Luchador Mask

7. Take a piece of construction paper

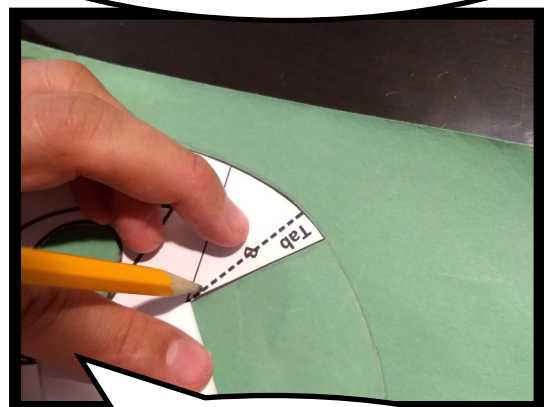

8. Fold the construction paper in half lengthwise

9. Line up the center line of the mask with the folded edge of the colored paper

10. Trace the mask and hole outlines with a pencil

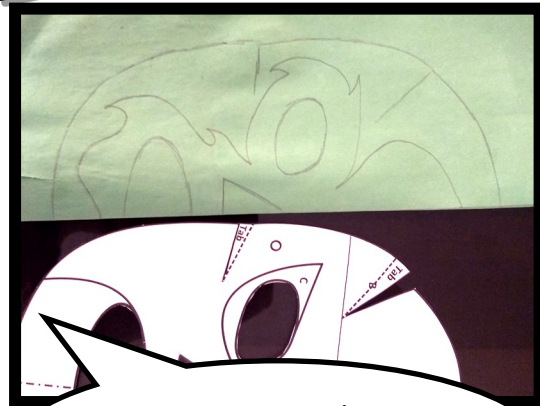

Including the tabs...

