

## **Appendix 2.3: Cultural Resources Supplemental Information**

**Table A2.3-1: Previously Conducted Cultural Resources Studies**

REPORT NAME	REPORT AUTHOR	REPORT DATE	NRHP LISTED OR DETERMINED ELIGIBLE CULTURAL RESOURCES	CEMETERIES	NOTES
<i>Cultural Resources of Lower Onion Creek</i>	Hayden Whitsett and Daniel E. Fox	1979	<b>41TV412</b>		Large study is along Onion Creek (many resources outside of ABIA study area); resources divided into clusters; Bergstrom Cluster (17 sites) and Navarro Cluster (7 sites) were within the vicinity of the AIBA study area; included prehistoric and historic sites.
<i>Archeological Investigations at 41TV285: A Site to be Affected by Construction of the Onion Creek Wastewater Treatment Interceptor Line, Travis County, Texas</i>	Michael W. Davis	1984	<b>41TV285</b>		According to atlas, Site 41TV285 was determined eligible by the SHPO in 1998.
Letter to Dr. Laverne Herrington (Deputy State Historic Preservation Officer)	Lieutenant Colonel Harry R. McDaniel Bergstrom Air Force Base	June 13, 1986			Letter regarding a review of all structures 45 years of age or older on Bergstrom Air Force Base; base prepared site forms on pre-1950 structures and evaluated for NRHP eligibility; 30 structures surveyed; none recommended NRHP eligible; SHPO concurred with recommendations (7/28/1986).
<i>Appraisal of Archeological Resources at Bergstrom Air Force Base, Austin, Texas</i>	J.J. Hoffman	1987			Reconnaissance survey for cultural resources on portions of Bergstrom Air Force Base.

**Table A2.3-1 Previously Conducted Cultural Resources Studies (continued)**

REPORT NAME	REPORT AUTHOR	REPORT DATE	NRHP LISTED OR DETERMINED ELIGIBLE CULTURAL RESOURCES	CEMETERIES	NOTES
<i>An Archeological and Historical Survey of the Proposed Moore's Crossing Municipal Utility District, Travis County, Texas</i>	Alton K. Briggs	December 1988			Eleven sites identified; only four appear to be in the ABIA study area (for Noise Contour); none recommended for NRHP eligibility.
<i>Cultural Resources Survey of Portions of Bergstrom Air Force Base, Travis County, Texas</i>	Leland C. Bement	January 1991			Survey of approximately 380 acres of Bergstrom Air Force Base (in five areas located around the base periphery); no new site locations were identified; four previously recorded sites (Whitsett 1979) reassessed; three recommended for testing to determine NRHP eligibility; one site was damaged and no longer merited further study.
<i>Archaeological Testing of Site 41TV1372</i>	Gregory Wood	1991	<b>41TV1372</b>		
<i>Preliminary Report Environmental Considerations for Master Plan Development for an Air Carrier Airport at Bergstrom Air Force Base</i>	Unknown (for Greiner, Inc.)	June 30, 1992			A total of 14 archeological sites and seven historic sites had been recorded in area; noted recent reevaluation by THC of structures on base; most sites had been cleared but at least two sites required reevaluation (Buildings 3920 and 1805).

REPORT NAME	REPORT AUTHOR	REPORT DATE	NRHP LISTED OR DETERMINED ELIGIBLE CULTURAL RESOURCES	CEMETERIES	NOTES
<i>Letter to Tim Knapp, USAFCEE Brooks AFB, San Antonio, Cultural Resources at Bergstrom Air Force Base, Austin, Travis County. Review of Federal Undertaking (funded or licensed), under the National Historic Preservation Act of 1966 (16 USC 470) as amended, SECTION 106 (36 CRF 800)</i>	Texas Historical Commission, State Historic Preservation Officer	September 1, 1992			
<i>Letter to Lieutenant Colonel Gary P. Baumgartel, Chief, Environmental Planning Division, Air Force Center for Environmental Excellence, Brooks Air Force Base, Texas regarding status of Building 3920, Bergstrom Air Force Base, Texas</i>	Stanley O. Graves, Deputy State Historic Preservation Officer, Division of Architecture, Texas Historical Commission, Austin	1993	<b>Building 3920</b> (Bergstrom AFB)		SHPO reevaluated pre-1950 buildings at Bergstrom Air Force Base; Building 3920 determined NRHP eligible; Building 1805 determined not eligible.
<i>Test Excavations at 41TV435 and 41TV436: Cultural Resources Investigations at Bergstrom Air Force Base, Travis County</i>	Paul Maslyk, Solveig A. Turpin, and S. Christopher Caran	1993			Both sites originally recorded in 1979 (Whitsett 1979); recommended not eligible for NRHP; no further work recommended.

REPORT NAME	REPORT AUTHOR	REPORT DATE	NRHP LISTED OR DETERMINED ELIGIBLE CULTURAL RESOURCES	CEMETERIES	NOTES
<i>Cultural Resources Survey and Assessment for the New Austin Airport, Travis County, Texas</i>	Marilyn A. Masson, James T. Jones, Michael Myers, and David O. Brown	January 1994	<b>41TV412</b> <b>41TV430</b> (Moore's Crossing Bridge over Onion Creek) <b>41TV431</b> (low-water ford at Moore's Crossing) <b>41TV1372 Building 3920</b> (Bergstrom AFB) <b>41TV1635</b> (Moore-Burleson House, Cabin, and Olson Farm Complex) <b>41TV1636</b> (Moore & Berry Store/Michalk Grocery) <b>41TV1637</b> (Michalk House)	<b>41TV413</b> (Waters Cemetery)	Intensive archeological survey of the 1032-acre area to the south of Bergstrom Airport (area included BAFB boundaries down to Burleson Road and over to FM 973); total of 44 archeological sites (many including structures) and three architectural properties located in the new airport property survey area (16 previously recorded sites, 31 newly recorded sites); seven sites recommended for NRHP eligibility.

