

PARKLAND EVENTS TASK FORCE RECOMMENDATION

Recommendation Number: 20160927-E4: Final Report review and approval.

The task force adopts the definitions regarding park use and access.

Working Definitions

Open – full accessibility – normal day in the park without event uses

Closed – no accessibility - ticketed participation only

Partially Open (greater than 50% available without a ticket and unfenced)

Minimally Open (more than 50% closed, only available to ticketed patrons)

In Use – no fences, no barriers, significant portion of the park reserved/impacted by the event. Includes increased pedestrian and vehicular activity

Definitions should apply to all parks.