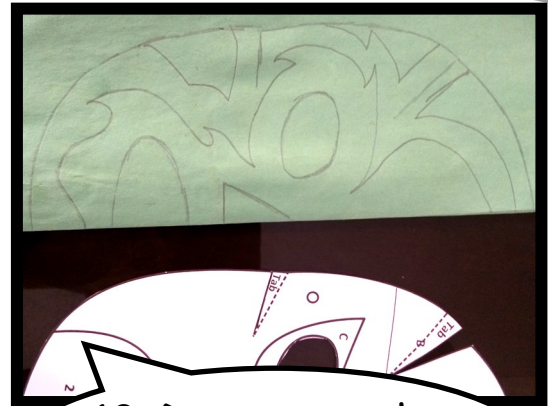

You should now have an outline of the mask on your construction paper

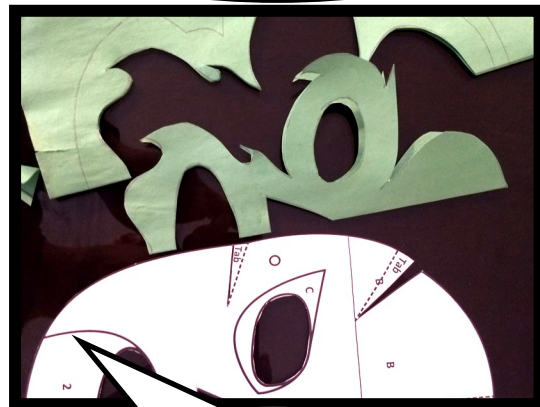

Luchador Mask

11. Draw your design on the construction paper

12. Draw any other shapes you'd like to use

13. Cut out the shapes

14. Flip over the mask and open up the shapes

15. Check that the shapes all line up with the mask

16. Color the base mask

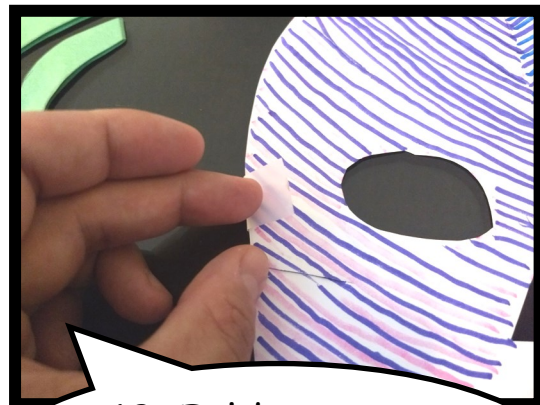

Luchador Mask

17. Take some sticky tape

18. Place tape over each of the string-holes so that it hangs over the side

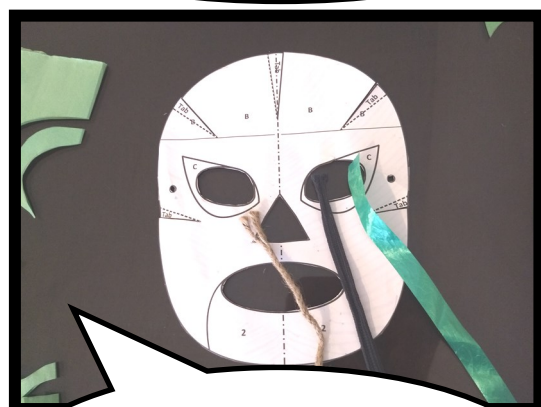

19. Fold tape over to the other side, behind the string-hole

20. Fold across the center of the string-hole

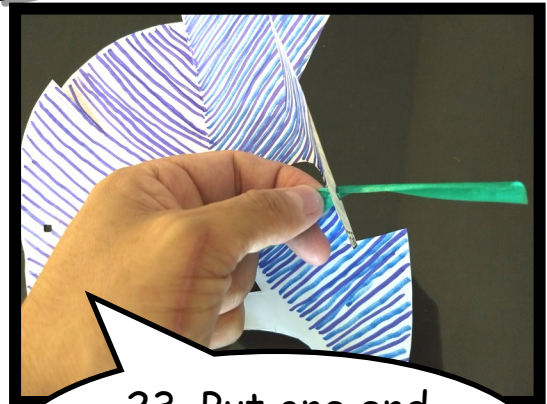

21. Carefully cut out the string-hole

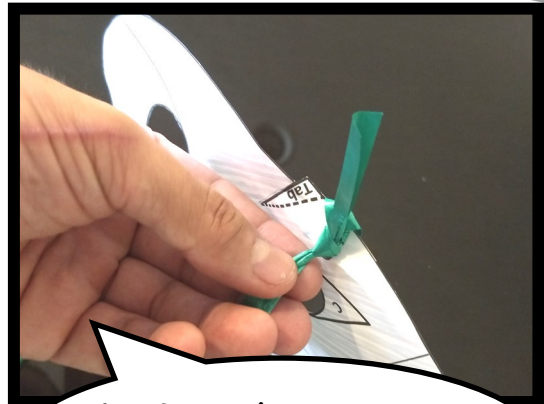

