

# CREATIVE CROSSWALK DESIGN TEMPLATE

## Contential Crosswalk

Use this template to show your creative crosswalk design.

This template assumes an average 40-foot wide street. Adapt as needed.

If the application is approved, Austin Transportation will provide the exact width for the location. Final design adjustments may be needed.

Submitted designs can be photocopies, scans, or digital graphics files (.psd or .ai). For digital graphics files, this original template may be imported into a graphic design program, such as Photoshop or Illustrator.
