

## Parent/Child CLEAN CREEK CAMP

Dear Parents,

Clean Creek Camp is a City of Austin Watershed Protection Department outdoor, water quality education program. When you participate in camp, you will be at outdoor sites participating in environmental science activities. Preparing you and your child for the challenges of the outdoors will contribute to a safe and fun learning experience. The following is a list of the possible risks, and suggestions for planning.

# <u>WAIVER</u>: For each child and adult attending Clean Creek Camp, a City of Austin Release and Liability Form must be <u>completed, signed, and returned</u> <u>the day of camp</u>.

<u>POISONOUS PLANTS</u>: Be aware that you will be exposed to **Poison Ivy**. <u>WILDLIFE</u>: Austin has various types of wildlife: snakes, coyotes, ticks, spiders, and other potentially dangerous animals. You are taught appropriate behavior for animal encounters, and first-aid kits are carried to all sites. **Bug repellant (especially around ankles where chiggers like to bite) will help protect you and your child from bug bites**.

<u>CLOTHING</u>: You will do a lot of walking. Some of the natural areas have rocky, uneven trails. **A comfortable pair of walking shoes is recommended.** <u>WEATHER</u>: Camp goes on rain or shine (unless it is a dangerous storm). **Prepare your child for the outdoors: cool clothing, raincoat, sunscreen, bug repellant, water, and one Gatorade-type drink are suggested.** 

<u>RULES</u>: 1) Leave the environment cleaner than you found it; 2) keep the sites we visit, including animals, trees, leaves, plants, rocks and land unharmed; 3) Respect all participants and leaders; 4) return all equipment. <u>SUPERVISION</u>: The City of Austin provides the instructors for camp (an experienced outdoor educator). Your child should be supervised by you or an adult designated by you at all times.

<u>CAVING (Aquifer Camp only)</u>: We may be underground for 1-2 hrs. We want you to know that it is a tight crawl on hands and knees through pitch dark (headlights are provided), very confined spaces.

This information is meant for precautionary purposes. We mostly expect to encounter fun and excitement as we always have in our 10+ years of providing water quality camps! If you want more information, call the camp director at 512- 974-3540. We look forward to seeing you and your child at Clean Creek Camp!

Sincerely,

Sara Heilman, Jessica Gordon, & Susan Wall Conservation Program Coordinators City of Austin Watershed Protection Dept.
