

Sam Rayburn, John Nance Garner Neighborhood Cleanup

On May 24, 2014, the Region II District Representatives hosted the monthly clean up on Sam Rayburn and John Nance Garner streets. The event was a success! The community, volunteers, APD, and the residents of the two streets came together in a joint effort to clean the area and improve its appearance. Members of the Restore Rundberg Team were also giving a helping hand. Each month the Region II District Representatives select a street in the Restore Rundberg grant area. Please check our website for updates on our next clean up!
