Businesses can call
974-4343 for assistance

- Improper disposal of household chemicals can pose a threat to health, and contaminate land, air and water supplies. Many can cause serious injury to employees who pick up your garbage
- Whenever possible, avoid purchasing such items. If you must purchase, buy in quantities for immediate use
- Please explore alternative products that are environmentally friendly and safer
- Please transport products in their original containers. Do not mix products
- Place smaller items upright in sturdy containers. Containers can be returned or recycled
- If an item leaks, pack it in a larger container and absorb spill with cat litter
- Transport chemicals in non-passenger area of vehicle
