

## LAUNDRY-TO-LANDSCAPE RESIDENTIAL GRAYWATER REBATE

Austin Water's **Laundry-to-Landscape Rebate** can help you buy equipment to reuse your laundry graywater to water your landscape.

### SAVINGS

- Using a laundry-to-landscape system can help reduce the amount of paid water you use

### REBATE AMOUNT

- 50% of eligible system material costs, up to \$150
- Limit one rebate per property address
- Eligible system material costs include (1) three-way valve, tubing, fittings, clamps, adapters, auto vents, and basin materials such as mulch. Labor, shipping or delivery, applicable taxes, and costs of auxiliary water source requirements are not included.

### ELIGIBILITY

- **Applicant:**
  - o Be an Austin Water residential customer or **qualifying water provider**
  - o Must be the property owner or utility account holder
  - o Agrees to keep the laundry-to-landscape system installed in the Austin Water service area
  - o Agrees to any needed post-installation inspections by Austin Water
  - o Willing to let Austin Water reference the project in outreach materials
- **Graywater system:**
  - o System may only use laundry graywater from residential washing machines
  - o Must be a new system; may not be replacing an existing laundry-to-landscape system
  - o Must be a gravity-fed system
  - o Graywater must not be stored, runoff into streets and waterways, and not pond on or pool on the soil surface
  - o System must meet all City of Austin permit requirements, including Cross Connection Protection, Plumbing Code, and Watershed Protection requirements, as well as all other regulations as applicable (*contact Development Assistance Center at 512-978-4000*)
  - o System may not be in the Edwards Aquifer Recharge Zone or any other area deemed to be environmentally sensitive (*contact Watershed Protection at 512-974-2550*)
