash cause dangerous situations for kids while hiking on the trail.	9/29/2016 9:00 AM
12	Better trail maintenance and more trash recepticles.	9/28/2016 6:49 PM
13	There is not alot of seating or nice area for blankets.	9/28/2016 1:07 PM
14	Keep dogs out of the #*^%~ water and if people don't start picking up after their dogs then ban dogs period. Way too many people that violate this regulation. The children deserve better than this	9/28/2016 10:32 AM
15	Enforce laws in place! Too many dogs off leash. Too much trash. Makes it feel unsafe if there's drunk people throwing their trash in the water with dogs running around off leash. Of course some owners are great with their dogs off leash, but had enough bad experiences with others to ruin it all.	9/28/2016 10:25 AM
16	Rebuild crumbling wall near water edge	9/28/2016 9:09 AM
17	It's already nearly perfect for me. Use it all the time.	9/28/2016 5:37 AM
18	see above	9/27/2016 11:33 PM
19	enforce no grilling outside of designated grills. Enforce no motorbikes on trails. Maintain trails.Please contact me to discuss- Thanks!	9/27/2016 11:00 PM
20	Monitor illegal parking, supply more trash cans, enforce no drinking once in effect, enforce leash law, better grounds maintenance.	9/27/2016 9:47 PM
21	Restore off leash dog areas	9/27/2016 9:41 PM
22	Litter is awful. Needs trash receptacles and recycling. Also, would be awesome if there was a way to go underneath 360 to avoid crossing that road as a pedestrian coming from Great Hills.	9/27/2016 9:10 PM
23	There are tons of visitors parking all over the place	9/27/2016 8:28 PM
24	limit parking, grilling, trash	9/27/2016 7:07 PM
25	Parking.	9/27/2016 6:29 PM
26	The park isn't the problem - it's the users who occasionally abuse it. Not sure how you improve that.	9/27/2016 6:16 PM
27	Dogs on lease; picnics in designated areas; diapers to receptacles; either pave lot close to 360 bridge or make it impossible to park.	9/27/2016 6:01 PM
28	play place!!!	9/27/2016 5:50 PM

Bull Creek District Park Plan

29	the trails need to be cleared and marked out as time has washed or lost a lot of the official signage. More trash receptacles in the swimming areas along with a restroom or portapotties on the 2222lakewood intersections.	9/27/2016 5:17 PM
30	Safety	9/27/2016 4:46 PM
31	I frequently see overflowing trash cans at both entrances to the park on Lakeway drive. The trash then tends to get blown around the park or into the creek. I'd love to see more trash and recycling cans as well as more frequent trash service to prevent overflow.	9/27/2016 4:37 PM
32	Limit number of people who can enter on the weekends. Help control trash. Limit "loudness" of radios/music.	9/27/2016 4:17 PM
33	Bring back lease free option! Could be in a designated area	9/27/2016 3:43 PM
34	Do something about the gravel build-up in the creek. Maintain the trails.	9/27/2016 3:35 PM
35	Native plants for erosion control	9/27/2016 3:31 PM
36	Provide information on the cleanliness; there are reports of condition of the water and leakage from upstream containments	9/27/2016 3:25 PM
37	upgrade the trail upstream of the falls.	9/27/2016 3:19 PM
38	Saw people having cookouts right next to the creek. This is not safe for the people or the park. Can we police this better?	9/27/2016 3:16 PM

80	More picnic tables Maybe some dog bags for dog feces Better volleyball courts! Sometimes lots of bugs in water but it's a given when it rains	9/23/2016 2:35 PM
81	Ban grilling. Have police out here to write tickets for littering to deter people. Try to keep ANNOYING SOLICITORS from pedaling their stuff. *adding from #2: I would like these things but the park already gets more crowded than parking can bear. I have a kid but I don't want reasons for more people to come.	9/23/2016 2:33 PM
82	Requirement for owners to pick up dog droppings. I have seen dog droppings by water. *Trash bags for dog droppings	9/23/2016 2:28 PM
83	You can add some type of gravel or rock at area where the water gets a little dirty when you go in it.	9/23/2016 2:27 PM

96	Do something to reduce the overcrowding on the weekends. Monitor the park at the end of the day to ensure that people throw away their trash	9/18/2016 8:42 AM
97	The park is neglected in the areas that are more remote, i.e. away from the primary parking/rest room area.	9/17/2016 11:19 AM
98	Get rid of the drunks, and get rid of the pigs that leave trash everywhere.	9/16/2016 6:47 PM
99	Better signage and traffic patterns so visitors don't try to walk along Lakewood Drive between 360 and the bridge over Bull Creek - it's too narrow there for pedestrians to walk safely.	9/16/2016 5:11 PM
100	MORE TRAILS, DOG PLAY AREA, BENCHES	9/15/2016 6:34 PM
101	providing more facilities	9/15/2016 3:57 PM

