Summary of How the Death Occurred: (max. 30,000 characters)

Summary:

On 8/5/2017, at approximately 6:56am, patrol officers responded to a check welfare made by the resident of 501 Deen Avenue #103, Austin, Travis County Texas. The complainant of the call reported a white male (Mr. Givens) forced entry into his apartment, seeking assistance, informing the complainant that he had ingested a large quantity of Methamphetamine.

A fire crew responded, arriving first, but staged at the intersection of Georgian Drive /Deen Avenue, due to the nature of the call. (The complainant had provided updates to 911 that the subject was being violent inside of his apartment.)

The first two arriving officers entered the complainant's apartment and handcuffed Mr. Givens, who was laying on the floor, for safety reasons.

Once in custody, and with the assistance of two other arriving officers, Mr. Givens was removed from the apartment and placed on the ground outside of the apartment, to await medical personnel's' on-scene arrival. Officers then advised APD Communications that it was safe for medical personnel to enter the scene. A fire engine crew arrived on scene shortly thereafter, and immediately began administering medical intervention, as the subject remained handcuffed on the ground.

Once EMS personnel arrived on scene, the subject was placed onto a gurney, the handcuffs were removed, and soft restraints were applied. The subject was placed into the ambulance, as his physical condition

deteriorated rapidly. Mr. Givens arrested, CPR was administered, and he was transported to Seton Hospital, where he was admitted. Mr. Givens died at Seton Hospital on 8/6/2017 at 11:28am. The investigation awaits the final autopsy/toxicology report from the Travis County Medical Examiner's Office for the cause and manner of death. On 10/24/2017, the autopsy/toxicology report was received from the Travis County Medical Examiner's Office. The report states the cause of death was Acute Methamphetamine Toxicity. The report states the manner of death was determined to be Accidental.
