

MEETING POSTPONED TO NOV. 14TH

EMMA LONG METROPOLITAN PARK VISION PLAN

The Parks and Recreation Department is in the early stages of creating a Vision Plan for the lakefront area of Emma Long Metropolitan Park. A key component of this process is involving and collecting input from the public.

We hope you can join us for the first public meeting!

We will share information on the history of the park, the existing conditions and inventory, and gather feedback on what facilities you use and what facilities and programs you would like to see in the future.

We are also hosting exciting kid and family friendly activities. So bring the family out for a fun day in the park and help us create a vision for Emma Long Park!

If you are unable to attend the meeting, we still want you to be involved! Email EmmaLongPark@austintexas.gov with the subject "updates" to be added to the project email update list.