Bull Creek District Park Plan

103	Don't spend any more money on it	9/15/2016 3:34 PM
104	Don't change it.	9/15/2016 3:33 PM
105	Fines for littering and dogs off leash. Enforce dog poop pick up.	9/15/2016 8:36 AM
106	Monitor trash, parking overload. Make it friendly for "active agers" in our community.	9/15/2016 8:28 AM
107	Write tickets to people who leave trash, food and diapers behind. Mow more frequently. Cut down tall weeds that are creekside.	9/15/2016 12:14 AM
108	While I'm glad people are using the park, what makes Bull Creek unique is its natural beauty. Recently, some park goers have been using the park as a play/recreation space, which is not what the park has traditionally been. We have plenty of other parks in town that are ideal for small children, having cookouts, playing volleyball, etc, but this is not one of them. I would like to see those sorts of activities discouraged as that is the sort of thing that is presently causing all the problems at Bull Creek (the people making fires, leaving trash, polluting the water, etc, are typically there for fun, not for birding, walking, observing the ecosystem that lives there, etc).	9/14/2016 11:21 PM
109	Overcrowding, trash (including dog waste) and public drinking are all issues. The park needs to be patrolled and people fined for abusing the park.	9/14/2016 10:44 PM
110	Work on trail maintenance. Trail signs w/ GPS locators like those in Walnut Creek Park.	9/14/2016 7:48 PM
111	Improve trails, trail signage, benches on trails	9/14/2016 4:32 PM
112	It seems like it's overused right now. So, put more effort into cleaning it up. And, add more parks in this part of town to spread the use over more area.	9/14/2016 8:57 AM
113	Needs to be featured like McKinley Park down by airport.	9/13/2016 3:03 PM
114	More places to sit and enjoy the views.	9/12/2016 8:14 PM
115	Restart leash free. We used the park 10 times more when it was leash free for our dogs	9/12/2016 7:39 PM
116	No dogs. At minimum enforce leash with fines and not just signs.	9/12/2016 6:55 PM
117	Maintain the trails	9/12/2016 2:05 PM
118	better parking - at popular times, it's impossible to park here. There needs to be a good parking lot at the parking area just north of the District Park - it's a disaster. It would be great to use a little money from this grant to put better parking there, for the sake of the District Park users	9/12/2016 1:55 PM
119	Protect the natural beauty by reducing the amount of people visiting the park. The recent alcohol ban was an excellent start. Now it needs to be enforced. Everyone should have the opportunity to enjoy the park, but the overcrowding was leading to dangerous water quality, hazardous parking, and enormous amounts of littering. The hiking trails could be better maintained and labeled. It would great if there were clearly labeled trails with online maps. I think it's possible to hike from BCD park all the way to St Edwards park and stay on public land the whole way. (At least when the Preserve lands are open.) That would make an amazing trail that people could do all or part of.	9/11/2016 8:13 PM
120	keep it from being overrun and destroyed	9/10/2016 4:22 PM
121	Leave it alone!!!!!!! Just mow weekly and keep the trash/recycle bins picked up!	9/10/2016 12:27 PM
122	Do not increase parking	9/9/2016 4:14 PM
123	Bridge on Lakewood was poorly designed and causes more flooding across the road than before the bridge	9/9/2016 9:36 AM
124	Restore an area for off-leash dog activity	9/9/2016 7:18 AM
125	Plays scape! The master plan of our neighborhood did not include park space/play scapes. There are school parks, but families cannot go during school hours. (And after since the after school programs uses them until 6:00 pm)	9/9/2016 6:09 AM
126	Better trails for walking	9/9/2016 5:42 AM
127	Better, cleaner bathrooms and monitored trash receptacles	9/9/2016 12:25 AM
128	Like it to stay same. Except close earlier for day users	9/8/2016 5:31 PM
129	1. replace the bridge (needs to span the creek with no pillars that become a dam) and repair the creek bank and scoured parkland 2. repair and improve the picnic/stage area with a pavilion that can be reserved for community gatherings 3. work with AWU to stop the overflow of wastewater upstream of the park	9/8/2016 4:57 PM
130	Trash is a huge deal, and is disgusting, bad for the water quality, for general enjoyment. A *very* regular trash pickup would make it a much nicer place	9/8/2016 1:13 PM

Bull Creek District Park Plan

131	the parks are over used. I would like to see access restricted via the use of paid parking, enforced no parking areas. Hamilton Pool does this. Overuse is leading to large amounts of trash (beer & wine), open fires, and fecal pollution.	9/8/2016 12:01 PM
132	See Other in 2. above	9/6/2016 7:16 PM
133	Forbid bringing dogs, because and control the water in the creek, add filters if possible	9/6/2016 4:33 PM
134	Enforce off-leash dog and littering laws.	9/6/2016 4:23 PM
135	As a Bull Creek volunteer, I would like to see the city take more ownership of the park's condition. If volunteers don't do the work, it seems nothing gets done. When 360 was built, there were no erosion controls and Bull Creek continues to be filled in with each rain bomb event with more gravel etc.	9/6/2016 4:05 PM
