## Supporting Documentation

**Engineering Report** (with a request for RSMP participation)

**DCM 1.2.2.G:** Explain how the project meets DCM 1.2.2.G.1-4

**Appraisal Information PDF** (from the appraisal district website or a certified appraisal)

**Documentation of Area Claimed as Allowable Exclusion from the RSMP Payment Calculation** (floodplain, water quality, and conservation easements)

**Existing & Proposed Drainage Area Maps** (include contours, spot elevations, flow arrows)

**DCM 1.2.2.G:** Show that the impervious cover doesn't exceed the maximum allowed and that the proposed conditions direct the site's flows to ROW, drainage infrastructure, a drainage easement, or creek

**Existing & Proposed Grading Plans** (OK to skip if the drainage plans provide enough information about flows leaving the site)

**SITE PLANS ONLY: Existing & Proposed Site Plan Sheets**

**DCM 8 ONLY: Modeling Files, Drainage Analyses, and No Adverse Impact Analyses** (zipped together)

**PRIOR RSMP PARTICIPATION ONLY: Prior RS Case Number(s), RSMP Approval Letter(s), RSMP Conditional Approval Letter(s), Executed RSMP Agreement(s)**

**SMART HOUSING ONLY: SMART Housing Certification Letter**

## Additional Supporting Documentation for RSMP Participation by the Construction of Drainage Infrastructure Improvements

**Modeling Files** (zipped)

**Engineering Cost Estimate** (including only the RSMP-approved improvements)

**Plan & Profile Sheets** (detailing the proposed improvements)
