Watershed Protection Development Review

Watershed Protection & Development Review Department, The City of Austin produced this map for the sole purpose of use as a work resource and as an estimated boundary of landfills in & around Austin. The City of Austin does not warrant the map &/or information regarding its accuracy or completeness. Reproduction is not permitted without permission from the City of Austin-Watershed Protection & Development Review Department.

Date: 09.20.2006

3.20 #21, ST. STEPHEN'S

Location: The St. Stephen's landfill is owned by the Protestant Episcopal Schools, and is located west Austin, at 2900 Bunny Run.

Prior Use: The landfill is essentially as described in the 1984 URM report. At the time of the 2004 SA inspection, the landfill was grass covered and well graded, except for an approximately 25-foot diameter area around a small grove of large trees near the center of the landfill. The ground surface in this area is approximately 2 feet lower than the surrounding capped area. There are no structures on or in the vicinity of the landfill.

Current Condition: Current conditions associated with this site do not appear to pose a material concern to human health or the environment, or represent a regulatory violation.

Reference: Information in this fact sheet comes from the following:
