FREQUENT QUESTIONS:

What if I do not have a Texas Driver's license? You will be issued one of two different types of Conditional Chauffeur Permits:

- For college students**, you will be required to show a current year transcript. The permit will need to be renewed annually. You will NOT have to obtain a Texas driver's license as long as you are enrolled as a student.
- For people who relocated to Texas**, you will have a 90 day conditional permit. After 90 days, you must show proof of a Texas Driver's license and a 3A Certified Texas Driving Record in order for us to issue you a non-conditional permit.

How many times can I take the test? One per day for up to 3 attempts. Should you not pass by the third time, you must wait 30 days and return with all new documents