22. Take some string, yarn, ribbon, or even an old shoelace

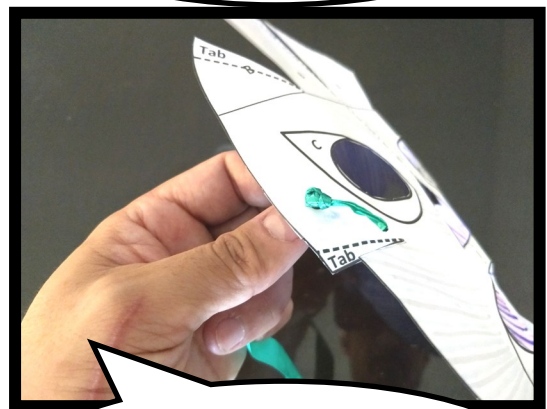

Luchador Mask

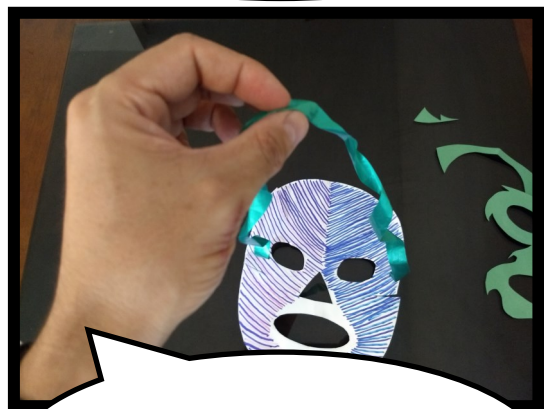

23. Put one end through the back of the string-hole

24a. Tie the string to the mask with two knots

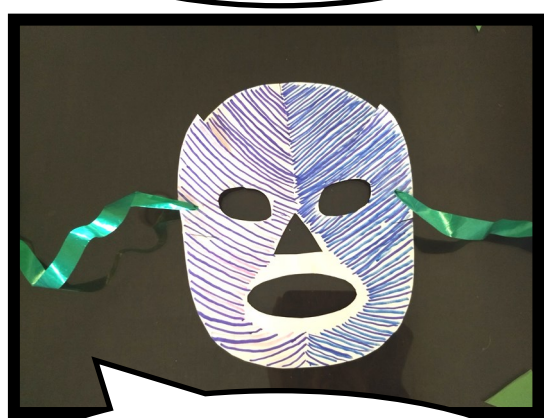

OR
24b. Tie a double knot

25. Find the middle of the string

26. Cut the string in the middle

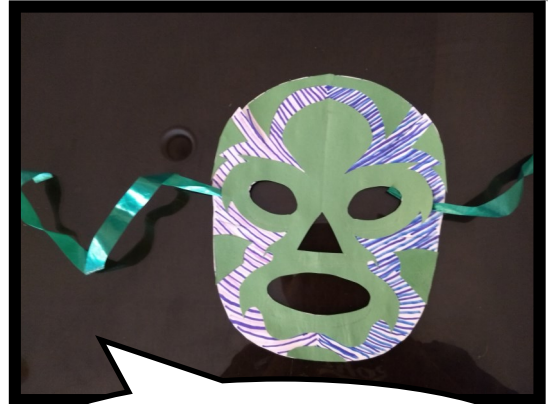

Try your mask on to check everything fits!

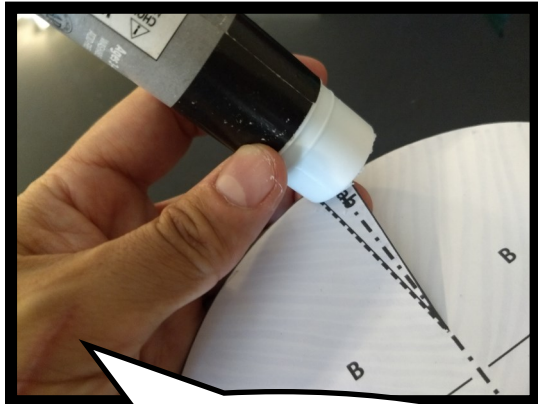

Luchador Mask

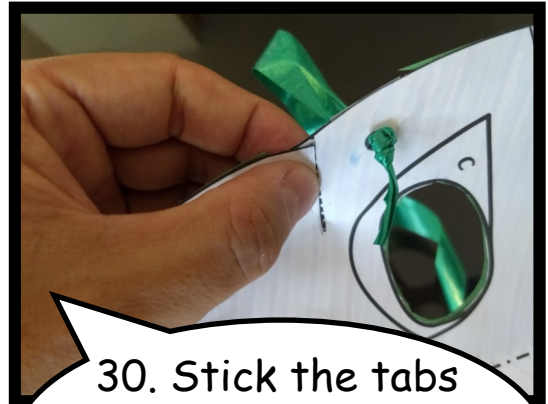

27. Apply glue to the back of the cut outs

28. Stick the cut outs to the mask

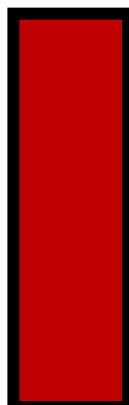

29. Apply glue to the tabs

30. Stick the tabs behind the mask section next to it to make a 3D shape

OPTIONAL: Trim any extra string with scissors

That's it, now you're ready to put on your mask!
