

Questions from COA Tunneling Projects Contractor Open House:

6935.031 McNeil Drive Water Transmission Main

Q1. Can you please clarify from the presentation about the bid timeline? It says fall 2024 for bidding, and also spring 2025 for advertisement--which I would infer advertisement as the release to bid.

A: Project solicitation issuance is anticipated in the fall of 2024 with contract award in the spring of 2025.

Q2. Is there a current cost estimate for each project? Additionally, would a attendees list be available from today's call?

A: Engineer's cost estimate is \$45 million dollars. Yes, the attendees list is available on the project website.
