

Hello from WIC!

WIC is now offering virtual consults! The benefits of virtual visits include convenience, access, efficiency and safety. This is a way for WIC staff to better connect with you from the comfort and convenience of your home. You can use any smartphone, computer, laptop, tablet that has a web camera.

Once we have connected on a date, we will send an invite to your email with the date and time of your appointment as well as a link to join the call. Prior to your appointment you can download the Microsoft TEAMS app to your device (phone, tablet, computer) so that we connect by video. If you cannot download the application, at the time of your appointment, you can simply select - use browser- when you click on the link to join the video call and it will connect you to the call. Please let us know if you have any questions, and we look forward to visiting with you!

To download the Microsoft TEAMS app: <https://www.microsoft.com/en-us/microsoft-365/microsoft-teams/download-app>

If you are unable to connect at the time of your appointment, please email us your phone number and we will call you.

To find a list of all our clinic e-mails visit www.austintexas.gov/page/wic-locations

Join our Facebook group "[ATX Family Care](#)" for all WIC updates

Sincerely, WIC Team