**Table A2.3-1 Previously Conducted Cultural Resources Studies (continued)**

REPORT NAME	REPORT AUTHOR	REPORT DATE	NRHP LISTED OR DETERMINED ELIGIBLE CULTURAL RESOURCES	CEMETERIES	NOTES
<i>Noise Contour Reconnaissance – Historic Architectural Properties (Appendix 2.1 of Cultural Resources Survey and Assessment for the New Austin Airport)</i>		January 1994			Reconnaissance survey within the projected 1998 65-DNL Contour; identified 29 historic architectural properties (10 within proposed acquisition area); one is on the former base; seven sites recommended for NRHP eligibility (five sites are same as in Cultural Resources Survey, Masson, et. al 1994). The two sites not included in the Cultural Resources Survey have since been demolished.
<i>Historical and Archeological Research at 41TV1668, the Colorado School, and Martin Cemetery, Bergstrom Air Force Base, Travis County, Texas</i>	Martha Doty Freeman, Amy C. Earls, Ross C. Fields, L. Wayne Klement	March 1994		<b>41TV1668</b> (Greenwood/ Martin Cemetery)	Site 41TV1688 recorded and contains a small cemetery, cistern, and debris associated with former structures (church and school) that were on the site from the late 19 <sup>th</sup> through the mid-20 <sup>th</sup> centuries; according to informants, the cemetery may contain unmarked burials; recommended ineligible for the NRHP.
<i>Archeological Testing for the New Austin-Bergstrom International Airport in the Lower Onion Creek Drainage of Travis County, Texas</i>	Jon C. Lohse, Sergio A. Iruegas	January 1996	<b>41TV412 41TV1372 41TV1631 41TV1635</b>		Archeological investigation of six previously identified sites. Site 41TV1635 (Moore-Burleson House, Cabin, and Olson Farm Complex) recommended for NRHP eligibility.

REPORT NAME	REPORT AUTHOR	REPORT DATE	NRHP LISTED OR DETERMINED ELIGIBLE CULTURAL RESOURCES	CEMETERIES	NOTES
<i>Historic Context for Southeast Travis County and Cultural Resources Survey and Assessment for the New Austin Airport, Travis County, Texas</i>	Terri Myers, Diane Williams, and Sara Kirtland	May 1996	<b>41TV1635</b> (renamed as Wallace-Burleson-Moore Farmstead) <b>41TV1636</b> (contributing resource to proposed Moore's Crossing Historic District) <b>41TV1637</b> (Contributing resource to proposed Moore's Crossing Historic District)		A component of Phase II-A of Cultural Resources Investigations in support of the new City of Austin Airport at Bergstrom; survey area of 2,200 acres; identified 79 historic resources in 46 locations; also reexamined an area of the prior 1994 Cultural Resources Survey (Masson, et. al. 1994) and Noise Contour Area.
<i>Cultural Resources Investigations at Two Historic Cemeteries for the Austin-Bergstrom International Airport</i>	Jon C. Lohse, James T. Jones, Eric Schroeder	January 1997		<b>41TV413</b> (Waters Cemetery) <b>41TV1668</b> (Greenwood/Martin Cemetery)	Investigation to determine precise boundaries of Site 41TV413 (Waters Cemetery) and determine the possible presence of unmarked burials of Site 41TV1688 (Greenwood/Martin Cemetery); both cemeteries recommended not eligible for NRHP but eligible as SALs; THC concurred with recommendation and requested pursuing SAL designation, but neither cemetery appears in THC's Atlas as a designated SAL.

**Table A2.3-1 Previously Conducted Cultural Resources Studies (continued)**

REPORT NAME	REPORT AUTHOR	REPORT DATE	NRHP LISTED OR DETERMINED ELIGIBLE CULTURAL RESOURCES	CEMETERIES	NOTES
<i>A Summary Report of the Cultural Resources Investigations for the Onion Creek to Bergstrom 138-KV Project Transmission Corridor, Travis County, Texas</i>	Melissa Wilson Voellinger	March 1997			Reconnaissance survey of 4.2 miles of right-of-way. One prehistoric/historic site identified (41TV1783). No further work recommended.
<i>An Intensive Cultural Resources Survey of Phase I of the Proposed FM 973 Wastewater Line Right-of-Way in Travis County, Texas</i>	Russell K. Brownlow	August 2016	<b>41TV1635</b> (part of listed Moore's Crossing National Register Historic District)		Intensive cultural resources survey for City of Austin wastewater line; proposed right-of-way extends along FM 973 (partially within ABIA property); recommendation of no adverse effects.
Various TxDOT cultural resource surveys for adjacent roadways	TxDOT	Various		Unknown	US 183 from US 290 to SH 71 (CSJs 0151-09-036, 0151-09-127, 0265-01-080) SH 71 Airport Entrance East Riverside Drive to US 183 (CSJ 0113-13-163) SH 71/US 183 to Presidential Boulevard (CSJ 0265-01-113) SH 71/Golf Course Road Realignment (CSJs 0265-01-110, 1200-03-033)
