# Accessing Interpretation

1

Click the globe icon

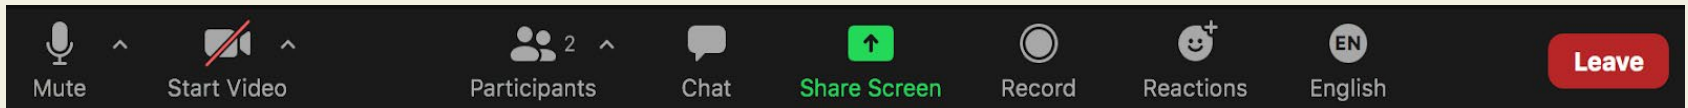

2

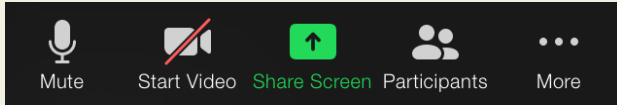

Select your preferred language

You are set!

3

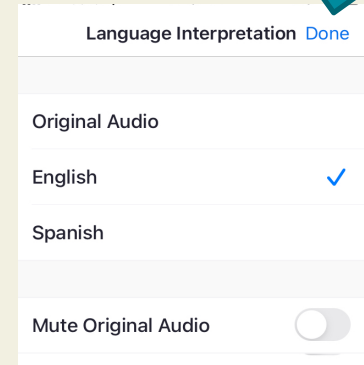

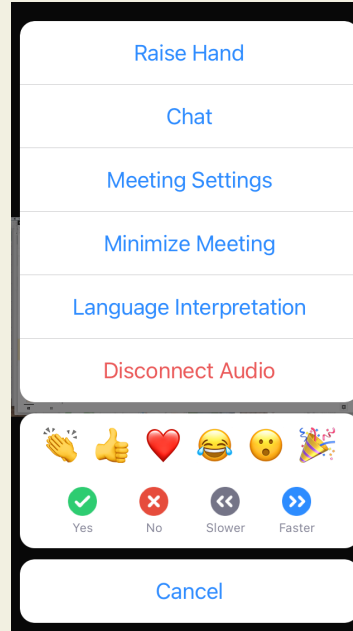

# Accessing from a cell phone or tablet

1. Click MORE to find interpretation

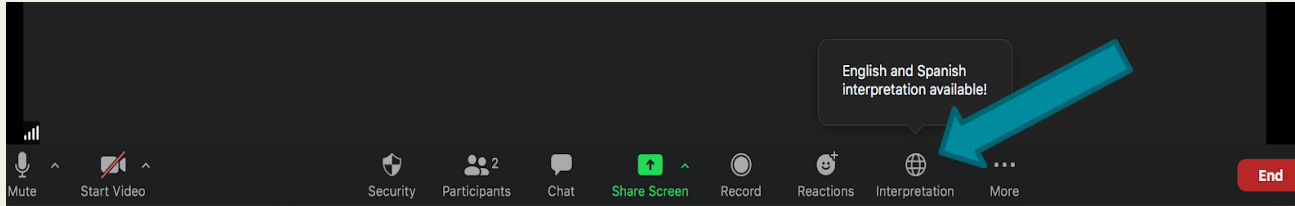

2. Click language interpretation

3. Click **DONE** and you're all set!

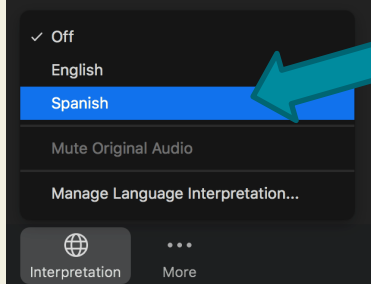

# Cómo acceder a la interpretación

1

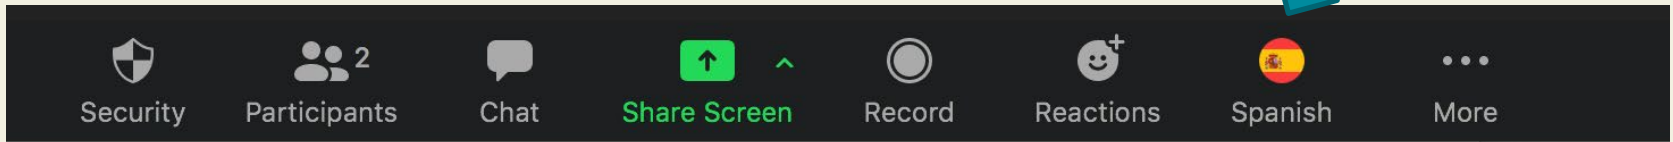

Haz click en el ícono del globo

2

Elige tu idioma de preferencia

3

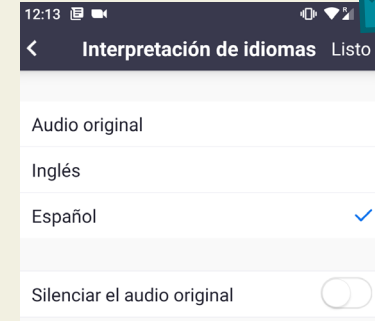

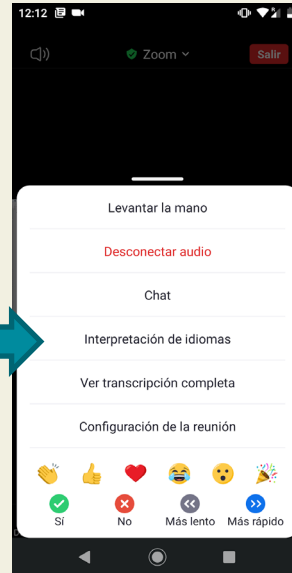

¡Listo!

# ¿Cómo me conecto desde mi celular o tableta?

1. Haz clic en **MÁS** para encontrar interpretación

2. Haz clic en **interpretación de idiomas**. Podrás elegir tu idioma.

3. Después de elegir español, no olvides presionar Listo.

# Meeting Agenda

- Accessing Interpretation
- Meeting Expectations
- Welcome and Introductions
- Project History and Background
- Project Features
- Project Impacts
- Current Status and Next Steps
- Questions

# Meeting Expectations

Please...

- Keep your microphones muted and cameras off
- Place questions in the chat
- Note that we will answer questions at the end of the meeting
- Note that any questions we are not able to answer, we will provide a written response to ASAP
- Use the link in the chat to sign up for future updates about this project

# Introductions

**Venessa Fuentes** – Council Member, District 2

**Eric Bailey** – Assistant Director, Public Works

**Dario Octaviano** – Project Manager, Public Works

**Ramiro Hernandez** – Project Inspector, Public Works

**Candace Craig** – Project Consultant, Dunaway

**Zac Vaughn** – Contractor PM, DeNucci Constructors, LLC

# Project History and Background

- **April 2016:** City Council asks City staff to explore options for extending Meadow Lake Blvd.
- **October 2016 to February 2017:** Engineering review begins
- **July 2017:** Design phase begins
- **Sept. 2017:** City Council approves funding to complete project
- **June 2018:** A community meeting is held at Perez Elementary School
- **June to August 2020:** Start environmental review for creek; finalize plan for drainage
- **May 2021:** All permits secured
- **September 2021:** Construction contract signed

# Project Overview

- **Project Scope:** Increase mobility for residents in the neighborhood by extending Meadow Lake Boulevard from Misty Slope Lane to Quicksilver Boulevard. The project will include sidewalks, protected bicycle lanes and other traffic improvements.
- **Project Goal:** Provide a safer and more available route to schools in the area, including Perez elementary. Improve mobility for residents in the area.

