

COMMERCIAL FACILITY IRRIGATION ASSESSMENT ZONES

Commercial, multi-family, and city of Austin properties that are one-acre in size or larger must complete an irrigation assessment every two years. An **Austin Water Authorized Irrigation Inspector** must perform the assessment.

ASSESSMENT ZONES

Due dates are determined by the zone with the ZIP code for a facility’s physical address. Properties must submit all forms by the due date for their zone.

- Properties with **ODD** addresses are due in **ODD** years
- Properties with **EVEN** addresses are due in **EVEN** years

** Failing to submit a required form by its due date may result in a \$200 late fee plus a \$25 per day fine that continues to accrue until Austin Water receives the form.*
