

## National Summer Youth Contest – Win \$500!

**Submission Deadline: AUGUST 25, 2013**

Rundberg is one of just several areas nationwide selected to participate in President Obama's National Revitalization Initiative. Help us spread the word about your neighborhood and the Restore Rundberg project by telling your story to a national audience!

**Local Initiatives Support Corporation (LISC)** is pleased to announce a contest for youth to tell the story of their communities' efforts to become safer and more vibrant. Contestants are invited to submit web-friendly entries that introduce their neighborhoods, the people and streets that make them unique, and a vision for ways they can become safer, better places to live and work.

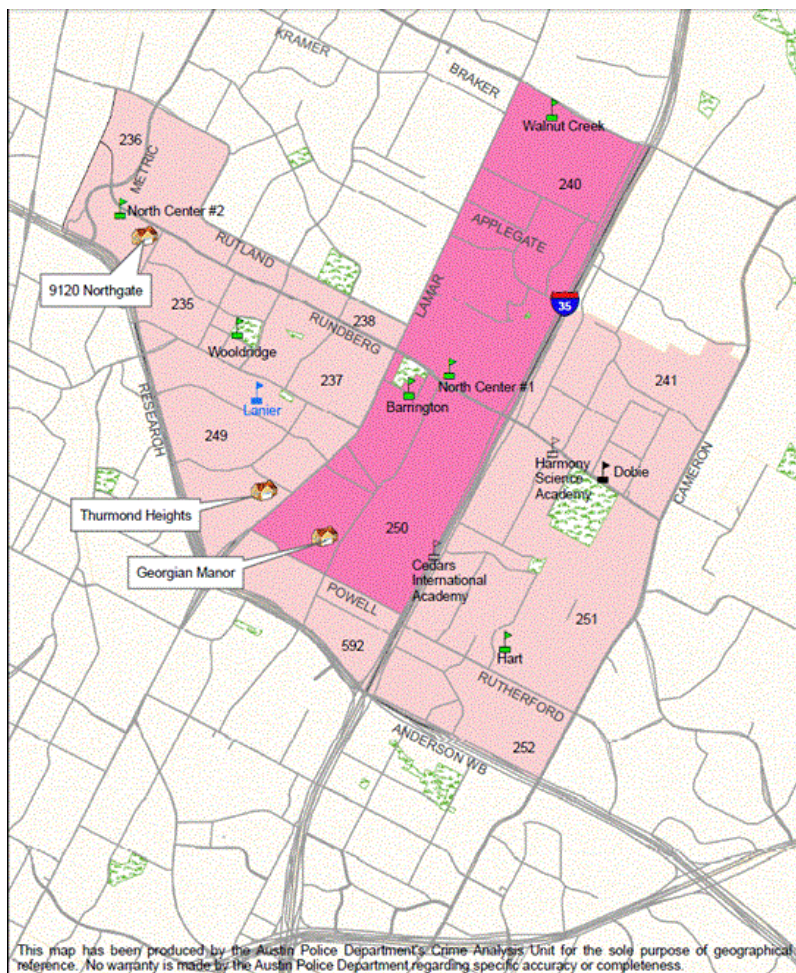

**LISC** will post winning entries on its [website](#) to help people around the country learn about the communities involved with **LISC's Community Safety Initiative** and the **Byrne Criminal Justice Innovation (BCJI) program** of the **U.S. Department of Justice**. Submissions in any web-accessible format including (but not limited to) video, photo essay, blog posting(s) or cartoon series are encouraged.

You are eligible to participate if you:

- are 14 years of age or older
- live and/or attend school/vocational program in the Restore Rundberg area (see light and dark pink shaded areas of map, see below)
- are enrolled in school/vocational program (spring or fall 2013)