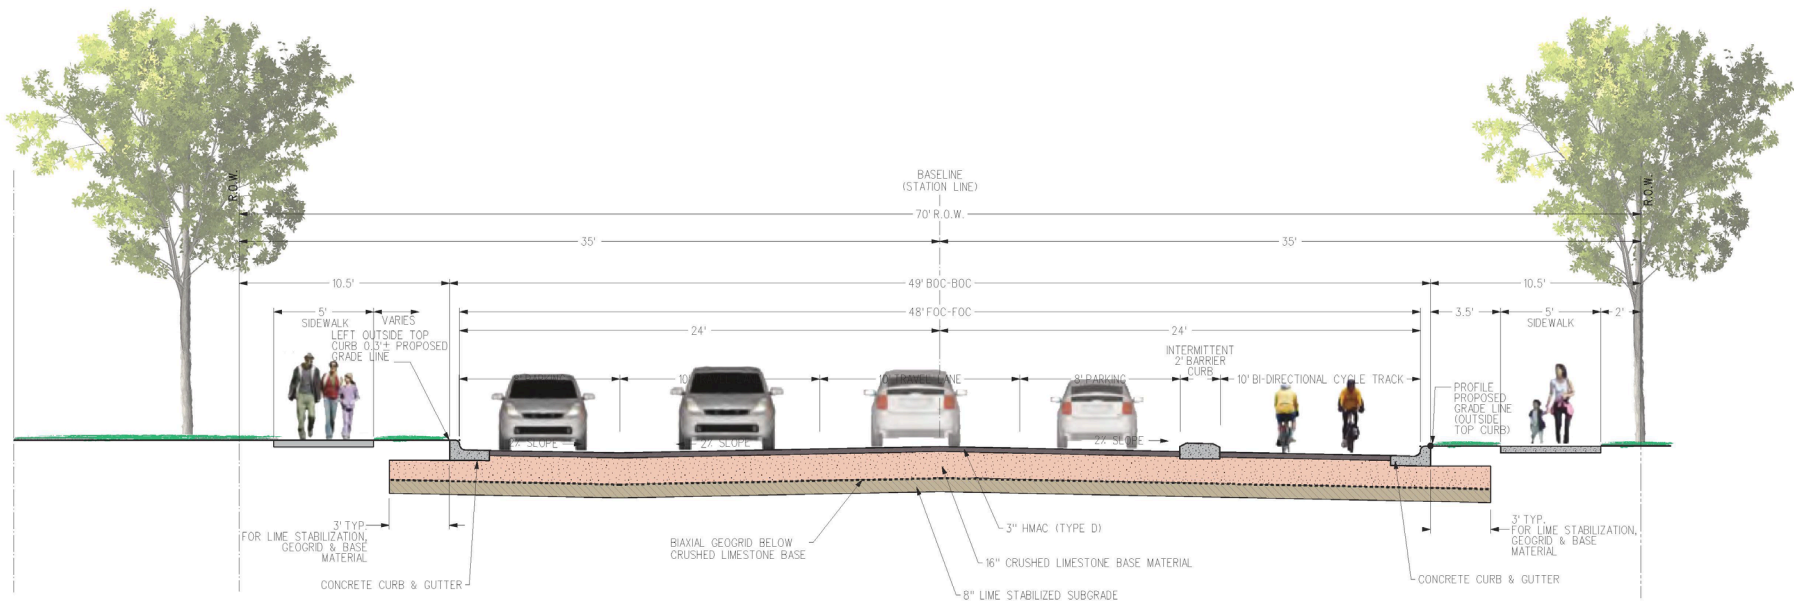

# Project Features

- Protected two-way bike lanes
- Installation of sidewalks
- Two one-way travel lanes
- Street lighting
- Parallel parking
- Storm drain
- Detention and water quality ponds
- Erosion control and improved storm water movement

# Project Area

TYPICAL SECTION (MEADOW LAKE BLVD)

# What to expect during construction

- Temporary water service shut-outs (five lots near project area). Project inspector will hand out written notices 48 hours in advance.
- The inspector will work with contractor to ensure traffic impacts are as minimal as possible. Access for some driveways may be temporarily impacted for homes on Meadow Lake Blvd near the project area.
- Residents may notice an increase in truck traffic due to construction material delivery. The project will comply with the City's noise ordinance.
- Allowable work hours will be Monday-Friday, 7 a.m. to 6 p.m.

# Project Contacts

**The project inspector will be the primary point of contact for residents in the project area.** They will oversee the day-to-day operations of this project. We strive to maintain direct communication with residents and will remain available for any questions or concerns.

Ramiro Hernandez – Inspector

512-974-7607

# Current Status and Next Steps

## **Current Status:**

A contract with DeNucci Constructors is signed and a pre-construction conference will take place in October.

## **Next Steps:**

Expected construction is October 2021 with estimated completion in fall 2022.

Project Area = 

Please leave questions in the chat. Thank you!
