

Weekly Community Meetings

The Edward District Representatives host weekly community meetings at 6:30 p.m. on Tuesdays at the YMCA located at 1000 W Rundberg Lane. These meetings are a great way to meet and connect with your area District Rep. The meetings generally focus on issues important to community members and/or stakeholders who live, work or have an interest in improving the quality of life in Restore Rundberg grant area. The meetings are part of the Restore Rundberg grant project.
