Volaris to fly nonstop Austin-Guadalajara

Volaris, a Mexican ultra-low cost airline, has announced new nonstop flights between Austin, Texas and Guadalajara, Mexico, starting August 7, 2016. The service will operate on Tuesdays, Thursdays, and Sundays.

Flights will depart Austin-Bergstrom International Airport (AUS) at 1:20 p.m., and arrive at Miguel Hidalgo y Costilla Guadalajara International Airport (GDL) at 3:28 p.m. Flights will depart Guadalajara at 9:33 a.m., arriving in Austin at 11:50 a.m. Flights are operated on 179-seat, A-320 aircraft.

“Day after day, we strive to extend Volaris’ connectivity and services to benefit our customers and maintain our positioning as the Mexican airline with the widest presence in the U.S.,” said Holger Blankenstein, Chief Commercial Officer of Volaris. “The new Austin-Guadalajara route improves our presence in the Texas market.”

“Carlos González Gutiérrez, Consul General of Mexico in Austin stated, “The new flight will connect two of the most vibrant start-up scenes and technology hubs in North America.”

Tickets available at: www.volaris.com or call in the U.S., **1-866-988-3527**, and Mexico, **01-800-122-8000**

Allegiant Air debuts nonstop Austin-Albuquerque flights

Allegiant Air launched new, twice weekly, nonstop service between Austin-Bergstrom International Airport (AUS) and Albuquerque International Sunport (ABQ) on June 2, 2016. Inaugural flight ceremonies included a live performance by local musicians Noel McKay and Brennen Lee, an AUS-ABQ suitcase cake, and a ribbon cutting ceremony with airport and Allegiant representatives.

“The new Albuquerque-Austin nonstop low fares on Allegiant make it easy to enjoy events and activities in Austin,” said Jim Smith, Executive Director at Austin-Bergstrom International Airport. “In just over 12 months, Allegiant has added a fourth new nonstop destination for Central Texas travelers. We welcome Allegiant’s continued growth here.”

In 2015, Allegiant launched nonstop service from Austin to Memphis, Cincinnati and Orlando Sanford International Airport in Orlando, Fla. Allegiant debuted air service in Austin in fall 2013 with nonstop flights to Las Vegas.

Flights and lowest fares can be found only at www.allegiant.com

The launch celebration featured a cake in the shape of a suitcase with a guitar representing Austin for its live music and a hot air balloon for Albuquerque, the host of the largest hot air balloon festival in the world.

Condor launches Austin-Frankfurt nonstop

Condor Airlines will launch flights between Austin-Bergstrom International Airport (AUS) and Frankfurt International Airport (FRA) this summer. Flights are scheduled to operate Mondays and Thursdays from June 27, 2016 through September 1, 2016.

“I am pleased to welcome Condor to Austin-Bergstrom International Airport this summer with a new nonstop to Frankfurt, Germany. New options for air service bring new business, jobs, and tourism to Austin,” said Austin Mayor Steve Adler. “Recently, the airport opened a bigger, better U.S. Customs area and a bright, airy, new security checkpoint area. And we are continuing to facilitate growth with a terminal expansion in the works.”

Flights are scheduled to depart Austin at 8:55 p.m. and arrive in Frankfurt at 2:10 p.m. the following day. Flights are scheduled to depart Frankfurt at 2:25 p.m. and arrive in Austin at 6:55 p.m., all times local. Flights

will operate on Condor’s B767-300ER with 259 seats.

Tickets are available at www.condor.com or 1-866-960-7915

42 consecutive months of passenger growth

Austin-Bergstrom International Airport experienced its third busiest month in airport history with 1,066,146 passengers in March 2016. Total passenger traffic for January – March 2016 was 2,778,919, up 10 percent compared to the same time in 2015. Austin’s airport has now experienced passenger growth in 42 consecutive months and 74 of the last 75.

Nine gate terminal expansion underway

Austin-Bergstrom International Airport is adding nine more gates to the east end of the Barbara Jordan Terminal to keep pace with increasing passenger traffic and to prepare for the future growth of air service to the rapidly growing area. Anticipated for completion in fall 2018, the project will increase terminal capacity to approximately 15 million annual passengers.

Expansion will increase the number of contact gates with boarding bridges at ABIA from 24 to 33, with a total of 70,000 additional square feet of new hold room space, concessions, restroom facilities, and concourse circulation space. To support expanded operations, 27 acres of apron space is also being added for aircraft movement and for overnight aircraft parking.

Private nursing station installed for traveling moms

Austin-Bergstrom International Airport opened a Mamava suite-style nursing station on May 6, 2016 to give traveling mothers privacy and to create a pleasant place for pumping and breastfeeding. Across from Gate 7, in the Barbara Jordan Terminal, the station is located in front of the Austin International Sister Cities Exhibit. The location provides a more private and comfortable place to pump and nurse in the airport.

enough, 4-by-8-feet, to comfortably fit a breast pump, carry-on luggage or stroller, and another parent or siblings.

For more information, visit www.mamava.com

Inside the soft lighted nursing suite are two bench seats, a small fold-down table, electrical and USB outlets, a mirror, and a door that can be closed for privacy. The station door displays an occupied lock sign when in use and is large

Jeff Stein
Federal Aviation Administration (FAA)
Support Specialist

Providing a safe, orderly and expeditious flow of aircraft traffic at Austin-Bergstrom International Airport is the primary focus of Jeff Stein, Federal Aviation Administration (FAA) Support Specialist. “My position provides insight into the enormous amount of work that goes on behind the scenes that allows air traffic controllers to do their jobs effectively,” said Stein.

At the air traffic control tower at Austin-Bergstrom since its opening, Stein will celebrate 30 years of service with the FAA in December.
