CER Events May 2013

May 4

Saturday 8am meet at CER

- **Austin-Bastrop River Corridor Partnership - Travis County River Monitoring Trip**
- Join Claude Morris and the Travis County Colorado River Monitoring trip for a day on the river monitoring birds and more, and help the Austin-Bastrop River Corridor Partnership learn more about the ecology of the Colorado River.
- Meet at the CER parking lot at 8:00AM
- A river trip to monitor birds and vegetation along the river and you MUST provide your own boat or rent one from Cook's Canoes in Webberville <http://www.cookscanoes.com/>
- Contact Claude Morris at cgmorris@flash.net to participate
- More about the Austin-Bastrop River Corridor Partnership at the CER website Projects and Partnerships page <http://www.austintexas.gov/cer> and the Austin-Bastrop River Corridor Partnership Facebook page.

May 8

Wednesday – NOON to 1pm AT Dougherty Arts Center, 1110 Barton Springs Road

- **CER Monthly Lunchtime Lecture by Kevin M. Anderson**
- **River Process: Fluvial Systems and River Hydrology**
- Rivers write their way across the surface of the Earth, inscribing deeply or shallowly depending on the resistance of the surface to the flow of water and sediment carried by river currents. From the first flowing rill to the slow merge with sea at a river delta, fluvial systems shape the landscapes in which we live, and fluvial geomorphology reveals how dynamic those landscapes are. Join me for a talk about how rivers work as physical systems that transport water and sediment on the way to the sea.

May 11

Saturday 7am-11am and 4pm to dark meet at CER

- **Hornsby Bend Bird Observatory Program Monthly Bird Survey**
- The HBBO Bird Survey is open to all levels of birder interested in intensive monitoring, although this is not a field trip. In the morning, we have teams covering different areas of the Hornsby Bend facility, and they count numbers of all birds seen. It is 4 hours of hard hiking and counting, but lots of fun along the way. We meet again around 11am to tally up the species. The afternoon involves looking around for species missed that morning, and we go until sundown. More information about the CER HBBO program at www.hornsbybend.org

May 15

Wednesday – NOON to 1pm AT CITY HALL Boards and Commissions Room 1101

- **CER Monthly Lunchtime Lecture by Kevin M. Anderson**
- **River Process: Fluvial Systems and River Hydrology**
- Rivers write their way across the surface of the Earth, inscribing deeply or shallowly depending on the resistance of the surface to the flow of water and sediment carried by river currents. From the first flowing rill to the slow merge with sea at a river delta, fluvial systems shape the landscapes in which we live, and fluvial geomorphology reveals how dynamic those landscapes are. Join me for a talk about how rivers work as physical systems that transport water and sediment on the way to the sea.

- **Transportation Options for City Hall** - Automobile parking is available in the underground garage. Bring your garage ticket to the talk and the City Clerk's office will validate it for free parking.

May 18

Saturday – 730am – 11am at the CER

- **HBBO/Travis Audubon Society - Hornsby Bend Monthly Birding Fieldtrip – FREE!**
Meet at the CER 730am, no registration needed – all levels of birder welcomed, an easy morning of walking and learning the birds of Hornsby Bend. Bring binoculars and some water if the weather is warm. More information at www.travisaudubon.org and www.hornsbybend.org

May 25

Saturday 9am – 1pm at the CER

- **Ecological Literacy Volunteer Day** – Help maintain Hornsby Bend! Did you know that all the Hornsby Bend trails, habitat gardens, and kiosks were built and are maintained by volunteers? If you enjoy birding or walking along the Colorado River here, please join us in maintaining these amenities and supporting public access at Hornsby Bend.
- We do three hours work and one hour of learning about the ecology of the Colorado River and Hornsby Bend - Wear work-clothes and work-shoes; bring water and binoculars if interested in birds.
- **New! POTLUCK LUNCH AND More ECOLOGICAL LEARNING** - Bring food for our potluck lunch afterwards at 1pm and learn more at a presentation on ecology during lunch.

**For more information about these events, contact Kevin M. Anderson at
Kevin.Anderson@austintexas.gov or 972-1960**
