Notes:
Pilot Program Permit allowances: 85 dBA at venue property line, Sunday-Wed 10:30am, Thurs 12:00am, Fri & Sat 1:00am
Quietest hour shows the quietest average sound levels; Loudest hour shows the loudest average sound levels
Loudest 5 minute shows the loudest sound levels over any 5 minute period, representative of the loudest peaks at each location
A weighted scale (dBA) approximates the most sensitive portion of human hearing (Enforcement standard)
C weighted scale (dBC) is representative of full spectrum sound levels, including bass
