

MOBILITY

WHAT *is* THE TUF?

A CLOSER LOOK AT SOME OF THE WAYS AUSTIN PUBLIC WORKS AND TRANSPORTATION USE THE TUF:

The Transportation User Fee (TUF) helps keep Austin's roads, sidewalks, bridges and other mobility infrastructure in good condition.

STREETS

- We maintain nearly **8,000** lane miles of streets
- In 2021, more than **256** lane miles were improved

SIDEWALKS

- We maintain **2,838** miles of sidewalks around Austin
- Since 2005, built and repaired **270+** miles of sidewalks
- In 2021
 - repaired nearly **100,000** linear feet of sidewalks
 - installed **149** accessible curb ramps

BIKE LANES

- We manage more than **215** miles of bike lanes

ALLEYWAYS

- Oversee **1,300** alleyways

BRIDGES

- We maintain **1,200+** bridges and structures

TRAFFIC SIGNALS & SIGNAL CROSSINGS

- We maintain over
 - **1,100** traffic signals
 - **100** pedestrian hybrid beacons

TRAFFIC SIGNS

- Maintain more than **100,000** traffic signs

URBAN TRAILS

- We maintain more than **60** miles of urban trails

CROSSING GUARDS

- Employ **200+** Crossing Guards at intersections around area schools
